### **Forward-Looking Statements and Important Disclosure Notice**

This announcement may contain certain forward-looking statements, including statements with regard to future events or the future performance or operations of FSIC. Words such as "believes," "expects," "projects," and "future" or similar expressions are intended to identify forward-looking statements. These forward-looking statements are subject to the inherent uncertainties in predicting future results and conditions. Certain factors could cause actual results to differ materially from those projected in these forward-looking statements. Factors that could cause actual results to differ materially include changes in the economy, risks associated with possible disruption in FSIC's operations or the economy generally due to terrorism or natural disasters, future changes in laws or regulations and conditions in FSIC's operating area, and the price at which shares of FSIC's common stock

trade on the New York Stock Exchange. Some of these factors are enumerated in the filings FSIC makes with the SEC. FSIC undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. The press release above contains summaries of certain financial and statistical information about FSIC. The information contained in this press release is summary information that is intended to be considered in the context of FSIC's SEC filings and other public announcements that FSIC may make, by press release or otherwise, from time to time. FSIC undertakes no duty or obligation to update or revise the information contained in this press release. In addition, information related to past performance, while helpful as an evaluative tool, is not necessarily indicative of future results, the achievement of which cannot be assured. Investors should not view the past performance of FSIC, or information about the market, as indicative of FSIC's future results.

#### **Other Information**

The information in this press release is summary information only and should be read in conjunction with FSIC's quarterly report on Form 10-Q for the quarterly period ended June 30, 2018, which FSIC filed with the U.S. Securities and Exchange Commission (the "SEC") on August 9, 2018, as well as FSIC's other reports filed with the SEC. A copy of FSIC's quarterly report on Form 10-Q for the quarterly period ended June 30, 2018 and FSIC's other reports filed with the SEC can be found on FSIC's website at [www.fsinvestmentcorp.com](http://www.fsinvestmentcorp.com) and the SEC's website at [www.sec.gov](http://www.sec.gov).

#### **Certain Information About Distributions**

The determination of the tax attributes of FSIC's distributions is made annually as of the end of its fiscal year based upon its taxable income and distributions paid, in each case, for the full year. Therefore, a determination as to the tax attributes of the distributions made on a quarterly basis may not be representative of the actual tax attributes for a full year. FSIC intends to update stockholders quarterly with an estimated percentage of its distributions that resulted from taxable ordinary income. The actual tax characteristics of distributions to stockholders will be reported to stockholders annually on Form 1099-DIV.

The timing and amount of any future distributions on FSIC's shares of common stock are subject to applicable legal restrictions and the sole discretion of its board of directors. There can be no assurance as to the amount or timing of any such future distributions, including the special distribution referenced herein.

FSIC may fund its cash distributions to stockholders from any sources of funds legally available to it, including proceeds from the sale of shares of FSIC's common stock, borrowings, net investment income from operations, capital gains proceeds from the sale of assets, non-capital gains proceeds from the sale of assets and dividends or other distributions paid to it on account of preferred and common equity investments in portfolio companies. FSIC has not established limits on the amount of funds it may use from available sources to make distributions. There can be no assurance that FSIC will be able to pay distributions at a specific rate or at all.
