Note 1. Principal Business and Organization

FS KKR Capital Corp. (NYSE: FSK), or the Company, was incorporated under the general corporation laws of the State of Maryland on December 21, 2007 and formally commenced investment operations on January 2, 2009. The Company is an externally managed, non-diversified, closed-end management investment company that has elected to be regulated as a business development company, or BDC, under the Investment Company Act of 1940, as amended, or the 1940 Act. In addition, the Company has elected to be treated for U.S. federal income tax purposes, and intends to qualify annually, as a regulated investment company, or RIC, as defined under Subchapter M of the Internal Revenue Code of 1986, as amended, or the Code. The Company has various wholly-owned subsidiaries, including special-purpose financing subsidiaries and subsidiaries through which it holds interests in portfolio companies. The unaudited consolidated financial statements include both the Company's accounts and the accounts of its wholly-owned subsidiaries as of June 30, 2024. All intercompany transactions have been eliminated in consolidation. Certain of the Company's consolidated subsidiaries are subject to U.S. federal and state income taxes.

The Company's investment objectives are to generate current income and, to a lesser extent, long-term capital appreciation. The Company's portfolio is comprised primarily of investments in senior secured loans and second lien secured loans of private middle-market U.S. companies and, to a lesser extent, subordinated loans and certain asset-based financing loans of private U.S. companies. In addition, a portion of the Company's portfolio may be comprised of equity and equity-related securities, corporate bonds, structured products, other debt securities and derivatives, including total return swaps and credit default swaps.

The Company is externally managed by FS/KKR Advisor, LLC, or the Adviser, pursuant to an investment advisory agreement, dated as of June 16, 2021, or the investment advisory agreement. Prior to entering into the investment advisory agreement, the Company was a party to an investment advisory agreement, dated as of December 20, 2018, with the Adviser, or the prior investment advisory agreement, which remained in effect until June 16, 2021.

Note 2. Summary of Significant Accounting Policies

Basis of Presentation: The accompanying unaudited consolidated financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America, or GAAP, for interim financial information and with the instructions for Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. For a more complete discussion of significant accounting policies and certain other information, the Company's interim unaudited consolidated financial statements should be read in conjunction with its audited consolidated financial statements as of and for the year ended December 31, 2023 included in the Company's annual report on Form 10-K for the year ended December 31, 2023. Operating results for the six months ended June 30, 2024 are not necessarily indicative of the results that may be expected for the year ending December 31, 2024. The December 31, 2023 consolidated balance sheet and consolidated schedule of investments are derived from the Company's audited consolidated financial statements as of and for the year ended December 31, 2023. The Company is considered an investment company under GAAP and follows the accounting and reporting guidance applicable to investment companies under Financial Accounting Standards Board, or the FASB, Accounting Standards Codification Topic 946, *Financial Services—Investment Companies*.

Use of Estimates: The preparation of the unaudited consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Capital Gains Incentive Fee: Pursuant to the terms of the investment advisory agreement, the incentive fee on capital gains is determined and payable in arrears as of the end of each calendar year (or upon termination of the investment advisory agreement). This fee equals 20.0% of the Company's incentive fee capital gains, which shall equal the realized capital gains of Corporate Capital Trust, Inc., or CCT, (as predecessor-by-merger to the Company), FS KKR Capital Corp. II, or FSKR, (as predecessor-by-merger to the Company) and the Company (without duplication) on a cumulative basis from inception, calculated as of the end of each calendar year, computed net of all realized capital losses and unrealized capital depreciation (without duplication) on a cumulative basis, less the aggregate amount of any capital gain incentive fees previously paid by CCT, FSKR and the Company. On a quarterly basis, the Company accrues for the capital gains incentive fee by calculating such fee as if it were due and payable as of the end of such period.

The Company includes unrealized gains in the calculation of the capital gains incentive fee expense and related accrued capital gains incentive fee. This accrual reflects the incentive fees that would be payable to the Adviser if the Company's entire portfolio was liquidated at its fair value as of the balance sheet date even though the Adviser is not entitled to an incentive fee with respect to unrealized gains unless and until such gains are actually realized.

Note 2. Summary of Significant Accounting Policies (continued)

Subordinated Income Incentive Fee: Pursuant to the terms of the investment advisory agreement, the Adviser may also be entitled to receive a subordinated incentive fee on income. The subordinated incentive fee on income under the investment advisory agreement, which is calculated and payable quarterly in arrears, equals 17.5% of the Company's "pre-incentive fee net investment income" for the immediately preceding quarter and is subject to a hurdle rate, expressed as a rate of return on the value of the Company's net assets, equal to 1.75% per quarter, or an annualized hurdle rate of 7.0%. As a result, the Adviser will not earn this incentive fee for any quarter until the Company's pre-incentive fee net investment income for such quarter exceeds the hurdle rate of 1.75%. Once the Company's pre-incentive fee net investment income in any quarter exceeds the hurdle rate, the Adviser will be entitled to a "catch-up" fee equal to the amount of the pre-incentive fee net investment income in excess of the hurdle rate, until the Company's pre-incentive fee net investment income for such quarter equals 2.12%, or 8.48% annually, of net assets. Thereafter, the Adviser will be entitled to receive 17.5% of pre-incentive fee net investment income. See Note 4 for a discussion of the subordinated incentive fee on income under the prior investment advisory agreement.

Revenue Recognition: Security transactions are accounted for on the trade date. The Company records interest income on an accrual basis to the extent that it expects to collect such amounts. The Company records dividend income on the ex-dividend date. Distributions received from limited liability company ("LLC") and limited partnership ("LP") investments are evaluated to determine if the distribution should be recorded as dividend income or a return of capital. The Company does not accrue a receivable interest or dividends on loans and securities if it has reason to doubt its ability to collect such income. The Company's policy is to place investments on non-accrual status when there is reasonable doubt that interest income will be collected. The Company considers many factors relevant to an investment when placing it on or removing it from non-accrual status including, but not limited to, the delinquency status of the investment, economic and business conditions, the overall financial condition of the underlying investment, the value of the underlying collateral, bankruptcy status, if any, and any other facts or circumstances relevant to the investment. If there is reasonable doubt that the Company will receive any previously accrued interest, then the accrued interest will be written-off. Payments received on non-accrual investments may be recognized as income or applied to principal depending upon the collectability of the remaining principal and interest. Non-accrual investments may be restored to accrual status when principal and interest become current and are likely to remain current based on the Company's judgment.

Loan origination fees, original issue discount and market discount are capitalized and the Company amortizes such amounts as interest income over the respective term of the loan or security. Upon the prepayment of a loan or security, any unamortized loan origination fees and original issue discount are recorded as interest income. Structuring and other non-recurring upfront fees are recorded as fee income when earned. For the six months ended June 30, 2024 and 2023, the Company recognized \$21 and \$6, respectively, in structuring fee revenue. The Company records prepayment premiums on loans and securities as fee income when it receives such amounts.

Derivative Instruments: The Company's derivative instruments include foreign currency forward contracts and interest rate swaps. The Company has designated certain interest rate swaps as hedging instruments in a qualifying fair value hedge accounting relationship, and as a result, the change in fair value of the hedging instruments and hedged items are recorded in and recognized as components of interest expense in the Company's consolidated statements of operations. The change in fair value of the interest rate swaps is offset by a change in the carrying value of the corresponding fixed rate debt.

For all other derivatives, the Company does not utilize hedge accounting and recognizes such derivative instruments as assets or liabilities at fair value in its consolidated financial statements. Changes in fair value of derivative contracts entered into by the Company which have not been designated as hedging instruments are recognized through the net change in unrealized appreciation (depreciation) on derivative instruments in the consolidated statements of operations. Realized gains and losses on the derivative instruments are included in net realized gains (losses) on derivative instruments in the consolidated statements of operations.

Below is a summary of transactions with respect to shares of the Company's common stock during the six months ended June 30, 2024 and 2023:

During the six months ended June 30, 2023, the administrator for the DRP purchased 1,562,243 shares of common stock in the open market at an average price per share of \$18.37 (totaling \$29) pursuant to the DRP, and distributed such shares to participants in the DRP. During the period from July 1, 2024 to July 31, 2024, the administrator for the DRP purchased 761,358 shares of common stock in the open market at an average price per share of \$20.31 (totaling \$15) pursuant to the DRP, and distributed such shares to participants in the DRP. For additional information regarding the terms of the DRP, see Note 5.

Share Repurchase Program

On October 31, 2022, the Company's board of directors approved a renewal of the previously approved stock repurchase program. The program provided for aggregate purchases of the Company's common stock in an amount up to \$54, which was the aggregate amount remaining of the \$100 amount originally approved by the board of directors. During the six months ended June 30, 2023, the Company repurchased 1,665,317 shares of common stock pursuant to the share repurchase program at an average price per share (inclusive of commissions paid) of \$18.89 (totaling \$32). The program has concluded since the aggregate repurchase amount that was approved by the Company's board of directors has been expended.

Note 4. Related Party Transactions*Compensation of the Investment Adviser*

Pursuant to the investment advisory agreement, the Adviser is entitled to a base management fee calculated at an annual rate of 1.50% of the average weekly value of the Company's gross assets excluding cash and cash equivalents (gross assets equal the total assets of the Company as set forth on the Company's consolidated balance sheets) and an incentive fee based on the Company's performance. Effective June 15, 2019, in connection with stockholder approval of the modification of the asset coverage requirement applicable to senior securities from 200% to 150%, the Adviser reduced (by permanent waiver) the annual base management fee payable under the investment advisory agreement from 1.5% to 1.0% on all assets financed using leverage over 1.0x debt-to-equity. The base management fee is payable quarterly in arrears. All or any part of the base management fee not taken as to any quarter will be deferred without interest and may be taken in such other quarter as the Adviser determines. The prior investment advisory agreement had substantially similar terms as the investment advisory agreement, except that the investment advisory agreement amended the prior investment advisory agreement to (i) reduce the Company's income incentive fee rate from 20% to 17.5%; and (ii) remove the total return lookback provision applicable to the subordinated incentive fee on income from the prior investment advisory agreement. Under the prior investment advisory agreement, the subordinated incentive fee on income was subject to a cap equal to (i) 20.0% of the "per share pre-incentive fee return" for the then-current and eleven preceding calendar quarters minus the cumulative "per share incentive fees" accrued and/or payable for the eleven preceding calendar quarters multiplied by (ii) the weighted average number of shares outstanding during the calendar quarter (or any portion thereof) for which the subordinated incentive fee on income was being calculated. The definitions of "per share pre-incentive fee return" and "per share incentive fees" under the prior investment advisory agreement took into account the historic per share pre-incentive fee return of both the Company and CCT, together with the historic per share incentive fees paid by both the Company and CCT. For the purpose of calculating the "per share pre-incentive fee return," any unrealized appreciation or depreciation recognized as a result of the purchase accounting for the Company's acquisition of CCT was excluded. See Note 2 for a discussion of the capital gains and subordinated income incentive fees that the Adviser may be entitled to under the investment advisory agreement.

On June 16, 2021, the Company completed its acquisition, or the 2021 Merger, of FSKR pursuant to that certain Agreement and Plan of Merger, or the 2020 Merger Agreement, dated as of November 23, 2020, by and among the Company, FSKR, Rocky Merger Sub, Inc., a former wholly-owned subsidiary of the Company, or Merger Sub, and the Adviser. In connection with the entry into the investment advisory agreement, the Adviser agreed to waive income incentive fees in the amount of \$15 per quarter for the first six full fiscal quarters of operations following the closing of the 2021 Merger, commencing on July 1, 2021, for a total waiver of \$90. The fee waiver expired on December 31, 2022. In addition, the Adviser has agreed to exclude from the calculation of the subordinated incentive fee on income and the incentive fee on capital gains any changes to the fair value recorded for the assets and liabilities of FSKR resulting solely from the new cost basis of the acquired FSKR investments determined in accordance with *Accounting Standards Codification Topic 805-50, Business Combinations—Related Issues* as a result of the 2021 Merger.

On April 9, 2018, the Company entered into an administration agreement with the Adviser, or the administration agreement. Pursuant to the administration agreement, the Adviser oversees the Company's day-to-day operations, including the provision of general ledger accounting, fund accounting, legal services, investor relations, certain government and regulatory affairs activities, and other administrative services. The Adviser also performs, or oversees the performance of, the Company's corporate operations and required administrative services, which includes being responsible for the financial records that the Company is required to maintain and preparing reports for the Company's stockholders and reports filed with the U.S. Securities and Exchange Commission, or the SEC. In addition, the Adviser assists the Company in calculating its net asset value, overseeing the preparation and filing of tax returns and the printing and dissemination of reports to the Company's stockholders, and generally overseeing the payment of the Company's expenses and the performance of administrative and professional services rendered to the Company by others.

Pursuant to the administration agreement, the Company reimburses the Adviser for expenses necessary to perform services related to its administration and operations, including the Adviser's allocable portion of the compensation and related expenses of certain personnel of Franklin Square Holdings, L.P., which does business as FS Investments, or FS Investments, and KKR Credit Advisors (US), LLC, or KKR Credit, providing administrative services to the Company on behalf of the Adviser. The Company reimburses the Adviser no less than quarterly for all costs and expenses incurred by the Adviser in performing its obligations and providing personnel and facilities under the administration agreement. The Adviser allocates the cost of such services to the Company based on factors such as total assets, revenues, time allocations and/or other reasonable metrics. The Company's board of directors reviews the methodology employed in determining how the expenses are allocated to the Company and the proposed allocation of administrative expenses among the Company and certain affiliates of the Adviser. The Company's board of directors then assesses the reasonableness of such reimbursements for expenses allocated to it based on the breadth, depth and quality of such services as compared to the estimated cost to the Company of obtaining similar services from third-party service providers known to be available. In addition, the Company's board of directors considers whether any single third-party service provider would be capable of providing

Note 4. Related Party Transactions (continued)

all such services at comparable cost and quality. Finally, the Company's board of directors compares the total amount paid to the Adviser for such services as a percentage of the Company's net assets to the same ratio as reported by other comparable BDCs.

The following table describes the fees and expenses accrued under the investment advisory agreement and the administration agreement, as applicable, during the three and six months ended June 30, 2024 and 2023:

Related Party	Source Agreement	Description	Three Months Ended		Six Months Ended	
			June 30,	2023	June 30,	2023

The Adviser	Administration agreement	Administrative Services Expenses ⁽³⁾	\$ 2	\$ 4	\$ 5	\$ 7

(1) During the six months ended June 30, 2024 and 2023, \$111 and \$117 in base management fees were paid to the Adviser. As of June 30, 2024, \$54 in base management fees were payable to the Adviser.

(2) During the six months ended June 30, 2024 and 2023, \$85 and \$73, respectively, of subordinated incentive fees on income were paid to the Adviser. As of June 30, 2024, subordinated incentive fees on income of \$44 were payable to the Adviser.

(3) During the six months ended June 30, 2024 and 2023, \$4 and \$6, respectively, of administrative services expenses related to the allocation of costs of administrative personnel for services rendered to the Company by the Adviser and the remainder related to other reimbursable expenses, including reimbursement of fees related to transactional expenses for prospective investments, such as fees and expenses associated with performing due diligence reviews of investments that do not close, often referred to as "broken deal" costs. Broken deal costs were \$0.5 for the six months ended June 30, 2024. The Company paid \$3 and \$7, respectively, in administrative services expenses to the Adviser during the six months ended June 30, 2024 and 2023.

Potential Conflicts of Interest

The members of the senior management and investment teams of the Adviser serve or may serve as officers, directors or principals of entities that operate in the same or a related line of business as the Company does, or of investment vehicles managed by the same personnel. For example, the Adviser is the investment adviser to KKR FS Income Trust and KKR FS Income Trust Select, and the officers, managers and other personnel of the Adviser may serve in similar or other capacities for the investment advisers to future investment vehicles affiliated with FS Investments or KKR Credit. In serving in these multiple and other capacities, they may have obligations to other clients or investors in those entities, the fulfillment of which may not be in the Company's best interests or in the best interest of the Company's stockholders. The Company's investment objectives may overlap with the investment objectives of such investment funds, accounts or other investment vehicles. For additional information regarding potential conflicts of interest, see the Company's annual report on Form 10-K for the year ended December 31, 2023.

Exemptive Relief

As a BDC, the Company is subject to certain regulatory restrictions in making its investments. For example, BDCs generally are not permitted to co-invest with certain affiliated entities in transactions originated by the BDC or its affiliates in the absence of an exemptive order from the SEC. However, BDCs are permitted to, and may, simultaneously co-invest in transactions where price is the only negotiated term.

In an order dated June 4, 2013, or the FS Order, the SEC granted exemptive relief permitting the Company, subject to the satisfaction of certain conditions, to co-invest in certain privately negotiated investment transactions with certain affiliates of its former investment adviser and any future BDCs that are advised by its former investment adviser or its affiliated investment advisers. However, in connection with the investment advisory relationship with the Adviser, and in an effort to mitigate potential future conflicts of interest, the Company's board of directors authorized and directed that the Company (i) withdraw from the FS Order, except with respect to any transaction in which the Company participated in reliance on the FS Order prior to April 9, 2018, and (ii) rely on an exemptive relief order, dated January 5, 2021, that permits the Company, subject to the satisfaction of certain conditions, to co-invest in certain privately negotiated investment transactions, including investments originated and directly negotiated by the Adviser or KKR Credit, with certain affiliates of the Adviser.

Affiliated Purchaser Program

As previously disclosed, certain affiliates of the owners of the Adviser committed \$100 to a \$350 investment vehicle that may invest from time to time in shares of the Company's common stock. In September 2021 and December 2021, that investment vehicle entered into a written trading plan with a third-party broker in accordance with Rule 10b5-1 and Rule 10b-18 promulgated under the Exchange Act to facilitate the purchase of shares of the Company's common stock pursuant to the terms and conditions of such plan.

Note 4. Related Party Transactions (continued)

In September 2022, August 2023, and March 2024, that investment vehicle entered into a written trading plan with a third-party broker in accordance with Rule 10b5-1 and Rule 10b-18 promulgated under the Exchange Act to facilitate the sale of shares of the Company's common stock pursuant to the terms and conditions of such plan. The Company is not a party to any transaction with the investment vehicle.

Note 5. Distributions

The following table reflects the cash distributions per share that the Company has declared on its common stock during the six months ended June 30, 2024 and 2023:

For the Three Months Ended	Distribution	
	Per Share	Amount
Fiscal 2023		
March 31, 2023	\$ 0.70	\$ 196
June 30, 2023	0.75	210
Total	\$ 1.45	\$ 406
Fiscal 2024		
March 31, 2024	\$ 0.75	\$ 210
June 30, 2024	0.75	210
Total	\$ 1.50	\$ 420

On July 31, 2024, the Company's board of directors declared a regular quarterly cash distribution of \$0.70 per share, which will be paid on or about October 2, 2024 to stockholders of record as of the close of business on September 11, 2024. Additionally, the Company's board of directors previously declared special distributions totaling \$0.10 per share to be paid in two equal installments by the second calendar quarter of 2024. The first of these two \$0.05 per share special distributions was paid on February 28, 2024 to stockholders of record as of the close of business on February 14, 2024. The second \$0.05 per share special distribution was paid on May 29, 2024 to stockholders of record as of the close of business on May 15, 2024. The timing and amount of any future distributions to stockholders are subject to applicable legal restrictions and the sole discretion of the Company's board of directors.

Pursuant to the DRP, the Company will reinvest all cash dividends or distributions declared by the Company's board of directors on behalf of stockholders who do not elect to receive their distributions in cash. As a result, if the Company's board of directors declares a distribution, then stockholders who have not elected to "opt out" of the DRP will have their distributions automatically reinvested in additional shares of the Company's common stock.

With respect to each distribution pursuant to the DRP, the Company reserves the right to either issue new shares of common stock or purchase shares of common stock in the open market in connection with implementation of the DRP. Unless the Company, in its sole discretion, otherwise directs the plan administrator, (A) if the per share market price (as defined in the DRP) is equal to or greater than the estimated net asset value per share (rounded up to the nearest whole cent) of the Company's common stock on the payment date for the distribution, then the Company will issue shares of common stock at the greater of (i) net asset value per share of common stock or (ii) 95% of the market price; or (B) if the market price is less than the net asset value per share, then, in the sole discretion of the Company, (i) shares of common stock will be purchased in open market transactions for the accounts of participants to the extent practicable, or (ii) the Company will issue shares of common stock at net asset value per share. Pursuant to the terms of the DRP, the number of shares of common stock to be issued to a participant will be determined by dividing the total dollar amount of the distribution payable to a participant by the price per share at which the Company issues such shares; provided, however, that shares purchased in open market transactions by the plan administrator will be allocated to a participant based on the average purchase price, excluding any brokerage charges or other charges, of all shares of common stock purchased in the open market.

If a stockholder receives distributions in the form of common stock pursuant to the DRP, such stockholder generally will be subject to the same federal, state and local tax consequences as if it elected to receive distributions in cash. If the Company's common stock is trading at or below net asset value, a stockholder receiving distributions in the form of additional common stock will be treated as receiving a distribution in the amount of cash that they would have received if they had elected to receive the distribution in cash. If the Company's common stock is trading above net asset value, a stockholder receiving distributions in the form of additional common stock will be treated as receiving a distribution in the amount of the fair market value of the Company's common stock. The stockholder's basis for determining gain or loss upon the sale of common stock received in a distribution will be equal to the total

Note 5. Distributions (continued)

dollar amount of the distribution payable to the stockholder. Any stock received in a distribution will have a holding period for tax purposes commencing on the day following the day on which the shares of common stock are credited to the stockholder's account.

The Company may fund its cash distributions to stockholders from any sources of funds legally available to it, including proceeds from the sale of shares of the Company's common stock, borrowings, net investment income from operations, capital gains proceeds from the sale of assets, non-capital gains proceeds from the sale of assets, and dividends or other distributions paid to the Company on account of preferred and common equity investments in portfolio companies. The Company has not established limits on the amount of funds it may use from available sources to make distributions. During certain periods, the Company's distributions may exceed its earnings. As a result, it is possible that a portion of the distributions the Company makes may represent a return of capital. A return of capital generally is a return of a stockholder's investment rather than a return of earnings or gains derived from the Company's investment activities. Each year a statement on Form 1099-DIV identifying the sources of the distributions (i.e., paid from ordinary income, paid from net capital gains on the sale of securities, and/or a return of capital, which is a nontaxable distribution) will be mailed to the Company's stockholders. There can be no assurance that the Company will be able to pay distributions at a specific rate or at all.

The following table reflects the sources of the cash distributions on a tax basis that the Company has paid on its common stock during the six months ended June 30, 2024 and 2023:

The determination of the tax attributes of the Company's distributions is made annually as of the end of the Company's fiscal year based upon the Company's taxable income for the full year and distributions paid for the full year. Therefore, a determination made on a quarterly basis may not be representative of the actual tax attributes of the Company's distributions for a full year. The actual tax characteristics of distributions to stockholders are reported to stockholders annually on Form 1099-DIV.

Net capital losses may be carried forward indefinitely, and their character is retained as short-term or long-term losses. As of June 30, 2024, the Company had capital loss carryforwards available to offset future realized capital gains of approximately \$2,323. Because of the loss limitation rules of the Code, some of the tax basis losses may be limited in their use. Any unused balances resulting from such limitations may be carried forward into future years indefinitely.

The aggregate net unrealized appreciation (depreciation) on investments on a tax basis was \$(1,711) and \$(1,868) as of June 30, 2024 and December 31, 2023, respectively. The aggregate net unrealized appreciation (depreciation) on investments on a tax basis excludes net unrealized appreciation (depreciation) from merger accounting, foreign currency forward contracts and foreign currency transactions.

As of June 30, 2024, the Company had a deferred tax liability of \$4 resulting from unrealized appreciation on investments held by the Company's wholly-owned taxable subsidiaries and a deferred tax asset of \$113 resulting from a combination of unrealized depreciation on investments held by and net operating losses and other tax attributes of the Company's wholly-owned taxable

Credit Opportunities Partners JV, LLC

COPJV is a joint venture between the Company and South Carolina Retirement Systems Group Trust, or SCRS. SCRS purchased its interests in COPJV from Conway Capital, LLC, an affiliate of Guggenheim Life and Annuity Company and Delaware Life Insurance Company, in June 2019, which had no impact on the significant terms governing COPJV other than an increase in the aggregate capital commitment (but not the percentage of the aggregate capital committed by each member) to COPJV. Effective as of June 18, 2021, Credit Opportunities Partners, LLC, or COP, merged with and into COPJV, with COPJV surviving the merger, or the COPJV Merger. As of June 18, 2021, COPJV assumed all of COP's obligations under its credit facilities, and COP's wholly-owned special purpose financing subsidiaries became wholly-owned special purpose financing subsidiaries of COPJV, in each case, as a result of the consummation of the COPJV Merger. Effective June 6, 2024, the Second Amended and Restated Limited Liability Company Agreement, or, as amended, the COPJV Agreement, between the Company and SCRS was amended, increasing the capital commitments of each member. The COPJV Agreement requires the Company and SCRS to provide capital to COPJV of up to \$2,640 in the aggregate where the Company and SCRS would provide 87.5% and 12.5%, respectively, of the committed capital. Pursuant to the terms of the COPJV Agreement, the Company and SCRS each have 50% voting control of COPJV and are required to agree on all investment decisions as well as certain other significant actions for COPJV. COPJV invests its capital in a range of investments, including senior secured loans (both first lien and second lien) to middle market companies, broadly syndicated loans, equity, warrants and other investments. As administrative agent of COPJV, the Company performs certain day-to-day management responsibilities on behalf of COPJV and is entitled to a fee of 0.25% of COPJV's assets under administration, calculated and payable quarterly in arrears. As of June 30, 2024, the Company and SCRS have funded approximately \$1,799.8 to COPJV, of which \$1,574.8 was from the Company.

Foreign Currency Forward Contracts and Cross Currency Swaps:

The Company may enter into foreign currency forward contracts and cross currency swaps from time to time to facilitate settlement of purchases and sales of investments denominated in foreign currencies and to economically hedge the impact that an adverse change in foreign exchange rates would have on the value of the Company's investments denominated in foreign currencies. A foreign currency forward contract is a commitment to purchase or sell a foreign currency at a future date at a negotiated forward rate. These contracts are marked-to-market by recognizing the difference between the contract forward exchange rate and the forward market exchange rate on the last day of the period presented as unrealized appreciation or depreciation. Realized gains or losses are recognized when forward contracts are settled. Risks arise as a result of the potential inability of the counterparties to meet the terms of their contracts. The Company attempts to limit counterparty risk by only dealing with well-known counterparties.

Cross currency swaps are interest rate swaps in which interest cash flows are exchanged between two parties based on the notional amounts of two different currencies. These swaps are marked-to-market by recognizing the difference between the present value of cash flows of each leg of the swaps as unrealized appreciation or depreciation. Realized gain or loss is recognized when periodic payments are received or paid and the swaps are terminated. The entire notional value of a cross currency swap is subject to the risk that the counterparty to the swap will default on its contractual delivery obligations. The Company attempts to limit counterparty risk by only dealing with well-known counterparties. The Company utilizes cross currency swaps from time to time in order to hedge a portion of its investments in foreign currency.

The average notional balance for foreign currency forward contracts during the six months ended June 30, 2024 and 2023 was \$188.0 and \$223.2, respectively.

Interest Rate Swaps

In connection with the Company's issuance of \$600 aggregate principal amount of its 6.875% notes due 2029, or the 6.875% Notes, the Company entered into interest rate swap agreements for a total notional amount of \$600 that mature on August 15, 2029 to reduce the exposure to changes in fair value associated with the 6.875% Notes. Under the first interest rate swap agreement, entered into on June 13, 2024, the Company receives a fixed interest rate of 6.875% and pays a floating interest rate of one-month SOFR plus 2.754% on a notional amount of \$200. Under the second interest rate swap agreement, entered into on June 27, 2024, the Company receives a fixed interest rate of 6.875% and pays a floating interest rate of one-month SOFR plus 2.788% on a notional amount of \$400. The Company designated these interest rate swaps and the 6.875% Notes as a qualifying fair value hedge accounting relationship. See Note 9 for more information on the 6.875% Notes.

As of June 30, 2024, the counterparty to the Company's interest rate swap agreements was ING Capital Markets LLC.

As a result of the Company's designation of the interest rate swaps as hedging instruments in a qualifying fair value hedge accounting relationship, the Company is required to fair value the hedging instruments and the related hedged items, with the changes

in the fair value of each being recorded in interest expense. The following is a summary of the fair value and location of the Company's derivative instruments in the consolidated balance sheets held as of June 30, 2024:

Note 8. Fair Value of Financial Instruments

Under existing accounting guidance, fair value is defined as the price that the Company would receive upon selling an investment or pay to transfer a liability in an orderly transaction to a market participant in the principal or most advantageous market for the investment. This accounting guidance emphasizes valuation techniques that maximize the use of observable market inputs and minimize the use of unobservable inputs. Inputs refer broadly to the assumptions that market participants would use in pricing an asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing an asset or liability developed based on market data obtained from sources independent of the Company. Unobservable inputs are inputs that reflect the assumptions market participants would use in pricing an asset or liability developed based on the best information available in the circumstances. The Company classifies the inputs used to measure these fair values into the following hierarchy as defined by current accounting guidance:

Level 1: Inputs that are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs that are quoted prices for similar assets or liabilities in active markets.

Level 3: Inputs that are unobservable for an asset or liability.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

As of June 30, 2024 and December 31, 2023, the Company's investments were categorized as follows in the fair value hierarchy:

Valuation Inputs	June 30, 2024 (Unaudited)	December 31, 2023
Level 1—Price quotations in active markets	\$ 1	\$ 1
Level 2—Significant other observable inputs	137	178
Level 3—Significant unobservable inputs	12,561	13,073
Investments measured at net asset value ⁽¹⁾	1,388	1,397
	\$ 14,087	\$ 14,649

(1) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the consolidated balance sheets.

In addition, the Company had foreign currency forward contracts and interest rate swaps, as described in Note 7, which were categorized as Level 2 in the fair value hierarchy as of June 30, 2024 and December 31, 2023.

The Company's board of directors is responsible for overseeing the valuation of the Company's portfolio investments at fair value as determined in good faith pursuant to the Adviser's valuation policy. The Company's board of directors has designated the Adviser with day-to-day responsibility for implementing the portfolio valuation process set forth in the Adviser's valuation policy.

Note 8. Fair Value of Financial Instruments (continued)

The Company's investments consist primarily of debt investments that were acquired directly from the issuer. Debt investments, for which broker quotes are not available, are valued by independent valuation firms, which determine the fair value of such investments by considering, among other factors, the borrower's ability to adequately service its debt, prevailing interest rates for like investments, expected cash flows, call features, anticipated repayments and other relevant terms of the investments. Except as described below, all of the Company's equity/other investments are also valued by independent valuation firms, which determine the fair value of such investments by considering, among other factors, contractual rights ascribed to such investments, as well as various income scenarios and multiples of earnings before interest, taxes, depreciation and amortization, or EBITDA, cash flows, net income, revenues or, in limited instances, book value or liquidation value. An investment that is newly issued and purchased near the date of the financial statements is valued at cost if the Adviser determines that the cost of such investment is the best indication of its fair value. Such investments described above are typically classified as Level 3 within the fair value hierarchy. Investments that are traded on an active public market are valued at their closing price as of the date of the financial statements and are classified as Level 1 within the fair value hierarchy. Except as described above, the Adviser typically values the Company's other investments by using the midpoint of the prevailing bid and ask prices from dealers on the date of the relevant period end, which are provided by independent third-party pricing services and screened for validity by such services and are typically classified as Level 2 within the fair value hierarchy.

The Adviser periodically benchmarks the bid and ask prices it receives from the third-party pricing services and/or dealers and independent valuation firms as applicable, against the actual prices at which the Company purchases and sells its investments. Based on the results of the benchmark analysis and the experience of the Company's management in purchasing and selling these investments, the Adviser believes that these prices are reliable indicators of fair value. The Adviser reviewed and approved the valuation determinations made with respect to these investments in a manner consistent with the Adviser's valuation policy.

(1) Investments using a market quotes valuation technique were primarily valued by using the midpoint of the prevailing bid and ask prices from dealers on the date of the relevant period end, which were provided by independent third-party pricing services and screened for validity by such services. Investments valued using an EBITDA multiple or a revenue multiple pursuant to the market comparables valuation technique may be conducted using an enterprise valuation waterfall analysis.

(2) Represents the directional change in the fair value of the Level 3 investments that would result from an increase to the corresponding unobservable input. A decrease to the input would have the opposite effect. Significant changes in these inputs in isolation could result in significantly higher or lower fair value measurements.

(3) Fair value based on expected outcome of proposed corporate transactions and/or other factors.

The Thirteenth Supplemental Indenture relates to the Company's issuance of \$600 aggregate principal amount of its 6.875% Notes.

Note 9. Financing Arrangements (continued)

The 6.875% Notes will mature on August 15, 2029 and may be redeemed in whole or in part at the Company's option at any time or from time to time at the redemption prices set forth in the Indenture. These covenants are subject to important limitations and exceptions that are described in the Indenture.

In addition, on the occurrence of a "change of control repurchase event," as defined in the Indenture, the Company will generally be required to make an offer to purchase the outstanding 6.875% Notes at a price equal to 100% of the principal amount of such 6.875% Notes plus accrued and unpaid interest to the repurchase date.

In connection with the issuance of the 6.875% Notes, the Company entered into interest rate swap agreements that mature on August 15, 2029. See Note 7 for further information on the interest rate swap agreements.

As of June 30, 2024, \$23 of such letters of credit have been issued.

As of June 30, 2024, the Company also has an unfunded commitment to provide \$735.2 of capital to COPIV. The capital commitment can be satisfied with contributions of cash and/or investments. While the Company does not expect to fund all of its unfunded commitments, there can be no assurance that it will not be required to do so.

In the normal course of business, the Company may enter into guarantees on behalf of portfolio companies. Under such arrangements, the Company would be required to make payments to third parties if the portfolio companies were to default on their related payment obligations. The Company has no such guarantees outstanding at June 30, 2024 and December 31, 2023.

(5) The total return based on net asset value for each period presented was calculated by taking the net asset value per share as of the end of the applicable period, adding the cash distributions per share that were declared during the period and dividing the total by the net asset value per share at the beginning of the period. Total return based on net asset value does not consider the effect of any sales commissions or charges that may be incurred in connection with the sale of shares of the Company's common stock. The historical calculation of total return based on net asset value in the table should not be considered a representation of the Company's future total return based on net asset value, which may be greater or less than the return shown in the table due to a number of factors, including the Company's ability or inability to make investments in companies that meet its investment criteria, the interest rates payable on the debt securities the Company acquires, the level of the Company's expenses, variations in and the timing of the recognition of realized and unrealized gains or losses, the degree to which the Company encounters competition in its markets and general economic conditions. Overview

We were incorporated under the general corporation laws of the State of Maryland on December 21, 2007 and formally commenced investment operations on January 2, 2009. We are an externally managed, non-diversified, closed-end management investment company that has elected to be regulated as a BDC under the 1940 Act and has elected to be treated for U.S. federal income tax purposes, and intends to qualify annually, as a RIC under Subchapter M of the Code.

We are externally managed by the Adviser pursuant to the investment advisory agreement and supervised by our board of directors, a majority of whom are independent.

Our investment objectives are to generate current income and, to a lesser extent, long-term capital appreciation. We seek to meet our investment objectives by:

- utilizing the experience and expertise of the management team of the Adviser;
- employing a defensive investment approach focused on long-term credit performance and principal protection;
- focusing primarily on debt investments in a broad array of private U.S. companies, including middle-market companies, which we define as companies with annual EBITDA of \$50 million to \$150 million at the time of investment;
- investing primarily in established, stable enterprises with positive cash flows; and
- maintaining rigorous portfolio monitoring in an attempt to anticipate and pre-empt negative credit events within our portfolio, such as an event of insolvency, liquidation, dissolution, reorganization or bankruptcy of a portfolio company.

We pursue our investment objective by investing primarily in the debt of middle market U.S. companies with a focus on originated transactions sourced through the network of the Adviser and its affiliates. We define direct originations as any investment where the Company's investment adviser, sub-adviser or their affiliates had negotiated the terms of the transaction beyond just the price, which, for example, may include negotiating financial covenants, maturity dates or interest rate terms. These directly originated transactions include participation in other originated transactions where there may be third parties involved, or a bank acting as an intermediary, for a closely held club, or similar transactions.

Our portfolio is comprised primarily of investments in senior secured loans and second lien secured loans of private middle market U.S. companies and, to a lesser extent, subordinated loans and certain asset-based financing loans of private U.S. companies. Although we do not expect a significant portion of our portfolio to be comprised of subordinated loans, there is no limit on the amount of such loans in which we may invest. We may purchase interests in loans or make other debt investments, including investments in senior secured bonds, through secondary market transactions in the "over-the-counter" market or directly from our target companies as primary market or directly originated investments. In connection with our debt investments, we may on occasion receive equity interests such as warrants or options as additional consideration. We may also purchase or otherwise acquire interests in the form of common or preferred equity or equity-related securities, such as rights and warrants that may be converted into or exchanged for common stock or other equity or the cash value of common stock or other equity, including through a co-investment with a financial sponsor or possibly the restructuring of an investment. In addition, a portion of our portfolio may be comprised of corporate bonds, structured products, other debt securities and derivatives, including total return swaps and credit default swaps. The Adviser will seek to tailor our investment focus as market conditions evolve. Depending on market conditions, we may increase or decrease our exposure to less senior portions of the capital structures of our portfolio companies or otherwise make opportunistic investments, such as where the market price of loans, bonds or other securities reflects a lower value than deemed warranted by the Adviser's fundamental analysis. Such investment opportunities may occur due to general dislocations in the markets, a misunderstanding by the

market of a particular company or an industry being out of favor with the broader investment community and may include event driven investments, anchor orders and structured products.

The senior secured loans, second lien secured loans and senior secured bonds in which we invest generally have stated terms of three to seven years and subordinated debt investments that we make generally have stated terms of up to ten years, but the expected average life of such securities is generally three to four years. However, we may invest in loans and securities with any maturity or duration. Our debt investments may be rated by a NRSRO and, in such case, generally will carry a rating below investment grade (rated lower than "Baa3" by Moody's or lower than "BBB-" by S&P). We may invest without limit in debt or other securities of any rating, as well as debt or other securities that have not been rated by a NRSRO.

Revenues

The principal measure of our financial performance is net increase in net assets resulting from operations, which includes net investment income, net realized gain or loss on investments, net realized gain or loss on foreign currency, net unrealized appreciation or depreciation on investments and net unrealized gain or loss on foreign currency. Net investment income is the difference between our income from interest, dividends, fees and other investment income and our operating and other expenses. Net realized gain or loss on investments is the difference between the proceeds received from dispositions of portfolio investments and their amortized cost, including the respective realized gain or loss on foreign currency for those foreign denominated investment transactions. Net realized gain or loss on foreign currency is the portion of realized gain or loss attributable to foreign currency fluctuations. Net unrealized appreciation or depreciation on investments is the net change in the fair value of our investment portfolio, including the respective unrealized gain or loss on foreign currency for those foreign denominated investments. Net unrealized gain or loss on foreign currency is the net change in the value of receivables or accruals due to the impact of foreign currency fluctuations.

We principally generate revenues in the form of interest income on the debt investments we hold. In addition, we generate revenues in the form of non-recurring commitment, closing, origination, structuring or diligence fees, monitoring fees, fees for providing managerial assistance, consulting fees, prepayment fees and performance-based fees. We may also generate revenues in the form of dividends and other distributions on the equity or other securities we hold.

Expenses

Our primary operating expenses include the payment of management and incentive fees and other expenses under the investment advisory agreement and the administration agreement, interest expense from financing arrangements and other indebtedness, and other expenses necessary for our operations. The management and incentive fees compensate the Adviser for its work in identifying, evaluating, negotiating, executing, monitoring and servicing our investments.

The Adviser oversees our day-to-day operations, including the provision of general ledger accounting, fund accounting, legal services, investor relations, certain government and regulatory affairs activities, and other administrative services. The Adviser also performs, or oversees the performance of, our corporate operations and required administrative services, which includes being responsible for the financial records that we are required to maintain and preparing reports for our stockholders and reports filed with the SEC. In addition, the Adviser assists us in calculating our net asset value, overseeing the preparation and filing of tax returns and the printing and dissemination of reports to our stockholders, and generally overseeing the payment of our expenses and the performance of administrative and professional services rendered to us by others.

Pursuant to the administration agreement, we reimburse the Adviser for expenses necessary to perform services related to our administration and operations, including the Adviser's allocable portion of the compensation and related expenses of certain personnel of FS Investments and KKR Credit providing administrative services to us on behalf of the Adviser. We reimburse the Adviser no less than quarterly for all costs and expenses incurred by the Adviser in performing its obligations and providing personnel and facilities under the administration agreement. The Adviser allocates the cost of such services to us based on factors such as total assets, revenues, time allocations and/or other reasonable metrics. Our board of directors reviews the methodology employed in determining how the expenses are allocated to us and the proposed allocation of administrative expenses among us and certain affiliates of the Adviser. Our board of directors then assesses the reasonableness of such reimbursements for expenses allocated to us based on the breadth, depth and quality of such services as compared to the estimated cost to us of obtaining similar services from third-party service providers known to be available. In addition, our board of directors considers whether any single third-party service provider would be capable of providing all such services at comparable cost and quality. Finally, our board of directors compares the total amount paid to the Adviser for such services as a percentage of our net assets to the same ratio as reported by other comparable BDCs.

We bear all other expenses of our operations and transactions, including all other expenses incurred by the Adviser or us in connection with administering our business, including expenses incurred by the Adviser in performing administrative services for us and administrative personnel paid by the Adviser, to the extent they are not controlling persons of the Adviser or any of its affiliates, subject to the limitations included in the investment advisory agreement and the administration agreement.

[Table of Contents](#)

In addition, we have contracted with State Street Bank and Trust Company to provide various accounting and administrative services, including, but not limited to, preparing preliminary financial information for review by the Adviser, preparing and monitoring expense budgets, maintaining accounting and corporate books and records, processing trade information provided by us and performing testing with respect to RIC compliance.

Credit Opportunities Partners JV, LLC

COPJV is a joint venture between the Company and South Carolina Retirement Systems Group Trust, or SCRS. SCRS purchased its interests in COPJV from Conway Capital, LLC, an affiliate of Guggenheim Life and Annuity Company and Delaware Life Insurance Company, in June 2019, which had no impact on the significant terms governing COPJV other than an increase in the aggregate capital commitment (but not the percentage of the aggregate capital committed by each member) to COPJV. Effective as of June 18, 2021, Credit Opportunities Partners, LLC, or COP, merged with and into COPJV, with COPJV surviving the merger, or the COPJV Merger. As of June 18, 2021, COPJV assumed all of COP's obligations under its credit facilities, and COP's wholly-owned special purpose financing subsidiaries became wholly-owned special purpose financing subsidiaries of COPJV, in each case, as a result of the consummation of the COPJV Merger. COPJV's second amended and restated limited liability company agreement, or, as amended, the COPJV Agreement, requires the Company and SCRS to provide capital to COPJV of up to \$2,640 in the aggregate where the Company and SCRS would provide 87.5% and 12.5%, respectively, of the committed capital. Pursuant to the terms of the COPJV Agreement, the Company and SCRS each have 50% voting control of COPJV and are required to agree on all investment decisions as well as certain other significant actions for COPJV. COPJV invests its capital in a range of investments, including senior secured loans (both first lien and second lien) to middle market companies, broadly syndicated loans, equity, warrants and other investments. As administrative agent of COPJV, the Company performs certain day-to-day management responsibilities on behalf of COPJV and is entitled to a fee of 0.25% of COPJV's assets under administration, calculated and payable quarterly in arrears. As of June 30, 2024, the Company and SCRS have funded approximately \$1,799.8 to COPJV, of which \$1,574.8 was from the Company.

Portfolio Asset Quality

In addition to various risk management and monitoring tools, the Adviser uses an investment rating system to characterize and monitor the expected level of returns on each investment in our portfolio. The Adviser uses an investment rating scale of 1 to 4. The following is a description of the conditions associated with each investment rating:

Investment Rating	Summary Description
1	Performing investment—generally executing in accordance with plan and there are no concerns about the portfolio company’s performance or ability to meet covenant requirements.
2	Performing investment—no concern about repayment of both interest and our cost basis but company’s recent performance or trends in the industry require closer monitoring.
3	Underperforming investment—some loss of interest or dividend possible, but still expecting a positive return on investment.
4	Underperforming investment—concerns about the recoverability of principal or interest.

The following table shows the distribution of our investments on the 1 to 4 investment rating scale at fair value as of June 30, 2024 and December 31, 2023:

Investment Rating	June 30, 2024		December 31, 2023	
	Fair Value	Percentage of Portfolio	Fair Value	Percentage of Portfolio
1	\$ 9,989	71 %	\$ 10,429	71 %
2	3,346	23 %	3,165	22 %
3	370	3 %	550	4 %
4	382	3 %	505	3 %
Total	\$ 14,087	100 %	\$ 14,649	100 %

The amount of the portfolio in each grading category may vary substantially from period to period resulting primarily from changes in the composition of the portfolio as a result of new investment, repayment and exit activities. In addition, changes in the grade of investments may be made to reflect our expectation of performance and changes in investment values.

Results of Operations

Comparison of the Three and Six Months Ended June 30, 2024 and June 30, 2023

Revenues

Our investment income for the three and six months ended June 30, 2024 and 2023 was as follows:

	Three Months Ended June 30,				Six Months Ended June 30,			
	2024		2023		2024		2023	
	Amount	Percentage of Total Income	Amount	Percentage of Total Income	Amount	Percentage of Total Income	Amount	Percentage of Total Income
Interest income	\$ 310	70.6 %	\$ 320	69.3 %	\$ 625	71.6 %	\$ 647	70.5 %
Paid-in-kind interest income	43	9.8 %	56	12.1 %	78	8.9 %	98	10.7 %

Total investment income⁽¹⁾	\$ 439	100.0 %	\$ 462	100.0 %	\$ 873	100.0 %	\$ 918	100.0 %

(1) Such revenues represent \$383 and \$392 of cash income earned as well as \$56 and \$70 in non-cash portions relating to accretion of discount and PIK interest for the three months ended June 30, 2024 and 2023, respectively, and represent \$771 and \$791 of cash income earned as well as \$102 and \$127 in non-cash portions relating to accretion of discount and PIK interest for the six months ended June 30, 2024 and 2023, respectively. Cash flows related to such non-cash revenues may not occur for a number of reporting periods or years after such revenues are recognized.

The level of interest income we receive is generally related to the balance of income-producing investments, multiplied by the weighted average yield of our investments. Fee income is transaction based, and typically consists of amendment and consent fees, prepayment fees, structuring fees and other non-recurring fees. As such, fee income is generally dependent on new direct origination investments and the occurrence of events at existing portfolio companies resulting in such fees.

The decrease in interest and PIK income during the three and six months ended June 30, 2024 compared to the three and six months ended June 30, 2023 is primarily attributable to the repayment of higher yielding positions and lost interest income on certain assets that were placed on non-accrual status during the year ended December 31, 2023.

The increase in fee income for the three and six months ended June 30, 2024 compared to the three and six months ended June 30, 2023 is primarily attributable to increased origination activity during the three and six months ended June 30, 2024.

The decrease in dividend income during the three and six months ended June 30, 2024 compared to the three and six months ended June 30, 2023 is primarily attributable to lower dividends on certain asset based finance investments during the three months ended June 30, 2024.

Expenses

Our operating expenses for the three and six months ended June 30, 2024 and 2023 were as follows:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2024	2023	2024	2023
Management fees	\$ 54	\$ 56	\$ 109	\$ 114
Subordinated income incentive fees	45	47	88	93
Administrative services expenses	2	4	5	7
Accounting and administrative fees	1	1	2	2
Interest expense	115	118	231	232
Other expenses	7	7	11	12
Total operating expenses	\$ 224	\$ 233	\$ 446	\$ 460

The following table reflects selected expense ratios as a percent of average net assets for the three and six months ended June 30, 2024 and 2023:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2024	2023	2024	2023
Ratio of operating expenses to average net assets	3.26 %	3.30 %	6.46 %	6.51 %
Ratio of incentive fees, interest expense and excise taxes to average net assets ⁽¹⁾	2.33 %	2.34 %	4.62 %	4.60 %
Ratio of net operating expenses, excluding certain expenses, to average net assets	0.93 %	0.96 %	1.84 %	1.91 %

(1) Ratio data may be rounded in order to recompute the ending ratio of net operating expenses to average net assets or net operating expenses, excluding certain expenses, to average net assets.

The decrease in expenses during the three and six months ended June 30, 2024 compared to the three and six months ended June 30, 2023 can primarily be attributed to a decrease in subordinated income incentive fees and management fees as a result of the lower asset base and lower investment income as discussed above.

Incentive fees and interest expense, among other things, may increase or decrease our expense ratios relative to comparative periods depending on portfolio performance and changes in amounts outstanding under our financing arrangements and benchmark interest rates such as SOFR, among other factors.

Net Investment Income

Our net investment income totaled \$215 (\$0.77 per share) and \$229 (\$0.82 per share) for the three months ended June 30, 2024 and 2023, respectively. Our net investment income totaled \$427 (\$1.53 per share) and \$458 (\$1.63 per share) for the six months ended June 30, 2024 and 2023, respectively.

The decrease in net investment income during the three and six months ended June 30, 2024 compared to the three and six months ended June 30, 2023 can primarily be attributed to lower investment income during the three and six months ended June 30, 2024 as discussed above.

Net Realized Gains or Losses

Our net realized gains (losses) on investments, foreign currency forward contracts and foreign currency for the three and six months ended June 30, 2024 and 2023 were as follows:

We sold investments and received principal repayments, respectively, of \$1,335 and \$1,856 during the six months ended June 30, 2024 and \$859 and \$372 during the six months ended June 30, 2023.

[Table of Contents](#)*Net Change in Unrealized Appreciation (Depreciation)*

Our net change in unrealized appreciation (depreciation) on investments, foreign forward currency forward contracts and unrealized gain (loss) on foreign currency for the six months ended June 30, 2024 and 2023 were as follows:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2024	2023	2024	2023
Net change in unrealized appreciation (depreciation) on investments	\$ (48)	\$ 127	\$ 138	\$ 158
Net change in unrealized appreciation (depreciation) on foreign currency forward contracts	(21)	1	(13)	(3)
Net change in unrealized gain (loss) on foreign currency	4	(4)	17	(7)
Total net change in unrealized appreciation (depreciation)	\$ (65)	\$ 124	\$ 142	\$ 148

The net change in unrealized appreciation (depreciation) during the three and six months ended June 30, 2024 was driven primarily by depreciation on several specific assets in the portfolio along with the conversion of unrealized depreciation to realized losses during the quarter. The net change in unrealized appreciation (depreciation) during the three and six months ended June 30, 2023 was driven primarily by depreciation on several specific assets in the portfolio, partially offset by appreciation on several assets in the portfolio.

Net Increase (Decrease) in Net Assets Resulting from Operations

Financial Condition, Liquidity and Capital Resources*Overview*

As of June 30, 2024, we had \$433 in cash and foreign currency, which we or our wholly-owned financing subsidiaries held in custodial accounts, and \$4,072 in borrowings available under our financing arrangements, subject to borrowing base and other limitations. As of June 30, 2024, we also held broadly syndicated investments and opportunistic investments that we believe could be sold to create additional liquidity. As of June 30, 2024, we had unfunded debt investments with aggregate unfunded commitments of \$1,269.5, unfunded equity/other commitments of \$481.4 and unfunded commitments of \$735.2 of COPIV. We maintain sufficient cash on hand, available borrowings and liquid securities to fund such unfunded commitments should the need arise.

We currently generate cash primarily from cash flows from fees, interest and dividends earned from our investments, as well as principal repayments and proceeds from sales of our investments. To seek to enhance our returns, we also employ leverage as market conditions permit and at the discretion of the Adviser, but in no event will leverage employed exceed the maximum amount permitted by the 1940 Act. Prior to June 14, 2019, in accordance with the 1940 Act, we were allowed to borrow amounts such that our asset coverage, calculated pursuant to the 1940 Act, was at least 200% after such borrowing. Effective June 15, 2019, our asset coverage requirement applicable to senior securities was reduced from 200% to 150%. As of June 30, 2024, the aggregate amount outstanding of the senior securities issued by us was \$8.0 billion. As of June 30, 2024, our asset coverage was 184%. See “—Financing Arrangements.”

Prior to investing in securities of portfolio companies, we invest the cash received from fees, interest and dividends earned from our investments and principal repayments and proceeds from sales of our investments primarily in cash, cash equivalents, including money market funds, U.S. government securities, repurchase agreements and high-quality debt instruments maturing in one year or less from the time of investment, consistent with our BDC election and our election to be taxed as a RIC.

We have elected to be subject to tax as a RIC under Subchapter M of the Code. In order to qualify for RIC tax treatment, we must, among other things, make distributions of an amount at least equal to 90% of our investment company taxable income, determined without regard to any deduction for distributions paid, each tax year. As long as the distributions are declared by the later of the fifteenth day of the tenth month following the close of a tax year or the due date of the tax return for such tax year, including extensions, distributions paid up to twelve months after the current tax year can be carried back to the prior tax year for determining

[Table of Contents](#)

the distributions paid in such tax year. We intend to make sufficient distributions to our stockholders to qualify for and maintain our RIC tax status each tax year. We are also subject to a 4% nondeductible federal excise tax on certain undistributed income unless we make distributions in a timely manner to our stockholders generally of an amount at least equal to the sum of (1) 98% of our net ordinary income (taking into account certain deferrals and elections) for the calendar year, (2) 98.2% of our capital gain net income, which is the excess of capital gains in excess of capital losses, or "capital gain net income" (adjusted for certain ordinary losses), for the one-year period ending October 31 of that calendar year and (3) any net ordinary income and capital gain net income for the preceding years that were not distributed during such years and on which we paid no U.S. federal income tax. Any distribution declared by us during October, November or December of any calendar year, payable to stockholders of record on a specified date in such a month and actually paid during January of the following calendar year, will be treated as if it had been paid by us, as well as received by our stockholders, on December 31 of the calendar year in which the distribution was declared. We can offer no assurance that we will achieve results that will permit us to pay any cash distributions. If we issue senior securities, we will be prohibited from making distributions if doing so causes us to fail to maintain the asset coverage ratios stipulated by the 1940 Act or if distributions are limited by the terms of any of our borrowings.

Subject to applicable legal restrictions and the sole discretion of our board of directors, we intend to authorize, declare and pay regular cash distributions on a quarterly basis. We will calculate each stockholder's specific distribution amount for the period using record and declaration dates and each stockholder's distributions will begin to accrue on the date that shares of our common stock are issued to such stockholder. From time to time, we may also pay special interim distributions in the form of cash or shares of our common stock at the discretion of our board of directors.

During certain periods, our distributions may exceed our earnings. As a result, it is possible that a portion of the distributions we make may represent a return of capital. A return of capital generally is a return of a stockholder's investment rather than a return of earnings or gains derived from our investment activities. Each year a statement on Form 1099-DIV identifying the sources of the distributions will be mailed to our stockholders. No portion of the distributions paid during the six months ended June 30, 2024 or 2023 represented a return of capital.

We intend to continue to make our regular distributions in the form of cash, out of assets legally available for distribution, except for those stockholders who receive their distributions in the form of shares of our common stock under the DRP. Any distributions reinvested under the plan will nevertheless remain taxable to a U.S. stockholder.

The following table reflects the cash distributions per share that we have declared on our common stock during the six months ended June 30, 2024 and 2023:

For the Three Months Ended	Distribution

Critical Accounting Policies and Estimates

Our financial statements are prepared in conformity with GAAP, which requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Management has utilized available information, including our past history, industry standards and the current economic environment, among other factors, in forming the estimates and judgments, giving due consideration to materiality. Actual results may differ from these estimates. In addition, other companies may utilize different estimates, which may impact the comparability of our results of operations to those of companies in similar businesses. Understanding our accounting policies and the extent to which we use management judgment and estimates in applying these policies is integral to understanding our

financial statements. We describe our most significant accounting policies in “Note 2. Summary of Significant Accounting Policies” in our consolidated financial statements. Critical accounting policies are those that require the application of management’s most difficult, subjective or complex judgments, often because of the need to make estimates about the effect of matters that are inherently uncertain and that may change in subsequent periods. We evaluate our critical accounting estimates and judgments required by our policies on an ongoing basis and update them as necessary based on changing conditions. We have identified one of our accounting policies, valuation of portfolio investments, specifically the valuation of Level 3 investments, as critical because it involves significant judgments and assumptions about highly complex and inherently uncertain matters, and the use of reasonably different estimates and assumptions could have a material impact on our reported results of operations or financial condition. As we execute our operating plans, we will describe additional critical accounting policies in the notes to our future financial statements in addition to those discussed below.

Valuation of Portfolio Investments

Our board of directors is responsible for overseeing the valuation of our portfolio investments at fair value as determined in good faith pursuant to the Adviser’s valuation policy. As permitted by Rule 2a-5 of the 1940 Act, our board of directors has designated the Adviser as our valuation designee with day-to-day responsibility for implementing the portfolio valuation process set forth in the Adviser’s valuation policy.

Accounting Standards Codification Topic 820, *Fair Value Measurements and Disclosure*, or ASC Topic 820, issued by the FASB clarifies the definition of fair value and requires companies to expand their disclosure about the use of fair value to measure assets and liabilities in interim and annual periods subsequent to initial recognition. ASC Topic 820 defines fair value as the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC Topic 820 also establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets for identical securities; Level 2, which includes inputs such as quoted prices for similar securities in active markets and quoted prices for identical securities where there is little or no activity in the market; and Level 3, defined as unobservable inputs for which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The Adviser determines the fair value of our investment portfolio each quarter. Securities that are publicly-traded with readily available market prices will be valued at the reported closing price on the valuation date. Securities that are not publicly-traded with readily available market prices will be valued at fair value as determined in good faith by the Adviser. In connection with that determination, the Adviser will prepare portfolio company valuations which are based on relevant inputs, including, but not limited to, indicative dealer quotes, values of like securities, recent portfolio company financial statements and forecasts, and valuations prepared by independent third-party pricing and valuation services.

With respect to investments for which market quotations are not readily available, we undertake a multi-step valuation process each quarter, as described below:

- our quarterly fair valuation process begins by the Adviser facilitating the delivery of updated quarterly financial and other information relating to each investment to an independent third-party pricing or valuation service;
- the independent third-party pricing or valuation service then reviews and analyzes the information, along with relevant market and economic data, and determines proposed valuations for each portfolio company or investment according to the valuation methodologies in the Adviser’s valuation policy and communicates the information to the Adviser in the form of a valuation range for Level 3 assets;
- the Adviser then reviews the preliminary valuation information for each portfolio company or investment and provides feedback about the accuracy, completeness and timeliness of the valuation-related inputs considered by the independent third-party pricing or valuation service and any suggested revisions thereto prior to the independent third-party pricing or valuation service finalizing its valuation range;
- the Adviser then provides the valuation committee with its valuation determinations and valuation-related information for each portfolio company or investment, along with any applicable supporting materials; and other information that is relevant to the fair valuation process as required by the Adviser’s board reporting obligations;
- the valuation committee meets with the Adviser to receive the relevant quarterly reporting from the Adviser and to discuss any questions from the valuation committee in connection with the valuation committee’s role in overseeing the fair valuation process; and
- following the completion of its fair value oversight activities, the valuation committee (with the assistance of the Adviser) provides our board of directors with a report regarding the quarterly valuation process.

[Table of Contents](#)

In circumstances where the Adviser deems appropriate, the Adviser's internal valuation team values certain investments. When performing the internal valuations, the Adviser utilizes similar valuation techniques as an independent third-party pricing service would use. Such valuations are approved by an internal valuation committee of the Adviser, as well as the valuation committee of the board of directors, as described above.

Determination of fair value involves subjective judgments and estimates. Accordingly, the notes to our consolidated financial statements refer to the uncertainty with respect to the possible effect of such valuations and any change in such valuations on our consolidated financial statements. In making its determination of fair value, the Adviser may use any independent third-party pricing or valuation services for which it has performed the appropriate level of due diligence. However, the Adviser is not required to determine fair value in accordance with the valuation provided by any single source, and may use any relevant data, including information sourced by the Adviser or provided by any independent third-party valuation or pricing service that the Adviser deems to be reliable in determining fair value under the circumstances. Below is a description of factors that the Adviser and any independent third-party valuation services may consider when determining the fair value of our investments.

The valuation methods utilized for each portfolio company may vary depending on industry and company-specific considerations. Typically, the first step is to make an assessment as to the enterprise value of the portfolio company's business in order to establish whether the portfolio company's enterprise value is greater than the amount of its debt as of the valuation date. This analysis helps to determine a risk profile for the applicable portfolio company and its related investments, and the appropriate valuation methodology to utilize as part of the security valuation analysis. The enterprise valuation may be determined using a market or income approach.

Valuation of fixed income investments, such as loans and debt securities, depends upon a number of factors, including prevailing interest rates for like securities, expected volatility in future interest rates, call features, put features and other relevant terms of the debt. For investments without readily available market prices, the Adviser may incorporate these factors into discounted cash flow models to arrive at fair value. Various methods may be used to determine the appropriate discount rate in a discounted cash flow model.

Other factors that may be considered include the borrower's ability to adequately service its debt, the fair market value of the borrower in relation to the face amount of its outstanding debt and the quality of collateral securing the debt investments.

For convertible debt securities, fair value generally approximates the fair value of the debt plus the fair value of an option to purchase the underlying security (i.e., the security into which the debt may convert) at the conversion price. To value such an option, a standard option pricing model may be used.

Our equity interests in portfolio companies for which there is no liquid public market are valued at fair value. Generally, the value of our equity interests in public companies for which market quotations are readily available is based upon the most recent closing public market price.

When we receive warrants or other equity securities at nominal or no additional cost in connection with an investment in a debt security, the cost basis in the investment will be allocated between the debt securities and any such warrants or other equity securities received at the time of origination. The Adviser subsequently values these warrants or other equity securities received at their fair value.

See Note 8 to our unaudited consolidated financial statements included herein for additional information regarding the fair value of our financial instruments.

Contractual Obligations

We have entered into agreements with the Adviser to provide us with investment advisory and administrative services. Payments for investment advisory services under the investment advisory agreement are equal to (a) an annual base management fee based on the average weekly value of our gross assets (excluding cash and cash equivalents) and (b) an incentive fee based on our performance. The Adviser is reimbursed for administrative expenses incurred on our behalf. See Note 4 to our unaudited consolidated financial statements included herein for a discussion of these agreements and for the amount of fees and expenses accrued under these agreements during the six months ended June 30, 2024 and 2023.

Off-Balance Sheet Arrangements

We currently have no off-balance sheet arrangements, including any risk management of commodity pricing or other hedging practices.

Item 3. Quantitative and Qualitative Disclosures About Market Risk.

Interest Rate Risk

We are subject to financial market risks, including changes in interest rates. As of June 30, 2024, 68.8% of our portfolio investments (based on fair value) were debt investments paying variable interest rates and 7.8% were debt investments paying fixed interest rates while 15.5% were other income producing investments, 6.1% consisted of non-income producing investments, and the remaining 1.8% consisted of investments on non-accrual status. A rise in the general level of interest rates can be expected to lead to higher interest rates applicable to any variable rate investments we hold and to declines in the value of any fixed rate investments we hold. However, many of our variable rate investments provide for an interest rate floor, which may prevent our interest income from increasing until benchmark interest rates increase beyond a threshold amount. To the extent that a substantial portion of our investments may be in variable rate investments, an increase in interest rates beyond this threshold would make it easier for us to meet or exceed the hurdle rate applicable to the subordinated incentive fee on income, and may result in a substantial increase in our net investment income and to the amount of incentive fees payable to the Adviser with respect to our increased pre-incentive fee net investment income.

Pursuant to the terms of the Ambler Credit Facility, CCT Tokyo Funding Credit Facility, Darby Creek Credit Facility, Meadowbrook Run Credit Facility, Senior Secured Revolving Credit Facility and the CLO-1 Notes, we borrow at a floating rate based on a benchmark interest rate. Under the indentures governing the 4.625% notes, the 1.650% notes, the 4.125% notes, the 4.250% notes, the 8.625% notes, the 3.400% notes, the 2.625% notes, the 3.250% notes, the 3.125% notes, the 7.875% notes and the 6.875% notes, we pay interest to the holders of such notes at a fixed rate. To the extent that any present or future credit facilities or other financing arrangements that we or any of our subsidiaries enter into are based on a floating interest rate, we will be subject to risks relating to changes in market interest rates. In periods of rising interest rates when we or our subsidiaries have such debt outstanding, or financing arrangements in effect, our interest expense would increase, which could reduce our net investment income, especially to the extent we hold fixed rate investments. To hedge the risks associated with a changing interest rate environment, the Company utilizes interest rate swap strategies. For more information on the Company's swap strategies, please see Note 2 and Note 7.

The following table shows the effect over a twelve month period of changes in interest rates on our interest income, interest expense and net interest income, assuming no changes in the composition of our investment portfolio, including the accrual status of our investments, and our financing arrangements in effect as of June 30, 2024 (dollar amounts are presented in millions):

Up 150 basis points	147	43	104	11.4 %
Up 200 basis points	196	58	138	15.1 %
Up 250 basis points	245	72	173	18.9 %

(1) Assumes no defaults or prepayments by portfolio companies over the next twelve months.

(2) Assumes current debt outstanding as of June 30, 2024, and no changes over the next twelve months. Includes the affect of interest rate swaps designed as hedging instruments.

We expect that our long-term investments will be financed primarily with equity and debt. If deemed prudent, we may use interest rate risk management techniques in an effort to minimize our exposure to interest rate fluctuations. These techniques may include various interest rate hedging activities to the extent permitted by the 1940 Act. Adverse developments resulting from changes in interest rates or hedging transactions could have a material adverse effect on our business, financial condition and results of operations.

Foreign Currency Risk

From time to time, we may make investments that are denominated in a foreign currency that are subject to the effects of exchange rate movements between the foreign currency of each such investment and the U.S. dollar, which may affect future fair values and cash flows, as well as amounts translated into U.S. dollars for inclusion in our consolidated financial statements.

[Table of Contents](#)

The table below presents the effect that a 10% immediate, unfavorable change in the foreign currency exchange rates (i.e. strengthening of the U.S. dollar) would have on the fair value of our investments denominated in foreign currencies as of June 30, 2024, by foreign currency, all other valuation assumptions remaining constant. In addition, the table below presents the par value of our investments denominated in foreign currencies and the notional amount of foreign currency forward contracts in local currency in place as of June 30, 2024 to hedge against foreign currency risks.

	Investments Denominated in Foreign Currencies As of June 30, 2024				Economic Hedging As of June 30, 2024

Total		\$ 780.2	\$ 719.6	\$ 72.1		\$ 117.4

(1) Excludes effect, if any, of any foreign currency hedges.

As illustrated in the table above, we use derivative instruments from time to time, including foreign currency forward contracts and cross currency swaps, to manage the impact of fluctuations in foreign currency exchange rates. In addition, we have the ability to borrow in foreign currencies under our Senior Secured Revolving Credit Facility, which provides a natural hedge with regard to changes in exchange rates between the foreign currencies and U.S. dollar and reduces our exposure to foreign exchange rate differences. We are typically a net receiver of these foreign currencies as related to our international investment positions, and, as a result, our investments denominated in foreign currencies, to the extent not hedged, benefit from a weaker U.S. dollar and are adversely affected by a stronger U.S. dollar.

As of June 30, 2024, the net contractual amount of our foreign currency forward contracts totaled \$117.4, all of which related to hedging of our foreign currency denominated debt investments. As of June 30, 2024, we had outstanding borrowings denominated in foreign currencies of €472, CAD3 and £142 under our Senior Secured Revolving Credit Facility.

In addition, we may have risk regarding portfolio valuation. See "Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations—Critical Accounting Policies—Valuation of Portfolio Investments."

Item 4. Controls and Procedures.

Evaluation of Disclosure Controls and Procedures

As required by Rule 13a-15(b) under the Exchange Act, we carried out an evaluation, under the supervision and with the participation of our management, including the chief executive officer and chief financial officer, of the effectiveness of the design and operation of our disclosure controls and procedures as of June 30, 2024.

Based on the foregoing, our chief executive officer and chief financial officer concluded that our disclosure controls and procedures were effective to provide reasonable assurance that we would meet our disclosure obligations.

Changes in Internal Control Over Financial Reporting

There was no change in our internal control over financial reporting (as defined in Rules 13a-15(f) or 15d-15(f) of the Exchange Act) that occurred during the three month period ended June 30, 2024 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

PART II—OTHER INFORMATION

Item 1. Legal Proceedings.

We are not currently subject to any material legal proceedings, nor, to our knowledge, is any material legal proceeding threatened against us. From time to time, we may be party to certain legal proceedings in the ordinary course of business, including proceedings relating to the enforcement of our rights under contracts with our portfolio companies. While the outcome of any legal proceedings cannot be predicted with certainty, we do not expect that these proceedings will have a material adverse effect upon our financial condition or results of operations.

Item 1A. Risk Factors.

In addition to the other information set forth in this Quarterly Report on Form 10-Q, you should carefully consider the risk factors that appeared under Item 1A. "Risk Factors" in our most recent Annual Report on Form 10-K. There are no material changes from the risk factors included within our most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q.

Share Repurchase Program

In November 2020, the Company's board of directors authorized a stock repurchase program, which went into effect in September 2021, or the Share Repurchase Program. Under the Share Repurchase Program originally approved by the Company's board of directors, the Company was permitted to repurchase up to \$100 in the aggregate of its outstanding common stock in the open market at prices below the then-current net asset value per share. On September 15, 2022, the program expired and was terminated pursuant to the terms of the program. On October 31, 2022, the board of directors approved a renewal of the Share Repurchase Program. The program provided for aggregate purchases of the Company's common stock in amounts up to \$54, which was the aggregate amount remaining of the \$100 amount originally approved by the board of directors.

During the three months ended March 31, 2023, the Company repurchased 1,665,317 shares of common stock pursuant to the Share Repurchase Program at an average price per share (inclusive of commissions paid) of \$18.89 (totaling \$32). The Share Repurchase Program has concluded since the aggregate repurchase amount under the program has been expended.

The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions

that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to any Borrower. The Administrative Agent may

select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to such Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

SECTION 2.04. Letters of Credit.

(1) General. Subject to the terms and conditions set forth herein, in addition to the Loans made to each Borrower provided for in Section 2.01, each Borrower may request, at any time and from time to time during the Availability Period, (x) any Dollar Issuing Bank to issue, and such Dollar Issuing Bank shall issue, under Dollar Subcommitments with respect to such Borrower, Letters of Credit denominated in Dollars and (y) any Multicurrency Issuing Bank to issue, and such Multicurrency Issuing Bank shall issue under the Multicurrency Subcommitments, with respect to such Borrower, Letters of Credit denominated in Dollars or in any Agreed Foreign Currency for such Borrower's own account or the account of its designee (provided such Borrower and the other members of its Obligor Group shall remain primarily liable to the Lenders hereunder for payment and reimbursement of all amounts payable in respect of such Letter of Credit hereunder) in such form as is acceptable to such Issuing Bank in its reasonable determination and for the benefit of such named beneficiary or beneficiaries as are specified by such Borrower. Letters of Credit issued hereunder shall constitute utilization of the Multicurrency Subcommitments or Dollar Subcommitments, as applicable, of the applicable Borrower up to the aggregate amount then available to be drawn thereunder by such Borrower.

(2) Notice of Issuance, Amendment, Renewal or Extension. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the applicable Borrower shall hand deliver or telecopy (or transmit by e-mail, if arrangements for doing so have been approved by such Issuing Bank of such Borrower) to any Issuing Bank of such Borrower and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit on behalf of such Borrower, or identifying the Letter of Credit issued on behalf of such Borrower to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (d) of this Section), the amount, Class and Currency of such Letter of Credit, stating that such Letter of Credit is to be issued under the Multicurrency Subcommitments, in the case of any Multicurrency Issuing Bank, or the Dollar Subcommitments, in the case of any Dollar Issuing Bank, with respect to such Borrower, the name and address of the beneficiary thereof and such other information as shall be necessary

to prepare, amend, renew or extend such Letter of Credit. The Administrative Agent will promptly notify the applicable Class of Lenders following the issuance of any Letter of Credit. If

requested by such Issuing Bank of such Borrower, the applicable Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit to be issued on the behalf of such Borrower. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the applicable Borrower to, or entered into by such Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(3) Limitations on Amounts. A Letter of Credit shall be issued, amended, renewed or extended by an Issuing Bank on behalf of a Borrower only if (and upon issuance, amendment, renewal or extension of each Letter of Credit such Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the aggregate LC Exposure at such time of the Issuing Banks (determined for these purposes without giving effect to the participations therein of the Lenders pursuant to paragraph (e) of this Section) shall not exceed \$400,000,000 (or such greater amount as may be agreed between any Borrower and such Issuing Bank from time to time), (ii) the aggregate LC Exposure of such Issuing Bank (determined for these purposes without giving effect to the participations therein of the Lenders pursuant to paragraph (e) of this Section) shall not exceed such Issuing Bank's LC Commitment, (iii) the aggregate LC Exposure with respect to such Borrower shall not exceed such Borrower's Borrower LC Sublimit, (iv) the total Revolving Multicurrency Credit Exposures with respect to such Borrower shall not exceed the aggregate Multicurrency Subcommitments with respect to such Borrower and the total Revolving Dollar Credit Exposures with respect to such Borrower shall not exceed the aggregate Dollar Subcommitments with respect to such Borrower, (v) the total Covered Debt Amount of such Borrower shall not exceed the Borrowing Base then in effect for such Borrower and (vi) the aggregate amount of the Revolving Multicurrency Credit Exposure of all of the Lenders denominated in a Foreign Currency shall not exceed 50% of the total Commitments hereunder. A Letter of Credit denominated in AUD or NZD shall be issued, amended, renewed or extended on behalf of a Borrower only if (and upon issuance, amendment, renewal or extension of each Letter of Credit such Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, the aggregate amount of the Revolving Multicurrency Credit Exposure of all of the Lenders denominated in AUD and NZD shall not exceed 20% of the total Commitments hereunder.

(4) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the date twelve months after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, twelve months after the then-current expiration date of such Letter of Credit, so long as such renewal or extension occurs within six months of such then-current expiration date); provided that any Letter of Credit with a one-year term may provide for the renewal thereof for additional one-year periods; provided further, that (x) in no event shall a Letter of Credit expire after the Commitment Termination Date unless the applicable Borrower (1) deposits, on or prior to the Commitment Termination Date, into the Letter of Credit Collateral Account Cash with respect to such Borrower, an amount equal to 102% of the undrawn face amount of all Letters of Credit issued on behalf of such Borrower that remain outstanding as of the close of business on the Commitment Termination Date and

(4) pays in full, on or prior to the Commitment Termination Date, all commissions required to be paid with respect to any such Letter of Credit through the then-current expiration date of such

Letter of Credit issued on behalf of such Borrower and (y) no Letter of Credit shall have an expiry date after the Maturity Date.

(5) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) by the applicable Issuing Bank, and without any further action on the part of such Issuing Bank or the Lenders, (i) in the case of a Multicurrency Issuing Bank, such Multicurrency Issuing Bank hereby grants to each Multicurrency Lender, and each Multicurrency Lender hereby acquires from such Multicurrency Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Multicurrency Percentage of the aggregate amount available to be drawn under such Letter of Credit and (ii) in the case of a Dollar Issuing Bank, such Dollar Issuing Bank hereby grants to each Dollar Lender, and each Dollar Lender hereby acquires from such Dollar Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Dollar Percentage of the aggregate amount available to be drawn under such Letter of Credit. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit issued on behalf of a Borrower or the occurrence and continuance of a Default with respect to such Borrower or termination (including in connection with a reallocation in accordance with Section 2.07(g)) of the applicable Class of Subcommitments with respect to such Borrower; provided that no Lender shall be required to purchase a participation in a Letter of Credit issued on behalf of a Borrower pursuant to this Section 2.04(e) if (x) the conditions set forth in Section 4.02 would not be satisfied in respect of a Borrowing by such Borrower at the time such Letter of Credit was issued on behalf of such Borrower and (y) the Required Lenders of the applicable Class shall have so notified such Issuing Bank in writing and shall not have subsequently determined that the circumstances giving rise to such conditions not being satisfied no longer exist.

In consideration and in furtherance of the foregoing, (x) each Multicurrency Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of each Multicurrency Issuing Bank, such Lender's Applicable Multicurrency Percentage of each LC Disbursement made by such Multicurrency Issuing Bank in respect of Letters of Credit issued on behalf of a Borrower by such Multicurrency Issuing Bank and (y) each Dollar Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of each Dollar Issuing Bank, such Lender's Applicable Dollar Percentage of each LC Disbursement made by such Dollar Issuing Bank in respect of Letters of Credit issued on behalf of a Borrower by such Dollar Issuing Bank, in each case, promptly upon the request of such Issuing Bank (which such request shall be made by such Issuing Bank in accordance with the notice requirements applicable to each Borrower with respect to a request for Loans in Section 2.05) at any time from the time of such LC Disbursement until such LC Disbursement is reimbursed by such Borrower or at any time after any reimbursement payment is required to be refunded to such Borrower for any reason. Such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each such payment shall be made in the same manner as provided in Section 2.05 with respect to Loans made by such Lender (and Section 2.05 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the

Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from the applicable Borrower pursuant to Section 2.04(f), the Administrative Agent shall

distribute such payment to the applicable Issuing Bank or, to the extent that the Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear. Any payment made by a Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement with respect to a Borrower shall not constitute a Loan to such Borrower and shall not relieve such Borrower of its obligation to reimburse such LC Disbursement.

(6) Reimbursement. If any Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit issued by it, the applicable Borrower shall reimburse such Issuing Bank in respect of such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 12:00 noon, New York City time, on (i) the Business Day that such Borrower receives notice of such LC Disbursement, if such notice is received prior to 10:00 a.m., New York City time, or (ii) the Business Day immediately following the day that such Borrower receives such notice, if such notice is not received prior to such time; provided that, if such LC Disbursement is not less than \$1,000,000, such Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with a Term Benchmark Borrowing having an Interest Period of one month's duration of either Class or an RFR Borrowing in an equivalent amount and, to the extent so financed, such Borrower's obligation to make such payment shall be discharged and replaced by the resulting Term Benchmark Borrowing having an Interest Period of one month's duration or RFR Borrowing.

If the applicable Borrower fails to make such payment when due, the Administrative Agent shall notify each affected Lender of the applicable LC Disbursement, the payment then due from such Borrower in respect thereof and such Lender's Applicable Multicurrency Percentage or Applicable Dollar Percentage, as applicable, thereof.

(7) Obligations Absolute. Each Borrower's obligation to reimburse LC Disbursements made with respect to Letters of Credit issued on behalf of such Borrower as provided in paragraph (f) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit issued on behalf of such Borrower, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit issued on behalf of such Borrower proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the applicable Issuing Bank under a Letter of Credit issued on behalf of such Borrower against presentation of a draft or other document that does not comply strictly with the terms of such Letter of Credit, and (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of such Borrower's obligations hereunder.

None of the Administrative Agent, the Lenders, the Issuing Banks, or any of their respective Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit by any Issuing Bank or any payment or

failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit

(including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Bank; provided that the foregoing shall not be construed to excuse the applicable Issuing Bank from liability to the applicable Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by such Borrower to the extent permitted by applicable law) suffered by such Borrower that are caused by such Issuing Bank's gross negligence or willful misconduct when determining whether drafts and other documents presented under a Letter of Credit issued by such Issuing Bank on behalf of such Borrower comply with the terms thereof. The parties hereto expressly agree that:

a. each Issuing Bank may accept documents that appear on their face to be in substantial compliance with the terms of a Letter of Credit issued by such Issuing Bank without responsibility for further investigation, regardless of any notice or information to the contrary, and may make payment upon presentation of documents that appear on their face to be in substantial compliance with the terms of such Letter of Credit;

b. each Issuing Bank shall have the right, in its sole discretion, to decline to accept such documents and to make such payment if such documents are not in strict compliance with the terms of a Letter of Credit issued by such Issuing Bank; and

c. this sentence shall establish the standard of care to be exercised by each Issuing Bank when determining whether drafts and other documents presented under a Letter of Credit issued by such Issuing Bank comply with the terms thereof (and the parties hereto hereby waive, to the extent permitted by applicable law, any standard of care inconsistent with the foregoing).

(8) Disbursement Procedures. Each Issuing Bank shall, within a reasonable time following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit issued by such Issuing Bank. Such Issuing Bank shall promptly after such examination notify the Administrative Agent and the applicable Borrower by telecopy or e-mail of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve such Borrower of its obligation to reimburse such Issuing Bank and the applicable Lenders with respect to any such LC Disbursement.

(9) Interim Interest. If an Issuing Bank shall make any LC Disbursement with respect to a Letter of Credit issued by such Issuing Bank, then, unless the applicable Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that such Borrower reimburses such LC Disbursement, at the rate per annum then applicable to Term Benchmark Loans having an Interest Period of one month's duration made to such Borrower (or, if such LC Disbursement is denominated in Pounds Sterling, RFR Loans); provided that, if such Borrower fails to reimburse such LC Disbursement within two Business Days following the date when due pursuant to

paragraph (f) of this Section, then the provisions of Section 2.11(d) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (f) of this

Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment.

(10) Replacement of Issuing Banks. Any Issuing Bank may be replaced at any time by written agreement among the Borrowers, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the applicable Lenders of any such replacement of any Issuing Bank. At the time any such replacement shall become effective, each Borrower shall pay all its respective unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.10(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of any Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(11) Cash Collateralization. If the applicable Borrower shall be required to provide cover for its LC Exposure of a Class pursuant to Section 2.08(a), Section 2.09(c) Section 2.09(d) or the last paragraph of Article VII, such Borrower shall immediately deposit into a segregated collateral account or accounts (herein, with respect to each Borrower, collectively, the "Letter of Credit Collateral Account"; for the avoidance of doubt, each Borrower's Letter of Credit Collateral Account shall be segregated from each other Borrower's Letter of Credit Collateral Account) in the name and under the dominion and control of the Administrative Agent, Cash denominated in the Currency of the Letter of Credit under which such LC Exposure arises in an amount equal to the amount required under Section 2.08(a), Section 2.09(c), Section 2.09(d) or the last paragraph of Article VII, as applicable. Such deposit shall be held by the Administrative Agent as collateral in the first instance for its LC Exposure under this Agreement and thereafter for the payment of the "Secured Obligations" of such Borrower under and as defined in the Guarantee and Security Agreement to which such Borrower is a party, and for these purposes such Borrower hereby grants a security interest to the Administrative Agent for the benefit of the applicable Lenders of such Borrower in the Letter of Credit Collateral Account with respect to such Borrower and in any financial assets (as defined in the Uniform Commercial Code) or other property held therein. If the applicable Borrower is required to provide cash collateral hereunder as a result of the occurrence of an Event of Default, such cash collateral (to the extent not applied as set forth in this Section 2.04(k)) shall be returned to such Borrower promptly after all Events of Default have been cured or waived. If the applicable Borrower is required to provide cash collateral hereunder pursuant to Section 2.09(b)(ii), such cash collateral (to the extent not applied as set forth in this Section 2.04(k)) shall be returned to such the Borrower as and to the extent that, after giving effect to such return, the aggregate Revolving Credit Exposure would not exceed the aggregate

Commitments, no prepayment would be required under Section 2.09(b)(ii) and no Default or Event of Default shall have occurred and be continuing.

SECTION 2.05. Funding of Borrowings.

(1) Funding by Lenders. Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 1:00 p.m., Local Time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.22. The Administrative Agent will make such Loans available to the applicable Borrower by promptly crediting the amounts so received, in like funds, to the account(s) of such Borrower designated by such Borrower in the applicable Borrowing Request; provided that Borrowings made to such Borrower to finance the reimbursement of an LC Disbursement with respect to such Borrower as provided in Section 2.04(f) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(2) Presumption by the Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in the corresponding Currency with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the NYFRB Rate or (ii) in the case of such Borrower, the interest rate applicable at the time to Term Benchmark Loans having an Interest Period of one month's duration made to such Borrower (or, if such LC Disbursement is denominated in Pounds Sterling, RFR Loans). If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. Nothing in this paragraph shall relieve any Lender of its obligation to fulfill its commitments hereunder, and shall be without prejudice to any claim any Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

SECTION 2.06. Interest Elections.

(1) Elections by the Applicable Borrower for Borrowings. Subject to Section 2.03(d), the Loans constituting each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Term Benchmark Borrowing, shall have the Interest Period specified in such Borrowing Request. Thereafter the applicable Borrower may elect to convert such Borrowing to a Borrowing of a different Type or to continue such Borrowing as a Borrowing of the same Type and, in the case of a Term Benchmark Borrowing, may elect the Interest Period therefor, all as provided in this Section; provided, however, that (i) a Borrowing of a Class may only be continued or converted into a Borrowing of the same Class, (ii) a Borrowing denominated in one Currency may not be continued as, or converted into,

a Borrowing in a different Currency, (iii) no Borrowing denominated in a Foreign Currency may be continued if, after giving effect thereto, (x) the aggregate Revolving Multicurrency Credit Exposures with respect to the applicable Borrower would exceed the aggregate Multicurrency

Subcommitments with respect to such Borrower or (y) the aggregate amount of the Revolving Multicurrency Credit Exposure of all of the Lenders denominated in a Foreign Currency would exceed 50% of the total Commitments hereunder, (iv) no Term Benchmark Borrowing denominated in AUD or NZD may be continued if, after giving effect thereto, the aggregate amount of the Revolving Multicurrency Credit Exposure of all of the Lenders denominated in AUD and NZD would exceed 20% of the total Commitments hereunder and (v) a Term Benchmark Borrowing denominated in a Foreign Currency may not be converted into a Borrowing of a different Type. The applicable Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders of the respective Class holding the Loans constituting such Borrowing, and the Loans constituting each such portion shall thereafter be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, which may not be converted or continued.

(2) Notice of Elections. To make an election pursuant to this Section, the applicable Borrower shall notify the Administrative Agent of such election by delivery of a signed Interest Election Request or by e-mail by the time that a Borrowing Request would be required under Section 2.03 if such Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such e-mail Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery, telecopy or e-mail to the Administrative Agent of a written Interest Election Request signed by the applicable Borrower.

(3) Content of Interest Election Requests. Each Interest Election Request (whether a written Interest Election Request or an e-mail request) shall specify the following information in compliance with Section 2.02:

- (1) the name of the applicable Borrower;
- (2) the Borrowing (including the Class) to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iv) and (v) of this paragraph shall be specified for each resulting Borrowing);
- (3) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;
- (4) in the case of a Borrowing denominated in Dollars, whether the resulting Borrowing is to be an ABR Borrowing or a Term Benchmark Borrowing; and
- (5) if the resulting Borrowing is a Term Benchmark Borrowing, the Interest Period therefor after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period" and permitted under Section 2.02(d).

(4) Notice by the Administrative Agent to the Lenders. Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(5) Failure to Elect; Events of Default. If the applicable Borrower fails to deliver a timely and complete Interest Election Request with respect to a Term Benchmark Borrowing prior to the end of the Interest Period therefor, then, unless such Borrowing is repaid as provided herein, (i) if such Borrowing is denominated in Dollars, at the end of such Interest Period such Borrowing shall be converted to a Term Benchmark Borrowing of the same Class having an Interest Period of one month's duration, and (ii) if such Borrowing is denominated in a Foreign Currency, such Borrower shall be deemed to have selected an Interest Period of one month's duration. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing with respect to a Borrower and the Administrative Agent, at the request of the Required Lenders, so notifies such Borrower, then, so long as such Event of Default is continuing with respect to such Borrower no outstanding Term Benchmark Borrowing made to such Borrower may have an Interest Period of more than one month's duration.

SECTION 2.07. Termination, Reduction, Increase or Reallocation of the Commitments and the Subcommitments.

(1) Scheduled Termination. Unless previously terminated in accordance with the terms of this Agreement, the Commitments of each Class shall terminate on the Commitment Termination Date.

(2) Voluntary Termination or Reduction. In addition to the right to reallocate pursuant to paragraph (g) of this Section, any Borrower may at any time without premium or penalty terminate, or from time to time reduce, its Subcommitments ratably among each Class; provided that (i) each reduction of any Subcommitments pursuant to this sentence shall be in an amount that is \$5,000,000 or a larger multiple of \$1,000,000 in excess thereof (or, in each case, if less, the entire remaining amount of the Subcommitments of any Class with respect to such Borrower) and (ii) such Borrower shall not terminate or reduce the Subcommitments if, after giving effect to any concurrent prepayment of the Loans of any Class made to such Borrower in accordance with Section 2.09, the total Revolving Credit Exposures of such Class with respect to such Borrower would exceed the total Subcommitments of such Class with respect to such Borrower.

(3) Notice of Voluntary Termination or Reduction. The applicable Borrower shall notify the Administrative Agent of any election to terminate or reduce its Subcommitments under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by a Borrower pursuant to this Section shall be irrevocable; provided that any such notice of termination or reduction of the Subcommitments of

a Class may state that such notice is conditioned upon the effectiveness of other events (including the reallocation of such Subcommitments pursuant to paragraph (g) of this Section),

in which case such notice may be revoked by such Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(4) Effect of Termination or Reduction. Each termination or reduction of Subcommitments of a Class with respect to a Borrower made pursuant to paragraph (b) of this Section shall (i) be made ratably among the Lenders in accordance with their respective Subcommitments of such Class with respect to such Borrower and (ii) result in a permanent termination of Commitments in an amount equal to the Subcommitments so terminated or reduced. Each Lender authorizes and instructs the Administrative Agent to, concurrently with and immediately after the effectiveness of any termination or reduction of Subcommitments pursuant to paragraph (b) of this Section, amend Schedule I to reflect the aggregate amount of each Lender's aggregate Commitments and such Lender's Subcommitments with respect to each Borrower.

(5) Increase of the Commitments.

(1) Requests for Increase. Each Borrower shall have the right, at any time after the Amendment No. 3 Effective Date but prior to the Commitment Termination Date, to propose that the Commitments of a Class hereunder be increased (each such proposed increase being a "Commitment Increase") by notice to the Administrative Agent, specifying each existing Lender (each an "Increasing Lender") and/or each additional lender (each an "Assuming Lender") that shall have agreed to an additional Commitment and the date on which such increase is to be effective (the "Commitment Increase Date"), which shall be a Business Day at least three Business Days (or such lesser period as the Administrative Agent may reasonably agree) after delivery of such notice and at least 30 days prior to the Commitment Termination Date; provided that no Lender shall be obligated to provide any increased Commitment; provided, further that:

- (1) each increase shall be in a minimum amount of at least \$15,000,000 or a larger multiple of \$5,000,000 in excess thereof (or, in each case, in such other amounts as the Administrative Agent may reasonably agree);
- (2) the aggregate amount of all Commitments outstanding, at any given time, shall not exceed \$7,005,000,000;
- (3) each Assuming Lender shall be consented to by the Administrative Agent and the Issuing Banks (in each case, which consent shall not be unreasonably withheld or delayed);
- (4) no Default or Event of Default shall have occurred and be continuing on such Commitment Increase Date or shall result from the proposed Commitment Increase with respect to any Borrower;

(5) the representations and warranties made by such Borrower and the other members of its Obligor Group contained in this Agreement shall be true and correct in all material respects (unless the relevant representation and warranty already contains a materiality qualifier or, in the case of the representations and

warranties in Sections 3.01, 3.02, 3.04, 3.11 and 3.15 of this Agreement, and in Sections 2.01, 2.02 and 2.04 through 2.08 of the Guarantee and Security Agreement such Borrower is party to, in each such case, such representation and warranty shall be true and correct in all respects) on and as of the Commitment Increase Date as if made on and as of such date (or, if any such representation or warranty is expressly stated to have been made as of a specific date, as of such specific date); and

(6) no Non-Extending Lender may participate in any Commitment Increase unless, in connection therewith, it shall have agreed to become an "Extending Lender" hereunder.

(2) Effectiveness of Commitment Increase. On the Commitment Increase Date for any Commitment Increase, (A) each Assuming Lender, if any, shall become a Lender hereunder as of such Commitment Increase Date with the Commitment in the amount set forth in the agreement referred to in Section 2.07(e)(ii)(y), (B) the Commitment of the respective Class of each Increasing Lender part of such Commitment Increase, if any, shall be increased as of such Commitment Increase Date to the amount set forth in the agreement referred to in Section 2.07(e)(ii)(y), (C) the Borrower Sublimit with respect to the Borrower requesting such Commitment Increase shall be increased as of such Commitment Increase Date in an amount equal to such total Commitment Increase, and (D) each Lender's Subcommitments with respect to each Borrower shall be reallocated as of such Commitment Increase Date in the manner set forth in clause (iv) below: provided that:

(24) the Administrative Agent shall have received on such Commitment Increase Date a certificate signed by (1) a duly authorized officer of such Borrower stating that each of the applicable conditions to such Commitment Increase set forth in the foregoing paragraph (i) has been satisfied with respect to such Borrower and (2) a duly authorized officer of each other Borrower stating that the condition set forth in the foregoing subparagraph (i)(D) has been satisfied with respect to such other Borrower; and

(25) each Assuming Lender or Increasing Lender shall have delivered to the Administrative Agent on such Commitment Increase Date, an agreement, in form and substance reasonably satisfactory to the Borrowers and the Administrative Agent, pursuant to which such Lender shall, effective as of such Commitment Increase Date, undertake a Commitment or an increase of Commitment in each case of the respective Class, duly executed by such Assuming Lender or such Increasing Lender, as applicable, and the Borrowers, and acknowledged by the Administrative Agent.

(3) Recordation into Register. Upon its receipt of (1) an agreement referred to in clause (ii)(y) above executed by each Assuming Lender and each Increasing Lender part of such Commitment Increase, as applicable, together with the certificate referred to

in clause (ii)(x) above and (2) an amended Schedule I pursuant to clause (iv) below, the Administrative Agent shall, (x) if such agreement referred to in clause (ii)(y) has been

completed, accept such agreement, (y) record the information contained in the amended Schedule I in the Register and (z) give prompt notice thereof to the Borrowers.

(4) Adjustment of Subcommitments upon Effectiveness of Increase. On the Commitment Increase Date for any Commitment Increase, the Subcommitments of each Lender (including each Assuming Lender and Increasing Lender, as applicable) shall be reallocated and adjusted among each of the Borrowers such that each Lender's Subcommitment with respect to each Borrower is equal to such Lender's pro rata share of the total Commitments as in effect immediately after giving effect to such Commitment Increase. Notwithstanding anything to the contrary contained herein, no Lender's consent shall be required in connection with the reallocation of Subcommitments pursuant to this clause (iv) and each Lender authorizes and instructs the Administrative Agent to, concurrently with and immediately after the effectiveness of any such reallocation, amend Schedule I to reflect the aggregate amount of each Lender's (including Increasing Lenders and Assuming Lenders part of any Commitment Increase and giving pro forma effect to such Commitment Increase and the reallocations made pursuant to this clause (iv)) aggregate Commitments and such Lender's Subcommitments with respect to each Borrower. Each reference to Schedule I in this Agreement shall be to Schedule I as amended from time to time.

(26) Adjustments of Borrowings upon Effectiveness of Subcommitment Increase or Reallocations. On each date the Subcommitments are increased or reallocated pursuant to paragraph (e) of this Section, immediately after giving effect to such increase or reallocation, each Borrower shall (A) prepay the outstanding Loans made to such Borrower (if any) of the affected Class in full, (B) simultaneously borrow new Loans of such Class hereunder in an amount equal to such prepayment (in the case of Term Benchmark Loans, (1) to any Borrower whose aggregate Subcommitments are increasing at such time, with Adjusted Term SOFR Rates, Adjusted Term CORRA Rates, Adjusted EURIBOR Rates or the applicable Local Rates, as applicable, equal to the outstanding Adjusted Term SOFR Rate, Adjusted Term CORRA Rate, Adjusted EURIBOR Rate or the applicable Local Rate, as applicable, and with Interest Period(s) ending on the date(s) of any then outstanding Interest Period(s) and (2) to any Borrower whose aggregate Subcommitments are not changing at such time, with Adjusted Term SOFR Rates, Adjusted Term CORRA Rates, Adjusted EURIBOR Rates or the applicable Local Rates, as applicable, having Interest Periods (the duration of which may be less than one month) that are the same as the Adjusted Term SOFR Rates, Adjusted Term CORRA Rates, Adjusted EURIBOR Rates or the applicable Local Rates, as applicable, and Interest Periods applicable to outstanding Loans made to such Borrower at such time); provided that, with respect to subclauses (A) and (B), (x) the prepayment to, and borrowing from, any existing Lender by such Borrower shall be effected by book entry to the extent that any portion of the amount prepaid to such Lender by such Borrower will be subsequently borrowed from such Lender by such Borrower and (y) the existing Lenders, the Increasing Lenders and the Assuming Lenders shall make and receive payments among themselves, in a manner acceptable to the Administrative Agent, so that, after giving effect thereto, the Loans of such Class made to suc

h Borrower are held ratably by the Lenders of such Class in accordance with their respective Subcommitments of such Class with respect to such Borrower (and after giving effect to such Commitment Increase) and (C) pay to the Lenders of such Class with respect to such Borrower the amounts, if any, payable under Section 2.15 as a result of any such prepayment (it being

understood that any payments required pursuant to Section 2.15 by any Borrower that is not increasing the aggregate amount of its Subcommitments shall be payable by the Borrowers increasing the aggregate amount of their respective Subcommitments (which amount shall be payable ratably among the increasing Borrowers based on the amount of increased Subcommitments received by each such Borrower as a result of such Commitment Increase)). Concurrently therewith, immediately after giving effect to the reallocations pursuant to paragraph (e) of this Section or otherwise pursuant to this Agreement, the Lenders of such Class shall be deemed to have adjusted their participation interests in any outstanding Letters of Credit of such Class issued on behalf of each Borrower so that such interests are held ratably in accordance with their Subcommitments of such Class with respect to such Borrower as so increased.

(27) Voluntary Reallocation of Subcommitments.

(1) Voluntary Reallocation. The Borrowers may at any time without premium or penalty, or from time to time, elect to reallocate all or any portion of the Subcommitments from one or more of the Borrowers to one or more of the other Borrowers, in each case ratably among the applicable Lenders (each such proposed reallocation being a "Voluntary Reallocation"): (A) at the option of any two or more Borrowers and/or (B) in connection with the designation of a "Borrower" hereunder pursuant to Section 9.19; provided that, (v) since the Amendment No. 3 Effective Date, there has not been any event, development or circumstance that has had or could reasonably be expected to have a Material Adverse Effect with respect to the Increasing Borrower, (w) as of the date of such election, no Default shall have occurred and be continuing with respect to any Borrower (other than any Reducing Borrower (as defined below) part of such Voluntary Reallocation that is reducing its Subcommitments; provided that (1) such Reducing Borrower does not have any outstanding Designated Indebtedness, or (2) if such Reducing Borrower has outstanding Designated Indebtedness, its Subcommitments are being reduced in full), (x) each Reducing Borrower and each Increasing Borrower part of such Voluntary Reallocation, as applicable shall have taken all necessary corporate action, (y) no Reducing Borrower shall reduce the Subcommitments of such Reducing Borrower if, after giving effect to any concurrent prepayment of Loans of any Class made by such Reducing Borrower, (i) the total Revolving Credit Exposures of such Class with respect to such Reducing Borrower would exceed the total Subcommitments of such Class with respect to such Reducing Borrower or (ii) the LC Exposure with respect to any Borrower would exceed such Borrower's Borrower LC Sublimit and (z) unless otherwise agreed by the Administrative Agent, after the Amendment No. 3 Effective Date, the Borrowers may make no more than four (4) reallocations in the aggregate pursuant to paragraph (g)(i)(A), in any rolling twelve-month period (for the avoidance of doubt, any one or more transactions described in this clause (28) occurring on the same date shall be deemed to be a single reallocation).

(2) Notice of Voluntary Reallocation. The Reallocating Borrowers (as defined below) shall jointly notify the Administrative Agent of any election to reallocate the Subcommitments with respect to such Borrowers under paragraph (g)(i) of this Section at least ten (10) Business Days (or such lesser period as the Administrative Agent may

reasonably agree) prior to the effective date of such reallocation, specifying (A) each Borrower that shall have agreed to reduce its Subcommitments (each a "Reducing

Borrower”), (B) each Borrower that shall have agreed to increase its Subcommitments (each an “Increasing Borrower” and together with the Reducing Borrowers, the “Reallocating Borrowers”), (C) the amounts of the reduction being made by each Reducing Borrower, (D) the amounts of the increase being made by each Increasing Borrower and (E) the date on which such reallocation is to be effective (the “Reallocation Date”). Promptly following receipt of any election, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Reallocating Borrowers pursuant to this Section shall be irrevocable; provided that a notice of Voluntary Reallocation may state that such notice is conditioned upon the effectiveness of other events, in which case such notice may be revoked by any Reallocating Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(3) Effectiveness of Voluntary Reallocation. On the Reallocation Date for any Voluntary Reallocation and in each case in the amounts set forth in the notice referred to in paragraph (g)(ii) of this Section, (A) the Subcommitments, Loans and LC Exposure of the respective Class with respect to each Reducing Borrower part of such Voluntary Reallocation shall be reduced ratably among the Lenders in accordance with their respective aggregate Commitments of such Class, (B) the Borrower Sublimit with respect to each Reducing Borrower part of such Voluntary Reallocation shall be reduced as of such Reallocation Date, (C) the Subcommitments, Loans and LC Exposure of the respective Class with respect to each Increasing Borrower part of the Voluntary Reallocation shall be increased ratably among the Lenders in accordance with their respective aggregate Commitments of such Class and (D) the Borrower Sublimit with respect to each Increasing Borrower part of such Voluntary Reallocation shall be increased as of such Reallocation Date. Each Lender authorizes and instructs the Administrative Agent to, concurrently with and immediately after the effectiveness of any Voluntary Reallocation, amend Schedule I to reflect the aggregate amount of each Lender’s aggregate Commitments and such Lender’s Subcommitments with respect to each Borrower.

(29) Reallocation of Subcommitments Upon Merger of Borrowers. In connection with and concurrently with the effectiveness of a Borrower Merger, all of the Subcommitments, Loans and LC Exposures (if any) of the Non-Surviving Obligors will be reallocated to the Surviving Borrower, in each case ratably among the applicable Lenders. For the avoidance of doubt, the Surviving Borrower shall immediately, as of the date of consummation of such merger or consolidation, receive credit in its Collateral Pool and its Borrowing Base for all Portfolio Investments of each Non-Surviving Obligor that were included in each Non-Surviving Obligor’s Collateral Pool and Borrowing Base, respectively, immediately prior to such Borrower Merger to the extent such Portfolio Investments are included in the Collateral Pool of the Surviving Borrower upon the consummation of such Borrower Merger and the Surviving Borrower will assume all of the Non-Surviving Borrower’s obligations hereunder as provided herein. If applicable, as of the date of the consummation of such Borrower Merger, each Issuing Bank (if any) of each Non-Surviving Borrower shall immediately become one of the Issuing Banks for the Surviving Borrower and each Issuing Bank authorizes, and instructs

the Administrative Agent to amend Schedule I accordingly. Each Lender authorizes and instructs the Administrative Agent to, concurrently with and immediately after the effectiveness of any

Borrower Merger, amend Schedule I to reflect the aggregate amount of each Lender's aggregate Commitments and such Lender's Subcommitments with respect to each Borrower.

(30) Mandatory Termination of Subcommitments of Non-Extending Lenders. Unless previously terminated, the Subcommitments of each 2020 Non-Extending Lender shall terminate on November 7, 2023 and the Subcommitments of each 2023 Non-Extending Lender shall terminate on May 17, 2026. In connection with the foregoing, each Lender (other than any 2020 Non-Extending Lender and, with respect to any period on or after the Amendment No. 3 Effective Date and prior to May 17, 2026, any 2023 Non-Extending Lender), hereby agrees that it shall not be entitled to any pro-rata reduction in its Subcommitments of the same Class notwithstanding Section 2.07(d) or 2.17(c), or any other provision hereof to the contrary.

(31) Replacement of Non-Extending Lenders. The Borrowers shall have the right, in their sole discretion and at their sole cost and expense, to replace any Non-Extending Lender in the manner set forth in Section 2.19(b).

SECTION 2.08. Repayment of Loans; Evidence of Debt.

(1) Repayment. Each Borrower (severally and not jointly, and solely with respect to itself) hereby unconditionally promises to pay to the Administrative Agent for the account of the applicable Lenders of each Class:

(1) to the Administrative Agent for account of the applicable Lenders the outstanding principal amount of the Loans of each Class of its Loans and all other amounts due and owing by such Borrower or any other member of its Obligor Group on the Maturity Date;

(2) to the applicable Swingline Lender the then unpaid principal amount of each Swingline Loan of such Class made by such Swingline Lender to such Borrower and denominated in Dollars, on the earlier of the Maturity Date and the fifth Business Day after such Swingline Loan is made to such Borrower; provided that on each date that a Borrowing in such Currency is made to such Borrower (other than a Swingline Borrowing), such Borrower shall repay all Swingline Loans of such Class then outstanding; and

(3) to the applicable Swingline Lender the then unpaid principal amount of each Swingline Loan of such Class made by such Swingline Lender to such Borrower and denominated in an Agreed Foreign Currency, on the earlier of the Maturity Date and the fifth Business Day after such Swingline Loan is made to such Borrower; provided that on each date that a Borrowing in such Currency is made to such Borrower (other than any Swingline Borrowing), such Borrower shall repay all Swingline Loans of such Class then outstanding.

In addition, on the Maturity Date, to the extent any Letter of Credit issued on behalf of such Borrower is outstanding (notwithstanding the requirements of Section 2.04(d)),

such Borrower shall deposit into the Letter of Credit Collateral Account Cash of such Borrower an amount equal to 102% of the undrawn face amount of all Letters of Credit issued on behalf of

such Borrower outstanding on the close of business on the Maturity Date, such deposit to be held by the Administrative Agent as collateral security for the LC Exposure with respect to such Borrower under this Agreement in respect of the undrawn portion of such Letters of Credit issued on behalf of such Borrower.

(2) Manner of Payment. Subject to Section 2.09(e), prior to any repayment or prepayment of any Borrowings hereunder, the applicable Borrower shall select the Borrowing or Borrowings to be paid and shall notify the Administrative Agent by telecopy or e-mail of such selection not later than 12:00 p.m., New York City time, three Business Days before the scheduled date of such repayment. If the repayment or prepayment is denominated in Dollars and the Class to be repaid or prepaid is specified (or if no Class is specified and there is only one Class of Loans with Borrowings in Dollars outstanding), such Borrower shall repay or prepay any outstanding ABR Borrowings of such Class made to such Borrower pro rata and thereafter repay or prepay the remaining Borrowings within such Class made to such Borrower in the order of the remaining duration of their respective Interest Periods (the Borrowing with the shortest remaining Interest Period to be repaid or prepaid first). If the repayment or prepayment is denominated in Dollars and the Class to be repaid or prepaid is not specified, such Borrower shall repay or prepay pro rata between any outstanding ABR Borrowings made to such Borrower of the Dollar Lenders and the Multicurrency Lenders, and thereafter repay or prepay the remaining Borrowings made to such Borrower denominated in Dollars in the order of the remaining duration of their respective Interest Periods (the Borrowings with the shortest remaining Interest Period to be repaid or prepaid first). If the repayment or prepayment is denominated in an Agreed Foreign Currency (including as a result of such Borrower's receipt of proceeds from a prepayment event in such Agreed Foreign Currency), such Borrower may, at its option, repay or prepay any outstanding Borrowings made to such Borrower in such Currency ratably among just the Multicurrency Lenders in the order of the remaining duration of their respective Interest Periods (the Borrowing with the shortest remaining Interest Period to be repaid or prepaid first), and, if after such payment, the balance of the Borrowings made to such Borrower denominated in such Currency is zero, then if there are any remaining proceeds, such Borrower shall repay or prepay the Loans made to such Borrower (or provide cover for outstanding Letters of Credit issued on behalf of such Borrower as contemplated by Section 2.04(k)) on a pro-rata basis between each outstanding Class of Revolving Credit Exposure with respect to such Borrower in the order of the remaining duration of their respective Interest Periods (the Borrowing with the shortest remaining Interest Period to be repaid or prepaid first). Each payment of a Borrowing of a Class shall be applied ratably to the Loans of such Class included in such Borrowing.

(3) Maintenance of Records by Lenders. Each Lender shall maintain in accordance with its usual practice records evidencing the indebtedness of each Borrower to such Lender resulting from each Loan made by such Lender to such Borrower, including the amounts and Currency of principal and interest payable and paid to such Lender from time to time hereunder.

(4) Maintenance of Records by the Administrative Agent. The Administrative Agent shall maintain records in which it shall record (i) the Borrower to which each Loan hereunder is made, (ii) the amount and Currency of each Loan made hereunder, the Class and Type thereof and each Interest Period therefor, (iii) the amount and Currency of any principal or

interest due and payable or to become due and payable from the applicable Borrower to each Lender of such Class hereunder and (iv) the amount and Currency of any sum received by the Administrative Agent hereunder for the account of the Lenders with respect to each Loan and each Lender's share thereof.

(5) Effect of Entries. The entries made in the records maintained pursuant to paragraph (c) or (d) of this Section shall be prima facie evidence, absent obvious error, of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such records or any error therein shall not in any manner affect the obligation of any Borrower to repay the Loans made to such Borrower in accordance with the terms of this Agreement. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records maintained by the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of obvious error. In the event of any conflict between the Register and any other accounts and records maintained by the Administrative Agent, the Register shall control in the absence of obvious error.

(6) Promissory Notes. Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the applicable Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its permitted registered assigns) in substantially the form attached hereto as Exhibit G or in such other form as shall be reasonably satisfactory to the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its permitted registered assigns). Upon the consummation of a Borrower Merger, at the request of the Surviving Borrower, each Lender shall promptly return each promissory note (if any) of each Non-Surviving Obligor in its possession to the Surviving Borrower (or provide a certification to the Surviving Borrower that such promissory note has been lost or destroyed).

SECTION 2.09. Prepayment of Loans.

(1) Optional Prepayments. Each Borrower shall have the right at any time and from time to time (but subject to Sections 2.09(f) and (h)) to prepay any Borrowing made to such Borrower in whole or in part, without premium or penalty except for payments under Section 2.15, subject to the requirements of this Section.

(2) Mandatory Prepayments Due to Changes in Exchange Rates.

(1) Determination of Amount Outstanding. On each Revaluation Date, the Administrative Agent shall determine the aggregate Revolving Multicurrency Credit Exposure with respect to the applicable Borrower. For the purpose of this determination, the outstanding principal amount of any Loan or LC Exposure that is denominated in any Foreign Currency shall be deemed to be the Dollar Equivalent of the amount in the

Foreign Currency of such Loan or LC Exposure, determined as of such Revaluation Date.

Upon making such determination, the Administrative Agent shall promptly notify the Multicurrency Lenders and the applicable Borrower thereof.

(2) Prepayment. If, on the date of such determination, the aggregate Revolving Multicurrency Credit Exposure with respect to the applicable Borrower minus the Multicurrency LC Exposure with respect to such Borrower fully cash collateralized pursuant to Section 2.04(k) on such date exceeds 105% of the aggregate amount of the Multicurrency Subcommitments as then in effect with respect to such Borrower, such Borrower shall prepay the Multicurrency Loans made to such Borrower and Swingline Multicurrency Loans made to such Borrower (and/or provide cover for Multicurrency LC Exposure with respect to such Borrower as specified in Section 2.04(k)) within 15 Business Days following the date such Borrower receives notice from the Administrative Agent of such determination in such aggregate amounts as shall be necessary so that after giving effect thereto the aggregate Revolving Multicurrency Credit Exposure with respect to such Borrower does not exceed the Multicurrency Subcommitments with respect to such Borrower. Any prepayment pursuant to this paragraph shall be applied, first, to Swingline Multicurrency Loans made to such Borrower and outstanding, second, to Multicurrency Loans made to such Borrower and outstanding and third, as cover for Multicurrency LC Exposure of such Borrower.

Any prepayment made by a Borrower pursuant to this paragraph shall be applied, first, to its Multicurrency Loans outstanding and second, as cover for its Multicurrency LC Exposure.

(3) Mandatory Prepayments due to Borrowing Base Deficiency. In the event that at any time any Borrowing Base Deficiency shall exist with respect to a Borrower, such Borrower shall (x) prepay (subject to Sections 2.09(f) and (h)) its Loans (and/or provide cover for the Letters of Credit issued on such Borrower's behalf as contemplated by Section 2.04(k)), or (y) reduce its other Indebtedness that is included in the Covered Debt Amount of such Borrower, in such amounts as shall be necessary so that such Borrowing Base Deficiency is promptly cured; provided that (i) the aggregate amount of such prepayment of Loans made to such Borrower (and cover for Letters of Credit issued on behalf of such Borrower) shall be at least equal to such Borrower's Revolving Credit Exposure's ratable share (such ratable share being determined based on the outstanding principal amount of the Revolving Credit Exposures with respect to such Borrower as compared to its other Indebtedness that is included in the Covered Debt Amount of such Borrower) of the aggregate prepayment and reduction of its other Indebtedness that is included in the Covered Debt Amount of such Borrower and (ii) if, within five Business Days after delivery of a Borrowing Base Certificate demonstrating such Borrowing Base Deficiency (and/or at such other times as such Borrower has knowledge of such Borrowing Base Deficiency), such Borrower shall present the Administrative Agent with a reasonably feasible plan to enable such Borrowing Base Deficiency to be cured within 30 Business Days (which 30-Business Day period shall include the five Business Days permitted for delivery of such plan), then such prepayment or reduction shall not be required to be effected immediately but may be effected in accordance with such plan (with such modifications as such

Borrower may reasonably determine), so long as such Borrowing Base Deficiency is cured within such 30-Business Day period; provided, further, that solely to the extent such Borrowing Base Deficiency is due to a failure to satisfy the requirements of Section 5.13(j) as a consequence of a

change in either (x) the ratio of the Gross Borrowing Base to the Senior Debt Amount or (y) the Adjusted Debt to Equity Ratio from one (1) quarterly period to the next, such thirty (30) Business Day period, shall be extended to a forty-five (45) Business Day period solely with respect to compliance with Section 5.13(j). Notwithstanding anything to the contrary contained herein or in any other Loan Document, the existence of a Borrowing Base Deficiency shall not be a Specified Default or Event of Default hereunder until the expiration of the applicable grace or cure period.

(4) Mandatory Prepayments due to Contingent Borrowing Base Deficiency. In the event that at any time any Contingent Borrowing Base Deficiency shall exist with respect to a Borrower, such Borrower shall (x) prepay (subject to Sections 2.09(f) and (h)) its Loans (and/or provide cover for the Letters of Credit on such Borrower's behalf as contemplated by Section 2.04(k)), or (y) reduce its other Indebtedness that is included in the Covered Debt Amount of such Borrower, in such amounts as shall be necessary so that such Contingent Borrowing Base Deficiency is promptly cured; provided that (i) the aggregate amount of such prepayment of Loans made to such Borrower (and cover for Letters of Credit issued on behalf of such Borrower) shall be at least equal to such Borrower's Revolving Credit Exposure's ratable share (such ratable share being determined based on the outstanding principal amount of the Revolving Credit Exposures with respect to such Borrower as compared to its other Indebtedness that is included in the Covered Debt Amount of such Borrower) of the aggregate prepayment and reduction of its other Indebtedness that is included in the Covered Debt Amount of such Borrower and (ii) if, within five Business Days after delivery of a Borrowing Base Certificate demonstrating such Contingent Borrowing Base Deficiency (and/or at such other times as such Borrower has knowledge of such Contingent Borrowing Base Deficiency), such Borrower shall present the Administrative Agent with a reasonably feasible plan to enable such Contingent Borrowing Base Deficiency to be cured within 30 Business Days (which 30-Business Day period shall include the five Business Days permitted for delivery of such plan), then such prepayment or reduction shall not be required to be effected immediately but may be effected in accordance with such plan (with such modifications as such Borrower may reasonably determine), so long as such Contingent Borrowing Base Deficiency is cured within such 30-Business Day period; provided, further, that solely to the extent such Contingent Borrowing Base Deficiency is due to a failure to satisfy the requirements of Section 5.13(j) as a consequence of a change in either (x) the ratio of the Gross Borrowing Base to the Senior Debt Amount or (y) the Adjusted Debt to Equity Ratio from one (1) quarterly period to the next, such thirty (30) Business Day period shall be extended to a forty-five (45) Business Day period solely with respect to compliance with Section 5.13(j). Notwithstanding anything to the contrary contained herein or in any other Loan Document, the existence of a Contingent Borrowing Base Deficiency with respect to such Borrower shall not be a Specified Default or Event of Default hereunder with respect to such Borrower until the expiration of the applicable grace or cure period.

(5) Mandatory Prepayments due to Certain Events Following the Commitment Termination Date. Subject to Sections 2.09(e)(vi), (e)(vii), (f) and (h):

(1) Asset Sales. In the event that a Borrower or any other member of its Obligor Group shall receive any Net Asset Sale Proceeds at any time after the Commitment Termination Date, such Borrower shall, no later than the third Business Day following the receipt of such Net Asset Sale Proceeds, prepay the Loans made to such

Borrower (and/or provide cover for the Letters of Credit issued on behalf of such Borrower as contemplated by Section 2.04(k)) in an amount equal to such Net Asset Sale Proceeds; provided that such Borrower shall only be required to apply such Net Asset Sale Proceeds to prepay the Loans made to such Borrower (and/or provide cover for the Letters of Credit issued on behalf of such Borrower as contemplated by Section 2.04(k)) in respect of non-Portfolio Investments if and to the extent the cumulative aggregate amount of all Net Asset Sale Proceeds relating to non-Portfolio Investments, from time to time, exceeds \$5,000,000; provided, further that such Borrower shall not be required to make any prepayment under this clause (i) to the extent such Net Asset Sale Proceeds were received in connection with a Borrower Merger in which the assets or properties that were the subject of such Asset Sale were transferred to the Surviving Borrower.

(2) Extraordinary Receipts. In the event that a Borrower or any other member of its Obligor Group shall receive any Extraordinary Receipts at any time after the Commitment Termination Date, such Borrower shall, no later than the third Business Day following the receipt of such Extraordinary Receipts, prepay the Loans made to such Borrower (and/or provide cover for the Letters of Credit issued on behalf of such Borrower as contemplated by Section 2.04(k)) in an amount equal to such Extraordinary Receipts; provided that such Borrower shall only be required to apply such Extraordinary Receipts to prepay the Loans made to such Borrower (and/or provide cover for the Letters of Credit issued on behalf of such Borrower as contemplated by Section 2.04(k)) if and to the extent the cumulative aggregate amount of such Extraordinary Receipts, from time to time, exceeds \$5,000,000.

(3) Returns of Capital. In the event that a Borrower or any other member of its Obligor Group shall receive any Return of Capital at any time after the Commitment Termination Date, the applicable Borrower shall, no later than the third Business Day following the receipt of such Return of Capital, prepay the Loans made to such Borrower (and/or provide cover for the Letters of Credit issued on behalf of such Borrower as contemplated by Section 2.04(k)) in an amount equal to such Return of Capital.

(4) Equity Issuances. In the event that a Borrower shall receive any Cash proceeds from the issuance of Equity Interests of such Borrower (other than pursuant to any distribution reinvestment plan of such Borrower) at any time after the Commitment Termination Date, such Borrower shall, no later than the third Business Day following the receipt of such Cash proceeds, prepay the Loans made to such Borrower (and/or provide cover for the Letters of Credit issued on behalf of such Borrower as contemplated by Section 2.04(k)) in an amount equal to seventy-five percent (75%) of such Cash proceeds, net of (1) underwriting discounts and commissions or similar payments and other costs, fees, commissions, premiums and expenses incurred by such Borrower or any other member of its Obligor Group directly incidental to such Cash receipts, including reasonable legal fees and expenses and (2) all taxes paid or reasonably estimated to be payable by such Borrower or such other Obligor as a result of such Cash receipts (after taking into account any available tax credits or deductions).

(5) Indebtedness. In the event that a Borrower or any other member of its Obligor Group shall receive any Cash proceeds from the issuance of Indebtedness

(excluding Hedging Agreements, other Indebtedness permitted by Sections 6.01(a), (d), (e), (f), (i) and (j) and any Permitted Advisor Loan) by such Borrower or such other Obligor, as applicable, at any time after the Commitment Termination Date, such Borrower shall, no later than the third Business Day following the receipt of such Cash proceeds, prepay the Loans made to such Borrower (and/or provide cover for the Letters of Credit issued on behalf of such Borrower as contemplated by Section 2.04(k)) in an amount equal to such Cash proceeds, net of (1) underwriting discounts and commissions or other similar payments and other costs, fees, commissions, premiums and expenses incurred by such Borrower or any other member of its Obligor Group directly incidental to such Cash receipts, including reasonable legal fees and expenses and (2) all taxes paid or reasonably estimated to be payable by such Borrower or such other Obligor as a result of such Cash receipts (after taking into account any available tax credits or deductions).

(6) Prepayment of Term Benchmark Loans. To the extent the Loans to be prepaid from proceeds from any of the events described in subsections (i) through (v) above are Term Benchmark Loans, the applicable Borrower may defer such prepayment until the last day of the Interest Period applicable to such Loans, so long as such Borrower deposits an amount equal to the amount of such prepayment, no later than the third Business Day following the receipt of such proceeds, into a segregated collateral account (including, for the avoidance of doubt, segregated from the account of each other Borrower) in the name and under the dominion and control of the Administrative Agent pending application of such amount to the prepayment of such Loans on the last day of such Interest Period.

(7) RIC Tax Distributions. Notwithstanding anything herein to the contrary, any Net Asset Sale Proceeds, Extraordinary Receipts, Return of Capital or other Cash receipts required to be applied to the prepayment of the Loans pursuant to this Section 2.09(e) shall exclude the amounts estimated in good faith by the applicable Borrower to be necessary for such Borrower to make distributions sufficient in amount to achieve the objectives set forth in clauses (i), (ii) and (iii) of Section 6.05(b) hereof to the extent such Borrower recognizes any income or gains in connection with the receipt of such Net Asset Sale Proceeds, Extraordinary Receipts, Return of Capital or other Cash receipts and the recognition of such income or gains results in an increase in the amounts required to be distributed by such Borrower to achieve such objectives.

(6) Payments Following the Commitment Termination Date or During an Event of Default. Notwithstanding any provision to the contrary in Section 2.08 or this Section 2.09, following the Commitment Termination Date:

(1) No optional prepayment of the Loans made of any Class shall be permitted unless at such time, the applicable Borrower also prepaes its Loans of the other Class or, to the extent no Loans of the other Class are outstanding, provides cash collateral as contemplated by Section 2.04(k) for the outstanding Letters of Credit issued on behalf of such Borrower of such Class, which prepayment (and cash collateral) shall

be made on a pro-rata basis (based on the outstanding principal amounts of such Indebtedness) between each outstanding Class of Revolving Credit Exposure with respect to such Borrower;

(2) Any prepayment of Loans in Dollars required to be made in connection with any of the events specified in Section 2.09(c) shall be applied ratably (based on the outstanding principal amounts of such Indebtedness) between the Dollar Lenders and the Multicurrency Lenders based on the then outstanding Loans made to the applicable Borrower and Letters of Credit issued on behalf of such Borrower denominated in Dollars; and

(3) Notwithstanding any other provision to the contrary in this Agreement, if an Event of Default has occurred and is continuing with respect to a Borrower, then any payment or repayment by such Borrower of the Loans made to such Borrower shall be made and applied ratably (based on the aggregate Dollar Equivalents of the outstanding principal amounts of such Loans) between Dollar Loans made to such Borrower, Multicurrency Loans made to such Borrower and Letters of Credit issued on behalf of such Borrower.

(9) The applicable Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the applicable Swingline Lender) in writing by telecopy or e-mail of any prepayment hereunder by such Borrower (A) in the case of prepayment of a Term Benchmark Borrowing under Section 2.09(a), not later than 12:00 p.m., New York City time, three Business Days before the date of prepayment, (B) in the case of prepayment of an ABR Borrowing under Section 2.09(a) or any prepayment under Section 2.09(b), (c) or (e), not later than 12:00 p.m., New York City time, on the date of prepayment, (C) in the case of prepayment of a Swingline Loan denominated in Dollars, not later than 12:00 noon, New York City time, on the date of prepayment, (D) in the case of a prepayment of a Swingline Loan denominated in Euro or Pounds Sterling, not later than 9:00 a.m., New York City time, on the date of prepayment, (E) in the case of prepayment of an RFR Revolving Borrowing denominated in Pounds Sterling, not later than 11:00 a.m., New York City time, three Business Days before the date of prepayment and (F) in each case of the notice periods described in clauses (A) and (B), such lesser period as the Administrative Agent may reasonably agree with respect to notices given in connection with any of the events specified in Section 2.09(d)(ii) or (iii). Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that, if a notice of prepayment is given in connection with a conditional notice of termination or reduction of the Subcommitments of a Class with respect to a Borrower as contemplated by Section 2.07, then such notice of prepayment may be revoked if such notice of termination or reduction is revoked in

accordance with Section 2.07 and any such notices given in connection with any of the events specified in Section 2.09(d) may be conditioned upon (x) the consummation of the Asset Sale or the issuance of Equity Interests or Indebtedness (as applicable) or (y) the receipt of net cash proceeds from Asset Sales, Net

Extraordinary Receipts or Net Return of Capital. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the affected Lenders of the contents thereof. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.11 and shall be made in the manner specified in Section 2.08(b).

(ii) In the event a Borrower is required to make any concurrent prepayments under both paragraph (c) and also another paragraph of this Section 2.09, the prepayment pursuant to such other paragraph of this Section 2.09 shall be made prior to any prepayment required to be made pursuant to paragraph (c) and the amount of the payment required pursuant to paragraph (c) (if any) shall be determined immediately after giving effect to the prepayment made (or to be made) under such other paragraph of this Section 2.09.

(9) Special Mandatory Repayment to 2020 Non-Extending Lenders. With respect to each Borrower, on November 7, 2024 (or, so long as no Default or Event of Default has occurred and is continuing, on such earlier date on or after November 7, 2023 as such Borrower may elect by written notice in accordance with Section 2.09(h)), such Borrower shall repay all of the Revolving Loans of the 2020 Non-Extending Lenders and, in connection therewith, each other Lender hereby agrees that, so long as its Loans are not otherwise due and payable hereunder, it shall not be entitled to any pro-rata repayment of its Loans of the same Class notwithstanding Section 2.17(c) or any other provision hereof to the contrary. If any LC Exposure of such Borrower exists at the time of such repayment of the 2020 Non-Extending Lenders:

(1) all of such LC Exposure held by the 2020 Non-Extending Lender shall be reallocated among the Extending Lenders (other than the 2023 Non-Extending Lenders) with Subcommitments of the same Class as such 2020 Non-Extending Lender in accordance with their respective Applicable Multicurrency Percentages or Applicable Dollar Percentages, as applicable, but only to the extent (x) the sum of all Revolving Credit Exposures of a Class of such Borrower does not exceed the total of all Extending Lenders' Subcommitments of such Class to such Borrower and (y) no Extending Lender's Revolving Credit Exposure of such Class with respect to such Borrower will exceed such Lender's Subcommitment of such Class to such Borrower, and (z) the conditions set forth in Section 4.02 are satisfied at such time; and

(2) if the reallocation described in clause (i) above cannot, or can only partially, be effected, such Borrower shall on the day of such prepayment to the 2020 Non-Extending Lenders also prepay Loans in accordance with Section 2.09(a) in an amount such that after giving effect thereto, all LC Exposure of the applicable 2020 Non-Extending Lenders may be reallocated in accordance with clause (i) above (whereupon such LC Exposure shall be so reallocated regardless of whether the conditions set forth in Section 4.02 are satisfied at such time).

(10) Special Mandatory Repayment to 2023 Non-Extending Lenders. With respect to each Borrower, on May 17, 2027 (or, so long as no Default or Event of Default has occurred and is continuing, on such earlier date on or after May 17, 2026 as such Borrower may

elect by written notice in accordance with Section 2.09(h)), such Borrower shall repay all of the Revolving Loans of the 2023 Non-Extending Lenders and, in connection therewith, each other Lender hereby agrees that, so long as its Loans are not otherwise due and payable hereunder, it shall not be entitled to any pro-rata repayment of its Loans of the same Class notwithstanding Section 2.17(c) or any other provision hereof to the contrary. If any LC Exposure of such Borrower exists at the time of such repayment of the 2023 Non-Extending Lenders:

(1) all of such LC Exposure held by each 2023 Non-Extending Lender shall be reallocated among the Extending Lenders with Subcommitments of the same Class as such 2023 Non-Extending Lender in accordance with their respective Applicable Multicurrency Percentages or Applicable Dollar Percentages, as applicable, but only to the extent (x) the sum of all Revolving Credit Exposures of a Class of such Borrower does not exceed the total of all Extending Lenders' Subcommitments of such Class to such Borrower and (y) no Extending Lender's Revolving Credit Exposure of such Class with respect to such Borrower will exceed such Lender's Subcommitment of such Class to such Borrower, and (z) the conditions set forth in Section 4.02 are satisfied at such time; and

(2) if the reallocation described in clause (i) above cannot, or can only partially, be effected, such Borrower shall on the day of such prepayment to the 2023 Non-Extending Lenders also prepay Loans in accordance with Section 2.09(a) in an amount such that after giving effect thereto, all LC Exposure of the applicable 2023 Non-Extending Lenders may be reallocated in accordance with clause (i) above (whereupon such LC Exposure shall be so reallocated regardless of whether the conditions set forth in Section 4.02 are satisfied at such time).

Upon termination of any Non-Extending Lender's Commitments pursuant to Section 2.07(i) above and the reallocation of such Non-Extending Lender's LC Exposure and repayment of each such Non-Extending Lender's Loans and all other amounts then due and payable to such Non-Extending Lender in accordance with clauses (i) and (j) of this Section 2.09, such Non-Extending Lender shall cease being a party to this Agreement in its capacity as a "Lender" but shall continue to be entitled to the benefits of Sections 2.14, 2.15, 2.16 and 9.03 with respect to facts and circumstances occurring prior to such date.

SECTION 2.10. Fees.

(a) Commitment Fee. Each Borrower severally, and not jointly, and solely with respect to the Subcommitments allocated to it, agrees to pay to the Administrative Agent for the account of each Lender a commitment fee, which shall accrue for the period beginning on the Amendment No. 3 Effective Date to but excluding the earlier of the date such Subcommitment terminates (including in connection with a reallocation in accordance with Section 2.07(g) or (h)) and the Commitment Termination Date, at a rate equal to, from and after the Amendment No. 3 Effective Date, 0.375% per annum on the daily unused amount of the Dollar Subcommitment or Multicurrency Subcommitment, as applicable, of such Lender with

respect to such Borrower. Accrued commitment fees shall be payable by a Borrower in arrears on the fifteenth (15th) day after each Quarterly Date and on the earlier of the date the Subcommitments of the respective Class with respect to such Borrower terminate (including in connection with a reallocation in accordance with Section 2.07(g) or (h)) and the Commitment Termination Date, commencing on

the first such date to occur after the Amendment No. 3 Effective Date. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing commitment fees, the Subcommitment of any Class of a Lender with respect to a Borrower shall be deemed to be used to the extent of the outstanding Loans of such Class of such Lender made to such Borrower and LC Exposure of such Class of such Lender with respect to such Borrower (and the Swingline Exposure of such Class of such Lender to such Borrower shall be disregarded for such purpose).

(b) Letter of Credit Fees. Each Borrower severally, and not jointly, and solely with respect to the Subcommitments allocated to it, agrees to pay (i) to the Administrative Agent for the account of each Lender a participation fee with respect to its participations in Letters of Credit issued on behalf of such Borrower, which shall accrue at a rate per annum equal to the Applicable Margin applicable to interest on Term Benchmark Loans (or, if such Letter of Credit is denominated in Pounds Sterling, RFR Loans) made to such Borrower on the daily maximum amount of such Lender's LC Exposure with respect to such Borrower (excluding any portion thereof attributable to unreimbursed LC Disbursements with respect to such Borrower) during the period from and including the Amendment No. 3 Effective Date to but excluding the later of the date on which such Lender's Subcommitment of the applicable Class terminates (including in connection with a reallocation in accordance with Section 2.07(g)) with respect to such Borrower and the date on which such Lender ceases to have any LC Exposure of such Class with respect to such Borrower, and (ii) to the applicable Issuing Bank of such Borrower a fronting fee, which shall accrue at the rate of 0.25% (or such other rate as agreed by such Borrower and the applicable Issuing Bank) per annum on the daily maximum amount of the LC Exposure with respect to such Borrower (excluding any portion thereof attributable to unreimbursed LC Disbursements with respect to such Borrower) during the period from and including the Amendment No. 3 Effective Date to but excluding the later of the date of termination (including in connection with a reallocation in accordance with Section 2.07(g)) of the Multicurrency Subcommitments with respect to such Borrower and the date on which there ceases to be any LC Exposure with respect to such Borrower, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit on behalf of such Borrower or processing of drawings thereunder. Participation fees and fronting fees accrued through and including each Quarterly Date shall be payable on the fifteenth (15th) day following such Quarterly Date, commencing on the first such date to occur after the Amendment No. 3 Effective Date; provided that, all such fees with respect to the Letters of Credit issued on behalf of such Borrower shall be payable on the date on which all Subcommitments of the applicable Class terminate with respect to such Borrower (with respect to a Borrower, the "termination date"), such Borrower shall pay any such fees that have accrued and that are unpaid on the termination date and, in the event any Letters of Credit issued on behalf of such Borrower shall be outstanding that have expiration dates after the termination date, such Borrower shall prepay on the termination date the full amount of the participation and fronting fees that will accrue on such Letters of Credit subsequent to the termination date through but not including the date such outstanding Letters of Credit are scheduled to expire (and in that connection, the Lenders agree not later than the date two Business Days after the date upon which the last such Letter of Credit shall expire or be terminated to rebate to such

Borrower the excess, if any, of the aggregate participation and fronting fees that have been prepaid by such Borrower over the amount of such fees that ultimately accrue through the date of such expiration or termination).

Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within ten Business Days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) Administrative Agent Fees. Each Borrower severally, and not jointly, agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between such Borrower and the Administrative Agent.

(d) Payment of Fees. All fees payable by a Borrower hereunder shall be paid by such Borrower on the dates due, in Dollars and immediately available funds, to the Administrative Agent (or to the applicable Issuing Bank, in the case of fees payable to it) for distribution, in the case of facility fees and participation fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances absent obvious error. Any fees representing a Borrower's reimbursement obligations of expenses, to the extent the requirements of an invoice are not otherwise specified in this Agreement, shall be due (subject to the other terms and conditions contained herein) within ten Business Days of the date that such Borrower receives from the Administrative Agent a reasonably detailed invoice for such reimbursement obligations. For the avoidance of doubt, the obligation of each Borrower to pay fees hereunder shall be a several and not joint obligation.

SECTION 2.11. Interest.

(1) ABR Loans. The Loans made to a Borrower constituting each ABR Borrowing (including each Swingline Loan denominated in Dollars) made to such Borrower shall bear interest at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin with respect to such Borrower.

(2) Term Benchmark Loans and RFR Loans. (i) The Loans made to a Borrower constituting each Term Benchmark Borrowing made to such Borrower shall bear interest at the applicable Term Benchmark for the related Interest Period for such Borrowing plus the Applicable Margin with respect to such Borrower and (ii) the Loans made to a Borrower comprising each RFR Borrowing denominated in Sterling shall bear interest at a rate per annum equal to Adjusted Daily Simple RFR plus the Applicable Margin with respect to such Borrower.

(3) Swingline Loans. (i) Swingline Loans made to a Borrower and denominated in Dollars shall bear interest at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin with respect to such Borrower, (ii) Swingline Loans made to a Borrower and denominated in Euros shall bear interest at a rate per annum equal to Daily Simple ESTR plus the Applicable Margin with respect to such Borrower and (iii) Swingline Loans made to a Borrower and denominated in Sterling shall bear interest at a rate per annum equal to Adjusted Daily Simple RFR plus the Applicable Margin with respect to such Borrower.

(4) Default Interest. Notwithstanding the foregoing clauses (a) and (b), if any principal of or interest on any Loan made to a Borrower or any fee or other amount payable by

such Borrower hereunder is not paid when due (after giving effect to any grace period), whether at stated maturity, upon acceleration, by mandatory prepayment or otherwise, such overdue

amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided above or (ii) in the case of any other amount, 2% plus (x) if such other amount is denominated in Dollars, the rate applicable to ABR Loans as provided in paragraph (a) of this Section, (y) if such other amount is denominated in a Foreign Currency (other than Pounds Sterling), the rate applicable to Term Benchmark Loans as provided in paragraph (b)(i) of this Section or (z) if such other amount is denominated in Pounds Sterling, the rate applicable to RFR Loans as provided in paragraph (b)(ii) of this Section.

(5) Payment of Interest. Accrued interest on each Loan made to a Borrower shall be payable, severally and not jointly, by such Borrower in arrears on each Interest Payment Date for such Loan in the Currency in which such Loan is denominated and upon the Maturity Date; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable by the applicable Borrower on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Loan prior to the Maturity Date), accrued interest on the principal amount repaid or prepaid shall be payable by the applicable Borrower on the date of such repayment or prepayment and (iii) in the event of any conversion of any Term Benchmark Borrowing denominated in Dollars prior to the end of the Interest Period therefor, accrued interest on such Borrowing shall be payable by the applicable Borrower on the effective date of such conversion.

SECTION 2.12. Alternate Rate of Interest

(1) Subject to clauses (b), (c), (d), (e) and (f) of this Section 2.12:

(1) if the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate, the Term SOFR Rate, the Adjusted EURIBOR Rate, the EURIBOR Rate, the Adjusted Term CORRA Rate, Term CORRA or the applicable Local Rate (including because the Relevant Screen Rate is not available or published on a current basis), for the applicable Currency and such Interest Period or (B) at any time for an RFR Borrowing, that adequate and reasonable means do not exist for ascertaining the applicable Adjusted Daily Simple RFR, Daily Simple RFR, SONIA or Daily Simple SOFR for the applicable Currency; or

(2) if the Administrative Agent is advised by the Required Lenders that (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted Term SOFR Rate, the Term SOFR Rate, the Adjusted EURIBOR Rate, the EURIBOR Rate, the Adjusted Term CORRA Rate, Term CORRA or the applicable Local Rate for the applicable Currency for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in

such Borrowing for the applicable Currency and such Interest Period or (B) at any time, the applicable Adjusted Daily Simple RFR, Daily Simple RFR, SONIA or Daily Simple SOFR for the applicable Currency will not adequately and fairly reflect the cost to such

Lenders of making or maintaining their Loans included in such Borrowing for the applicable Currency;

then the Administrative Agent shall give notice thereof to the applicable Borrower and the affected Lenders in writing by e-mail as promptly as practicable thereafter setting forth in reasonable detail the basis for such determination and, (x) until the Administrative Agent notifies such Borrower and such Lenders that the circumstances giving rise to such notice no longer exist and (y) the applicable Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.06 or a new Borrowing Request in accordance with the terms of Section 2.03, (A) for Loans denominated in Dollars, any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term Benchmark Borrowing and any Borrowing Request that requests a Term Benchmark Borrowing shall instead be deemed to be an Interest Election Request or a Borrowing Request, as applicable, for (x) an RFR Borrowing denominated in Dollars so long as the Daily Simple RFR for Dollar Borrowings is not also the subject of Section 2.12(a)(i) or (ii) above or (y) an ABR Borrowing if the Daily Simple RFR for Dollar Borrowings also is the subject of Section 2.12(a)(i) or (ii) above and (B) for Loans denominated in an Agreed Foreign Currency, any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term Benchmark Borrowing and any Borrowing Request that requests a Term Benchmark Borrowing or an RFR Borrowing, in each case, for the relevant Benchmark, shall be ineffective; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted; provided further that, in connection with any ABR Borrowing made pursuant to the terms of this Section 2.12(a), the determination of the Alternate Base Rate shall disregard clause (c) of the definition thereof. Furthermore, if any Term Benchmark Loan or RFR Loan in any Currency is outstanding on the date of the applicable Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.12(a) with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until (x) the Administrative Agent notifies the applicable Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the applicable Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.06 or a new Borrowing Request in accordance with the terms of Section 2.03, (A) for Loans denominated in Dollars, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Daily Simple RFR for Dollar Borrowings is not also the subject of Section 2.12(a)(i) or (ii) above or (y) an ABR Loan if the Daily Simple RFR for Dollar Borrowings also is the subject of Section 2.12(a)(i) or (ii) above, on such day, and (B) for Loans denominated in an Agreed Foreign Currency, (1) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan, and

(2) any RFR Loan shall immediately, bear interest at the Central Bank Rate for the applicable Agreed Foreign Currency plus the CBR Spread (or in the case of Canadian Dollars, the Canadian Prime Rate plus the Applicable Margin); provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate (or in the case of Canadian Dollars, the Canadian Prime Rate) for the

applicable Agreed Foreign Currency cannot be determined, any outstanding affected Term Benchmark Loans or RFR Loans denominated in an Agreed Foreign Currency shall, at the applicable Borrower's election prior to such day: (x) be prepaid by such Borrower on such day or

(y) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Agreed Foreign Currency) immediately.

(2) Notwithstanding anything to the contrary herein or in any other Loan Document (and any Hedging Agreement shall be deemed not to be a "Loan Document" for purposes of this Section 2.12), if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark for any Currency, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark (including any related adjustments) for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and

(y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from the Required Lenders. If the Benchmark Replacement is Daily Simple SOFR or Daily Simple CORRA, all interest payments will be payable on a monthly basis.

(3) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document other than as provided in the definition

of Benchmark Replacement Conforming Changes (provided that the Administrative Agent's determination shall be generally consistent with determinations made for borrowers of syndicated loans denominated in the applicable Currency).

(4) The Administrative Agent will promptly notify each Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (e) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.12, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and

without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.12.

(5) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark for any Currency is a term rate (including Term SOFR Rate, [Term CORRA](#) or EURIBOR) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(6) Upon each Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, such Borrower may revoke any request for a Term Benchmark Borrowing or RFR Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, either (x) such Borrower will be deemed to have converted any request for ~~(+) a Term Benchmark Borrowing~~ denominated in Dollars into a request for a Borrowing of or conversion to

(A) an RFR Borrowing denominated in Dollars so long as the Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (B) an ABR Borrowing if the Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event or (y) [any request for](#) any Term Benchmark Borrowing or RFR Borrowing denominated in an Agreed Foreign Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate. Furthermore, if any Term Benchmark Loan or RFR Loan in any Currency is outstanding on the date of the Borrowers' receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement for such Currency is implemented pursuant to this Section 2.12, (i) for Loans denominated in Dollars, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (y) an ABR

Loan if the Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event, on such day or (ii) for Loans denominated in an in any Agreed Foreign Currency, (1) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan bear interest at the Central Bank Rate [\(or in the case of Canadian Dollars, the Canadian Prime Rate\)](#) for the applicable Agreed Foreign Currency plus the CBR Spread; provided that, if the

Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate [\(or in the case of Canadian Dollars, the Canadian Prime Rate\)](#) for the applicable Agreed Foreign Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Agreed Foreign Currency shall, at the applicable Borrower's election prior to such day: (A) be prepaid by such Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Agreed Foreign Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and

(2) any RFR Loan shall bear interest at the Central Bank Rate [\(or in the case of Canadian Dollars, the Canadian Prime Rate\)](#) for the applicable Agreed Foreign Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate [\(or in the case of Canadian Dollars, the Canadian Prime Rate\)](#) for the applicable Agreed Foreign Currency cannot be determined, any outstanding affected RFR Loans denominated in any Agreed Foreign Currency, at the applicable Borrower's election, shall either (A) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Agreed Foreign Currency) immediately or (B) be prepaid in full immediately.

SECTION 2.13. Computation of Interest. All interest hereunder shall be computed on the basis of a year of 360 days, except that (a) Term Benchmark Borrowings in Canadian Dollars, AUD or NZD shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and shall be payable for the actual number of days elapsed (including the first day but excluding the last day) and (b) RFR Borrowings and ABR Borrowings, at times when the Alternate Base Rate is based on the Prime Rate, shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted Term SOFR Rate, [Adjusted Term CORRA Rate](#), Term Benchmark Rate, Local Rate, EURIBOR, Adjusted EURIBOR Rate, Daily Simple ESTR, Adjusted Daily Simple RFR (denominated in Pounds Sterling) or Daily Simple RFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14. Increased Costs.

(1) If any Change in Law shall:

(1) impose, modify or deem applicable any reserve, compulsory loan, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any such reserve requirement reflected in the Adjusted EURIBOR Rate) or any Issuing Bank; or

(2) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense, affecting this Agreement or Loans made by

such Lender or any Letter of Credit issued by such Issuing Bank or participation by such Lender therein;

and the result of any of the foregoing shall be to increase the cost (other than costs which are Indemnified Taxes or Excluded Taxes) to such Lender of making, continuing, converting into or maintaining any Loan of a Borrower (or of maintaining its obligation to make any such Loan to such Borrower) or to increase the cost (other than costs which are Taxes) to such Lender or such Issuing Bank of participating in, issuing or maintaining any Letter of Credit issued on behalf of such Borrower or to reduce the amount of any sum received or receivable by such Lender or such Issuing Bank hereunder (whether of principal, interest or otherwise) from such Borrower, then, upon the request of such Lender or such Issuing Bank, such Borrower will pay to such Lender or such Issuing Bank, as the case may be, in Dollars, such additional amount or amounts as will compensate such Lender or such Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered on behalf of such Borrower; provided that no Lender will claim from any Borrower the payment of any of the amounts referred to in this paragraph (a) if not generally claiming similar compensation from its other similar customers in similar circumstances.

(2) Capital Requirements. If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made to a Borrower by, or participations in Swingline Loans made to a Borrower, or participations in Letters of Credit issued on behalf of such Borrower held by, such Lender, or the Letters of Credit issued on behalf of such Borrower by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy or liquidity requirements), by an amount deemed to be material by such Lender or such Issuing Bank, then, upon the request of such Lender or such Issuing Bank, such Borrower will pay to such Lender or such Issuing Bank, as the case may be, in Dollars, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered on behalf of such Borrower.

(3) Certificates from Lenders. A certificate of a Lender or an Issuing Bank setting forth in reasonable detail the basis for and the calculation of the amount or amounts, in Dollars, necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be promptly delivered to applicable Borrower and shall be conclusive absent manifest error; provided, however that no Lender shall be requested to disclose confidential or price sensitive information or any other information, to the extent prohibited by applicable law. Such Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within 10 Business Days after receipt thereof.

(4) Delay in Requests. Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of

such Lender's or such Issuing Bank's right to demand such compensation; provided that no Borrower shall be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than three months prior to the date that such

Lender or such Issuing Bank, as the case may be, notifies such Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the three-month period referred to above shall be extended to include the period of retroactive effect thereof.

(5) Several Obligations. The obligation of any Borrower to pay any compensation pursuant to this Section shall be a several and not joint obligation, and solely on the Loans made to, the Letters of Credit issued on behalf of and the Subcommitments allocated to such Borrower.

SECTION 2.15. Break Funding Payments.

(1) In the event of (i) the payment by a Borrower of any principal of any Term Benchmark Loan other than on the last day of an Interest Period therefor (including as a result of the occurrence of any Commitment Increase Date or an Event of Default with respect to any Borrower), (ii) the conversion of any Term Benchmark Loan made to a Borrower other than on the last day of an Interest Period therefor, (iii) the failure to borrow, convert, continue or prepay any Term Benchmark Loan made to a Borrower on the date specified in any notice delivered pursuant hereto (including, in connection with any Commitment Increase Date, and regardless of whether such notice is permitted to be revocable under Section 2.09(h) and is revoked in accordance herewith) or (iv) the assignment as a result of a request by a Borrower pursuant to Section 2.19(b) of any Term Benchmark Loan made to such Borrower other than on the last day of an Interest Period therefor, then, in any such event, such Borrower shall compensate each affected Lender for the loss, cost and expense attributable to such event (excluding loss of anticipated profits); provided that "Term Benchmark Loan" for purposes of this Section 2.15 shall not include any Loan or Borrowing determined by reference to Adjusted Daily Simple RFR. In the case of a Term Benchmark Loan made to a Borrower, the loss to any Lender attributable to any such event shall be deemed to include an amount determined by such Lender to be equal to the excess, if any, of:

(a) the amount of interest that such Lender would pay for a deposit equal to the principal amount of such Loan referred to in clauses (a)(i) through (iv) of this Section 2.15 denominated in the Currency of such Loan for the period from the date of such payment, conversion, failure or assignment to the last day of the then current Interest Period for such Term Benchmark Loan (or, in the case of a failure to borrow, convert or continue, the duration of the Interest Period that would have resulted from such borrowing, conversion or continuation) if the interest rate payable on such deposit were equal to the Term Benchmark Rate for such Currency for such Interest Period, over

(b) the amount of interest that such Lender would earn on such principal amount for such period if such Lender were to invest such principal amount for such period at the interest rate that would be bid by such Lender (or an Affiliate of

such Lender) for deposits denominated in such Currency from other banks in the relevant market for such Currency at the commencement of such period.

(2) [Reserved].

(3) Payments under this Section shall be made upon written request of a Lender delivered to the applicable Borrower not later than 10 Business Days following a payment, conversion, or failure to borrow, convert, continue or prepay that gives rise to a claim under this Section accompanied by a written certificate of such Lender setting forth in reasonable detail the amount or amounts that such Lender is entitled to receive pursuant to this Section, which certificate shall be conclusive absent manifest error. The applicable Borrower shall pay such Lender the amount shown as due on any such certificate within 10 Business Days after receipt thereof.

SECTION 2.16. Taxes.

(1) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Borrower hereunder or under any other Loan Document to which such Borrower or any other member of its Obligor Group is a party shall be made free and clear of and without deduction for any Taxes, except as required by applicable law. If any applicable law requires the deduction or withholding of any Tax from any such payment, then (i) the applicable Borrower shall make such deductions or withholding, (ii) the applicable Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law and (iii) if such Tax is an Indemnified Tax, the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section), the Administrative Agent, the applicable Lender or the applicable Issuing Bank (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made.

(2) Payment of Other Taxes by the Borrowers. In addition, each Borrower shall pay any Other Taxes with respect to such Borrower to the relevant Governmental Authority in accordance with applicable law.

(3) Indemnification by the Borrowers. Each Borrower shall severally, but not jointly, indemnify the Administrative Agent, any applicable Lender and any applicable Issuing Bank for, and within 30 Business Days after written demand therefor, pay the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Administrative Agent, such Lender or such Issuing Bank, as the case may be, with respect to such Borrower and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority, except for any Indemnified Taxes or Other Taxes imposed as a result of the gross negligence or willful misconduct of the Administrative Agent, such Lender or such Issuing Bank. A written certificate setting forth in reasonable detail the amount of such payment or liability delivered to the applicable Borrower by a Lender or an Issuing Bank, or by the Administrative Agent on its own behalf or on behalf of a Lender or an Issuing Bank, shall be conclusive absent manifest error.

(4) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Borrower to a Governmental Authority, such Borrower

shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(5) Foreign Lenders. Any applicable Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which a Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to such Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law or reasonably requested by such Borrower, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate.

In addition, any applicable Foreign Lender, if requested by a Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by such Borrower or the Administrative Agent as will enable such Borrower or the Administrative Agent to determine whether or not such Foreign Lender is subject to backup withholding or information reporting requirements.

Without limiting the generality of the foregoing, if a Borrower is resident for tax purposes in the United States, any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to such Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent) whichever of the following is applicable:

- (1) duly completed copies of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E (as applicable) or any successor form claiming eligibility for benefits of an income tax treaty to which the United States is a party,
- (2) duly completed copies of Internal Revenue Service Form W-8ECI or any successor form certifying that the income receivable pursuant to this Agreement is effectively connected with the conduct of a trade or business in the United States,
- (3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (A) a certificate to the effect that such Foreign Lender is not (1) a "bank" within the meaning of section 881(c)(3)(A) of the Code, (2) a "10 percent shareholder" of such Borrower within the meaning of section 881(c)(3)(B) of the Code, or (3) a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code and (B) duly completed copies of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E (as applicable) (or any successor form) certifying that the Foreign Lender is not a United States Person, or
- (4) any other form including Internal Revenue Service Form W-8IMY as applicable prescribed by applicable law as a basis for claiming exemption from or a

reduction in United States Federal withholding tax duly completed together with such

supplementary documentation as may be prescribed by applicable law to permit such Borrower to determine the withholding or deduction required to be made.

(6) United States Lenders. Each applicable Lender and each applicable Issuing Bank that is not a Foreign Lender shall deliver to each Borrower (with a copy to the Administrative Agent), prior to the date on which such Issuing Bank or such Lender becomes a party to this Agreement, and at times reasonably requested by any Borrower, duly completed copies of Internal Revenue Service Form W-9 or any successor form, certificate or documentation.

(7) FATCA. If a payment made by a Borrower to a Lender under any Loan Document to which such Borrower or any other member of its Obligor Group is a party would be subject to United States federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to such Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by such Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by such Borrower or the Administrative Agent as may be necessary for such Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (g), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

In addition, each Lender agrees that if any certificate or documentation previously delivered under this Section 2.16 by such Lender expires or becomes obsolete or inaccurate in any respect it shall update such certificate or documentation, provided it is legally able to do so at the time. Each Lender shall promptly notify each Borrower and the Administrative Agent at any time the chief tax officer of such Lender becomes aware that it no longer satisfies the legal requirements to provide any previously delivered form, certificate or documentation to any Borrower (or any other form, certificate or documentation adopted by the U.S. or other taxing authorities for such purpose).

(8) Treatment of Certain Refunds. If the Administrative Agent, any Lender or any Issuing Bank determines, in its sole discretion exercised in good faith, that it has received a refund or credit (in lieu of such refund) of any Taxes as to which it has been indemnified by a Borrower or with respect to which a Borrower has paid additional amounts pursuant to this Section, it shall pay to such Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Borrower under this Section with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses of the Administrative Agent, such Lender or such Issuing Bank, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that such Borrower, upon the request of the Administrative

Agent, any Lender or an Issuing Bank, agrees to repay the amount paid over to such Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent, such Lender or such Issuing Bank in the event the Administrative Agent, such Lender or

such Issuing Bank is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the Administrative Agent, such Lender or such Issuing Bank be required to pay any amount to a Borrower pursuant to this paragraph (h) the payment of which would place the Administrative Agent, such Lender or such Issuing Bank in a less favorable net after-Tax position than the Administrative Agent, such Lender or such Issuing Bank would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This subsection shall not be construed to require the Administrative Agent, any Lender or any Issuing Bank to make available its tax returns or its books or records (or any other information relating to its taxes that it deems confidential) to any Borrower or any other Person.

(9) Survival. Each party's obligations under this Section 2.16 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, any Lender or any Issuing Bank, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document to which the applicable Borrower or any other member of its Obligor Group is a party.

(10) Defined Terms. For purposes of this Section 2.16, the term "applicable law" includes FATCA.

SECTION 2.17. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(1) Payments by the Borrowers. Each Borrower shall, severally and not jointly, make each payment required to be made by such Borrower hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or under Section 2.14, 2.15 or 2.16, or otherwise) or under any other Loan Document to which such Borrower is a party (except to the extent otherwise provided therein) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at the Administrative Agent's Account, except as otherwise expressly provided in the relevant Loan Document to which such Borrower is a party and except payments to be made directly to an Issuing Bank or Swingline Lender as expressly provided herein and payments pursuant to Sections 2.14, 2.15, 2.16 and 9.03, which shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All amounts owing under this Agreement (including commitment fees, payments required under Section 2.14, and payments required under Section 2.15 relating to any Loan denominated in Dollars, but not including

principal of, and interest on, any Loan denominated in any Foreign Currency or payments relating to any such Loan required under Section 2.15 or any reimbursement or cash collateralization of any LC Exposure denominated in any Foreign Currency, which are payable in such Foreign Currency) or under any other Loan Document (except to the extent otherwise

provided therein) are payable in Dollars. Notwithstanding the foregoing, if a Borrower shall fail to pay any principal of any Loan made to such Borrower or LC Disbursement with respect to such Borrower when due (whether at stated maturity, by acceleration, by mandatory prepayment or otherwise), the unpaid portion of such Loan or such LC Disbursement shall, if such Loan or such LC Disbursement is not denominated in Dollars, automatically be redenominated in Dollars on the due date thereof (or, if such due date is a day other than the last day of the Interest Period therefor, on the last day of such Interest Period) in an amount equal to the Dollar Equivalent thereof on the date of such redenomination and such principal shall be payable on demand; and if a Borrower shall fail to pay any interest on any Loan made to such Borrower or LC Disbursement with respect to such Borrower that is not denominated in Dollars, such interest shall automatically be redenominated in Dollars on the due date therefor (or, if such due date is a day other than the last day of the Interest Period therefor, on the last day of such Interest Period) in an amount equal to the Dollar Equivalent thereof on the date of such redenomination and such interest shall be payable on demand.

(2) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Administrative Agent from a Borrower to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees of a Class, in each case, with respect to such Borrower then due hereunder, such funds shall be applied (i) first, to pay interest and fees of such Class with respect to such Borrower then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees of such Class then due to such parties, and (ii) second, to pay principal and unreimbursed LC Disbursements with respect to such Borrower of such Class then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements with respect to such Borrower of such Class then due to such parties.

(3) Pro Rata Treatment. Except to the extent otherwise provided herein: (i) each Borrowing of a Class shall be made from the Lenders of such Class, and each termination or reduction of the amount of the Subcommitments of a Class under Section 2.07 shall be applied to the respective Subcommitments of the Lenders of such Class, pro rata according to the amounts of their respective Subcommitments of such Class; (ii) each Borrowing of a Class shall be allocated pro rata among the Lenders of such Class according to the amounts of their respective Subcommitments of such Class (in the case of the making of Loans) or their respective Loans of such Class that are to be included in such Borrowing (in the case of conversions and continuations of Loans); (iii) each payment of commitment fees under Section 2.10 shall be made by the applicable Borrower for the account of the Lenders pro rata according to the average daily unutilized amounts of their respective Subcommitments with respect to such Borrower; (iv) each payment or prepayment by the applicable Borrower of principal of Loans of a Class made to such Borrower shall be made for the account of the Lenders of such Class pro rata in accordance with the respective unpaid principal amounts of the Loans of such Class held by them; and (v) each payment of interest by the applicable Borrower on Loans of a Class made to such Borrower shall be made for the account of the Lenders of such Class pro rata in accordance with the amounts of interest on such Loans then due and payable to the respective Lenders.

- (4) Sharing of Payments by Lenders. If any Lender of a Class shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any

principal of or interest on any of its Loans made to a Borrower or participations in LC Disbursements or Swingline Loans with respect to a Borrower within its Class resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans made to such Borrower and participations in LC Disbursements and Swingline Loans with respect to such Borrower and accrued interest thereon of such Class then due than the proportion received by any other Lender of such Class, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans made to such Borrower and participations in LC Disbursements and Swingline Loans with respect to such Borrower of other Lenders of such Class to the extent necessary so that the benefit of all such payments shall be shared by the Lenders of such Class ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans made to such Borrower and participations in LC Disbursements and Swingline Loans with respect to such Borrower of such Class; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by any Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans made to such Borrower or participations in LC Disbursements with respect to such Borrower to any assignee or participant, other than to a Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing, solely as it applies to such Borrower, and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation. For the avoidance of doubt, any Borrower may make a Borrowing under the Dollar Subcommitments or Multicurrency Subcommitments with respect to such Borrower (if otherwise permitted hereunder) and may use the proceeds of such Borrowing (x) with Dollar Subcommitments to prepay the Multicurrency Loans (without making a ratable prepayment of the Dollar Loans) made to such Borrower or (y) with Multicurrency Subcommitments to prepay the Dollar Loans (without making a ratable payment to the Multicurrency Loans) made to such Borrower.

(5) Presumptions of Payment. Unless the Administrative Agent shall have received notice from a Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that such Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Banks, as the case may be, the amount due. In such event, if such Borrower has not in fact made such payment, then each of the Lenders or the Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Federal Funds Effective Rate.

(6) Certain Deductions by the Administrative Agent. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(e), 2.05(b) or 2.17(e), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision

hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

SECTION 2.18. Defaulting Lenders.

Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

- (1) commitment fees pursuant to Section 2.10(a) shall cease to accrue on the unfunded portion of the Subcommitments of such Defaulting Lender to the extent and during the period such Lender is a Defaulting Lender;
- (2) the Subcommitment and Revolving Credit Exposure with respect to each Borrower of such Defaulting Lender shall not be included in determining whether two-thirds of the Lenders, two-thirds of the Lenders of a Class, the Required Lenders or the Required Lenders of a Class have taken or may take any action hereunder or under any other Loan Documents to which such Borrower or any other member of its Obligor Group is a party (including any consent to any amendment or waiver pursuant to Section 9.02); provided that, for the avoidance of doubt, any waiver, amendment or modification requiring the consent of all Lenders (or all Lenders of a Class) or each affected Lender (if applicable to such Defaulting Lender), including as set forth in Section 9.02(b)(i), (ii), (iii), (iv) or (v), shall require the consent of such Defaulting Lender;
- (3) if any Swingline Exposure or LC Exposure with respect to a Borrower exists at the time a Multicurrency Lender becomes a Defaulting Lender then:
 - (1) all or any part of such Swingline Exposure (other than the portion of such Swingline Exposure consisting of Swingline Loans made by such Defaulting Lender) and LC Exposure shall be reallocated among the non-Defaulting Lenders holding Subcommitments of the same Class as such Defaulting Lender in accordance with their respective Applicable Multicurrency Percentages or Applicable Dollar Percentages, as applicable, but only to the extent (x) the sum of all non-Defaulting Lenders' Revolving Credit Exposures of such Class with respect to such Borrower plus such Defaulting Lender's LC Exposure of such Class with respect to such Borrower does not exceed the total of all non-Defaulting Lenders' Subcommitments of such Class to such Borrower plus such Defaulting Lender's Swingline Exposure of such Class to such Borrower and (y) no non-Defaulting Lender's Revolving Credit Exposure of such Class with respect to such Borrower will exceed such Lender's Subcommitment of such Class to such Borrower;
 - (2) if the reallocation described in clause (i) above cannot, or can only partially, be effected, such Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, within three Business Days following notice by the Administrative Agent first, prepay such Defaulting Lender's Swingline Exposure

with respect to such Borrower and (y) second, cash collateralize such Defaulting Lender's LC Exposure with respect to such Borrower (after giving effect to any partial reallocation

pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.04(k) for so long as such LC Exposure is outstanding;

(3) if such Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure with respect to such Borrower pursuant to clause (ii) above, such Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.10(b) with respect to such LC Exposure during the period such LC Exposure is cash collateralized;

(4) if the LC Exposure with respect to such Borrower of the non-Defaulting Lenders of the same Class as such Defaulting Lender is reallocated pursuant to clause (i) above, then the fees payable by such Borrower to the Lenders pursuant to Section 2.10(a) and Section 2.10(b) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Multicurrency Percentages or Applicable Dollar Percentages, as applicable, in effect immediately after giving effect to such reallocation;

(5) if any Defaulting Lender's LC Exposure with respect to such Borrower is neither cash collateralized nor reallocated pursuant to this Section 2.18(c), then, without prejudice to any rights or remedies of the applicable Issuing Bank or any Lender hereunder, all commitment fees that otherwise would have been payable by such Borrower to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Subcommitment that was utilized by such LC Exposure) and letter of credit fees payable by such Borrower under Section 2.10(b) with respect to such LC Exposure shall be payable to the applicable Issuing Bank until such LC Exposure is cash collateralized and/or reallocated; and

(6) no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a non-Defaulting Lender as a result of such non-Defaulting Lender's increased exposure following such reallocation; and

(4) so long as any Lender is a Defaulting Lender, no Swingline Lenders shall be required to fund any Swingline Loan and no Issuing Bank of the same Class as such Defaulting Lender shall be required to issue, amend or increase any Letter of Credit of such Class issued on behalf of any Borrower, unless it is satisfied that the related exposure will be 100% covered by the Subcommitments with respect to such Borrower of the non-Defaulting Lenders of such Class and/or cash collateral will be provided by such Borrower in accordance with Section 2.18(c), and Swingline Exposure related to any newly made Swingline Loan of such Borrower and participating interests in any such newly issued or increased Letter of Credit issued on behalf of such Borrower shall be allocated among non-Defaulting Lenders of such Class in a manner consistent with Section 2.18(c)(i) (and Defaulting Lenders shall not participate therein).

In the event that the Administrative Agent, the Borrowers the Swingline Lenders and the Issuing Banks (with respect to any Swingline Lender or Issuing Bank, only to the extent that such Swingline Lender or Issuing Bank acts in such capacity under the same Class of

Subcommitments held by a Defaulting Lender) each agrees in writing that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then, on

the date of such agreement, such Lender shall no longer be deemed a Defaulting Lender, each applicable Borrower shall no longer be required to cash collateralize any portion of such Lender's LC Exposure with respect to such Borrower cash collateralized pursuant to Section 2.18(c)(ii) above and the Swingline Exposure and the LC Exposure of the affected Class with respect to such Borrower of the Lenders of such Class shall be readjusted to reflect the inclusion of such Lender's Subcommitment of such Class with respect to each Borrower and on such date such Lender shall purchase at par the portion of the Loans made to each Borrower (other than Swingline Loans) of the other Lenders of such Class as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Multicurrency Percentage or Applicable Dollar Percentage, as applicable, in effect immediately after giving effect to such agreement.

SECTION 2.19. Mitigation Obligations: Replacement of Lenders.

(1) Designation of a Different Lending Office. If any Lender requests compensation under Section 2.14, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, then such Lender (at the request of such Borrower) shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.14 or 2.16, as the case may be, in the future and (ii) would not subject such Lender to any cost or expense not required to be reimbursed by a Borrower and would not otherwise be disadvantageous to such Lender. Each Borrower hereby severally, but not jointly, agrees to pay its portion, determined on a Pro-Rata Basis, of all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(2) Replacement of Lenders. If any Lender requests compensation under Section 2.14, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with clause (a) above, or if any Lender becomes a Defaulting Lender or is a non-consenting Lender (that the Borrowers are permitted to replace as provided in Section 9.02(d)), or if any Lender is or becomes a Non-Extending Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.14 and Section 2.16) and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrowers shall have received the prior written consent of the Administrative Agent (and, if Subcommitments are being assigned, the Issuing Banks and the Swingline Lenders), which consent shall not unreasonably be withheld, conditioned or delayed, (ii) such Lender shall have received payment

from each Borrower of an amount equal to the outstanding principal of its Loans made to such Borrower and participations in LC Disbursements and Swingline Loans, in each case, with respect to such Borrower, accrued interest thereon, accrued fees and all other amounts payable by

such Borrower to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or such Borrower (in the case of all other amounts then due and owed by or with respect to such Borrower, including, without limitation, any amounts under Section 2.15), (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.14 or payments required to be made pursuant to Section 2.16, such assignment will result in a reduction in such compensation or payments, (iv) in the case of any assignment as a result of a non-consenting Lender (that the Borrowers are permitted to replace as provided in Section 9.02(d)), the applicable assignee shall have consented to the applicable amendment, waiver or consent and (v) in the case of any assignment as a result of a Lender being a Non-Extending Lender, the applicable assignment shall be of all such Non-Extending Lender's Commitment and the applicable assignment shall be to an Extending Lender. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

(3) Defaulting Lender. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(e), 2.05 or 9.03(c), then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender for the benefit of the Administrative Agent or any Issuing Bank to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid, and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under such Sections; in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.20. Maximum Rate. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan, the rate of interest payable in respect of such Loan hereunder, together with all related Charges, shall be limited to the Maximum Rate. To the extent lawful, the interest and Charges that would have been payable in respect of a Loan made to a Borrower, but were not payable as a result of the operation of this Section, shall be cumulated and the interest and Charges payable to such Lender by such Borrower in respect of other Loans made to such Borrower or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 2.21. German Bank Separation Act.

Solely for so long as Deutsche Bank AG New York Branch, or any Affiliate thereof, is a Lender, if any such Lender is subject to the GBSA (as defined below) (any such Lender, a "GBSA Lender") and such GBSA Lender shall have determined in good faith (based

on reasonable advice and a written opinion of counsel), which determination shall be made in consultation with the Borrower subject to the terms hereof that, due to the implementation of the German Act on the Ring-fencing of Risks and for the Recovery and Resolution Planning for

Credit Institutions and Financial Groups (Gesetz zur Abschirmung von Risiken und zur Planung der Sanierung und Abwicklung von Kreditinstituten und Finanzgruppen) of 7 August 2013 (commonly referred to as the German Bank Separation Act (Trennbankengesetz) (the "GBSA")), whether before or after the date hereof, or any corresponding European legislation (such as the proposed regulation on structural measures improving the resilience of European Union credit institutions) that may amend or replace the GBSA in the future or any regulation thereunder, or due to the promulgation of, or any change in the interpretation by, any court, tribunal or regulatory authority with competent jurisdiction of the GBSA or any corresponding future European legislation that may amend or replace the GBSA in the future or any regulation thereunder, the arrangements contemplated by this Agreement or the Loans have, or will, become illegal, prohibited or otherwise unlawful (regardless of whether such illegality, prohibition or unlawfulness could be prevented by transferring such arrangements, Commitments and/or Loans to an Affiliate or other third party), then, and in any such event, such GBSA Lender shall give written notice to the Borrower and the Administrative Agent of such determination (which written notice shall include a reasonably detailed explanation of such illegality, prohibition or unlawfulness, including, without limitation, evidence and calculations used in the determination thereof, a "GBSA Initial Notice"), whereupon until the tenth Business Day after the date of such GBSA Initial Notice, such GBSA Lender shall use best efforts to transfer to the extent permitted under applicable law such arrangements, Commitments and/or Loans to an Affiliate or other third party in accordance with Section 9.04. If no such transfer is effected in accordance with the preceding sentence, such GBSA Lender shall give written notice thereof to the Borrower and the Administrative Agent a ("GBSA Final Notice"), whereupon (i) all of the obligations of such GBSA Lender shall become due and payable, and the Borrower shall repay the outstanding principal of such obligations together with accrued interest thereon and all other amounts due and payable to the GBSA Lender, on the tenth Business Day immediately after the date of such GBSA Final Notice (the "Initial GBSA Termination Date") and, for the avoidance of doubt, such repayment shall not be subject to the terms and conditions of Section 2.08 or 2.15 and (ii) the Commitment of such GBSA Lender shall terminate on the Initial GBSA Termination Date; provided that, notwithstanding the foregoing, if, prior to such Initial GBSA Termination Date, the Borrower and/or the Administrative Agent in good faith reasonably believes that there is a mistake, error or omission in the grounds used to determine such illegality, prohibition or unlawfulness under the GBSA or any corresponding future European legislation that may amend or replace the GBSA in the future or any regulation thereunder, then the Borrower and/or the Administrative Agent, as applicable, may provide written notice (which written notice shall include a reasonably detailed explanation of the basis of such good faith belief, including, without limitation, evidence and calculations used in the determination thereof, a "GBSA Consultation Notice") to that effect, at which point the obligations owed to such GBSA Lender hereunder and under the Loans shall not become due and payable, and the Commitments of such GBSA Lender shall not terminate, until the Business Day immediately following the tenth Business Day immediately after the Initial GBSA Termination Date (the period from, and including, the date of the GBSA Consultation Notice until the tenth Business Day immediately thereafter being the "GBSA Consultation Period"). In the event that the Borrower and/or the Administrative Agent, as applicable, and such GBSA Lender cannot in good faith reasonably agree during the GBSA Consultation Period whether the

arrangements contemplated by this Agreement or the Loans have, or will, become illegal, prohibited or otherwise unlawful under the GBSA or any corresponding future European legislation that may amend or replace the GBSA in

the future or any regulation thereunder, then all of the obligations owed to such GBSA Lender hereunder and under the Loans shall become due and payable, and the Commitments of such GBSA Lender shall terminate, on the Business Day immediately following the last day of such GBSA Consultation Period. Notwithstanding anything to the contrary contained herein, no part of the proceeds of any extension of credit hereunder will be used to pay any GBSA Lender or otherwise satisfy any obligation under this Section. To the extent that any LC Exposure exists at the time a GBSA Lender's Commitments are cancelled and its obligations under the Loan Documents are repaid in full, such LC Exposure shall be reallocated as set forth in Sections 2.19(c)(i) through (v) treating for purposes hereof each Lender (other than any GBSA Lender) as a non-Defaulting Lender for purposes of such reallocation and treating the GBSA Lender as a Defaulting Lender solely for such purposes. To the extent any Swingline Exposure or LC Exposure (in each case, of the same Class of Commitments held by the GBSA Lender) exists at the time a GBSA Lender's Loans are repaid in full pursuant to this Section 2.21, such Swingline Exposure or LC Exposure shall be reallocated as set forth in Section 2.18(c), treating for this purpose such GBSA Lender as a Defaulting Lender.

SECTION 2.22. Swingline Loans.

(1) Subject to the terms and conditions set forth herein, from time to time during the Availability Period, each Swingline Lender severally agrees to, make Swingline Loans to a Borrower in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans made by such Swingline Lender exceeding such Swingline Lender's Swingline Commitment, (ii) any Lender's Revolving Credit Exposure exceeding its Commitment; provided that a Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan or (iii) the aggregate Swingline Exposure exceeding the Dollar Equivalent of \$100,000,000. Within the foregoing limits and subject to the terms and conditions set forth herein, each Borrower may borrow, prepay and reborrow Swingline Loans.

(2) To request a Swingline Loan, the applicable Borrower shall submit a written notice to any Swingline Lender and the Administrative Agent by telecopy or electronic mail (i) in the case of a Swingline Loan denominated in Dollars, not later than 2:00 p.m., New York City time, on the day of such proposed Swingline Loan and (ii) in the case of a Swingline Loan denominated in Euros or Pounds Sterling, not later than 9:00 a.m., New York time, on the day of such proposed Swingline Loan. Each such notice shall be in a form reasonably acceptable to the applicable Swingline Bank and the Administrative Agent, shall be irrevocable and shall specify the requested date (which shall be a Business Day) and amount of the requested Swingline Loan. The applicable Swingline Lender shall make the requested Swingline Loan (in an amount not to exceed the amount permitted by clause (a) above) available to such Borrower by means of a credit to such Borrower's account specified in Section 2.03(b)(vii) (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.04(f), by remittance to the applicable Issuing Bank) (x) in the case of a Swingline denominated in Dollars, by 3:00 p.m., New York City time, on the requested date of such

Swingline Loan and (y) in the case of a Swingline Loan denominated in Euros or Pounds Sterling by 11:00 a.m., New York time, on the requested date of such Swingline Loan.

Notwithstanding anything to the contrary in the foregoing, Swingline Loans requested from ING, SMBC or Truist Bank shall be available in Dollars only.

(3) The failure of any Swingline Lender to make a Swingline Loan shall not relieve any other Swingline Lender of its obligation hereunder to make available any Swingline Loan, but no Swingline Lender shall be responsible for the failure of any other Swingline Lender to make a Swingline Loan to be made by such other Swingline Lender.

(4) Any Swingline Lender may by written notice given to the Administrative Agent require the Lenders to acquire participations in all or a portion of its Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Lender, specifying in such notice such Lender's Applicable Percentage of such Swingline Loans. Each Multicurrency Lender hereby absolutely and unconditionally agrees, promptly upon receipt of such notice from the Administrative Agent (and in any event, if such notice is received by 12:00 noon, New York City time, on a Business Day no later than 5:00 p.m. New York City time on such Business Day and if received after 12:00 noon, New York City time, on a Business Day shall mean no later than 10:00 a.m. New York City time on the immediately succeeding Business Day), to pay to the Administrative Agent, for the account of such Swingline Lenders, such Lender's Applicable Percentage of such Swingline Loans. Each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.05 with respect to Loans made by such Lender (and Section 2.05 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to such Swingline Lenders the amounts so received by it from the Lenders. The Administrative Agent shall notify the applicable Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to such Swingline Lenders. Any amounts received by a Swingline Lender from such Borrower (or other party on behalf of such Borrower) in respect of a Swingline Loan after receipt by such Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Lenders that shall have made their payments pursuant to this paragraph and to such Swingline Lenders, as their interests may appear; provided that any such payment so remitted shall be repaid to such Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to such Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve such Borrower of any default in the payment thereof.

(5) Any Swingline Lender may be replaced at any time by written agreement among each Borrower, the Administrative Agent, the replaced Swingline Lender and the successor Swingline Lender. The Administrative Agent shall notify the Lenders of any such replacement of a Swingline Lender. At the time any such replacement shall become effective,

each Borrower shall pay its proportionate share of all unpaid interest accrued for the account of the replaced Swingline Lender pursuant to Section 2.11(a). From and after the effective date of any such replacement, (x) the successor Swingline Lender shall have all the rights and obligations of the replaced Swingline Lender under this Agreement with respect to Swingline Loans made thereafter and (y) references herein to the term "Swingline Lender" shall be deemed to refer to such successor or to any previous Swingline Lender, or to such successor and all previous Swingline Lenders, as the context shall require. After the replacement of a Swingline Lender hereunder, the replaced Swingline Lender shall remain a party hereto and shall continue to have all the rights and obligations of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to its replacement, but shall not be required to make additional Swingline Loans.

(6) Subject to the appointment and acceptance of a successor Swingline Lender, any Swingline Lender may resign as a Swingline Lender at any time upon thirty days' prior written notice to the Administrative Agent, each Borrower and the Lenders, in which case, such Swingline Lender shall be replaced in accordance with Section 2.22(e) above.

ARTICLE III REPRESENTATIONS AND WARRANTIES

Each Borrower severally, and not jointly, represents and warrants to the Lenders solely with respect to such Borrower and, as applicable, the other members of its Obligor Group, that:

SECTION 3.01. Organization; Powers. Such Borrower and each of its Subsidiaries is duly organized or incorporated, as applicable, validly existing and in good standing under the laws of the jurisdiction of its organization or incorporation, as applicable, has all requisite power and authority to carry on its business as now conducted; and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect with respect to such Borrower, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required of such Borrower or such Subsidiary, as applicable.

SECTION 3.02. Authorization; Enforceability. The Transactions with respect to such Borrower and each other member of its Obligor Group, as applicable, are within such Borrower's or such other member's, as applicable, corporate powers and have been duly authorized by all necessary corporate and, if required, by all necessary stockholder action of such Borrower or such other Obligor, as applicable.

This Agreement has been duly executed and delivered by such Borrower and constitutes, and each of the other Loan Documents to which such Borrower or such other Obligor is a party when executed and delivered will constitute, a legal, valid and binding obligation of such Borrower and such other Obligor, as applicable, enforceable

with respect to such Borrower or such other Obligor, as applicable, in accordance with its terms, except as such enforceability may be limited by (a) bankruptcy, insolvency, reorganization, moratorium or similar laws of general applicability affecting the

enforcement of creditors' rights and (b) the application of general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

SECTION 3.03. Governmental Approvals; No Conflicts. The Transactions with respect to such Borrower (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except for (i) such as have been obtained or made and are or will be in full force and effect and (ii) filings and recordings in respect of the Liens created pursuant to the Security Documents to which such Obligor is a party, (b) will not violate any applicable law or regulation or the charter, by-laws or other organizational documents of such Borrower or such other Obligor, as applicable, or any order of any Governmental Authority, (c) will not violate or result in a default in any material respect under any indenture, agreement or other instrument binding upon such Borrower or such other Obligor, as applicable, or its assets, or give rise to a right thereunder to require any payment to be made by any such Person, and (d) except for the Liens created pursuant to the Security Documents to which such Borrower or such other Obligor is a party, will not result in the creation or imposition of any Lien on any asset of such Borrower or such other Obligor.

SECTION 3.04. Financial Condition; No Material Adverse Change.

(1) Financial Statements. The financial statements delivered to the Administrative Agent and the Lenders by such Borrower pursuant to Sections 4.01(d), 5.01(a) and 5.01(b) present fairly, in all material respects, the consolidated financial position and results of operations and cash flows of such Borrower and its consolidated Subsidiaries as of the end of and for the applicable period in accordance with GAAP applied on a consistent basis, subject, in the case of unaudited financial statements, to year-end audit adjustments and the absence of footnotes. None of such Borrower or any of its Subsidiaries has on the Amendment No. 3 Effective Date any material contingent liabilities, material liabilities for taxes, material unusual forward or material long-term commitments or material unrealized or material anticipated losses from any unfavorable commitments not reflected in the financial statements referred to above.

(2) No Material Adverse Change. Since December 31, 2022, there has not been any event, development or circumstance that has had or could reasonably be expected to have a Material Adverse Effect with respect to such Borrower.

SECTION 3.05. Litigation; Actions; Suits and Proceedings. There are no actions, suits, investigations or proceedings by or before any arbitrator or Governmental Authority now pending against or, to the knowledge of any Financial Officer of such Borrower, threatened in writing against or affecting such Borrower or any of its Subsidiaries (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect of such

Borrower or (ii) that directly involve this Agreement or the Transactions with respect to such Borrower.

SECTION 3.06. Compliance with Laws and Agreements. Such Borrower and its Subsidiaries are in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect with respect to such Borrower. Neither such Borrower nor any other member of its Obligor Group is subject to any contract or other arrangement, the performance of which by such Borrower or such other Obligor could reasonably be expected to result in a Material Adverse Effect with respect to such Borrower.

SECTION 3.07. Anti-Corruption Laws and Sanctions. Such Borrower has implemented and maintains in effect policies and procedures designed to ensure compliance by such Borrower, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and Sanctions applicable to such Borrower or its Subsidiaries, and (a) such Borrower, its Subsidiaries and their respective officers and employees and (b) to the knowledge of such Borrower, their respective directors and agents, are in compliance in all material respects with Anti-Corruption Laws and Sanctions applicable to such Borrower or its Subsidiaries and are not knowingly engaged in any activity that would reasonably be expected to result in such Borrower being designated as a Sanctioned Person. None of (x) such Borrower, any of its Subsidiaries or any of their respective directors, officers or employees, or (y) to the knowledge of such Borrower, any agent of such Borrower or any of its Subsidiaries, in each case, that will act in any capacity in connection with or benefit from the credit facility established hereby, is a Sanctioned Person. No Transaction to which such Borrower is a party or any of its Subsidiaries is subject will violate any Anti-Corruption Law or Sanctions applicable to such Borrower or its Subsidiaries.

SECTION 3.08. Taxes. Such Borrower and its Subsidiaries have timely filed or caused to be filed all material Tax returns and reports required to have been filed by such Borrower and such Subsidiary and has paid or caused to be paid all material Taxes required to have been paid by such Borrower or such Subsidiary, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which such Borrower or such Subsidiary, as applicable, has set aside on its books adequate reserves or (b) to the extent that the failure to do so could not reasonably be expected to result in a Material Adverse Effect with respect to such Borrower.

SECTION 3.09. ERISA. No ERISA Event has occurred with respect to such Borrower that, when taken together with all other such ERISA Events with respect to such Borrower, would reasonably be expected to result in a Material Adverse Effect with respect to such Borrower.

SECTION 3.10. Disclosure. Such Borrower has disclosed to the Administrative Agent (or filed with the SEC) all agreements and instruments to which it or any of its Subsidiaries is subject, that if terminated prior to its term, and all other matters known to it that have occurred, that, individually or in the aggregate, could

reasonably be expected to result in a Material Adverse Effect. None of the written reports, financial statements, certificates or other written information (other than projections, other forward looking information, information of a general economic or industry specific nature or information relating to third parties) furnished by or on behalf of such Borrower to the Lenders in connection with the negotiation of this Agreement and the other Loan Documents to which such Borrower or any other member of its Obligor Group is a party or delivered hereunder or thereunder (as modified or supplemented by other information so furnished), when taken as a whole, contains any material misstatement of fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading at the time made; provided that, with respect to projected financial information, such Borrower represents only that such information was prepared in good faith based upon assumptions believed in good faith to be reasonable at the time of the preparation thereof (it being understood that projections are subject to significant and inherent uncertainties and contingencies which may be outside of such Borrower's control and that no assurance can be given that projections will be realized, and are therefore not to be viewed as fact, and that actual results for the periods covered by projections may differ from the projected results set forth in such projections and that such differences may be material).

SECTION 3.11. Investment Company Act; Margin Regulations.

- (1) Status as Business Development Company. Such Borrower is a "closed-end fund" that has elected to be regulated as a "business development company" within the meaning of the Investment Company Act and qualifies as a RIC.
- (2) Compliance with Investment Company Act. The business and other activities of such Borrower and its Subsidiaries, including the making of the Loans to such Borrower hereunder, the application of the proceeds and repayment thereof by such Borrower and the consummation of the Transactions with respect to such Borrower or any of its Subsidiaries contemplated by the Loan Documents to which such Borrower or any other member of its Obligor Group is a party do not result in a material violation or breach in any respect of the applicable provisions of the Investment Company Act or any rules, regulations or orders issued by the SEC thereunder, in each case, that are applicable to such Borrower and its Subsidiaries.
- (3) Investment Policies. Such Borrower is in compliance with all written investment policies, restrictions and limitations for such Borrower delivered (to the extent not otherwise publicly filed with the SEC) to the Lenders prior to the Restatement Effective Date (as such investment policies have been amended, modified or supplemented in a manner not prohibited by clause (r) of Article VII, the "Investment Policies"), except to the extent that the failure to so comply could not reasonably be expected to result in a Material Adverse Effect with respect to such Borrower.

(4) Use of Credit. Neither such Borrower nor any of its Subsidiaries is engaged principally, or as one of its important activities, in the business of extending credit for the purpose, whether immediate, incidental or ultimate, of buying or carrying Margin Stock, and no part of the proceeds of any extension of credit hereunder will be used to buy or carry any

Margin Stock (provided that so long as no violation of Regulation U would result therefrom (x) any Borrower may use proceeds of the Loans made to such Borrower to purchase its common stock in connection with the redemption (or buyback) of its shares or, in the case of an Unlisted Borrower, in connection with a Tender Offer, and (y) any Borrower may use proceeds of the Loans made to such Borrower for any (i) cash consideration paid or payable and (ii) cash paid on account of fractional shares, in each case of this clause (y), in connection with a Borrower Merger).

SECTION 3.12. Material Agreements and Liens.

(1) Material Agreements. Part A of Schedule II is a complete and correct list of each credit agreement, loan agreement, indenture, note purchase agreement, guarantee, letter of credit or other arrangement providing for or otherwise relating to any Indebtedness for borrowed money or any extension of credit (or commitment for any extension of credit) to, or guarantee for borrowed money by, such Borrower or any other member of its Obligor Group outstanding on the Amendment No. 3 Effective Date (in each case, other than any such agreement or arrangement that is between or among such Borrower and any other member of its Obligor Group), and the aggregate principal or face amount outstanding or that is or may become outstanding under each such arrangement, in each case as of the Amendment No. 3 Effective Date, is correctly described in Part A of Schedule II.

(2) Liens. (2) Investments. Set forth in Part B of Schedule III is a complete and correct list of all Investments (other than Investments of the types referred to in clauses (b), (c), (d) and (l) of Section 6.04) held by any of such Borrower and the other members of its Obligor Group in any Person on the Amendment No. 3 Effective Date and, for each such Investment, (x) the identity of the Person or Persons holding such Investment and (y) the nature of such Investment. Except as disclosed in Part B of Schedule III, as of the Amendment No. 3 Effective Date, such Borrower or, as applicable, such other Obligor, owns, free and clear of all Liens (other than Liens created pursuant to the Security Documents such Borrower and/or such other Obligor are party to and other Liens permitted hereunder), all such Investments.

SECTION 3.14. Properties.

(1) Title Generally. Such Borrower and each of the other members of its Obligor Group have good title to, or valid leasehold interests in, all their respective real and personal property material to its business, except for minor defects in title that do not interfere with their respective ability to conduct their respective business as currently conducted or to utilize such properties for their intended purposes.

Article VII with respect to such Borrower. Except for (a) filing of UCC financing statements and filings as may be required under applicable law or otherwise contemplated hereby and by the Security Documents to which such Borrower and/or such other Obligor are a party, and (b) the taking of possession or control by the Collateral Agent of the Collateral with respect to which a security interest may be perfected by possession or control, no filing or other action will be necessary to perfect such Liens to the extent required thereunder, except for any filing or action, the absence of which, would not constitute an Event of Default under clause (p) of Article VII with respect to such Borrower.

Such Borrower will, and will cause each of its Subsidiaries to, take such action from time to time as shall be necessary to ensure that each of its Subsidiaries is a wholly owned Subsidiary, provided that the foregoing shall not prohibit any transaction permitted under Section 6.03 or 6.04, so long as after giving effect to such permitted transaction each of the remaining Subsidiaries of such Borrower is a wholly owned Subsidiary.

(3) Further Assurances. Such Borrower will, and will cause each other member of its Obligor Group to, take such action from time to time (including filing appropriate Uniform Commercial Code financing statements and executing and delivering such assignments, security agreements and other instruments) as shall reasonably be requested by the Administrative Agent to effectuate the purposes and objectives of this Agreement, including:

(1) to create, in favor of the Collateral Agent for the benefit of the Lenders (and any Affiliate thereof that is a party to any Hedging Agreement entered into with such Borrower and/or such other Obligor) and the holders of any Other Secured Indebtedness of such Borrower, perfected security interests and Liens in the Collateral owned by such Borrower and such other Obligor; provided that any such security interest or Lien shall be subject to the relevant requirements of the Security Documents to which such Borrower or such other Obligor is a party; provided further, that in the case of any Collateral consisting of voting stock of any Controlled Foreign Corporation of such Borrower, such security interest shall be limited to 65% of the issued and outstanding voting stock of such Controlled Foreign Corporation that is directly held by such Borrower or such other Obligor,

(2) subject to Sections 7.01 and 7.04 of the Guarantee and Security Agreement to which such Borrower is a party, to cause any bank or securities intermediary (within the meaning of the Uniform Commercial Code) to enter into such arrangements with the Collateral Agent as shall be appropriate in order that the Collateral Agent has "control" over each deposit account or securities account of such Borrower and such other Obligor (other than Excluded Accounts (as defined in the Guarantee and Security Agreement to which such Borrower is a party)) and in that connection, such Borrower agrees to cause all cash and other proceeds of Portfolio Investments received by such Borrower and such other Obligor to be promptly deposited into such an account (or otherwise delivered to, or registered in the name of, the Collateral Agent) and, until such deposit, delivery or registration such cash and other proceeds in the possession of such Borrower shall be held in trust by such Borrower for the benefit of the Collateral Agent and shall not be commingled with any other funds or property of such Borrower, such other Obligor, its Designated Subsidiaries or any other Person (including with any money or financial assets of such Borrower or such other Obligor in its capacity as "servicer" for any such Designated Subsidiary or any of its other Excluded Assets, or any money or financial assets of any Excluded Asset),

- (3) in the case of any portfolio investment held by an Excluded Asset or an Immaterial Subsidiary of such Borrower, including any cash collection related thereto,

ensure that such portfolio investment shall not be held in the account of such Borrower or such other Obligor subject to a control agreement among such Borrower or such other Obligor, the Collateral Agent and the Custodian delivered in connection with this Agreement or any other Loan Document,

(4) in the case of any Portfolio Investment consisting of a Bank Loan that does not constitute all of the credit extended to the underlying borrower under the relevant underlying loan documents and an Excluded Asset or an Immaterial Subsidiary of such Borrower holds any interest in the loans or other extensions of credit under such loan documents, (x) cause such Excluded Asset or such Immaterial Subsidiary to be party to such underlying loan documents as a "lender" having a direct interest (or a participation; provided that any participation acquired from such Borrower or such other Obligor shall give such Excluded Asset or such Immaterial Subsidiary the right to elevate such participation to an assignment at any time in its sole discretion, which right shall be exercised no later than 90 days after the acquisition thereof) in such underlying loan documents and the extensions of credit thereunder and (y) ensure that, subject to Section 5.08(c)(v) below, all amounts owing to such Borrower, such other Obligor or such Excluded Asset or Immaterial Subsidiary of such Borrower by the underlying borrower or other obligated party are remitted by such borrower or obligated party (or the applicable administrative agents, collateral agents or equivalent Person) directly to the accounts of such Borrower, such other Obligor, such Excluded Asset and such Immaterial Subsidiary, respectively,

(5) in the event that such Borrower or such other Obligor is acting as an agent or administrative agent (or analogous capacity) under any loan documents with respect to any Bank Loan and such Borrower or such other Obligor does not hold all of the credit extended to the underlying borrower under the relevant underlying loan documents, ensure that all funds held by such Borrower or such other Obligor in such capacity as agent or administrative agent are segregated from all other funds of such Borrower or such other Obligor and are clearly identified as being held in an agency capacity, and

(6) cause all credit or loan agreements, any notes and all assignment and assumption agreements relating to any Portfolio Investment of such Borrower or such other Obligor constituting part of the Collateral to be held by (x) the Collateral Agent, (y) the Custodian pursuant to the terms of the applicable Custodian Agreement (or another custodian reasonably satisfactory to the Administrative Agent), or (z) pursuant to an appropriate intercreditor agreement, so long as the Custodian (or custodian) has agreed to grant access to such loan and other documents to the Administrative Agent pursuant to an access or similar agreement between such Borrower and the Custodian (or custodian) in form and substance reasonably satisfactory to the Administrative Agent; provided that such Borrower's obligation to deliver underlying documentation may be satisfied by delivery of copies of such agreements.

Notwithstanding anything to the contrary contained herein, (1) nothing contained herein shall prevent a Borrower from having a Participation Interest in a portfolio investment held by an Excluded Asset and (2) if any instrument, promissory note, agreement, document or certificate held by the Custodian is destroyed or lost not as a result of any action of such Borrower, then any

original of such instrument, promissory note, agreement, document or certificate shall be deemed held by the Custodian for all purposes hereunder; provided that, when such Borrower has actual knowledge of any such destroyed or lost instrument, promissory note, agreement, document or certificate, it uses all commercially reasonable efforts to obtain from the underlying borrower, and deliver to the Custodian, a replacement instrument, promissory note, agreement, document or certificate.

SECTION 5.09. Use of Proceeds. Such Borrower will use the proceeds of its Loans and the issuances of Letters of Credit issued on behalf of such Borrower for general corporate purposes of such Borrower and its Subsidiaries in the ordinary course of business, including, (a) purchasing shares of its common stock in connection with the redemption (or buyback) of its shares or, in the case of an Unlisted Borrower, in connection with a Tender Offer, (b) for (x) cash consideration paid or payable or (y) cash paid on account of fractional shares, in each case of this clause (b), in connection with a Borrower Merger, and (c) making other distributions, contributions and investments not prohibited by the Loan Documents to which such Borrower or any other member of its Obligor Group is a party, and the acquisition and funding (either directly or through one or more of its wholly-owned Subsidiaries) of leveraged loans, mezzanine loans, high-yield securities, convertible securities, preferred stock, common stock, Hedging Agreements and other Portfolio Investments of such Borrower, in each case to the extent otherwise permitted hereunder; provided that neither the Administrative Agent nor any Lender shall have any responsibility as to the use of any of such proceeds. No part of the proceeds of any Loan made to such Borrower will be used in violation of applicable law or, directly or indirectly, for the purpose, whether immediate, incidental or ultimate, of buying or carrying any Margin Stock (except as set forth in Section 3.11(d)). Upon the request of any Lender, the applicable Borrower shall furnish to such Lender a statement in conformity with the requirements of FR Form G-3 or FR Form U-1, as applicable, referred to in Regulation U. Such Borrower will not request any Borrowing or Letter of Credit, and such Borrower shall not use, and shall procure that its Subsidiaries and its or their respective directors, officers, employees and agents shall not use, the proceeds of any Borrowing made to such Borrower or Letter of Credit issued on behalf of such Borrower (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws applicable to such Borrower, (B) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, in violation of any Sanctions applicable to such Borrower, or in any Sanctioned Country, to the extent such activities, businesses or transactions would be prohibited by Sanctions if conducted by a corporation incorporated in the United States, or (C) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

SECTION 5.10. Status of RIC and BDC. Such Borrower shall at all times maintain its status as a RIC under the Code, and as a “business development company” under the Investment Company Act.

SECTION 5.11. Investment and Valuation Policies. Such Borrower shall promptly advise the Administrative Agent and the Lenders of any material change in either its Investment Policies or Valuation Policy.

SECTION 5.12. Portfolio Valuation and Diversification, Etc.

(1) Industry Classification Groups. For purposes of this Agreement, such Borrower, in its reasonable determination, shall assign (including in connection with a Borrower Merger) each Portfolio Investment owned by it or any other member of its Obligor Group to an Industry Classification Group. To the extent that such Borrower reasonably determines that any such Portfolio Investment is not adequately correlated with the risks of other Portfolio Investments assigned to an Industry Classification Group, such Borrower may assign such Portfolio Investment to an Industry Classification Group that is more closely correlated to such Portfolio Investment. In the absence of adequate correlation, such Borrower shall be permitted to, upon notice to the Collateral Agent for distribution to each Lender, create up to three additional industry classification groups for purposes of this Agreement; provided that once any Borrower has created an additional industry classification group, such industry classification group may be used by any other Borrower as an Industry Classification Group; provided further that no more than three different additional industry classification groups may be created by all of the Borrowers in the aggregate pursuant to this paragraph (a).

(2) Portfolio Valuation Etc.

(1) Settlement Date Basis. For purposes of this Agreement, all determinations of whether an investment is to be included as a Portfolio Investment shall be determined on a settlement date basis (meaning that any investment that has been purchased will not be treated as a Portfolio Investment until such purchase has settled, and any Portfolio Investment which has been sold will not be excluded as a Portfolio Investment until such sale has settled); provided that no such investment shall be included as a Portfolio Investment to the extent it has not been paid for in full.

(2) Determination of Values. Such Borrower will conduct reviews of the value to be assigned to each of its Portfolio Investments included in the Borrowing Base of such Borrower as follows:

(a) Quoted Investments—External Review. With respect to Portfolio Investments (including Cash Equivalents) held by such Borrower for which market quotations are readily available ("Quoted Investments"), such Borrower shall, not less frequently than once each calendar week, determine the market value of such Quoted Investments owned by it or any other member of its Obligor Group which shall, in each case, be determined in accordance with one of the following methodologies (as selected by such Borrower):

(xxiii) in the case of public and 144A securities, the average of the bid prices as determined by at least two Approved Dealers selected by such Borrower,

(xxiv) in the case of Bank Loans, the average of the bid prices as determined by at least two Approved Dealers selected by such Borrower or an Approved Pricing Service which makes reference to at least two Approved Dealers with respect to such Bank Loans,

(xxv) in the case of any Quoted Investment traded on an exchange, the closing price for such Portfolio Investment most recently posted on such exchange, and

(xxvi) in the case of any other Quoted Investment, the fair market value thereof as determined by an Approved Pricing Service; and

(b) Unquoted Investments—External Review. With respect to Portfolio Investments owned by such Borrower or any other member of its Obligor Group for which market quotations are not readily available (“Unquoted Investments”), such Borrower shall value such Unquoted Investments quarterly in a manner consistent with its valuation policy, as the same may be amended, supplemented, waived or otherwise modified from time to time consistent with industry practice for business development companies and in a manner not prohibited by this Agreement (the “Valuation Policy”), including valuation of at least 35% by value of all Unquoted Investments included in the Borrowing Base of such Borrower using the assistance of an Approved Third Party Appraiser.

(c) Internal Review. Such Borrower shall conduct an internal review of the aggregate value of the Portfolio Investments owned by such Borrower or any other member of its Obligor Group included in the Collateral Pool of such Borrower or the Borrowing Base of such Borrower, at least once each calendar week, which shall take into account any event of which such Borrower has knowledge that materially adversely affects the aggregate value of such Portfolio Investments included in the Collateral Pool of such Borrower or the Borrowing Base of such Borrower. If, based upon such weekly internal review, such Borrower determines that a Borrowing Base Deficiency with respect to such Borrower exists, then such Borrower shall, within five Business Days as provided in Section 5.01(e), deliver a Borrowing Base Certificate reflecting the new amount of the Borrowing Base of such Borrower and shall take the actions, and make the payments and prepayments on the Loans made to such Borrower (and/or provide cover for Letters of Credit issued on behalf of such Borrower), all as more specifically set forth in Section 2.09(c).

(d) Failure to Determine Values. If such Borrower shall fail to determine the value of any Portfolio Investment owned by such Borrower or any other member of its Obligor Group as at any date pursuant to the requirements (but subject to the exclusions) of the foregoing subclauses (A) through (C), the “Value” of such Portfolio Investment as at such date shall be deemed to be zero for purposes of the Borrowing Base of such Borrower.

provided that, each Borrower shall value substantially all Portfolio Investments held by such Borrower or any other member of its Obligor Group pursuant to the foregoing requirements no less frequently than once in any rolling twelve-month period.

(3) Scheduled Testing of Values.

(a) Each April 30, July 31, October 31 and February 28 of each calendar year (or such other dates as are agreed to by such Borrower and the Collateral Agent, but in no event less frequently than once per calendar quarter, with respect to such Borrower, each a "Valuation Testing Date"), the Collateral Agent through an Independent Valuation Provider will test the values determined pursuant to Section 5.12(b)(ii) above of those Unquoted Investments owned by such Borrower or any other member of its Obligor Group included in the Borrowing Base of such Borrower selected by the Collateral Agent; provided, that the aggregate fair value of such Unquoted Investments tested on any Valuation Testing Date will be equal to the Tested Amount (as defined below) (or as near thereto as reasonably practical); provided further that, if more than one Borrower holds an Investment in the same Unquoted Investment, in no event shall more than one Independent Valuation Provider value such Unquoted Investment on the applicable Valuation Testing Date without the written consent of each applicable Borrower. For the avoidance of doubt, Unquoted Investments that are part of the Collateral but not included in the Borrowing Base of such Borrower as of a Valuation Testing Date (the "Applicable Valuation Testing Date") shall not be subject to testing under this Section 5.12(b)(iii); provided that such Unquoted Investment shall continue to be excluded from the Borrowing Base until such time as the applicable Borrower determines to include it in the Borrowing Base and it was eligible to be included in the Borrowing Base as part of the Tested Amount as of the most recent Valuation Testing Date prior to such time.

(b) For purposes of this Agreement, the "Tested Amount" with respect to a Borrower shall be equal to the greater of: (i) an amount equal to (y) 125% of the Covered Debt Amount of such Borrower (as of the applicable Valuation Testing Date) minus (z) the sum of the values of all Cash and all Quoted Investments included in the Borrowing Base of such Borrower (as of the applicable Valuation Testing Date) and (ii) 10% of the aggregate value of all Unquoted Investments included in the Borrowing Base of such Borrower (as of the applicable Valuation Testing Date); provided, however, in no event shall more than 25% (or, if clause (ii) applies, 10%, or as near thereto as reasonably practicable) of the aggregate value of the Unquoted Investments included in the Borrowing Base of such Borrower be tested by the Independent Valuation Provider in respect of any applicable Valuation Testing Date. If the Value of the Unquoted Investments included in the Borrowing Base is less than the "Tested Amount" as calculated in the immediately preceding sentence, then the "Tested Amount" shall equal the Value of such Unquoted Investments. If more than one Borrower holds an investment in the same Unquoted Investment, and an Independent Valuation Provider values such Unquoted Investment, then such Unquoted Investment shall be deemed valued by the

Independent Valuation Provider for the purposes of determining the “Tested Amount” for each Borrower that holds such investment.

(c) With respect to any Unquoted Investment of any Borrower, if the value of such Unquoted Investment determined pursuant to Section 5.12(b)(ii) by such Borrower is not more than the lesser of (1) five (5) points more than the midpoint of the valuation range (expressed as a percentage of par) provided by the Independent Valuation Provider (provided that the value of such Unquoted Investment is customarily quoted as a percentage of par) and (2) 110% of the midpoint of the valuation range provided by the Independent Valuation Provider, then the value for such Unquoted Investment determined in accordance with Section 5.12(b)(ii) by such Borrower shall continue to be used as the "Value" for purposes of this Agreement. If the value of any Unquoted Investment determined pursuant to Section 5.12(b)(ii) by such Borrower is more than the lesser of the values set forth in clause (C)(1) and (2) (to the extent applicable), then for such Unquoted Investment, the "Value" for purposes of this Agreement shall become the lesser of (x) the highest value of the valuation range provided by the Independent Valuation Provider, (y) five (5) points more than the midpoint of the valuation range (expressed as a percentage of par) provided by the Independent Valuation Provider (provided that the value of such Unquoted Investment is customarily quoted as a percentage of par) and (z) 110% of the midpoint of the valuation range provided by the Independent Valuation Provider; provided that, if a Portfolio Investment (including, for the avoidance of doubt, a Participation Interest) is acquired (other than in connection with a Borrower Merger) during a fiscal quarter and until such time as the Value is obtained with respect to such Portfolio Investment pursuant to Section 5.12(b)(ii)(A), 5.12(b)(ii)(B) or 5.12(b)(iii), the "Value" of such Portfolio Investment shall be deemed to be equal to the lower of (x) the value of such Portfolio Investment determined pursuant to Section 5.12(b)(ii)(C) and (y) the cost of such Unquoted Investment; provided further that, if a Portfolio Investment is acquired in connection with a Borrower Merger during a fiscal quarter and until such time as the Value is obtained with respect to such Portfolio Investment pursuant to Section 5.12(b)(ii)(A), 5.12(b)(ii)(B) or 5.12(b)(iii), the "Value" of such Portfolio Investment shall be the Value as most recently determined pursuant to Section 5.12 with respect to such Non-Surviving Obligor (it being the understanding that the Value determined by an Approved Third-Party Appraiser or an Independent Valuation Provider of the Portfolio Investments of the Non-Surviving Obligors as of the most recently ended quarterly period or Valuation Testing Date shall carry over to the Surviving Obligor until a new value is obtained under Section 5.12(b)(ii)).

(4) Supplemental Testing of Values.

(a) Notwithstanding the foregoing, the Administrative Agent, the Collateral Agent, each individually or at the request of the Required Lenders, shall, with respect to any Borrower, at any time have the right, solely for purposes of the Borrowing Base of such Borrower, to request, in its reasonable discretion, any Portfolio Investment included in the Borrowing Base of such Borrower with a value determined pursuant to Section 5.12(b)(ii) to be independently tested by the Independent Valuation Provider. There shall be no limit on the number of such tests that may be requested by the Administrative Agent or the Collateral Agent in its reasonable discretion. If (x) the value determined by such Borrower

pursuant to Section 5.12(b)(ii) is less than the value determined by the Independent Valuation Provider pursuant to this clause, then the value determined by such

Borrower pursuant to Section 5.12(b)(ii) shall continue to be used as the "Value" for purposes of this Agreement and (y) if the value determined by such Borrower pursuant to Section 5.12(b)(ii) is greater than the value determined by the Independent Valuation Provider pursuant to this clause and the difference between such values is: (1) less than or equal to 5% of the value determined by such Borrower pursuant to Section 5.12(b)(ii), then the value determined by such Borrower pursuant to Section 5.12(b)(ii) shall continue to be used as the "Value" of such Portfolio Investment for purposes of this Agreement; (2) greater than 5% and less than or equal to 20% of the value determined by such Borrower pursuant to Section 5.12(b)(ii), then the "Value" of such Portfolio Investment for purposes of this Agreement shall become the average of the value determined by such Borrower pursuant to Section 5.12(b)(ii) and the value determined by the Independent Valuation Provider pursuant to this clause; and (3) greater than 20% of the value determined by such Borrower pursuant to Section 5.12(b)(ii), then such Borrower and the Administrative Agent or the Collateral Agent, as applicable, shall retain an additional third-party appraiser and, upon the completion of such appraisal, the "Value" of such Portfolio Investment for purposes of this Agreement shall become the average of the three valuations (with the value of the Independent Valuation Provider determined pursuant to this clause to be used as the "Value" of such Portfolio Investment until the third value is obtained). For the avoidance of doubt, Portfolio Investments that are part of the Collateral but not included in the Borrowing Base of such Borrower as of the Applicable Valuation Testing Date shall not be subject to testing under this Section 5.12(b)(iv); provided that such Portfolio Investment shall continue to be excluded from the Borrowing Base until such time as the applicable Borrower determines to include it in the Borrowing Base and it was eligible to be included in the Borrowing Base as part of the Tested Amount as of the most recent Valuation Testing Date prior to such time.

(b) Except as otherwise provided herein, the Value of any Portfolio Investment for which the Independent Valuation Provider's value is used shall be the midpoint of the range (if any) determined by the Independent Valuation Provider. The Independent Valuation Provider shall apply a recognized valuation methodology that is commonly accepted by the business development company industry for valuing Portfolio Investments of the type being valued and held by such Borrower and any other member of its Obligor Group.

(c) For the avoidance of doubt, the Value of any Portfolio Investment determined in accordance with this Section 5.12 shall be the Value of such Portfolio Investment for purposes of this Agreement until a new Value for such Portfolio Investment is subsequently determined in accordance with this Section 5.12.

(d) The reasonable and documented out-of-pocket costs of any valuation reasonably incurred by the Administrative Agent or the Collateral

Agent, as applicable, under this Section 5.12 shall be at the expense of the applicable Borrower; provided that the aggregate of all Borrowers' obligations to

reimburse valuation costs incurred by the Administrative Agent and the Collateral Agent, collectively, pursuant to this Section 5.12(b)(iv) shall be limited to an aggregate annual amount equal to the greater of (x) \$200,000 and (y) 0.05% of the total Commitments (provided, in the case of any Borrower, such Borrower's annual reimbursement obligation shall in no event be greater than 0.05% of the total Subcommitments allocated to such Borrower).

(e) In addition, the values determined by the Independent Valuation Provider shall be deemed to be "Information" hereunder and subject to Section 9.13 hereof.

(f) The Administrative Agent or the Collateral Agent, as applicable, shall provide a copy of the final results of any valuation performed by the Independent Valuation Provider or an Approved Third-Party Appraiser to any Lender promptly upon such Lender's request, except to the extent that such recipient has not executed and delivered a customary and reasonable non-reliance letter, confidentiality agreement or similar agreement requested or required by such Independent Valuation Provider or Approved Third-Party Appraiser, as applicable.

(5) For the avoidance of doubt, any Values determined by the Independent Valuation Provider pursuant to Sections 5.12(b)(iii) and (iv) shall only be required to be used for purposes of calculating the Borrowing Base of such Borrower and shall not be required to be utilized by any Borrower for any other purpose, including, without limitation, the delivery of financial statements or valuations required under ASC 820 or the Investment Company Act.

(6) The Independent Valuation Provider shall be instructed to conduct its tests in a manner not disruptive in any material respect to the business of any Borrower. The Collateral Agent shall notify the applicable Borrower of its receipt of the final results of any valuation performed by the Independent Valuation Provider promptly upon its receipt thereof and shall provide a copy of such results and the related report to such Borrower promptly upon such Borrower's request.

(3) Investment Company Diversification Requirements. Such Borrower will, and will cause its Subsidiaries (other than Subsidiaries that are exempt from the Investment Company Act) at all times to comply in all material respects with the portfolio diversification and similar requirements set forth in the Investment Company Act applicable to business development companies. Such Borrower will at all times, subject to applicable grace periods set forth in the Code, comply with the portfolio diversification and similar requirements set forth in the Code applicable to RICs.

(4) Participation Interests. The Value attributable to any Participation Interest shall be the Value determined with respect to the underlying portfolio investment related to such Participation Interest in accordance with this Section 5.12, provided any participation interest

that does not satisfy the definition of Participation Interest shall have a Value of zero for purposes of this Agreement.

SECTION 5.13. Calculation of Borrowing Base. For purposes of this Agreement, the “Borrowing Base” with respect to a Borrower shall be determined, as at any date of determination, as the sum of the products obtained by multiplying (10) the Value of each Portfolio Investment of such Borrower in the Collateral Pool of such Borrower by (y) the applicable Advance Rate, provided that:

a. if, as of such date, the Adjusted Debt to Equity Ratio is (i) less than 1.0:1.0, the Advance Rate applicable to that portion of the aggregate Value of such Portfolio Investments of such Borrower of all issuers in a consolidated group of corporations or other entities in accordance with GAAP exceeding 6% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower, shall be 50% of the otherwise applicable Advance Rate, (ii) greater than or equal to 1.0:1.0 and less than 1.33:1.0, the Advance Rate applicable to that portion of the aggregate Value of such Portfolio Investments of such Borrower of all issuers in a consolidated group of corporations or other entities in accordance with GAAP exceeding 5% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower, shall be 50% of the otherwise applicable Advance Rate or (iii) greater than or equal to 1.33:1.0, the Advance Rate applicable to that portion of the aggregate Value of such Portfolio Investments of such Borrower of all issuers in a consolidated group of corporations or other entities in accordance with GAAP exceeding 4% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower, shall be 50% of the otherwise applicable Advance Rate;

b. if, as of such date, the Adjusted Debt to Equity Ratio is (i) less than 1.0:1.0, the Advance Rate applicable to that portion of the aggregate Value of such Portfolio Investments of such Borrower of all issuers in a consolidated group of corporations or other entities in accordance with GAAP exceeding 12% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower shall be 0%, (ii) greater than or equal to 1.0:1.0 and less than 1.33:1.0, the Advance Rate applicable to that portion of the aggregate Value of such Portfolio Investments of such Borrower of all issuers in a consolidated group of corporations or other entities in accordance with GAAP exceeding 10% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower shall be 0% or (iii) greater than 1.33:1.0, the Advance Rate applicable to that portion of the aggregate Value of such Portfolio Investments of such Borrower of all issuers in a consolidated group of corporations or other entities in accordance with GAAP exceeding 8% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower shall be 0%;

c. if, as of such date, the Adjusted Debt to Equity Ratio is (i) less than 1.0:1.0, the Advance Rate applicable to that portion of the aggregate Value of such Portfolio Investments of such Borrower in any single Industry Classification Group that exceeds 25% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower shall be 0%; provided that, with respect to the Portfolio

Investments of such Borrower in a single Industry Classification Group from time to time designated by such Borrower to the Collateral Agent, such 25% figure shall be increased to 30% and, accordingly, only to the extent that the aggregate Value of such Portfolio Investments of such Borrower in such single Industry Classification Group that exceeds 30% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower shall be 0%; (ii) greater than or equal to 1.0:1.0 and less than 1.33:1.0, the Advance Rate applicable to that portion of the aggregate Value of such Portfolio Investments of such Borrower in any single Industry Classification Group that exceeds 22.5% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower shall be 0%; provided that, with respect to the Portfolio Investments of such Borrower in a single Industry Classification Group from time to time designated by such Borrower to the Collateral Agent, such 22.5% figure shall be increased to 25% and, accordingly, only to the extent that the aggregate Value of such Portfolio Investments of such Borrower in such single Industry Classification Group that exceeds 25% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower shall be 0% or (iii) greater than 1.33:1.0, the Advance Rate applicable to that portion of the aggregate Value of such Portfolio Investments of such Borrower in any single Industry Classification Group that exceeds 20% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower shall be 0%; provided that, with respect to the Portfolio Investments of such Borrower in a single Industry Classification Group from time to time designated by such Borrower to the Collateral Agent, such 20% figure shall be increased to 22.5% and, accordingly, only to the extent that the aggregate Value of such Portfolio Investments of such Borrower in such single Industry Classification Group that exceeds 22.5% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower shall be 0%;

d. if, as of such date, the Adjusted Debt to Equity Ratio is (i) less than 1.0:1.0, the Advance Rate applicable to that portion of the aggregate Value of investments of such Borrower and such other Obligors in Non-Core Investments that exceeds 20% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower shall be 0%, (ii) greater than or equal to 1.0:1.0 and less than 1.33:1.0, the Advance Rate applicable to that portion of the aggregate Value of investments of such Borrower and such other Obligors in Non-Core Investments that exceeds 17.5% of the aggregate Value of all such Portfolio Investments in the Collateral Pool of such Borrower shall be 0% or (iii) greater than 1.33:1.0, the Advance Rate applicable to that portion of the aggregate Value of investments of such Borrower and such other Obligors in Non-Core Investments that exceeds 15% of the aggregate value of all such Portfolio Investments in the Collateral Pool of such Borrower shall be 0%;

e. the Advance Rate applicable to such Borrower's investments in any Excluded Asset or any Aggregator shall be 0% (for the avoidance of doubt, the Value attributable to any Participation Interest held by a Borrower shall be the Value determined with respect to the underlying portfolio investment related to such Participation Interest in accordance with Section 5.12);

f. if, as of such date, the Adjusted Debt to Equity Ratio is less than 1.0:1.0, the aggregate Value of investments of such Borrower and such other Obligor in Cash,

Cash Equivalents, Short-Term U.S. Government Securities, Performing First Lien Bank Loans and Performing Second Lien Bank Loans of such Borrower and such other Obligor may not be less than 50% of the aggregate Value of all Portfolio Investments in the Collateral Pool of such Borrower; provided that this paragraph (f) shall not apply to a Borrower and the other members in its Obligor Group at any time the sum of the Combined Debt Amount of such Borrower exceeds 67% of the Other Debt Amount of such Borrower;

g. if, as of such date, the Adjusted Debt to Equity Ratio is less than 1.0:1.0, the aggregate Value of investments of such Borrower and such other Obligor in Cash, Cash Equivalents, Short-Term U.S. Government Securities and Performing First Lien Bank Loans of such Borrower and such other Obligor may not be less than 20% of the aggregate Value of all Portfolio Investments in the Collateral Pool of such Borrower; provided that this paragraph (g) shall not apply to a Borrower and the other members in its Obligor Group at any time the sum of the Combined Debt Amount of such Borrower exceeds 67% of the Other Debt Amount of such Borrower;

h. no Portfolio Investment of such Borrower may be included in the Borrowing Base of such Borrower until such time as such Portfolio Investment has been Delivered (as defined in the Guarantee and Security Agreement to which such Borrower is a party) to the Collateral Agent, and then only for so long as such Portfolio Investment continues to be Delivered as contemplated therein; provided that in the case of any Portfolio Investment of such Borrower in which the Collateral Agent has a first-priority perfected security interest pursuant to a valid Uniform Commercial Code filing, such Portfolio Investment may be included in the Borrowing Base of such Borrower so long as all remaining actions to complete "Delivery" are satisfied within 7 days of such inclusion (or, until April 15, 2021, within thirty (30) days of such inclusion, or anytime, such longer period up to sixty (60) days as the Administrative Agent and the Collateral Agent may agree in their respective sole discretion); provided further that voting stock of any Controlled Foreign Corporation of such Borrower or such other Obligor in excess of 65% of the issued and outstanding voting stock of such Controlled Foreign Corporation shall not be included as a Portfolio Investment for purposes of calculating the Borrowing Base of such Borrower;

i. no Participation Interest (other than any Participation Interest sold to such Borrower or other Obligor by an Aggregator) may be included in the Borrowing Base of such Borrower for more than 90 days; and

j. if, as of such date, with respect to any Borrower, (i) the Borrowing Base (without giving effect to any adjustment required pursuant to this paragraph (j)), the "Gross Borrowing Base") is greater than or equal to 1.5 times the Senior Debt Amount and either (A) the Adjusted Debt to Equity Ratio is greater than or equal to 1.0:1.0 and less than 1.33:1.0, then such Borrower's Borrowing Base shall be reduced to the extent necessary such that the contribution of Senior Investments to such Borrower's Borrowing Base may not be less than 20% of the Borrowing Base or (B) the Adjusted Debt to

Equity Ratio is greater than or equal to 1.33:1.0, then such Borrower's Borrowing Base shall be reduced to the extent necessary such that the contribution of Senior Investments to such Borrower's Borrowing Base may not be less than 35% of the Borrowing Base, (ii) the

Gross Borrowing Base is greater than or equal to 1.25 times and less than 1.5 times the Senior Debt Amount and either (A) the Adjusted Debt to Equity Ratio is greater than or equal to 1.0:1.0 and less than 1.33:1.0, then such Borrower's Borrowing Base shall be reduced to the extent necessary such that the contribution of Senior Investments to such Borrower's Borrowing Base may not be less than 30% of the Borrowing Base or (B) the Adjusted Debt to Equity Ratio is greater than or equal to 1.33:1.0, then such Borrower's Borrowing Base shall be reduced to the extent necessary such that the contribution of Senior Investments to such Borrower's Borrowing Base may not be less than 40% of the Borrowing Base, (iii) the Gross Borrowing Base is less than 1.25 times the Senior Debt Amount and either (A) the Adjusted Debt to Equity Ratio is greater than or equal to 1.0:1.0 and less than 1.33:1.0, then such Borrower's Borrowing Base shall be reduced to the extent necessary such that the contribution of Senior Investments to such Borrower's Borrowing Base may not be less than 45% of the Borrowing Base or (B) the Adjusted Debt to Equity Ratio is greater than or equal to 1.33:1.0, then such Borrower's Borrowing Base shall be reduced to the extent necessary such that the contribution of Senior Investments to such Borrower's Borrowing Base may not be less than 60% of the Borrowing Base.

For the avoidance of doubt, (a) to avoid double-counting of excess concentrations, any Advance Rate reductions set forth under this Section 5.13 shall be without duplication of any other such Advance Rate reductions and (b) to the extent the Borrowing Base of a Borrower is required to be reduced to comply with this Section 5.13, such Borrower shall be permitted to choose the Portfolio Investments of such Borrower to be excluded from the Borrowing Base to effect such reduction.

As used herein, with respect to any Borrower or any other member of its Obligor Group, the following terms have the following meanings:

"Advance Rate" means, as to any Portfolio Investment of a Borrower and subject to adjustment as provided in Section 5.13(a) through (j), as applicable, the following percentages with respect to such Portfolio Investment:

	Less than 1.00x	1.00x ≤ Adjusted	1.33x ≤ Adjusted Debt	Adjusted Debt to Debt to Equity	to Equity Ratio < Equity Ratio	Ratio < 1.33x	2.00x
Portfolio Investments				Quoted	Unquote	Quoted	Unquoted

¹ For the avoidance of doubt, the above categories are intended to be indicative of the traditional investment types. All determinations of whether a particular Portfolio Investment belongs to one category or another shall be made by the applicable Borrower on a consistent basis with the foregoing. For example, (A) a secured bank loan at a holding company, the only assets of which are the shares of an operating company, may constitute Mezzanine Investments but would not ordinarily constitute a Bank Loan, (B) a Performing Principal Finance Asset that is a debt investment with respect to which any of the tranches junior to such Principal Finance Asset are not Performing may constitute Performing Principal Finance Preferred Stock Assets or Performing Principal Finance Common Equity Assets, as

applicable, but would not ordinarily constitute a Performing Principal Finance Debt Asset and (C) a Principal Finance Asset that is preferred equity with respect to which any of the tranches junior to such Principal Finance Asset are not Performing may constitute Performing Principal Finance Common Equity Assets, but would not ordinarily constitute a Performing Principal Finance Preferred Stock Asset.

the Borrower determines in good faith that such dissolution or liquidation is in the best interests of such Borrower;

(7) such Borrower and such other Obligor may sell, lease, transfer or otherwise dispose of equipment or other property or assets that do not consist of Portfolio Investments so long as the aggregate amount of all such sales, leases, transfer and dispositions does not exceed \$25,000,000 in any fiscal year;

(8) such Borrower and such other Obligor may transfer assets that such Borrower or such other Obligor, as applicable, would otherwise be permitted to own to an Excluded Asset for the sole purpose of facilitating the transfer of assets from one Excluded Asset of such Borrower (or a Subsidiary of such Borrower that was an Excluded Asset immediately prior to such disposition) to another Excluded Asset of such Borrower, directly or indirectly through such Borrower or such other Obligor, as applicable (such assets, the "Transferred Assets"); provided that (i) no Event of Default exists and is continuing at such time with respect to such Borrower or such other Obligor or would result from any such transfer to or by such Borrower or such other Obligor, as applicable, (ii) immediately after giving effect to such transfer and any Concurrent Transaction, the Covered Debt Amount of such Borrower shall not exceed the Borrowing Base of such Borrower at such time, (iii) the Transferred Assets are transferred to such Borrower or such other Obligor, as applicable, by the transferor Excluded Asset on the same Business Day that such assets are transferred by such Borrower or such other Obligor, as applicable, to the transferee Excluded Asset, and (iv) following such Transfer such Borrower or such other Obligor, as applicable, has no liability, actual or contingent, with respect to the Transferred Assets other than Standard Securitization Undertakings;

(12) such Borrower and such other Obligors may sell, transfer or otherwise dispose of any or all of its Equity Interests in Aggregators; provided that the portion of the Participation Interest attributable to such sold, transferred or otherwise disposed Equity Interests in Aggregators is not then included in the Borrowing Base of such Borrower and such sale, transfer or other disposition would otherwise be permitted under this Section 6.03 if such Equity Interests were Portfolio Investments sold, transferred or otherwise disposed of by an Obligor.

For purposes of this Section, the aggregate amount of an Investment at any time shall be deemed to be equal to (A) the aggregate amount of cash, together with the aggregate fair market value of property, loaned, advanced, contributed, transferred or otherwise invested that gives rise to such Investment (calculated at the time such Investment is made) minus (B) the aggregate amount of dividends, distributions or other payments received in cash in respect of such Investment; provided that in no event shall the aggregate amount of such Investment be deemed to be less than zero; and provided further that the amount of an Investment shall not in any event be reduced by reason of any write-off of such Investment nor increased by any increase in the amount of earnings retained in the Person in which such Investment or as a result of any other matter (other than any cash or assets contributed by or invested in such Investment).

SECTION 6.05. Restricted Payments. Such Borrower will not, nor will it permit any other member of its Obligor Group to, declare or make, or agree to pay or make, directly or indirectly, any Restricted Payment, except that such Borrower or such other Obligor may declare and pay:

For purposes of preparing such Borrowing Base Certificate, (A) the Value of any Quoted Investment shall be the most recent quotation available for such Portfolio Investment and (B) the Value of any Unquoted Investment shall be the Value set forth in the Borrowing Base Certificate with respect to such Borrower most recently delivered by such Borrower to the Administrative Agent and the Lenders pursuant to Section 5.01(d); provided that such Borrower shall reduce the Value of any Portfolio Investment referred to in this subclause (B) to the extent necessary to take into account any events of which such Borrower has knowledge that adversely affect the value of such Portfolio Investment;

In addition to the foregoing, such Borrower shall ensure that payments or distributions of the type described in this Section 6.05 made by an Excluded Asset of such Borrower are made ratably in accordance with the Equity Interests in such Excluded Asset.

In calculating the amount of Restricted Payments made by such Borrower during any period referred to in paragraph (b) above, any Restricted Payments made by such Borrower's Designated Subsidiaries or any of its other Excluded Assets that is a Subsidiary during such period (other than any such Restricted Payments that are made directly or indirectly to such Borrower and/or such other Obligor or ratably to such Borrower and/or such other Obligor and any other direct shareholder in any such Designated Subsidiary or Excluded Asset) shall be treated as Restricted Payments made by such Borrower during such period.

Nothing herein shall be deemed to prohibit the payment of Restricted Payments by any member of a Borrower's Obligor Group to any other member of such Obligor Group.

For the avoidance of doubt, (1) such Borrower shall not declare any dividend to the extent such declaration violates the provisions of the Investment Company Act applicable to it and (2) the determination of the amounts referred to in paragraph (b) above shall be made separately for the taxable year of such Borrower and the calendar year of such Borrower and the limitation on dividends or distributions imposed by such paragraphs shall apply separately to the amounts so determined.

SECTION 6.06. Certain Restrictions on Subsidiaries. Such Borrower will not permit any of its Subsidiaries (other than any Excluded Asset with respect to its assets) to enter into or suffer to exist any indenture, agreement, instrument or other arrangement (other than (i) the Loan Documents to which such Borrower and/or its Subsidiaries are a party, (ii) any indenture, agreement, instrument or other arrangement pertaining to other Indebtedness of such Borrower or any of its Subsidiaries permitted hereby to the extent any such indenture, agreement, instrument or other arrangement does not prohibit, in each case in any material respect, or impose materially adverse conditions upon, the requirements applicable to such Borrower and its Subsidiaries under the Loan Documents or (iii) any agreement, instrument or other arrangement pertaining to any lease, sale or other disposition of any asset permitted by this Agreement so long as the applicable restrictions (x) only apply to such assets and

(y) do not restrict prior to the consummation of such sale or disposition the creation or existence of the Liens in favor of the Collateral Agent pursuant to the Security Documents or otherwise required by this Agreement, or the incurrence of payment of

Indebtedness under this Agreement or the ability of such Borrower and its Subsidiaries to perform any other obligation under any of the Loan Documents) that prohibits, in each case in any material respect, or imposes materially adverse conditions upon, the incurrence or payment of Indebtedness of such Borrower, the granting of Liens by such Borrower, the declaration or payment of dividends by such Borrower, the making of loans, advances, guarantees or Investments or the sale, assignment, transfer or other disposition of property, in each case of such Borrower.

SECTION 6.07. Certain Financial Covenants.

(1) Minimum Shareholders' Equity. Such Borrower will not permit its Shareholders' Equity at the last day of any fiscal quarter of such Borrower to be less than the sum of (A) \$5,048,550,000 (in the case of FSK), plus (B) 37.5% of the net cash proceeds of the sale of Equity Interests by such Borrower after the Amendment No. 3 Effective Date (other than proceeds of any distribution or dividend reinvestment plan), plus (C) 65% of the increase in Shareholders' Equity of such Borrower solely resulting from a merger with any Person other than a Borrower measured as of the date of the consummation of such merger.

(2) Asset Coverage Ratio.

(1) In the case of any Listed Borrower, such Borrower will not permit its Asset Coverage Ratio to be, at any time, less than the greater of (x) 1.50 to 1.00 and (y) the statutory requirements then applicable to such Borrower.

(2) In the case of any Unlisted Borrower, such Borrower will not permit (A) its Asset Coverage Ratio to be, at any time, less than 1.75 to 1.00 or (B) its Asset Coverage Ratio (calculated including the effects of SEC Release No. 33837/April 8, 2020) to be, at any time, less than the statutory requirements then applicable to such Borrower.

SECTION 6.08. Transactions with Affiliates. Such Borrower will not, and will not permit any other member of its Obligor Group to enter into any transactions with any of its Affiliates, even if otherwise permitted under this Agreement, except (a) transactions in the ordinary course of business at prices and on terms and conditions not less favorable to such Borrower or such other Obligor, as applicable, than could be obtained on an arm's-length basis from unrelated third parties,

(b) transactions between or among such Borrower and any other member of its Obligor Group not involving any other Affiliate of such Obligor Group, (c) transactions and documents governing transactions permitted under Section 6.03 (including, for the avoidance of doubt, any Borrower Merger or any other merger or consolidation of one or more Borrowers and/or other Obligors), 6.04(e) and 6.05, (d) the Affiliate Agreements and the transactions provided in the Affiliate Agreements (in each case, as such agreements are amended, modified or supplemented from time to time in a manner

not materially adverse to the Lenders), (e) transactions described or referenced on Schedule IV, (f) any Investment that results in the creation of an Affiliate, (g) transactions with one or more Affiliates (including co-investments) as permitted by any SEC exemptive order (as may be amended from time to time), any no-action letter or as

otherwise permitted by applicable law, rule or regulation and SEC staff interpretations thereof, (h) the payment of compensation and reimbursement of expenses and indemnification to officers and directors in the ordinary course of business, (i) this Agreement and the other Loan Documents, and the transactions contemplated herein and therein, (j) agreements among the Borrowers, the other Obligor and/or their respective Affiliates entered into in connection with the administration of this Agreement and/or the other Loan Documents, and the transactions contemplated therein or (k) any Permitted Advisor Loan.

SECTION 6.09. Lines of Business. Such Borrower will not, nor will it permit any other member of its Obligor Group to, engage in any business in a manner that would violate its Investment Policies in any material respect.

SECTION 6.10. No Further Negative Pledge. Such Borrower will not, and will not permit any other member of its Obligor Group to, enter into any agreement, instrument, deed or lease which prohibits or limits in any material respect the ability of such Borrower or any other member of its Obligor Group to create, incur, assume or suffer to exist any Lien upon any of its properties, assets or revenues, whether now owned or hereafter acquired, or which requires the grant of any security for an obligation if security is granted for another obligation, except the following: (a) this Agreement and the other Loan Documents to which such Obligor is a party; (b) covenants in documents creating Liens permitted by Section 6.02 (including covenants with respect to Designated Indebtedness Obligations or Designated Indebtedness Holders under (and in each case, as defined in) the Guarantee and Security Agreement to which such Obligor is a party) prohibiting further Liens on the assets encumbered thereby; (c) customary restrictions contained in leases not subject to a waiver; (d) any agreement that imposes such restrictions only on Equity Interests in Excluded Assets of such Borrower; and (e) any other agreement that does not restrict in any manner (directly or indirectly) Liens created pursuant to the Loan Documents to which such Obligor is a party on any Collateral securing the "Secured Obligations" under and as defined in the Guarantee and Security Agreement to which such Obligor is a party and does not require (other than pursuant to a grant of a Lien under the Loan Documents to which such Obligor is a party) the direct or indirect granting of any Lien securing any Indebtedness or other obligation by virtue of the granting of Liens on or pledge of property of such Borrower or such other Obligor to secure the Loans made to such Borrower, or any Hedging Agreement of such Borrower or such other Obligor.

SECTION 6.11. Modifications of Certain Documents. Such Borrower will not consent to any modification, supplement or waiver of (a) any of the provisions of any agreement, instrument or other document evidencing or relating to any Permitted Indebtedness, any Special Longer-Term Unsecured Indebtedness, the FSK Notes and any Shorter-Term Unsecured Indebtedness that would result in such Permitted Indebtedness not meeting the requirements of the definition of "Permitted Indebtedness", such Special Longer-Term Unsecured Indebtedness not meeting the

requirements of the definition of "Special Longer-Term Unsecured Indebtedness", the FSK Notes, as applicable, not meeting the requirements of the definition of "Unsecured Longer-Term Indebtedness" (other than clause (2)(a) thereof), such Shorter-Term

Unsecured Indebtedness not meeting the requirements of the definition of "Shorter-Term Unsecured Indebtedness", in each case, set forth in Section 1.01 of this Agreement, unless following such amendment, modification or waiver, such Permitted Indebtedness, such Special Longer-Term Unsecured Indebtedness, the FSK Notes or such Shorter-Term Unsecured Indebtedness would otherwise be permitted under Section 6.01, or (b) any of the Affiliate Agreements to which such Borrower is a party (i) other than in connection with a Borrower Merger or (ii) unless such modification, supplement or waiver is not materially less favorable to such Borrower than could be obtained on an arm's-length basis from unrelated third parties, in each case, without the prior consent of the Administrative Agent (with the approval of the Required Lenders).

Without limiting the foregoing, such Borrower may, at any time and from time to time, without the consent of the Administrative Agent or the Required Lenders, freely amend, restate, terminate, or otherwise modify any documents, instruments and agreements evidencing, securing or relating to Indebtedness of such Borrower permitted pursuant to Section 6.01(d), including increases in the principal amount thereof, modifications to the advance rates and/or modifications to the interest rate, fees or other pricing terms so long as following any such action such Indebtedness continues to be permitted under Section 6.01(d).

SECTION 6.12. Payments of Other Indebtedness. Such Borrower will not, nor will it permit any other member of its Obligor Group to, purchase, redeem, retire or otherwise acquire for value, or set apart any money for a sinking, defeasance or other analogous fund for the purchase, redemption, retirement or other acquisition of, or make any voluntary payment or prepayment of the principal of or interest on, or any other amount owing in respect of, any Permitted Indebtedness or any Indebtedness of such Borrower that is not then included in the Covered Debt Amount of such Borrower, except for:

- (1) the refinancing of such Indebtedness (other than any Permitted Advisor Loan or the FSK 2025-3 Notes, which are addressed in clauses (e) and (f) below, respectively) with Indebtedness permitted under Section 6.01(b) or with the proceeds of any issuance of Equity Interests;
- (2) regularly scheduled payments, prepayments or redemptions of principal and interest in respect thereof required pursuant to the instruments evidencing such Indebtedness and the payment when due of the types of fees and expenses that are customarily paid in connection with such Indebtedness (it being understood that: (w) the conversion features into Permitted Equity Interests under convertible notes; (x) the triggering of such conversion and/or settlement thereof solely with Permitted Equity Interests; and (y) any cash payment on account of interest or expenses or fractional shares on such convertible notes made by such Borrower in respect of such triggering and/or settlement thereof, shall be permitted under this clause (b));
- (3) payments and prepayments thereof required to comply with requirements of Section 2.09(c) or 2.06(d);

(4) other payments and prepayments, which may, for the avoidance of doubt, be made with proceeds of the Loans (including, without limitation, with respect to FSK (or any successor), payments and prepayments of the FSK Notes, but excluding, with respect to FSK (or any successor), payments and prepayments of the FSK 2025-3 Notes or, with respect to any Obligor, any Permitted Advisor Loan, which are addressed in clauses (e) and (f) below, respectively), so long as at the time of and immediately after giving effect to such payment or prepayment, as applicable, (i) no Default or Event of Default shall have occurred and be continuing with respect to such Borrower and (ii) if such payment or prepayment, as applicable, were treated as a "Restricted Payment" for the purposes of determining compliance with Section 6.05(e), such payment or prepayment, as applicable, would be permitted to be made under Section 6.05(e);

(5) with respect to FSK (or any successor), any payments and prepayments with respect to the FSK 2025-3 Notes so long as, (i) at the time of and immediately after giving effect to such payment or prepayment, as applicable, no Default or Event of Default shall have occurred and be continuing with respect to FSK and (ii) the Borrowing Base of FSK immediately after giving effect to such payment or prepayment, as applicable, is at least 110% of the Covered Debt Amount of FSK;

(6) any payments and prepayments with respect to any Permitted Advisor Loan so long as, (i) at the time of and immediately after giving effect to such payment or prepayment, as applicable, no Default or Event of Default shall have occurred and be continuing with respect to the applicable Borrower and (ii) the Borrowing Base of such Borrower immediately after giving effect to such payment or prepayment, as applicable, is at least 110% of the Covered Debt Amount of such Borrower; and

(7) payments and prepayments of Contingent Secured Indebtedness;

provided that, in no event shall such Borrower or any other member of its Obligor Group be permitted to prepay or settle (whether as a result of a mandatory redemption, conversion or otherwise) any such Indebtedness, if after giving effect thereto and to any Concurrent Transactions, the Covered Debt Amount of such Borrower would exceed the Borrowing Base of such Borrower; provided further that, no Borrower shall be permitted to give any notice of prepayment or redemption to any holders of Indebtedness not included in the Covered Debt Amount of such Borrower, if, at the time of the giving of such notice, the inclusion of such Indebtedness in the Covered Debt Amount of such Borrower, after giving effect to any Concurrent Transactions, would result in a Borrowing Base Deficiency with respect to such Borrower.

("Events of Default") shall occur and be continuing with respect to such Borrower (but only with respect to such Borrower and not with respect to any other Borrower):

- (1) such Borrower shall (i) fail to pay any principal of any Loan made to such Borrower or any reimbursement obligation in respect of any LC Disbursement with respect to such Borrower when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for prepayment thereof or otherwise or (ii) fail to deposit any amount into the Letter of Credit Collateral Account of such Borrower as required by Section 2.08(a) on the Commitment Termination Date;
- (2) such Borrower shall fail to pay any interest on any Loan made to such Borrower or any fee or any other amount (other than an amount referred to in clause (a) of this Article) payable by such Borrower under this Agreement or under any other Loan Document to which such Borrower or any other member of its Obligor Group is a party, when and as the same shall become due and payable, and such failure shall continue unremedied for a period of five or more Business Days;
- (3) any representation or warranty made (or deemed made pursuant to Section 4.02) by or on behalf of such Borrower or any of its Subsidiaries in or in connection with this Agreement or any other Loan Document to which such Borrower or any other member of its Obligor Group is a party or any amendment or modification hereof or thereof, or in any report, certificate, financial statement or other document furnished by or on behalf of such Borrower or any of its Subsidiaries pursuant to or in connection with this Agreement or any other Loan Document to which such Borrower or any other member of its Obligor Group is a party or any amendment or modification hereof or thereof, shall prove to have been incorrect when made or deemed made in any material respect; provided that, such Borrower may cure any Default or Event of Default arising solely from the delivery of any certificate or report with an inaccuracy, by delivering within three (3) Business Days of knowledge by such Borrower thereof a corrected certificate or report so long as (i) any Borrowing, sale, disposition or other action of such Borrower or any other member of its Obligor Group that was taken in reliance on such certificate or report containing such inaccuracy would have also been permitted hereunder if such Borrowing, sale, disposition or other action had been taken in reliance on the corrected certificate or report and (ii) such Borrower did not have knowledge of such inaccuracy at the time such certificate or report that included such inaccuracy was delivered;
- (4) such Borrower shall fail to observe or perform any covenant, condition or agreement contained in (i) Section 5.03 (with respect to such Borrower's existence), Sections 5.08(a) and (b), Section 5.09 (solely with respect to a violation of applicable Sanctions), or in Article VI or such Borrower or any other member of its Obligor Group shall default in the performance of any of its obligations contained in Section 7 of the Guarantee and Security Agreement to which such Borrower is a party, or

(ii) Sections 5.01(d) and (e), or Section 5.02 and such failure, in the case of this clause (ii), shall continue unremedied for a period of five or more Business Days after notice thereof by the Administrative Agent (given at the request of any Lender) to such Borrower; provided that to the extent failure of such Borrower or any other member of its

Obligor Group to "Deliver" (as defined in the Guarantee and Security Agreement to which it is a party) any particular Investment to the extent required by Section 7.01 of the Guarantee and Security Agreement to which it is a party would not constitute a Default or an Event of Default of such Borrower under Section 7.01(p) (assuming such investments were included in the Collateral Pool), such failure to Deliver shall not constitute a Default of such Borrower under this clause (d);

(5) a Borrowing Base Deficiency or Contingent Borrowing Base Deficiency with respect to such Borrower shall occur and continue unremedied for a period of five or more Business Days after delivery of a Borrowing Base Certificate demonstrating such Borrowing Base Deficiency or such Contingent Borrowing Base Deficiency pursuant to Section 5.01(e); provided that it shall not be a Specified Default or an Event of Default hereunder if such Borrower shall present the Administrative Agent with a reasonably feasible plan to enable such Borrowing Base Deficiency or such Contingent Borrowing Base Deficiency to be cured within 30 Business Days (which 30-Business Day period shall include the five Business Days permitted for delivery of such plan), so long as such Borrowing Base Deficiency or such Contingent Borrowing Base Deficiency is cured within such 30-Business Day period; provided further, such thirty (30) Business Day period shall be extended to a forty-five (45) Business Day period solely to the extent as provided in Section 2.09(c) or 2.09(d), as applicable, in order to cure any failure to satisfy Section 5.13(j);

(6) such Borrower or any other member of its Obligor Group, as applicable, shall fail to observe or perform any covenant, condition or agreement with respect to such Borrower or such other Obligor contained in this Agreement (other than those specified in clause (a), (b), (d), or (e) of this Article) or any other Loan Document to which such Borrower or such other Obligor is a party and such failure shall continue unremedied for a period of 30 or more days after notice thereof from the Administrative Agent (given at the request of any Lender) to such Borrower;

(7) such Borrower or any of its Subsidiaries shall fail to make any payment (whether of principal or interest and regardless of amount) in respect of any Material Indebtedness of such Borrower, when and as the same shall become due and payable, taking into account (other than with respect to payments of principal) any applicable grace period;

(8) any event or condition occurs that results in any Material Indebtedness of such Borrower or any of its Subsidiaries (i) becoming due prior to its scheduled maturity or (ii) that shall continue unremedied for any applicable period of time sufficient to enable or permit the holder or holders of any Material Indebtedness of such Borrower or such Subsidiary or any trustee or agent on its or their behalf to, as a result of an event of default under such Material Indebtedness, cause any Material Indebtedness of such Borrower or such Subsidiary to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity (for the avoidance of doubt, after giving effect to any applicable grace

period), unless, in the case of this clause (ii), so long as all Subcommitments have not been terminated with respect to such Borrower and the Loans made to such Borrower declared due and payable in whole, such event or condition is no longer continuing or has been waived in

accordance with the terms of such Material Indebtedness such that the holder or holders thereof or any trustee or agent on its or their behalf are no longer enabled or permitted to cause such Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; provided that this clause (h) shall not apply (1) to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, (2) to convertible debt that becomes due as a result of a conversion or redemption event, other than as a result of an "event of default" (as defined in the documents governing such convertible Material Indebtedness), (3) to any Indebtedness of a Designated Subsidiary that becomes due as a result of a breach of an overcollateralization test or borrowing base deficiency, or a customary "change of control" put right in any indenture, provided that clause (h)(ii) shall apply to any such Indebtedness in this clause (3) to the extent that the event or condition giving rise to the circumstances in clause (h)(ii) is a payment or insolvency default or (4) in the case of clause (h)(ii), to any Indebtedness of a Designated Subsidiary to the extent the event or condition giving rise to the circumstances in clause (h)(ii) was not a payment or insolvency default;

(9) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of such Borrower or any of its Significant Subsidiaries (or group of Subsidiaries of such Borrower that if consolidated would constitute a Significant Subsidiary of such Borrower) or its debts, or of a substantial part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for such Borrower or any of its Significant Subsidiaries (or group of Subsidiaries of such Borrower that if consolidated would constitute a Significant Subsidiary of such Borrower) or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed and unstayed for a period of 60 or more days or an order or decree approving or ordering any of the foregoing shall be entered;

(10) such Borrower or any of its Significant Subsidiaries (or group of Subsidiaries of such Borrower that if consolidated would constitute a Significant Subsidiary of such Borrower) shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (i) of this Article, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for such Borrower or any of its Significant Subsidiaries (or group of Subsidiaries of such Borrower that if consolidated would constitute a Significant Subsidiary of such Borrower) or for a substantial part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) take any action for the purpose of effecting any of the foregoing;

(11) such Borrower or any of its Significant Subsidiaries (or group of Subsidiaries of such Borrower that if consolidated would constitute a Significant

Subsidiary of such Borrower) shall become unable, admit in writing its inability or fail generally to pay its debts as they become due;

(12) one or more judgments for the payment of money in an aggregate amount exceeding \$200,000,000 shall be rendered against such Borrower or any of its Subsidiaries or any combination thereof and (i) the same shall remain undischarged for a period of 30 consecutive days following the entry of such judgment during which 30 day period such judgment shall not have been vacated, stayed, discharged or bonded pending appeal, or liability for such judgment amount shall not have been admitted by an insurer of reputable standing, or (ii) any action shall be legally taken by a judgment creditor to attach or levy upon any assets of such Borrower or any of its Subsidiaries to enforce any such judgment;

(13) an ERISA Event with respect to such Borrower shall have occurred that, when taken together with all other ERISA Events with respect to such Borrower that have occurred, could reasonably be expected to result in a Material Adverse Effect with respect to such Borrower;

(14) a Change in Control with respect to such Borrower shall occur;

(15) neither FS/KKR Advisor (so long as it is a joint venture entity between (i) KKR Credit Advisors (US) LLC and/or one or more of its Affiliates and (ii) Franklin Square Holdings, L.P. and/or one or more of its Affiliates, and pursuant to which joint venture (x) KKR Credit Advisors (US) LLC and/or one or more of its Affiliates owns at least 50% of the voting equity interests of all classes and (y) of the members of the investment committee with the sole authority to make investment-related decisions for the joint venture, at least 50% are employees, partners, managers and/or members of KKR Credit Advisors (US) LLC and/or one or more of its Affiliates (and, for the avoidance of doubt, no such investment-related decision will be made without the consent of such employees, partners, managers and/or members, except if one or more of such employees, partners, managers and/or members recuses himself or herself in connection with an actual or perceived conflict of interest or any other determination by such person, is incapacitated or is otherwise unable to provide consent)) nor any Subsidiary of FS/KKR Advisor that is organized under the laws of a jurisdiction located in the United States of America and in the business of managing or advising clients shall be the investment advisor for such Borrower;

(16) the Liens created by the Security Documents to which such Borrower or any other member of its Obligor Group is a party shall, at any time with respect to Portfolio Investments included in the Collateral Pool of such Borrower having an aggregate Value in excess of 5% of the aggregate Value of all Portfolio Investments included in the Collateral Pool of such Borrower, not be valid and perfected (to the extent perfection by filing, registration, recordation, possession or control is required herein or therein) in favor of the Collateral Agent, free and clear of all other Liens (other than Liens permitted under Section 6.02 or under the respective Security Documents to which

such Borrower or any other member of its Obligor Group is a party); provided that if such default is as a result of any action of the Administrative Agent or the Collateral Agent or

a failure of the Administrative Agent or the Collateral Agent to take any action within its control, then there shall be no Default or Event of Default hereunder unless such default shall continue unremedied for a period of ten (10) consecutive Business Days after such Borrower receives written notice of such default thereof from the Administrative Agent unless the continuance thereof is a result of a failure of the Administrative Agent or the Collateral Agent to take an action within their control;

(17) except for expiration or termination in accordance with its terms, any of the Security Documents to which such Borrower or any other member of its Obligor Group is a party shall for whatever reason be terminated or cease to be in full force and effect in any material respect, or the enforceability thereof shall be contested by such Borrower or any other member of its Obligor Group;

(18) such Borrower or any other member of its Obligor Group shall at any time, without the consent of the Required Lenders, (i) modify, supplement or waive in any material respect its Investment Policies (other than any modification, supplement or waiver required by any applicable law, rule or regulation or Governmental Authority); provided that a modification, supplement or waiver shall not be deemed a modification in any material respect of its Investment Policies if the effect of such modification, supplement or waiver is that the permitted investment size of the Portfolio Investments proportionately increases as the size of such Borrower's capital base changes; (ii) modify, supplement or waive in any material respect its Valuation Policy (other than any modification, supplement or waiver (w) required under GAAP, (x) required by any applicable law, rule or regulation or Governmental Authority, or (y) when taken as a whole is not adverse to the Lenders when compared to its Valuation Policy in effect as of the Amendment No. 3 Effective Date), (iii) fail to comply with its Valuation Policy in any material respect, or (iv) fail to comply with its Investment Policies if such failure could reasonably be expected to result in a Material Adverse Effect with respect to such Borrower, and in the case of clauses (iii) and (iv) of this paragraph (r), such failure shall continue unremedied for a period of 30 or more days after the earlier of notice thereof by the Administrative Agent (given at the request of any Lender) to such Borrower or knowledge thereof by a Financial Officer of such Borrower;

then, and in every such event (other than an event described in clause (i) or (j) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to such Borrower, take either or both of the following actions, at the same or different times: (i) terminate all Subcommitments to such Borrower, and thereupon such Subcommitments shall be permanently terminated, and

(ii) declare the Loans made to such Borrower then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of such Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of such Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by such Borrower;

ARTICLE VIII

THE ADMINISTRATIVE AGENT

Each of the Lenders and the Issuing Banks hereby irrevocably appoints the Administrative Agent as its agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto.

Each of the Lenders and the Issuing Banks hereby irrevocably appoints the Collateral Agent as the collateral agent hereunder and under the other Loan Documents and authorizes the Collateral Agent to have all the rights and benefits hereunder and thereunder (including Section 9 of the Guarantee and Security Agreement), and to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such Person and its Affiliates may accept deposits from, lend money to, make investments in and generally engage in any kind of business trust or other business with any Borrower or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder and such Person and its Affiliates may accept fees and other consideration from any Borrower or any Subsidiary or other Affiliate thereof for services in connection with this Agreement or otherwise without having to account for the same to the other Lenders.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. The motivations of the

Administrative Agent are commercial in nature and not to invest in the general performance or operations of any Borrower. Without limiting the generality of the foregoing, (a) the

Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing with respect to any Borrower, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise in writing by the Required Lenders, and (c) except as expressly set forth herein and in the other Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Borrower or any of its Subsidiaries that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default with respect to a Borrower unless and until written notice thereof is given to the Administrative Agent by such Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein or therein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any e-mail, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective

activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

The Administrative Agent may resign at any time by notifying the Lenders, the Issuing Banks and the Borrowers. Upon any such resignation, the Required Lenders shall have the right, with the consent of the Borrowers not to be unreasonably withheld (or, if an Event of Default has occurred and is continuing with respect to a Borrower, in consultation with such Borrower), to appoint a successor, which is a Lender. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent's resignation shall nonetheless become effective except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Banks under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed and (1) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and (2) the Required Lenders shall perform the duties of the Administrative Agent (and all payments and communications provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly) until such time as the Required Lenders appoint a successor agent as provided for above in this paragraph. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder (if not already discharged therefrom as provided above in this paragraph). The fees payable by each Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between such Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 9.03 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Administrative Agent.

Each Lender, Swingline Lender and Issuing Bank represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility, (ii) in participating as a Lender, it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender or Issuing Bank, in each case in the ordinary course of business, and not for the purpose of investing in the general performance or operations of any Borrower, or for the purpose of purchasing, acquiring or holding any other type of financial instrument such as a security (and each Lender and each Issuing Bank agrees not to assert a claim in contravention of the foregoing, such as a claim under the federal or state securities law), (iii) it has, independently and without reliance upon the Administrative Agent or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder and (iv) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such Issuing Bank, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities. Each Lender and each Issuing Bank also acknowledges that it will, independently and

without reliance upon the Administrative Agent or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information

Except as otherwise provided in Section 9.02(b) with respect to this Agreement, the Administrative Agent may, with the prior consent of the Required Lenders (but not otherwise), consent to any modification, supplement or waiver under any of the Loan Documents; provided that, without the prior consent of each Lender, the Administrative Agent shall not (except as provided herein or in the Security Documents) release all or substantially all of the Collateral or otherwise terminate all or substantially all of the Liens under any Security Document providing for collateral security, agree to additional obligations being secured by all or substantially all of such collateral security, or alter the relative priorities of the obligations entitled to the benefits of the Liens created under the Security Documents with respect to all or substantially all of the Collateral of any Borrower, except that no such consent shall be required, and the Administrative Agent is hereby authorized, to (1) release (which such release shall be automatic and require no further action from any party) any Lien covering property that is the subject of either a disposition of property permitted hereunder or a disposition to which the Required Lenders have consented, (2) release from any Guarantee and Security Agreement any "Subsidiary Guarantor" (and any property of such Subsidiary Guarantor) that is designated as a "Designated Subsidiary" by the applicable Borrower or becomes an Excluded Asset or an Immaterial Subsidiary with respect to a Borrower in accordance with this Agreement or which is no longer required to be a "Subsidiary Guarantor", so long as in the case of this clause (2): (A) immediately after giving effect to any such release and any Concurrent Transactions, the Covered Debt Amount of such Borrower does not exceed the Borrowing Base of such Borrower and such Borrower delivers a certificate of a Financial Officer to such effect to the Administrative Agent, (B) either, immediately after giving effect to any Concurrent Transactions (I) the amount of any excess availability under the Borrowing Base of such Borrower immediately prior to such release is not diminished as a result of such release or (II) the Adjusted Gross Borrowing Base of such Borrower immediately after giving effect to such release is at least 110% of the Covered Debt Amount of such Borrower and (C) no Specified Default or Event of Default has occurred and is continuing with respect to such Borrower, (3) spread Liens to any Designated Indebtedness of a Borrower or Hedging Agreement Obligations (as such terms are defined in the Guarantee and Security Agreement to which such Borrower is a party) in accordance with the Guarantee and Security Agreement to which such Borrower is a party and (4) release from any Guarantee and Security Agreement any Obligor (and any property of such Obligor) that is concurrently being joined as an Obligor under any other Guarantee and Security Agreement in connection with a transaction permitted hereunder.

None of the Syndication Agent, any Documentation Agent or any Joint Lead Arranger shall have obligations or duties whatsoever in such capacity under this Agreement or

any other Loan Document and shall incur no liability hereunder or thereunder in such capacity, but all such persons shall have the benefit of the indemnities provided for hereunder.

Each Lender and Issuing Bank hereby agrees that (x) if the Administrative Agent notifies such Lender or Issuing Bank that the Administrative Agent has determined in its sole

discretion that any funds received by such Lender or Issuing Bank from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender or Issuing Bank (whether or not known to such Lender or Issuing Bank), and demands in writing the return of such Payment (or a portion thereof), such Lender or Issuing Bank shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender or Issuing Bank shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender or Issuing Bank pursuant to the foregoing shall be conclusive, absent manifest error.

Each Lender and Issuing Bank hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender and Issuing Bank agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender or Issuing Bank shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

Each Borrower and each other member of its Obligor Group hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender or Issuing Bank that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender or Issuing Bank with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any obligations owed by such Borrower or any other member of its Obligor Group, except, in each case, to the extent such Payment is, and solely with respect to the amount of such Payment that is, comprised of funds received by the Administrative Agent from such

Borrower or such other member of its Obligor Group for the purpose of making any payment hereunder.

(2) Electronic Communications. Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic

communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or any Issuing Bank pursuant to Article II if such Lender or such Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under

such Article by electronic communication. The Administrative Agent or any Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Unless otherwise notified by the Administrative Agent to the Borrowers, the Borrowers may satisfy their respective obligations to deliver documents or notices to the Administrative Agent or the Lenders under Sections 5.01 and 5.02 by delivering an electronic copy to: michelle.keese@chase.com, or such other e-mail address(es) as provided to the Borrowers in a notice from the Administrative Agent, (and the Administrative Agent shall promptly provide notice thereof to the Lenders).

(3) Documents to be Delivered under Sections 5.01 and 5.02. For so long as an Intralinks™ or equivalent website is available to each of the Lenders hereunder, each Borrower may satisfy its obligation to deliver documents to the Administrative Agent or the Lenders under Sections 5.01 and 5.02 by delivering either an electronic copy in the manner specified in Section 9.01(b) or a notice identifying the website where such information is located for posting by the Administrative Agent on Intralinks™ or such equivalent website; provided that the Administrative Agent shall have no responsibility to maintain access to Intralinks™ or an equivalent website.

SECTION 9.02. Waivers; Amendments.

(1) No Deemed Waivers; Remedies Cumulative. No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they

would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Borrower

therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(2) Amendments to this Agreement. Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the applicable Borrowers and the Required Lenders or by the applicable Borrowers and the Administrative Agent with the consent of the Required Lenders (it being understood that in no event will any waiver, amendment or modification apply to any Borrower without the prior written consent of such Borrower); provided that, no such agreement shall:

- (1) increase the Commitment of any Lender without the written consent of such Lender,
- (2) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon (other than the application of any interest accrued pursuant to Section 2.11(d)), or reduce any fees payable hereunder, without the written consent of each Lender directly affected thereby,
- (3) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly affected thereby,
- (4) change Section 2.17(b), (c) or (d) in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender directly adversely affected thereby,
- (5) change any of the provisions of this Section or the definition of the term "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender,
- (6) other than as permitted by this Agreement, the applicable Guarantee and Security Agreement or any other applicable Loan Document, release all or substantially all of the Collateral from the Lien created under such Guarantee and Security Agreement or release all or substantially all of the Obligors from their obligations as Subsidiary Guarantors thereunder, without the written consent of each Lender,

(7) amend the definition of “Applicable Percentage”, “Applicable Dollar Percentage” or “Applicable Multicurrency Percentage”, without the written consent of each Lender directly affected thereby, or

- (8) amend, modify or waive any provision of Section 2.21 without the consent of each Lender directly and adversely affected thereby;

provided further that (x) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, any Swingline Lender or any Issuing Bank hereunder without the prior written consent of the Administrative Agent, such Swingline Lender or such Issuing Bank, as the case may be and (y) the consent of Lenders holding not less than two-thirds of the holders of the total Revolving Credit Exposures with respect to the applicable Borrower and unused Subcommitments with respect to such Borrower will be required for any adverse change (from the Lenders' perspective) affecting the provisions of this Agreement solely relating to the calculation of the Borrowing Base of such Borrower (excluding changes to the provisions of Section 5.12(b) (iii) or (iv), but including changes to the provisions of Section 5.12(c)(ii) and the definitions set forth in Section 5.13) unless otherwise expressly provided herein.

For purposes of this Section, the "scheduled date of payment" of any amount shall refer to the date of payment of such amount specified in this Agreement, and shall not refer to a date or other event specified for the mandatory or optional prepayment of such amount. In addition, whenever a waiver, amendment or modification requires the consent of a Lender "affected" thereby, such waiver, amendment or modification shall, upon consent of such Lender, become effective as to such Lender whether or not it becomes effective as to any other Lender, so long as the Required Lenders consent to such waiver, amendment or modification as provided above.

Anything in this Agreement to the contrary notwithstanding, no waiver or modification of any provision of this Agreement or any other Loan Document that could reasonably be expected to adversely affect the Lenders of any Class in a manner that does not affect all Classes equally shall be effective against the Lenders of such Class unless the Required Lenders of such Class shall have concurred with such waiver, amendment or modification as provided above; provided, however, in no other circumstances shall the concurrence of the Required Lenders of a particular Class be required for any waiver, amendment or modification of any provision of this Agreement or any other Loan Document.

(3) Amendments to Security Documents. Except to the extent otherwise expressly set forth in the applicable Guarantee and Security Agreement or the other Loan Documents, no Security Document nor any provision thereof may be waived, amended or modified, nor may the Liens granted under such Guarantee and Security Agreement be spread to secure any additional obligations (excluding (x) any increase in the Loans made to any Borrower and Letters of Credit issued on behalf of any Borrower hereunder pursuant to a Commitment Increase under Section 2.07(e), (y) any increase in any Other Secured Indebtedness permitted hereunder and (z) the spreading of such Liens to any Designated Indebtedness or Hedging Agreement Obligations (as such terms are defined in the applicable Guarantee and Security Agreement) as provided for in the applicable Guarantee and Security Agreement) except pursuant to an agreement or agreements in writing entered into by the applicable Borrower and the Collateral Agent with the consent of the Required Lenders;

provided that, except as otherwise expressly permitted by the Loan Documents to which the applicable Borrower is a party, (i) without the written consent of each Lender, no such agreement shall release all or substantially all of the members of any Borrower's Obligor Group from their respective

obligations under the Security Documents to which such Borrower or any other member of its Obligor Group is a party and (ii) except as otherwise expressly permitted by the Loan Documents, without the written consent of each Lender, no such agreement shall release all or substantially all of the collateral security or otherwise terminate all or substantially all of the Liens under the Security Documents to which such Borrower or any other member of its Obligor Group is a party, alter the relative priorities of the obligations entitled to the Liens created under the Security Documents to which such Borrower or any other member of its Obligor Group is a party (except in connection with securing additional obligations equally and ratably with the Loans made to such Borrower and other obligations of such Borrower hereunder) with respect to all or substantially all of the collateral security provided thereby, or release all or substantially all of the guarantors under the Guarantee and Security Agreement to which such Borrower is a party from their guarantee obligations thereunder, except that, in each case described in clause (i) or (ii), no such consent shall be required, and the Administrative Agent is hereby authorized (and so agrees with each Borrower) to direct the Collateral Agent under the Guarantee and Security Agreement to which such Borrower is a party (in addition to the rights of such parties under the Guarantee and Security Agreement to which such Borrower is a party), to (1) release any Lien covering property (and to release any such guarantor) that is the subject of either a disposition of property permitted hereunder (including, without limitation, any property subject to a participation or repurchase transaction not prohibited hereunder) or a disposition to which the Required Lenders or the required number or percentage of Lenders have consented (and such Lien shall be released automatically (A) to the extent provided in Section 10.03 of the Guarantee and Security Agreement to which such Borrower is a party and (B) to the extent permitted hereunder in connection with any property becoming subject to a participation or repurchase transaction), (2) release from any Guarantee and Security Agreement any "Subsidiary Guarantor" (and any property of such Subsidiary Guarantor) that is designated as a "Designated Subsidiary" by the applicable Borrower, becomes an Excluded Asset or an Immaterial Subsidiary of the applicable Borrower in accordance with this Agreement or is otherwise no longer required to be a "Subsidiary Guarantor" of such Borrower (including, without limitation, because it ceases to be consolidated on the applicable Borrower's financial statements) and, so long as (A) after giving effect to any such release under this clause (2) and any Concurrent Transactions, the Covered Debt Amount of such Borrower does not exceed the Borrowing Base of such Borrower and such Borrower delivers a certificate of a Financial Officer of such Borrower to such effect to the Administrative Agent, (B) immediately after giving effect to any Concurrent Transactions, either

(I) the amount of any excess availability under the Borrowing Base of such Borrower immediately prior to such release is not diminished as a result of such release or (II) the Adjusted Gross Borrowing Base of such Borrower immediately after giving effect to such release is at least 110% of the Covered Debt Amount of such Borrower and (C) no Specified Default or Event of Default has occurred and is continuing with respect to such Borrower and (3) release from any Guarantee and Security Agreement any Obligor (and any property of such Obligor) that is concurrently being joined as an Obligor under any other Guarantee and Security Agreement in connection with a transaction permitted hereunder.

- (4) Replacement of Non-Consenting Lender. If, in connection with any proposed change, waiver, amendment, consent, discharge or termination to any of the

provisions of this Agreement requiring (i) the consent of “each Lender” or “each Lender affected thereby” or (ii) the consent of “two-thirds of the holders of the total Revolving Credit Exposures with respect to the applicable Borrower and unused Subcommitments with respect to such Borrower”

that has been approved by the Required Lenders, the consent of one or more Lenders whose consent is required for such proposed change, waiver, amendment, consent, discharge or termination is not obtained, or if any Lender shall decline to consent to the addition of a "Borrower" pursuant to Section 9.19, then (so long as no Event of Default has occurred and is continuing with respect to any Borrower) the Borrowers shall have the right, at their sole cost and expense, to replace each such non-consenting Lender or Lenders with one or more replacement Lenders pursuant to Section 2.19(b) so long as at the time of such replacement, each such replacement Lender consents to the proposed change, waiver, discharge, termination or addition.

SECTION 9.03. Expenses; Indemnity; Damage Waiver.

(1) Costs and Expenses. Each Borrower shall, severally and not jointly, pay (solely with respect to obligations owed by such Borrower and on behalf of such Borrower, and not with respect to obligations owed by or on behalf of any other Borrower) (i) all reasonable and documented out-of-pocket expenses incurred with respect to such Borrower by the Administrative Agent and its Affiliates (with respect to legal fees, limited to the reasonable and documented out-of-pocket fees, charges and disbursements of one outside counsel for the Administrative Agent and its Affiliates collectively) (whether or not the transactions contemplated hereby or thereby shall be consummated), subject to any limitation previously agreed in writing, (ii) all reasonable and documented out-of-pocket expenses incurred by the applicable Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit on behalf of such Borrower or any demand for payment by such Borrower thereunder, (iii) all reasonable and documented out-of-pocket expenses incurred with respect to such Borrower by the Administrative Agent, the applicable Issuing Bank or any Lender (with respect to legal fees, limited to the documented fees, charges and disbursements of one outside counsel (and, in the case of an actual conflict of interest where the Administrative Agent, the applicable Issuing Bank or any Lender affected by such conflict informs such Borrower of such conflict and thereafter retains its own counsel, another firm of counsel for any such affected Person) for the Administrative Agent, the applicable Issuing Bank and any Lender collectively), in connection with the enforcement or protection of such Person's respective rights in connection with this Agreement and the other Loan Documents to which such Borrower or any other member of its Obligor Group is a party, including its rights under this Section, or in connection with the Loans made to such Borrower or Letters of Credit issued on behalf of such Borrower hereunder, including all such documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect thereof and (iv) all reasonable and documented out-of-pocket costs, expenses, taxes, assessments and other charges incurred in connection with any filing, registration, recording or perfection of any security interest in such Borrower's assets contemplated by any Security Document to which such Borrower or any other member of its Obligor Group is a party or any other document referred to therein. All amounts payable under this paragraph (a) that are not attributable solely to a specific Borrower (as a result of such payment obligations arising out of Borrowings of such Borrower or breaches or violation by such Borrower of the terms hereof or of applicable law) shall be the several obligations of all Borrowers, allocated on a Pro-Rata Basis or otherwise as equitably allocated among the Borrowers and notified to the Administrative Agent by each of the Borrowers.

(2) Indemnification by the Borrowers. Each Borrower shall, severally and not jointly (solely with respect to and on behalf of such Borrower, and not with respect to or on behalf of any other Borrower), indemnify the Administrative Agent, the applicable Issuing Bank, each Joint Lead Arranger and each Lender, and each Related Party of any of the foregoing Persons (with respect to a Borrower, each such Person being called an "Indemnitee") against, and hold each Indemnitee of such Borrower harmless from, any and all losses, claims, damages, liabilities and related expenses (with respect to legal fees, limited to the reasonable and documented out-of-pocket fees, charges and disbursements of one outside counsel (and, in the case of an actual conflict of interest where the Indemnitee affected by such conflict informs such Borrower of such conflict and thereafter retains its own counsel, another firm of counsel for any such affected Indemnitee) for the Indemnitees collectively (other than the allocated costs of internal counsel)), incurred by or asserted against any Indemnitee of such Borrower arising out of, in connection with, or as a result of (i) the execution or delivery by such Borrower of this Agreement or any agreement or instrument contemplated hereby to which such Borrower or any other member of its Obligor Group is a party, the performance by the parties hereto of their respective obligations hereunder owed by or to or otherwise arising with respect to such Borrower or the consummation of the Transactions to which such Borrower or any other member of its Obligor Group is a party or any other transactions contemplated hereby to which such Borrower or any other member of its Obligor Group is a party, (ii) any Loan made to such Borrower or Letter of Credit issued on behalf of such Borrower or the use by such Borrower of the proceeds received by such Borrower therefrom (including any refusal by the applicable Issuing Bank to honor a demand for payment under a Letter of Credit issued on behalf of such Borrower if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit) or (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee of such Borrower is a party thereto, in each case of this paragraph (b), solely to the extent directly related to such Borrower or, if relating to more than one Borrower (or to no specific Borrower), each relevant Borrower shall be responsible for its proportionate share of any such amounts determined in accordance with the respective allocations of the Subcommitments hereunder or as the relevant Borrowers may otherwise agree; provided that such indemnity shall not, as to any Indemnitee of such Borrower, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from (A) the bad faith, willful misconduct or gross negligence of such Indemnitee, (B) a claim brought by such Borrower or such other Obligor against such Indemnitee for material breach of such Indemnitee's obligations under this Agreement or the other Loan Documents to which such Borrower or any other member of its Obligor Group is a party, if there has been a final and nonappealable judgment against such Indemnitee on such claim as determined by a court of competent jurisdiction or (C) a claim arising as a result of a dispute between Indemnitees of such Borrower (other than (x) any dispute involving claims against the Administrative Agent, the applicable Issuing Bank, any Joint Lead Arranger or any Lender, in each case in their respective capacities as such, and (y) claims arising out of any act or omission by such Borrower or its Affiliates). This Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

No Borrower shall be liable to any Indemnitee for any special, indirect, consequential or punitive damages arising out of, in connection with, or as a result of the

Transactions to which such Borrower is a party asserted by any Indemnitee against any Borrower or any other member of its Obligor Group, provided that the foregoing limitation shall not be deemed to impair or affect the obligations of any Borrower under the preceding provisions of this subsection.

(3) Reimbursement by Lenders. To the extent that any Borrower fails to pay any amount required to be paid by it to the Administrative Agent, any Swingline Lender or the applicable Issuing Bank under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent, such Swingline Lender or the applicable Issuing Bank, as the case may be, such Lender's Applicable Percentage or Applicable Multicurrency Percentage, as applicable, with respect to such Borrower (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, such Swingline Lender or the applicable Issuing Bank in its capacity as such.

(4) Waiver of Consequential Damages, Etc. To the extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against any other party (or any Related Party to such party), on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof, provided that nothing contained in this sentence shall limit any Borrower's indemnification obligations under Section 9.03 to the extent such special, indirect consequential or punitive damages are included in any third party claim in connection with which any Indemnitee is entitled to indemnification thereunder.

(5) Payments. All amounts due under this Section shall be payable promptly after written demand therefor.

SECTION 9.04. Successors and Assigns.

(1) Assignments Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder (which, for the avoidance of doubt, shall not include the reallocation of any Subcommitments between Borrowers hereunder) without the prior written consent of each Lender (and any attempted assignment or transfer by any Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section (and any attempted assignment or transfer by any Lender which is not in accordance with this Section shall be treated as provided in the last sentence of Section 9.04(b)(iii)). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit) and, to the extent expressly contemplated hereby, the Related Parties of each of the

Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(2) Assignments by Lenders.

(1) Assignments Generally. Subject to the conditions set forth in clause (ii) below, any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans and LC Exposure at the time owing to it), provided that, following any such assignment, the Lenders shall hold the same percentage of Subcommitments, Loans and LC Exposure across all Borrowers (and the same percentage of Commitments as Subcommitments).

Notwithstanding anything to the contrary contained herein, each Borrower's consent shall be required with respect to an assignment to any Disqualified Lender unless an Event of Default under clause (a), (b), (i), (j) or (k) of Article VII has occurred and is continuing with respect to such Borrower, provided that the foregoing shall not limit the consent rights with respect to an assignment to any Disqualified Lender of any Borrower for which an Event of Default under clause (a), (b), (i), (j) or (k) of Article VII has not occurred or is not continuing.

(2) Certain Conditions to Assignments. Assignments shall be subject to the following additional conditions:

(a) prior written consent (such consent not to be unreasonably withheld or delayed) of:

i. each Borrower; provided, that no consent of a Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, or, if an Event of Default under clause (a), (b), (i), (j) or (k) of Article VII has occurred and is continuing with respect to such Borrower, any other assignee; provided further, that a Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received written notice thereof; and

ii. the Administrative Agent and the Issuing Banks; provided no consent of the Administrative Agent or the Issuing Banks shall be required for an assignment by a Lender to a Lender or an Affiliate of a Lender with prior written notice by such assigning Lender to the Administrative Agent and the Issuing Banks;

(b) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans to all Borrowers and LC Exposure with respect

to all Borrowers of a Class, the amount of the Commitment of such Class of the assigning Lender subject to each such assignment (determined as of the date the

[BUSINESS.31535611.6](#)

Assignment and Assumption in substantially the form of Exhibit A hereto with respect to such assignment is delivered to the Administrative Agent) shall not be less than U.S. \$5,000,000 unless the Borrowers and the Administrative Agent otherwise consent; provided that no such consent of a Borrower shall be required if an Event of Default under clause (a), (b), (i), (j) or (k) of Article VII has occurred and is continuing with respect to such Borrower;

(c) each partial assignment of any Class of Commitments (or any related Revolving Credit Exposure) shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement in respect of such Class of Commitments, including a ratable portion of the Loans, the applicable LC Exposure and the Subcommitments with respect to each Borrower;

(d) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of U.S. \$3,500 (which fee shall not be payable in connection with an assignment to a Lender or to an Affiliate of a Lender) (for which no Obligor shall be obligated); and

(e) the assignee, if it shall not already be a Lender of the applicable Class, shall deliver to the Administrative Agent an Administrative Questionnaire.

(3) Effectiveness of Assignments. Subject to acceptance and recording thereof pursuant to paragraph (c) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.14, 2.15, 2.16 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (e) of this Section.

(3) Maintenance of Register by Administrative Agent. The Administrative Agent, acting for this purpose as an agent of each Borrower, shall maintain at one of its offices in New York City a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and the Subcommitments of, principal amount (and stated interest) of the Loans of and LC Disbursements owing to, each Lender with respect to such Borrower pursuant to the terms

hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and each Borrower, the Administrative Agent, the Issuing Banks and the Lenders

may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by any Borrower, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice. The Administrative Agent agrees to provide any Borrower with official copies of the Register upon reasonable request.

(4) Acceptance of Assignments by Administrative Agent. Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(5) Participations. Any Lender may, with the consent of the Borrowers (such consent not to be unreasonably withheld or delayed), sell participations to one or more banks or other entities other than a Disqualified Lender (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement and the other Loan Documents (including all or a portion of its Commitments and the Loans and LC Disbursements owing to it); provided that, following any such sale of participations, the Participants shall hold the same percentage of Subcommitments, Loans and LC Exposure across all Borrowers (and the same percentage of Commitments as Subcommitments); provided further, that a Borrower shall be deemed to have consented to any such sale unless it shall object thereto by written notice to such Lender (with copy to the Administrative Agent) within ten (10) Business Days after having received notice thereof; and (i) such Lender's obligations under this Agreement and the other Loan Documents shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) each Borrower, the Administrative Agent, each Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents and (iv) consent of a Borrower shall not be required for (A) a participation to a Lender, an Affiliate of a Lender, or if an Event of Default under clause (a), (b), (i), (j) or (k) of Article VII has occurred and is continuing with respect to such Borrower or (B) if such Participant does not have the right to receive any non-public information that may be provided pursuant to this Agreement and the Lender selling such participation agrees with the Borrowers at the time of the sale of such participation that it will not deliver any non-public information to such Participant. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. Subject to paragraph (f) of this Section, each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.14, 2.15

and 2.16 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section (subject to the requirements and limitations therein,

including the requirements under Sections 2.16(e), (f) and (g) (it being understood that the documentation required under these paragraphs shall be delivered to the participating Lender)). Each Lender that sells a participation agrees, at the applicable Borrower's request and expense, to use reasonable efforts to cooperate with such Borrower to effectuate the provisions of Section 2.19 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided such Participant agrees to be subject to Section 2.17(d) as though it were a Lender hereunder. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Commitments, Subcommitments, Loans, Letters of Credit or other obligations under the Loan Documents (the "Participant Register") and shall not have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Subcommitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Subcommitments, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or Section 1.163-5(b) of the proposed United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(6) Limitations on Rights of Participants. A Participant shall not be entitled to receive any greater payment under Section 2.14, 2.15 or 2.16 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrowers' prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.16 unless the Borrowers are notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrowers, to comply with Section 2.16 as though it were a Lender and in the case of a Participant claiming exemption for portfolio interest under Section 871(h) or 881(c) of the Code, the applicable Lender shall provide the Borrowers with satisfactory evidence that the participation is in registered form and shall permit the Borrowers to review such register as reasonably needed for the Borrowers to comply with their respective obligations under applicable laws and regulations. Each Participant agrees to be subject to the provisions of Section 2.19 as if it were an assignee under paragraph (b) of this Section.

(7) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any such pledge or assignment to a Federal Reserve Bank or any other central bank having jurisdiction over such Lender, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto.

(8) No Assignments or Participations to Natural Persons, the Borrowers or Affiliates or Certain Other Persons. Anything in this Section to the contrary notwithstanding, no

Lender may (i) assign or participate any interest in any Loan made to any Borrower or LC Exposure with respect to any Borrower held by it hereunder to any natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person) or to any Borrower or any of their respective Affiliates or Subsidiaries (including, without limitation, their respective Designated Subsidiaries) without the prior consent of each Lender or (ii) assign any interest in any Subcommitment, Loan or LC Exposure held by it hereunder to any Person known by such Lender at the time of such assignment to be a Defaulting Lender, a Subsidiary of a Defaulting Lender or a Person who, upon consummation of such assignment would be a Defaulting Lender.

(9) Multicurrency Lenders. Any assignment by a Multicurrency Lender, so long as no Event of Default has occurred and is continuing with respect to any Borrower, must be to a Person that is able to fund and receive payments on account of each outstanding Agreed Foreign Currency at such time without the need to obtain any authorization referred to in clause (c) of the definition of "Agreed Foreign Currency".

(10) Certain Matters Relating to Disqualified Lenders. The Administrative Agent shall not be responsible or have liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender. The list of Disqualified Lenders will be made available by the Administrative Agent to any Lender, participant or potential Lender or participant upon request.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by each Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans to such Borrower and issuance of any Letters of Credit on behalf of such Borrower, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default with respect to such Borrower or incorrect representation or warranty made by such Borrower at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan made to such Borrower or any fee or any other amount payable by such Borrower under this Agreement is outstanding and unpaid or any Letter of Credit issued on behalf of such Borrower is outstanding and so long as the Subcommitments of such Borrower have not expired or terminated. The provisions of Sections 2.14, 2.15, 2.16 and 9.03 and Article VIII shall survive and remain in full force and effect

regardless of the consummation of the transactions contemplated hereby to which such Borrower or any other member of its Obligor Group is a party, the repayment of the Loans made to such Borrower, the expiration or termination of the Letters of Credit issued on behalf of

such Borrower and the Subcommitments of such Borrower or the termination of this Agreement or any provision hereof with respect to such Borrower.

SECTION 9.06. Counterparts; Integration; Effectiveness; Electronic

Execution.

(1) Counterparts; Integration; Effectiveness; Electronic Execution. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract between and among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page to this Agreement by telecopy or e-mail shall be effective as delivery of a manually executed counterpart of this Agreement.

(2) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing with respect to a Borrower, each Lender, each Issuing Bank and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever Currency) at any time held and other obligations at any time owing by such Lender, such Issuing Bank or any such Affiliate to or for the credit or the account of such Borrower against any of and all the obligations of such Borrower now or hereafter existing under this

Agreement or any other Loan Document held by such Lender, such Issuing Bank or their respective Affiliates, irrespective of whether or not such Lender shall have made

any demand under this Agreement and although such obligations may be contingent or unmatured, or are owed to a branch, office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such Indebtedness of such Borrower. The rights of each Lender, each Issuing Bank and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender, such Issuing Bank or such Affiliate may have; provided that in the event that any Defaulting Lender exercises any such right of setoff, (a) all amounts so set off will be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.18 and, pending such payment, will be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Banks and the Lenders and (b) the Defaulting Lender will provide promptly to the Administrative Agent a statement describing in reasonable detail the obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the applicable Borrower after any such set-off and application made by such Lender; provided further, that the failure to give such notice shall not affect the validity of such set-off and application.

SECTION 9.09. Governing Law; Jurisdiction; Etc.

(1) Governing Law. This Agreement and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise and whether at law or in equity) based upon or arising out of this Agreement and the other Loan Documents (except, as to any other Loan Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be construed in accordance with and governed by the law of the State of New York.

(2) Submission to Jurisdiction. Each party to this Agreement hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York sitting in New York County, and any appellate court from any thereof, in any action or proceeding (whether in contract, tort or otherwise and whether at law or in equity) arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement against any Borrower or its properties in the courts of any jurisdiction.

(3) Waiver of Venue. Each party to this Agreement hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by

law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(4) Service of Process. Each party to this Agreement (i) irrevocably consents to service of process in the manner provided for notices in Section 9.01 and (ii) agrees to the extent permitted by applicable law that service as provided in the manner provided for notices in Section 9.01 is sufficient to confer personal jurisdiction over such party in any proceeding in any court and otherwise constitutes effective and binding service in every respect. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY AND WHETHER AT LAW OR IN EQUITY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (2) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Judgment Currency. This is an international loan transaction in which the specification of Dollars or any Foreign Currency, as the case may be (the "Specified Currency"), and payment in New York City or the country of the Specified Currency, as the case may be (the "Specified Place"), is of the essence, and the Specified Currency shall be the currency of account in all events relating to Loans denominated in the Specified Currency. The payment obligations of any Borrower under this Agreement shall not be discharged or satisfied by an amount paid in another currency or in another place, whether pursuant to a judgment or otherwise, to the extent that the amount so paid on conversion to the Specified Currency and transfer to the Specified Place under normal banking procedures does not yield the amount of the Specified Currency at the Specified Place due hereunder. If for the purpose of obtaining judgment in any court it is necessary to convert a sum due hereunder in the Specified Currency into another currency (the "Second Currency"), the rate of exchange that shall be applied shall be the rate at which in accordance with normal banking procedures the Administrative Agent could purchase the Specified Currency with the Second Currency on the Business Day next preceding the day on which such judgment is rendered. The obligation of each Borrower, severally and not jointly, in

respect of any such sum due from such Borrower to the Administrative Agent or any Lender hereunder or under any other Loan Document to which such Borrower or any other member of its Obligor Group is a party (in this Section called an "Entitled Person") shall, notwithstanding the rate of exchange actually applied in rendering such judgment,

be discharged only to the extent that on the Business Day following receipt by such Entitled Person of any sum adjudged to be due from such Borrower hereunder in the Second Currency such Entitled Person may in accordance with normal banking procedures purchase and transfer to the Specified Place the Specified Currency with the amount of the Second Currency so adjudged to be due; and such Borrower hereby, severally and not jointly with any other Borrower, and as a separate obligation and notwithstanding any such judgment, agrees to indemnify such Entitled Person against, and to pay such Entitled Person on demand, in the Specified Currency, the amount (if any) by which the sum originally due from such Borrower to such Entitled Person in the Specified Currency hereunder exceeds the amount of the Specified Currency so purchased and transferred.

SECTION 9.12. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement. None of the Joint Lead Arrangers or Syndication Agent shall have any responsibility under this Agreement.

SECTION 9.13. Treatment of Certain Information; Confidentiality.

(a) Treatment of Certain Information. Each Borrower acknowledges that from time to time financial advisory, investment banking and other services may be offered or provided to such Borrower or one or more of its Subsidiaries (in connection with this Agreement or otherwise) by any Lender or by one or more subsidiaries or affiliates of such Lender and such Borrower hereby authorizes each Lender to share any information delivered to such Lender by such Borrower and its Subsidiaries pursuant to this Agreement, or in connection with the decision of such Lender to enter into this Agreement, to any such subsidiary or affiliate, it being understood that any such subsidiary or affiliate receiving such information shall be bound by the provisions of paragraph (b) of this Section as if it were a Lender hereunder. Such authorization shall survive the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the Subcommitments or the termination of this Agreement or any provision hereof.

(b) Confidentiality. Each of the Administrative Agent, the Collateral Agent, the Lenders, the Joint Lead Arrangers and the Issuing Banks agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its Affiliates and to its Related Parties (it being understood (A) that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential to the same extent as provided in this paragraph (b) and (B) it will be responsible for any breach of the terms of this paragraph by the Persons to whom it disclosed any Information pursuant to this clause (i) other than any Person who has agreed in writing with the applicable Borrower to separately maintain the confidentiality of such Information) on a confidential and need-to-know basis, (ii) to the extent requested by any regulatory authority with competent jurisdiction over it or its Affiliates (including any

self-regulatory authority), (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (provided that, except in the case of any ordinary course examination by a regulatory, self-regulatory or governmental agency, it will use its commercially

reasonable efforts to notify the applicable Borrower of any such disclosure prior to making such disclosure to the extent permitted by applicable law, rule or regulation), (iv) to any other party hereto, (v) in connection with the exercise of any remedies hereunder or under any other Loan Document to which the applicable Borrower or any other member of its Obligor Group is a party or any action or proceeding relating to this Agreement or any other Loan Document to which the applicable Borrower or any other member of its Obligor Group is a party or the enforcement of rights against the applicable Borrower hereunder or thereunder, (vi) subject to an agreement containing provisions substantially the same as those of this Section, to (w) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement; provided that, such Person would be permitted to be an assignee or participant pursuant to the terms hereof and such Person is not a Disqualified Lender, (x) any actual or prospective counterparty (or its advisors) to any swap, derivative or other transaction under which payments are to be made by reference to the applicable Borrower and this Agreement or its obligations or payments hereunder, (y) any rating agency in connection with rating the applicable Borrower or its Subsidiaries or the Loans made to such Borrower or credit insurance provider with respect to such Borrower or (z) the CUSIP Service Bureau or any similar organization, (vii) with the consent of the Borrowers or (viii) to the extent such Information (10) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Lender, any Issuing Bank or any of their respective Affiliates on a nonconfidential basis from a source other than any Borrower or their respective Affiliates and is not actually known by it to be in breach of any other Person's confidentiality obligations to the applicable Borrower. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement to market data collectors, such as league table, or other similar service providers to the lending industry.

For purposes of this Section, "Information" means, with respect to a Borrower, all information provided by FS/KKR Advisor (or any new or successor investment advisor, investment co-advisor and/or investment sub-advisor not otherwise prohibited under this Agreement), such Borrower or any of its Subsidiaries relating to FS/KKR Advisor (or any new or successor investment advisor, investment co-advisor and/or investment sub-advisor not otherwise prohibited under this Agreement), such Borrower or any of its Subsidiaries or any of their respective businesses or any portfolio investment (including Portfolio Investments and including the Value of such Portfolio Investments), other than any such information that is available to the Administrative Agent, the Collateral Agent any Lender or any Issuing Bank on a nonconfidential basis prior to disclosure by FS/KKR Advisor (or any new or successor investment advisor, investment co-advisor and/or investment sub-advisor not otherwise prohibited under this Agreement), such Borrower or any of its Subsidiaries, and is not actually known by it to be in breach of any other Person's confidentiality obligations to such Borrower; provided that, in the case of information received from FS/KKR Advisor (or any new or successor investment advisor, investment co-advisor and/or investment sub-advisor not otherwise prohibited under this Agreement), such Borrower or any of its Subsidiaries after the Restatement Effective Date, such information shall be deemed confidential at the time of delivery unless clearly identified therein as nonconfidential until the first date that any Lender provides notice to the Administrative Agent and the Borrowers that such Lender does not have the right to receive any non-public information that may be provided pursuant to this Agreement,

after which date such information shall be clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in

this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.14. USA PATRIOT Act. Each Lender hereby notifies each Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), it is required to obtain, verify and record information that identifies such Borrower, which information includes the name and address of such Borrower and other information that will allow such Lender to identify such Borrower in accordance with said Act.

SECTION 9.15. Acknowledgment and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if

applicable:

- (1) a reduction in full or in part or cancellation of any such liability;
- (2) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
- (3) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

SECTION 9.16. No Fiduciary Duty.

(a) In connection with this Agreement, the other Loan Documents and the transactions contemplated herein and therein, each Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that none of the Administrative Agent, any Issuing Bank, the Swingline Lenders or any other Lender will have any obligations except those obligations expressly set forth herein and in the other Loan Documents and each of the Administrative Agent, each Issuing Bank, the Swingline Lenders and any other Lender is acting solely in the capacity of an arm's length contractual counterparty to such Borrower with respect to the Loan Documents and the transactions contemplated herein and therein and not as a financial advisor or a fiduciary to, or an agent of, such Borrower or any other person. Each

Borrower agrees that it will not assert any claim against any of the Administrative Agent, any Issuing Bank, the Swingline Lenders or any other Lender based on an alleged breach of fiduciary duty by such Administrative Agent, Issuing Bank, Swingline Lender or other Lender, as applicable, in connection with this Agreement and the transactions contemplated hereby. Additionally, solely with respect to this Agreement, the other Loan Documents and the transactions contemplated herein and therein, each Borrower acknowledges and agrees that none of the Administrative Agent, any Issuing Bank, the Swingline Lenders or any other Lender is advising such Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. Each Borrower shall consult with its own advisors concerning such matters in connection with this Agreement, the other Loan Documents and the transactions contemplated herein and therein, and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated herein or in the other Loan Documents, and none of the Administrative Agent, any Issuing Bank, the Swingline Lenders or any other Lender shall have responsibility or liability to such Borrower with respect thereto.

(b) Each Borrower further acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each the Administrative Agent, each Issuing Bank, the Swingline Lenders and any other Lender, together with their Affiliates, in addition to providing or participating in commercial lending facilities such as that provided hereunder, is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any of the Administrative Agent, each Issuing Bank, the Swingline Lenders or any other Lender may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, any Borrower and other companies with which any Borrower may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any of the Administrative Agent, any Issuing Bank, the Swingline Lenders or any other Lender or any of their customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

(c) In addition, each Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each of the Administrative Agent, each Issuing Bank, the Swingline Lenders and any other Lender and their affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which such Borrower may have conflicting interests regarding the transactions described herein and otherwise. None of the Administrative Agent, any Issuing Bank, the Swingline Lenders or any other Lender will use confidential information obtained from any Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with any Borrower in connection with the performance by the Administrative Agent, any Issuing Bank, the Swingline Lenders and any other Lender, as applicable, of services for other companies, and none of the Administrative Agent, any Issuing Bank, the Swingline Lenders or any other Lender will furnish any such information to other companies. Each Borrower also acknowledges that none of the Administrative Agent, any Issuing Bank, the Swingline Lenders or any other Lender has any obligation to use in connection with the

transactions contemplated by the Loan Documents, or to furnish to such Borrower, confidential information obtained from other companies.

SECTION 9.17. Termination. With respect to each Borrower, promptly upon the earlier to occur of the Release Date with respect to a Borrower and the Facility Termination Date, the Administrative Agent shall direct the Collateral Agent to, on behalf of the Administrative Agent, the Collateral Agent and the Lenders, deliver to such Borrower such termination statements and releases and other documents necessary or appropriate to evidence the release of such Borrower from this Agreement, the Loan Documents to which such Borrower or any other member of its Obligor Group is a party, and each of the documents securing the obligations of such Borrower (and, in the case of the Facility Termination Date, with respect to each of the foregoing, the termination thereof) hereunder as such Borrower may reasonably request, all at the sole cost and expense of such Borrower.

SECTION 9.18. Limited Recourse. The Administrative Agent, the Collateral Agent, each Issuing Bank and each Lender hereby acknowledge and agree that any obligations of any Borrower and the other members of its Obligor Group arising in connection herewith shall be limited in all cases to such Borrower (or its successor in a Borrower Merger), such other Obligor and their respective assets, and none of the Administrative Agent, the Collateral Agent, any Issuing Bank or any Lender shall seek satisfaction of any such obligation from the shareholders of such Borrower, from any other Borrower or any of its respective Subsidiaries (except with respect to a Borrower Merger in which such other Borrower or its Subsidiaries are the Surviving Obligors), or from the shareholders of any other Borrower or from any other Person, nor shall the Administrative Agent, the Collateral Agent, any Issuing Bank or any Lender seek satisfaction of any such obligation from any trustee, officer or director of any Borrower or any of its respective Subsidiaries. Notwithstanding anything to the contrary contained herein, the parties hereto acknowledge and agree that the fees, expenses and charges incurred by any Borrower hereunder may be reallocated from time to time among the Borrowers on a reasonable basis (unless another basis is required by applicable law) as agreed by the applicable Borrowers and notified to the Administrative Agent in writing (but, for clarity, no such reallocation shall relieve any applicable Borrower from its obligations hereunder in respect of such fees, expenses and charges hereunder until they have been fully paid as a consequence of such reallocation).

SECTION 9.19. Designation of Additional Borrowers. Any closed-end fund that has elected to be regulated as a "business development company" within the meaning of the Investment Company Act and qualifies as a RIC, for which FS/KKR Advisor is the investment advisor and that is not already a party under this Agreement may from time to time become a Borrower hereunder with the consent of the existing Borrowers, the Administrative Agent, each Issuing Bank and each Lender, by executing and delivering to the Administrative Agent a Joinder Agreement, and

such new Borrower shall concurrently deliver such proof of corporate or other action, incumbency of officers, opinions of counsel, and other documents, in each case, as is consistent with those delivered by a Borrower pursuant to Section 4.01 upon the

Original Effective Date or as the Administrative Agent shall have reasonably requested. Upon the designation of any additional Borrower, the allocations of the Subcommitments, Loans and LC Exposure among each of the Borrowers shall be reallocated subject to and in accordance with the terms and conditions set forth in Section 2.07(g).

SECTION 9.20. Borrower Merger. Notwithstanding that the consummation of a Borrower Merger may be undertaken in discrete steps, the order of such events shall not result in any Default or Event of Default hereunder so long as the Surviving Obligors are otherwise in compliance with the terms of this Agreement and the other Loan Documents immediately after the consummation of such Borrower Merger. Upon the consummation of a Borrower Merger,

- (1) the obligations of each Non-Surviving Obligor in respect of any Subcommitments, Loans, Letters of Credit, indemnities and fees and expenses owed by it shall be deemed assumed by the Surviving Obligors in such Borrower Merger,
- (2) each Subsidiary of a Non-Surviving Borrower that becomes a Subsidiary of the Surviving Borrower shall be deemed a Subsidiary Guarantor of the Surviving Borrower to the extent such Subsidiary was a Subsidiary Guarantor of the Non-Surviving Obligor immediately prior to the consummation of such Borrower Merger (and shall enter into such document, certificate and agreement, and take such actions as required by Section 5.08(a)), and
- (3) each Non-Surviving Obligor shall be released from all representations, warranties and covenants made by it hereunder or under any other Loan Document and such Non-Surviving Obligor shall no longer be deemed a "Borrower", a "Subsidiary Guarantor" or an "Obligor", as applicable, for any purpose hereunder or under the other Loan Documents and, to the extent any provision of this Agreement (other than Sections 6.03(e)) or any other Loan Document would be violated or breached by such Non-Surviving Obligor (or any non-compliance by such Non-Surviving Obligor with any such provision would result in a Default or Event of Default) as a result of the consummation of such Borrower Merger, such provision shall be deemed modified with respect to such Non-Surviving Obligor to the extent necessary to give effect to such Borrower Merger.

SECTION 9.21. Certain ERISA Matters. (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Joint Lead Arranger and their respective Affiliates, that at least one of the following is and will be true:

- (1) such Lender is not using "plan assets" (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans in connection with the Loans, the Letters of Credit, the Subcommitments or the Commitments,

- (2) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified

professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to, and covers, such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Subcommitments, the Commitments and this Agreement, and the conditions for exemptive relief thereunder are and will continue to be satisfied in connection therewith,

(3) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Subcommitments, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Subcommitments, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Subcommitments, the Commitments and this Agreement, or

(4) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and each Joint Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent, or any Joint Lead Arranger or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

(c) The Administrative Agent, and each Joint Lead Arranger hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that

such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Subcommitments, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans, the Letters of Credit, the Subcommitments or the Commitments for an amount less than the amount being paid for an interest in the Loans, the

Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

SECTION 9.22. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

SECTION 9.23. Amendment and Restatement. On the Restatement Effective Date, the Existing Credit Facility shall be amended and restated in its entirety by this Agreement, and the Existing Credit Facility shall thereafter be of no further force and effect. It is the intention of each of the parties hereto that the Existing Credit Facility be amended and restated hereunder so as to preserve the perfection and

priority of all Liens securing the “Secured Obligations” under the Loan Documents and that all “Secured Obligations” of each Borrower and the other members of its Obligor Group hereunder shall continue to be secured by Liens evidenced under the applicable

Security Documents, and that this Agreement does not constitute a novation or termination of the Indebtedness and obligations existing under the Existing Credit Facility. Unless specifically amended hereby, each of the Loan Documents shall continue in full force and effect and, from and after the Restatement Effective Date, all references to the "Credit Agreement" contained therein shall be deemed to refer to this Agreement.

ARTICLE II

THE FACILITY, ADVANCE PROCEDURES AND NOTES

SECTION II.1. Advances. (a) On the terms and subject to the conditions set forth in this Agreement, each Lender Group hereby agrees to make advances to or on behalf of the Borrower (individually, an "Advance" and collectively the "Advances") from time to time on any date (each such date on which an Advance is made, an "Advance Date") during the period from the Effective Date to the end of the Revolving Period; provided that there shall be no more than two (2) Advance Dates during any calendar week. The AUD Advances shall be made solely by the AUD Lenders, the CAD Advances shall be made solely by the CAD Lenders, the Dollar Advances shall be made solely by the Dollar Lenders, the Euro Advances shall be made solely by the Euro Lenders and the GBP Advances shall be made solely by the GBP Lenders, in each case in accordance with Section 2.2(d).

(a) Under no circumstances shall any Lender make an Advance if, after giving effect to such Advance and any purchase of Eligible Collateral Obligations in connection therewith, (x) the aggregate outstanding principal amount of all Advances would exceed the lower of (i) the Facility Amount and (ii) the Borrowing Base on such day or (y) the Foreign Currency Advance Amount would exceed the Foreign Currency Sublimit on such day. Subject to the terms of this Agreement, during the Revolving Period, the Borrower may borrow, reborrow, repay and prepay (subject to the provisions of Section 2.4) one or more Advances.

SECTION II.2. Funding of Advances. (a) Subject to the satisfaction of the conditions precedent set forth in Section 6.2, the Borrower may request Advances hereunder by giving notice to the Facility Agent, each Agent and the Collateral Agent of the proposed Advance at or prior to 10:00 a.m., in the Applicable Time Zone, at least (x) in the case of Advances of more than 20% of the then-current Facility Amount, sixty-one (61) days or (y) in the case of Advances up to 20% of the then-current Facility Amount, two (2) Business Days (or, with respect to any Advance requested in AUDs, three (3) Business Days' notice) prior to the proposed Advance Date. Such notice (herein called the "Advance Request") shall be in the form of Exhibit C-1 and shall include (among other things) the proposed Advance Date and amount of such proposed Advance, and shall, if applicable, be accompanied by an Asset Approval Request setting forth the information required therein with respect to the Collateral Obligations to be acquired by the Borrower on the Advance Date (if applicable). Following receipt of an Advance Request, the Collateral Agent shall promptly distribute to the other parties hereto the allocation

of such Advance among the Lenders in accordance with the Lenders' respective Commitments. In the event of any change to the wiring instructions of the Collateral Agent set forth on Schedule 1 to the Advance Request, the Collateral Agent shall provide written notice of such change to each Agent at least two (2) Business Days (or, with respect to any Advance requested in AUDs, three (3) Business Days' notice) prior to any proposed Advance Date. The amount of any Advance shall at least be equal to the least of (w) 1,000,000 AUDs, 1,000,000 CADs, \$1,000,000, 1,000,000 Euros or 1,000,000 GBPs, as applicable, (x) the (1) Borrowing Base on such day *minus* (2) the Advances outstanding on such day, (y) the Foreign Currency Sublimit on such day *minus* the Foreign Currency Advance Amount on such day and (z) the (1) Facility Amount on such day *minus* (2) the Advances outstanding on such day before giving effect to the requested Advance as of such date. Any Advance Request given by the Borrower pursuant to this Section 2.2, shall be irrevocable and binding on the Borrower. The Facility Agent shall have no obligation to lend funds hereunder in its capacity as Facility Agent. Subject to receipt by the Collateral Agent of an Officer's Certificate of the Borrower confirming the satisfaction of the conditions precedent set forth in Section 6.2, and the Collateral Agent's receipt of such funds from the Lenders, the Collateral Agent shall make the proceeds of such requested Advances available to the Borrower by deposit to such account as may be designated by the Borrower (in a written notice received by the Facility Agent, each Agent and the Collateral Agent at least one (1) Business Day prior to such Advance Date) in same day funds no later than 2:00 p.m., in the Applicable Time Zone, on such Advance Date. Each Lender shall notify the Borrower within two (2) Business Days (or, with respect to any Advance requested in AUDs, three (3) Business Days' notice) of any Advance Request made pursuant to Section 2.2(a)(x) if it will elect to fund the related Advance on any day prior to the end of the applicable sixty-one (61) day notice period. The Borrower expressly acknowledges and agrees that any election by any Lender on one or more occasions to fund any Advance on any day prior to the full passage of the applicable sixty-one (61) day notice period set forth in Section 2.2(a)(x) shall not constitute or be deemed to be an amendment, waiver or other modification of the requirement for sixty-one (61) days' notice prior to any Lender funding any Advance made in respect of an Advance Request made pursuant to Section 2.2(a)(x).

(a) Committed Lender's Commitment. All Advances shall be made by the Facility Agent on behalf of the applicable Committed Lenders. Notwithstanding anything contained in this Section 2.2(b) or elsewhere in this Agreement to the contrary, no Committed Lender shall be obligated to provide its Agent or the Borrower with funds in connection with an Advance in an amount that would result in the portion of the Advances then funded by it exceeding its Commitment then in effect. The obligation of the Committed Lender in each Lender Group to remit any Advance shall be several from that of the other Lenders, and the failure of any Committed Lender to so make such amount available to its Agent shall not relieve any other Committed Lender of its obligation hereunder.

(b) Unfunded Commitment Provisions. Notwithstanding anything to the contrary herein, upon the occurrence of the earlier of (i) any acceleration of the maturity of Advances pursuant to Section 13.2 and (ii) the end of the Revolving Period, the Borrower shall request an Advance in the amount, if any, of the Aggregate Unfunded Amount minus the amount then on deposit in the Unfunded Exposure Account. Following receipt of such

Advance Request, the Lenders shall fund such requested amount, if any, by depositing such amount directly to the Collateral Custodian to be deposited into the Unfunded Exposure Account, notwithstanding anything to the contrary herein (including, without limitation, the Borrower's failure to satisfy any of the conditions precedent set forth in Section 6.2).

(c) Currency Commitment Provisions.

(i) Each Lender hereby agrees that (A) each Advance funded in AUDs shall be funded in its entirety by the AUD Lenders, (B) each Advance funded in CADs shall be funded in its entirety by the CAD Lenders, (C) each Advance funded in Dollars shall be funded in its entirety by the Dollar Lenders, (D) each Advance funded in Euros shall be funded in its entirety by the Euro Lenders and (E) each Advance funded in GBPs shall be funded in its entirety by the GBP Lenders; provided that, no Lender other than DBNY and its Affiliates shall be required to fund any Advances in any Eligible Currency (other than Dollars) in an amount greater than its Pro Rata Percentage of the Advances to be made in such Eligible Currency. On the date of each Advance, each Lender shall purchase and sell Advances in an aggregate amount such that, after giving effect to each such purchase, each Lender owns its Pro Rata Percentage of the Advances outstanding.

(ii) On each FX Evaluation Date, (A) the Borrower shall calculate the Borrowing Base and deliver such calculation to the Facility Agent and (B) the Facility Agent shall deliver in accordance with Section 17.3, to the Collateral Agent, the Borrower and each Agent such calculation of the Borrowing Base, together with each Pro Rata Percentage and the actual percentage of the Advances outstanding owing to each Lender as of such FX Evaluation Date. If (x) there is on any FX Evaluation Date specified in clauses (a) or (c) of the definition thereof, any difference, (y) there is on any other FX Evaluation Date, a difference of 2.5% or more, in each case between any Lender's actual percentage of the Advances outstanding and such Lender's Pro Rata Percentage or (z) on any date any Lender has provided written notice to the Borrower, the Investment Manager and the Facility Agent that such Lender directs (in its sole discretion) a reallocation under this Section 2.2(d)(ii), the Borrower shall deliver, as applicable, in accordance with Section 17.3, to each Agent (with a copy to the Collateral Agent) a notice in the form of Exhibit C-5 (each, an "FX Reallocation Notice") directing each Lender to sell to, or purchase from, as applicable, the other Lenders Advances in an aggregate amount such that, after giving effect to each such purchase, each Lender owns its Pro Rata Percentage of the Advances outstanding. Each Lender agrees to comply with the direction provided in the FX Reallocation Notice. Each such purchase and sale of Advances outstanding shall occur on the second Business Day following delivery of the related FX Reallocation Notice (or, if the related FX Reallocation Notice is delivered to any Lender after 4:00 p.m. in the Applicable Time Zone, on the third Business Day following delivery of such FX Reallocation Notice).

(iii) Notwithstanding anything to the contrary herein, at no time shall (v) any AUD Lender have any obligation to fund any Advance in an Eligible Currency other than AUDs, (w) any CAD Lender have any obligation to fund any Advance in an

Eligible Currency other than CADs. (x) any Dollar Lender have any obligation to fund any Advance in an Eligible Currency other than Dollars. (y) any Euro Lender have any obligation to fund any Advance in an Eligible Currency other than Euros or (z) any GBP Lender have any obligation to fund any Advance in an Eligible Currency other than GBPs.

SECTION II.3. Notes. The Borrower shall, upon request of any Lender Group, on or after such Lender Group becomes a party hereto (whether on the Effective Date or by assignment or otherwise), execute and deliver a Note evidencing the Advances of such Lender Group. Each such Note shall be payable to the order of the Agent for such Lender Group in a face amount equal to the applicable Lender Group's Commitment as of the Effective Date or the effective date on which such Lender Group becomes a party hereto, as applicable. The Borrower hereby irrevocably authorizes each Agent to make (or cause to be made) appropriate notations on the grid attached to the Notes (or on any continuation of such grid, or at the option of such Agent, in its records), which notations, if made, shall evidence, *inter alia*, the date of the outstanding principal of the Advances evidenced thereby and each payment of principal thereon. Such notations shall be rebuttably presumptive evidence of the subject matter thereof absent manifest error; provided, that the failure to make any such notations shall not limit or otherwise affect any of the Obligations or any payment thereon.

SECTION II.4. Repayment and Prepayments. (a) The Borrower shall repay the Advances outstanding (i) on each Distribution Date to the extent required to be repaid hereunder and funds are available therefor pursuant to Section 8.3 and (ii) in full on the Facility Termination Date.

(a) Prior to the Facility Termination Date, the Borrower may, from time to time, make a voluntary prepayment, in whole or in part, of the outstanding principal amount of any Advance using Principal Collections on deposit in the Principal Collection Account or other funds available to the Borrower on such date; provided, that

(i) all such voluntary prepayments shall require prior written notice to the Facility Agent (with a copy to the Collateral Agent and each Agent) by 11:00 a.m. in the Applicable Time Zone two (2) Business Days prior to such voluntary prepayment, which notice (herein called the "Prepayment Notice") shall be in the form of Exhibit C-4 and shall include (among other things) the proposed date of such prepayment and the amount and allocation of such prepayment;

(ii) all such voluntary partial prepayments shall be in a minimum amount of 1,000,000 AUDs, 1,000,000 CADs, \$1,000,000, 2,500,000 Euros or 2,500,000 GBPs, individually and as applicable; and

(iii) each prepayment shall be applied on the Business Day received by the Collateral Agent if received by 3:00 p.m., in the Applicable Time Zone, on such day by the Collateral Agent as Amount Available constituting Principal Collections pursuant to Section 8.3(a) as if (x) the date of such prepayment were a Distribution Date and (y) such prepayment occurred during the Collection Period to which such Distribution Date relates.

(c) If on any date the Foreign Currency Advance Amount has been equal to or greater than the amount which is equal to 105% of the Foreign Currency Sublimit for each of the preceding thirty (30) days, then the Borrower shall within five (5) Business Days of a written request of the Facility Agent, prepay the Advances such that the Foreign Currency Advance Amount is less than or equal to the Foreign Currency Sublimit; provided that the amount of the Advances outstanding plus the Foreign Currency Advance Amount shall never be greater than the Facility Amount.

Each such prepayment shall be subject to the payment of any amounts required by Section 2.5(b) (if any) resulting from a prepayment or payment.

SECTION II.5. Permanent Reduction of Facility Amount. (a) The Borrower may at any time upon five Business Days' prior written notice to the Facility Agent and each Agent, permanently reduce the Facility Amount (i) in whole upon payment in full (in accordance with Section 2.4) of the aggregate outstanding principal amount of all Advances or (ii) in part by any *pro rata* amount that the Facility Amount exceeds the aggregate outstanding principal amount of all Advances (after giving effect to any concurrent prepayment thereof). In connection with any permanent reduction of the Facility Amount under this Section 2.5(a), the Commitment of each Committed Lender shall automatically, and without any further action by any party, be reduced *pro rata* with all other Committed Lenders such that the sum of all Commitments will equal the newly reduced Facility Amount.

(a) Notwithstanding anything to the contrary herein, the Borrower may permanently reduce the Facility Amount at any time, provided that if such reduction occurs prior to the eighteen-month anniversary of the Twelfth Amendment Effective Date, the Borrower shall pay the applicable Prepayment Fee, to the Collateral Agent, for the respective accounts of the Lenders; provided that, if such reduction occurs after the twelve-month anniversary of the Twelfth Amendment Effective Date and any Lender has, prior to the date of such permanent reduction in whole or in part, declined an Extension Request, then no Prepayment Fee shall be owed to any such Lender that declined such Extension Request. Notwithstanding anything to the contrary herein, no Prepayment Fee shall be due in respect of any prepayment or permanent reduction occurring after the end of the Revolving Period.

SECTION II.6. Extension of Revolving Period. The Borrower may, at any time after the first anniversary of the Twelfth Amendment Effective Date and prior to the date that is thirty (30) days prior to the last date of the Revolving Period, deliver a written notice to each Agent (with a copy to the Facility Agent) requesting an extension of the Revolving Period for an additional twelve months (each qualifying request, an "Extension Request"). Each Lender may approve or decline an Extension Request in its sole discretion; provided, that the Lenders shall respond to an Extension Request in writing not later than 30 days following receipt of such Extension Request, and if any Lender does not respond in writing by the end of such 30 day period it shall be deemed to have denied such Extension Request. No request by the Borrower to extend the Revolving Period shall be considered an "Extension Request" if such request is conditioned on an amendment to any other provision of the Transaction Documents.

SECTION II.7. Calculation of Discount Factor.

(a) In connection with the purchase of each Collateral Obligation and prior to such Collateral Obligation being purchased by the Borrower and included in the Collateral, the Facility Agent will assign (in its sole discretion) a Discount Factor for such Collateral Obligation.

(b) If, but only if, a Revaluation Event occurs with respect to any Collateral Obligation, the Discount Factor of such Collateral Obligation may be amended by the Facility Agent, in its sole discretion, subject to the Investment Manager's dispute rights set forth in this [Section 2.7\(b\)](#). The Facility Agent will provide written notice of the revised Discount Factor to the Borrower, the Collateral Agent and the Investment Manager. The Collateral Agent shall forward a copy of such notice to each Agent. To the extent the Investment Manager has actual knowledge or, pursuant to the terms of the applicable Underlying Instruments, has received notice of any Revaluation Event with respect to any Collateral Obligation, the Investment Manager shall give prompt notice thereof to the Facility Agent and the Collateral Agent (but, in any event, not longer than two Business Days after it receives notice or gains actual knowledge thereof). The Collateral Agent shall forward a copy of such notice to each Agent. So long as (i) the then-current Leverage Multiple with respect to the Collateral Obligation subject to such Revaluation Event is no more than 2.00x higher than the related Original Leverage Multiple, (ii) such Collateral Obligation was not previously subject to a Revaluation Event and (iii) such Collateral Obligation is not a Defaulted Collateral Obligation pursuant to clause (a) or (b) of the definition thereof, the Investment Manager may dispute the Discount Factor determined by the Facility Agent and at the expense of the Borrower shall retain an Approved Valuation Firm to determine the Discount Factor no later than sixty (60) days after the date of such initial determination by the Facility Agent (any such determination not to exceed the least of (x) the Purchase Price paid by the Borrower for such Collateral Obligation, (y) the outstanding Principal Balance of such Collateral Obligation and (z) any Discount Factor or haircut (including due to synthetic tranching) that the Facility Agent assigned pursuant to [Section 2.7\(a\)](#) or otherwise in the related Approval Notice). If the Facility Agent disputes the Discount Factor determined by the Borrower's Approved Valuation Firm in good faith based on its reasonable judgment, the Facility Agent may at the expense of the Borrower elect to retain a different Approved Valuation Firm to determine the Discount Factor in accordance with the Valuation Standard. In either case, the Discount Factor determined by the Facility Agent shall apply during the process of any such dispute. Any determination by any Approved Valuation Firm of the Discount Factor after a Revaluation Event shall be re-calculated every six (6) months after the date of such initial determination until the Borrower provides notice pursuant to clause (d) below that such Revaluation Event is no longer continuing. If any additional Revaluation Event occurs with respect to any Collateral Obligation, the Discount Factor of such Collateral Obligation may be amended by the Facility Agent, in its sole discretion and there shall be no right to dispute such determination. In the event more than one Discount Factor has been determined by Approved Valuation Firms for any Collateral Obligation in accordance with this clause (b), the Discount Factor for such Collateral Obligation shall be recalculated by the Facility Agent as the average of the valuations provided by all such Approved Valuation Firms (such determination not to exceed the least of (x) the Purchase Price paid by the Borrower for such Collateral Obligation, (y) the outstanding Principal Balance of such Collateral Obligation and (z) any Discount

Factor or haircut (including due to synthetic tranching) that the Facility Agent assigned pursuant to Section 2.7(a) or otherwise in the related Approval Notice).

(c) The Facility Agent will provide written notice of each revised Discount Factor to the Borrower, the Investment Manager, each Agent and the Collateral Agent.

(d) Upon notice from the Borrower to the Facility Agent that a Revaluation Event has been cured, the Facility Agent, in its sole discretion, shall revise the Discount Factor to revert to the Discount Factor prevailing immediately prior to the occurrence of the relevant Revaluation Event if the Facility Agent, in its reasonable discretion, is satisfied that such Revaluation Event has been cured.

SECTION II.8. Increase in Facility Amount. The Borrower may, with the prior written consent of the Facility Agent (which consent may be conditioned on one or more conditions precedent in its sole discretion), (i) increase the Commitment of the existing Lender Groups (*pro rata*) with the consent of each such Lender Group, (ii) subject to Section 15.4(b), add additional Lender Groups and/or (iii) increase the Commitment of any Lender Group with the consent of such Lender Group, in each case which shall increase the Facility Amount by the amount of the increased or new Commitment of each such existing or additional Lender Group; provided that the Facility Amount may be increased to \$500,000,000 with the consent of solely the Facility Agent and the Lender Group increasing its Commitment. Each increase in the Facility Amount pursuant to clause (i) above shall be allocated to each participating Lender Group *pro rata* based on their Commitments immediately prior to giving effect to such increase. Notwithstanding the foregoing, no such increase shall be permitted without the prior written consent of DBNY if, after giving effect to any such increase, DBNY's Commitment will no longer be at least 51% of the Facility Amount.

ARTICLE III

YIELD, UNDRAWN FEE, ETC.

SECTION III.1. Yield and Undrawn Fee. (a) The Borrower hereby promises to pay, on the dates specified in Section 3.2, Yield on the unpaid principal amount of each Advance (or each portion thereof) for the period commencing on the applicable Advance Date until such Advance is paid in full. No provision of this Agreement or the Notes shall require the payment or permit the collection of Yield in excess of the maximum permitted by Applicable Law.

(a) The Borrower shall pay the Undrawn Fee on the dates specified in Section 3.2.

SECTION III.2. Yield Distribution Dates. Yield accrued on each Advance (including any previously accrued and unpaid Yield) and Undrawn Fee (as applicable) shall be payable, without duplication:

(a) on the Facility Termination Date;

(b) on the date of any payment or prepayment, in whole or in part, of principal outstanding on such Advance; and

(c) on each Distribution Date.

SECTION III.3. Yield Calculation. The Advances shall bear interest on each day during each Collection Period at a rate *per annum* equal to the product of (a) the Interest Rate for such Collection Period multiplied by (b) the outstanding amount of the Advances on such day. All Yield shall be computed on the basis of the actual number of days (including the first day but excluding the last day) occurring during the period for which such Yield is payable over a year comprised of 360 days (other than Yield accruing by the reference rate set forth in clause (a) of the definition of Alternate Base Rate, which shall be computed over a year comprised of 365/366 days and with respect to GBP Advances, AUD Advances and CAD Advances 365 days).

SECTION III.4. Computation of Yield, Fees, Etc. Each Agent (on behalf of its respective Lender Group) and the Facility Agent shall determine the applicable Yield and all Fees to be paid by the Borrower on each Distribution Date for the related Collection Period and shall advise the Collateral Agent thereof in writing no later than the eighth (8th) Business Day prior to such Distribution Date. Such reporting may also include an accounting of any amounts due and payable pursuant to Sections 4.3 and 5.1.

ARTICLE IV

PAYMENTS; TAXES

SECTION IV.1. Making of Payments. Subject to, and in accordance with, the provisions hereof, all payments of principal of or Yield on the Advances and other amounts due to the Lenders shall be made pursuant to Section 8.3(a) by no later than 3:00 p.m., in the Applicable Time Zone, on the day when due in the Eligible Currency in immediately available funds. Payments received by any Lender or Agent after 3:00 p.m., in the Applicable Time Zone, on any day will be deemed to have been received by such Lender or Agent on its next following Business Day. Each Agent shall allocate to the Lenders in its Lender Group each payment in respect of the Advances received by such Agent as provided by Section 8.3 or Section 2.4. Payments in reduction of the principal amount of the Advances shall be allocated and applied to Lenders *pro rata* based on their respective portions of such Advances, or in any such case in such other proportions as each affected Lender may agree upon in writing from time to time with such Agent and the Borrower. Payments of Yield and Undrawn Fee shall be allocated and applied to Lenders *pro rata* based upon the respective amounts of interest and fees due and payable to them.

SECTION IV.2. Due Date Extension. If any payment of principal or Yield with respect to any Advance falls due on a day which is not a Business Day, then such due date shall be extended to the next following Business Day, and additional Yield shall accrue and be payable for the period of such extension at the rate applicable to such Advance.

SECTION IV.3. Taxes. (a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Transaction Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Official Body in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 4.3) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(a) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Official Body in accordance with applicable law, or at the option of the Facility Agent timely reimburse it for the payment of, any Other Taxes.

(b) Indemnification by the Borrower. The Borrower shall indemnify each Recipient, and its direct and indirect beneficial owners, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 4.3) payable or paid by such Recipient or such beneficial owners or required to be withheld or deducted from a payment to such Recipient or such beneficial owners and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Official Body. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Facility Agent and each Agent), or by the Facility Agent on its own behalf or on behalf of another Recipient, shall be conclusive absent manifest error.

(c) Indemnification by the Lenders. Each Lender shall severally indemnify the Facility Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Facility Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 15.9 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Facility Agent in connection with any Transaction Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Official Body. A certificate as to the amount of such payment or liability delivered to any Lender by the Facility Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Facility Agent to set off and apply any and all amounts at any time owing to such Lender under any Transaction Document or otherwise payable by the Facility Agent to the Lender from any other source against any amount due to the Facility Agent under this Section 4.3(d).

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to an Official Body pursuant to this Section 4.3, the Borrower shall deliver to the Facility Agent the original or a certified copy of a receipt issued by such Official Body evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Facility Agent.

(c) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Transaction Document shall deliver to the Borrower and the Facility Agent, at the time or times reasonably requested by the Borrower or the Facility Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Facility Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Facility Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Facility Agent as will enable the Borrower or the Facility Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 4.3(f)(ii)(A), Section 4.3(f)(ii)(B) and Section 4.3(f)(ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, if the Borrower is a U.S. Borrower:

(A) any Lender that is a "United States person" as defined in Section 7701(a)(30) of the Code shall deliver to the Borrower and the Facility Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Facility Agent) executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Facility Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Facility Agent) whichever of the following is applicable:

Notwithstanding anything to the contrary in this Section 4.3(g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 4.3(g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 4.3(g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) Survival. Each party's obligations under this Section 4.3 shall survive the resignation or replacement of the Facility Agent or any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all obligations under any Transaction Document.

(a) At or prior to the Effective Date, the Borrower shall have filed or caused to be filed a UCC-1 financing statement, naming the Borrower as debtor, naming the Collateral Agent (for the benefit of the Secured Parties) as secured party and describing the Collateral, with the office of the Secretary of

State of the State of Delaware. From time to time thereafter, the Borrower shall file (and the Borrower hereby authorizes the Collateral Agent to so file) such financing statements and cause to be filed such continuation statements, all in such manner and in such places as may be required by law fully to preserve, maintain and protect the interest of the Collateral Agent in favor of the Secured Parties under this Agreement in the Collateral and in the proceeds thereof. The Borrower shall deliver (or cause to be delivered) to the Collateral Agent file-stamped copies of, or filing receipts for, any document filed as provided above, as soon as available following such filing. (a) The Borrower shall not change its name, identity, jurisdiction or corporate structure in any manner that would make any financing statement or continuation statement filed by the Borrower (or by the Collateral Agent on behalf of the Borrower) in accordance with subsection (a) above seriously misleading or change its jurisdiction of organization, unless the Borrower shall have given the Facility Agent, each Agent and the Collateral Agent at least 30 days prior written notice thereof, and shall promptly file appropriate amendments to all previously filed financing statements and continuation statements (and shall provide a copy of such amendments to the Collateral Agent, each Agent and Facility Agent together with an Officer's Certificate to the effect that all appropriate amendments or other documents in respect of previously filed statements have been filed).

(b) The Borrower shall maintain its computer systems, if any, so that, from and after the time of the first Advance under this Agreement, the Borrower's master computer records (including archives) that shall refer to the Collateral indicate clearly that such Collateral is subject to the first priority security interest in favor of the Collateral Agent, for the benefit of the Secured Parties. Indication of the Collateral Agent's (for the benefit of the Secured Parties) security interest shall be deleted from or modified on the Borrower's computer systems when, and only when, the Collateral in question shall have been paid in full, the security interest under this Agreement has been released in accordance with its terms, upon such Collateral Obligation becoming a Repurchased Collateral Obligation, Substituted Collateral Obligation or otherwise as expressly permitted by this Agreement.

(c) Without limiting any of the other provisions hereof, if at any time the Borrower shall propose to sell, grant a security interest in, or otherwise transfer any interest in loan receivables to any prospective lender or other transferee, the Borrower shall give to such prospective lender or other transferee computer tapes, records, or print-outs (including any restored from archives) that, if they shall refer in any manner whatsoever to any Collateral shall indicate clearly that such Collateral is subject to a first priority security interest in favor of the Collateral Agent, for the benefit of the Secured Parties.

(a) The Borrower shall not (i) engage, directly or indirectly, in any business, other than the actions required or permitted to be performed under the preceding clause (a); (ii) fail to be solvent; (iii) release, sell, transfer, convey or assign any Collateral Obligation unless in accordance with the Transaction Documents; (iv) except for capital contributions or capital distributions permitted under the terms and conditions of this Agreement and properly reflected on the books and records of the Borrower, enter into any transaction with an Affiliate of the Borrower except on commercially reasonable terms similar to those available to unaffiliated parties in an arm's-length transaction; (v) identify itself as a department or division of any other Person; (vi) own any asset or property other than the Collateral and the related assets and incidental personal property necessary for the ownership or operation of these assets, (vii) amend, supplement or otherwise modify its organizational documents, except in accordance therewith and, in the case of provisions relating to the special purpose of the Borrower and the replacement of the Independent Manager, with the prior written consent of the Facility Agent (which consent shall not be unreasonably withheld, delayed or conditioned) or (viii) divide or permit any division of itself.

(b) The Borrower shall not (and shall not permit the Equityholder to) take any action contrary to the "Assumptions and Facts" section in the opinion of Dechert LLP, dated the date hereof, relating to certain nonconsolidation matters.

(b) In the event that any Hedge Counterparty no longer maintains the ratings specified in the definition of "Hedge Counterparty," then within 30 days after receiving notice of such decline in the creditworthiness of such Hedge Counterparty as determined by any Rating Agency, either (x) such Hedge Counterparty, upon the receipt of the consent of the Facility Agent, will enter into an arrangement the purpose of which shall be to assure performance by the Hedge Counterparty of its obligations under the applicable Hedging Agreement; or (y) the Borrower shall, at its option and with the written consent (in its sole discretion) of the Facility Agent, either (i) cause such Hedge Counterparty to pledge securities in the manner provided by applicable law which shall be held by the Collateral Agent, for the benefit of the Secured Parties, free and clear of the Lien of any third party, in a manner conferring on the Collateral Agent a perfected first Lien in such securities securing such Hedge Counterparty's performance of its obligations under the applicable Hedging Agreement, (ii) provided that a Replacement Hedging Agreement or Qualified Substitute Arrangement meeting the requirements of Section 10.6(d) has been obtained, (A) provide written notice to such Hedge Counterparty (with a copy to the Collateral Agent, each Agent and the Facility Agent) of its intention to terminate the applicable Hedging Agreement within such 30-day period and (B) terminate the applicable Hedging Agreement within such 30-day period, request the payment to it of all amounts due to the Borrower under the applicable Hedging Agreement through the termination date and deposit any such amounts so received, on the day of receipt, to the Collection Account, or (iii) establish any other arrangement (including an arrangement or arrangements in addition to or in substitution for any prior arrangement made in accordance with the provisions of this Section 10.6(c)) with the written consent (in its sole discretion) of the Facility Agent (a "Qualified Substitute Arrangement"); provided, that in the event at any time any alternative arrangement established pursuant to the above shall cease to be satisfactory to the Facility Agent, then the provisions of this Section 10.6(c), shall again be applied and in connection therewith the 30-day period referred to above shall commence on the date the Borrower receives notice of such cessation or termination, as the case may be.

(c) Unless an alternative arrangement pursuant to clause (x) or (y)(i) or (y)(iii) of Section 10.6(c) is being established, the Borrower shall use its best efforts to obtain a Replacement Hedging Agreement or Qualified Substitute Arrangement meeting the requirements of this Section 10.6 during the 30-day period referred to in Section 10.6(c). The Borrower shall not terminate the Hedging Agreement unless, prior to the expiration of the 30-day period referred to in said Section 10.6(c), the Borrower delivers to the Collateral Agent (with a copy to the Facility Agent and each Agent) (i) a Replacement Hedging Agreement or Qualified Substitute Arrangement, (ii) to the extent applicable, an Opinion of Counsel reasonably satisfactory to the Facility Agent as to the due authorization, execution and delivery and validity and enforceability of such Replacement Hedging Agreement or Qualified Substitute Arrangement, as the case may be, and (iii) evidence that the Facility Agent has consented in writing to the termination of the applicable Hedging Agreement and its replacement with such Replacement Hedging Agreement or Qualified Substitute Arrangement.

Notwithstanding the foregoing, with respect to any Collateral Obligation, the Borrower may include in an Asset Approval Request provisions of Hedging Agreements applicable to such Collateral Obligation, and, if nothing to the contrary is included in the related Approval Notice delivered to the Borrower by the Facility Agent, the provisions relating to Hedging Agreements

In furtherance, and without limiting the generality of the foregoing, each Secured Party hereby appoints the Collateral Agent (acting at the direction of the Facility Agent) as its agent to execute and deliver all further instruments and documents, and take all further action (at the written direction of the Facility Agent) that the Facility Agent deems necessary or desirable in order to perfect, protect or more fully evidence the security interests granted by the Borrower hereunder, or to enable any of them to exercise or enforce any of their respective rights hereunder, including, without limitation, the execution or filing by the Collateral Agent as secured party/assignee of such financing or continuation statements, or amendments thereto or assignments thereof, relative to all or any of the Collateral Obligations now existing or hereafter arising, and such other instruments or notices, as may be necessary or appropriate for the purposes stated hereinabove. Nothing in this Section 11.3(c)(i) shall be deemed to relieve the Borrower or the Investment Manager of their respective obligations to protect the interest of the Collateral Agent (for the benefit of the Secured Parties) in the Collateral, including to file financing and continuation statements in respect of the Collateral in accordance with Section 10.1. It is understood and agreed that any and all actions performed by the Collateral Agent in connection with this Section 11.3(c)(i) shall be at the written direction of the Facility Agent, and the Collateral Agent shall have no responsibility or liability in connection with determining any actions necessary or desirable to perfect, protect or more fully secure the security interest granted by the Borrower hereunder or to enable any Person to exercise or enforce any of their respective rights hereunder.

(ii) The Facility Agent may direct the Collateral Agent in writing to take any such incidental action hereunder. With respect to other actions which are incidental to the actions specifically delegated to the Collateral Agent hereunder, the Collateral Agent shall not be required to take any such incidental action hereunder, but shall be required to act or to refrain from acting (and shall be fully protected in acting or refraining from acting) upon the written direction of the Facility Agent; provided that the Collateral Agent shall not be required to take any action hereunder at the request of the Facility Agent, any Secured Parties or otherwise if the taking of such action, in the determination of the Collateral Agent, (x) shall be in violation of any Applicable Law or contrary to any provisions of this Agreement or (y) shall expose the Collateral Agent to liability hereunder or otherwise (unless it has received indemnity which it reasonably deems to be satisfactory with respect thereto). In the event the Collateral Agent requests the consent of the Facility Agent and the Collateral Agent does not receive a consent (either positive or negative) from the Facility Agent within 10 Business Days of its receipt of such request, then the Facility Agent shall be deemed to have declined to consent to the relevant action.

(iii) Except as expressly provided herein, the Collateral Agent shall not be under any duty or obligation to take any affirmative action to exercise or enforce any power, right or remedy available to it under this Agreement that might in its judgment involve any expense or liability unless it has been furnished with an indemnity reasonably satisfactory to it (x) unless and until (and to the extent) expressly so directed by the Facility Agent or (y) prior to the Facility Termination Date (and upon such occurrence, the Collateral Agent shall act in accordance with the written instructions of the Facility Agent pursuant to clause (x)). The Collateral Agent shall not be liable for any action taken, suffered or omitted by it in accordance with the request or direction of any Secured Party, to the extent that this Agreement provides such Secured Party the right to so direct the Collateral Agent, or the Facility Agent. The Collateral Agent shall not be deemed to have notice or knowledge of any matter hereunder, including a Facility Termination Event, unless a Responsible Officer of the Collateral Agent has knowledge of such matter or written notice thereof is received by the Collateral Agent.

(d) If, in performing its duties under this Agreement, the Collateral Agent is required to decide between alternative courses of action, the Collateral Agent may request written instructions from the Facility Agent as to the course of action desired by it. If the Collateral Agent does not receive such instructions within two Business Days after it has requested them, the Collateral Agent may, but shall be under no duty to, take or refrain from taking any such courses of action. The Collateral Agent shall act in accordance with instructions received after such two Business Day period except to the extent it has already, in good faith, taken or committed itself to take, action inconsistent with such instructions. The Collateral Agent shall be entitled to rely on the advice of legal counsel and independent accountants in performing its duties hereunder and shall be deemed to have acted in good faith if it acts in accordance with such advice.

(e) Concurrently herewith, the Facility Agent directs the Collateral Agent and the Collateral Agent is authorized to enter into the Account Control Agreement and any other related agreements in the form delivered to the Collateral Agent. For the avoidance of doubt, all of the Collateral Agent's rights, protections and immunities provided herein shall apply to the Collateral Agent for any actions taken or omitted to be taken under the Account Control Agreement and any other related agreements in such capacity.

SECTION XI.4. Removal or Resignation of Collateral Agent. The Collateral Agent may at any time resign and terminate its obligations under this Agreement upon at least 60 days' prior written notice to the Investment Manager, the Borrower, the Facility Agent and each Agent; provided, that no resignation or removal of the Collateral Agent will be permitted unless a successor Collateral Agent has been appointed which successor Collateral Agent, so long as no Unmatured Investment Manager Event of Default, Investment Manager Event of Default, Unmatured Facility Termination Event or Facility Termination Event has occurred and is continuing, is reasonably acceptable to the Investment Manager. Promptly after receipt of notice of the Collateral Agent's resignation, the Facility Agent shall promptly appoint a successor Collateral Agent (which successor Collateral Agent shall be reasonably acceptable to the Majority Lenders and the Borrower) by written instrument, in duplicate, copies of which instrument shall be delivered to the Borrower, the Investment Manager, each Agent, the

resigning Collateral Agent and to the successor Collateral Agent. In the event no successor Collateral Agent shall have been appointed within 60 days after the giving of notice of such resignation, the Collateral Agent may petition any court of competent jurisdiction to appoint a successor Collateral Agent. The Facility Agent upon at least 60 days' prior written notice to the Collateral Agent, the Borrower and each Agent, may with or without cause remove and discharge the Collateral Agent or any successor Collateral Agent thereafter appointed from the performance of its duties under this Agreement. Promptly after giving notice of removal of the Collateral Agent, the Facility Agent shall appoint, or petition a court of competent jurisdiction to appoint, a successor Collateral Agent (which successor Collateral Agent shall be reasonably acceptable to the Majority Lenders and the Borrower). Any such appointment shall be accomplished by written instrument and one original counterpart of such instrument of appointment shall be delivered to the Collateral Agent and the successor Collateral Agent, with a copy delivered to the Borrower, each Agent and the Investment Manager.

SECTION XI.5. Representations and Warranties. The Collateral Agent represents and warrants to the Borrower, the Facility Agent, the Lenders and Investment Manager that:

(a) the Collateral Agent has the corporate power and authority and the legal rights to execute and deliver, and to perform its obligations under, this Agreement, and has taken all necessary corporate action to authorize its execution, delivery and performance of this Agreement;

(b) no consent or authorization of, filing with, or other act by or in respect of, any arbitrator or Official Body and no consent of any other Person (including any stockholder or creditor of the Collateral Agent) is required in connection with the execution, delivery performance, validity or enforceability of this Agreement; and

(c) this Agreement has been duly executed and delivered on behalf of the Collateral Agent and constitutes a legal, valid and binding obligation of the Collateral Agent enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general principles of equity (whether enforcement is sought in proceedings in equity or at law).

SECTION XI.6. No Adverse Interest of Collateral Agent. By execution of this Agreement, the Collateral Agent represents and warrants that it currently holds and during the existence of this Agreement shall hold, no adverse interest, by way of security or otherwise, in any Collateral Obligation or any document in the Collateral Obligation Files. Neither the Collateral Obligations nor any documents in the Collateral Obligation Files shall be subject to any security interest, lien or right of set-off by the Collateral Agent or any third party claiming through the Collateral Agent, and the Collateral Agent shall not pledge, encumber, hypothecate, transfer, dispose of, or otherwise grant any third party interest in, the Collateral Obligations or documents in the Collateral Obligation Files, except that the preceding clause shall not apply to the Collateral Agent or the Collateral Custodian with respect to (i) the Collateral Agent Fees and Expenses or the Collateral Custodian Fees and Expenses, and (ii) in the case of any accounts,

with respect to (x) returned or charged-back items, (y) reversals or cancellations of payment orders and other electronic fund transfers, or (z) overdrafts in the Collection Account.

SECTION XI.7. Reliance of Collateral Agent. In the absence of bad faith on the part of the Collateral Agent, the Collateral Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any request, instruction, certificate, opinion or other document furnished to the Collateral Agent, reasonably believed by the Collateral Agent to be genuine and to have been signed or presented by the proper party or parties and conforming to the requirements of this Agreement; but in the case of a request, instruction, document or certificate which by any provision hereof is specifically required to be furnished to the Collateral Agent, the Collateral Agent shall be under a duty to examine the same in accordance with the requirements of this Agreement to determine that they conform on their face to the form required by such provision. For avoidance of doubt, the Collateral Agent may rely conclusively on the Borrowing Base and an Officer's Certificate of the Investment Manager. The Collateral Agent shall not be liable for any action taken by it in good faith and reasonably believed by it to be within the discretion or powers conferred upon it, or taken by it pursuant to any direction or instruction by which it is governed hereunder, or omitted to be taken by it by reason of the lack of direction or instruction required hereby for such action.

SECTION XI.8. Limitation of Liability and Collateral Agent Rights. (a) The Collateral Agent may conclusively rely on and shall be fully protected in acting upon any certificate, instrument, opinion, notice, letter, telegram or other document delivered to it and that in good faith it reasonably believes to be genuine and that has been signed by the proper party or parties. The Collateral Agent may rely conclusively on and shall be fully protected in acting upon (x) the written instructions of any designated officer of the Facility Agent or (y) the verbal instructions of the Facility Agent.

(a) The Collateral Agent may consult counsel satisfactory to it with a national reputation in the applicable matter and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(b) The Collateral Agent shall not be liable for any error of judgment, or for any act done or step taken or omitted by it, in good faith, or for any mistakes of fact or law, or for anything that it may do or refrain from doing in connection herewith except in the case of its willful misconduct, bad faith, reckless disregard or grossly negligent performance or omission of its duties.

(c) The Collateral Agent makes no warranty or representation and shall have no responsibility (except as expressly set forth in this Agreement) as to the content, enforceability, completeness, validity, sufficiency, value, genuineness, ownership or transferability of the Collateral, and will not be required to and will not make any representations as to the validity or value (except as expressly set forth in this Agreement) of any of the Collateral. The Collateral Agent shall not be obligated to take any action hereunder that might in its judgment involve any expense or liability unless it has been furnished with an indemnity reasonably satisfactory to it.

(d) The Collateral Agent shall have no duties or responsibilities except such duties and responsibilities as are specifically set forth in this Agreement and the other Transaction Documents to which it is a party and no covenants or obligations shall be implied in this Agreement against the Collateral Agent.

(e) The Collateral Agent shall not be required to expend or risk its own funds in the performance of its duties hereunder.

(f) It is expressly agreed and acknowledged that the Collateral Agent is not guaranteeing performance of or assuming any liability for the obligations of the other parties hereto or any parties to the Collateral.

(g) In case any reasonable question arises as to its duties hereunder, the Collateral Agent may, prior to the occurrence of a Facility Termination Event, request instructions from the Investment Manager and may, after the occurrence of a Facility Termination Event, request instructions from the Facility Agent, and shall be entitled at all times to refrain from taking any action unless it has received written instructions from the Investment Manager or the Facility Agent, as applicable. The Collateral Agent shall in all events have no liability, risk or cost for any action taken pursuant to and in compliance with the instruction of the Facility Agent. In no event shall the Collateral Agent be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Collateral Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

(h) In the event that the Collateral Custodian is not the same entity as the Collateral Agent, the Collateral Agent shall not be liable for the acts or omissions of the Collateral Custodian under this Agreement and shall not be required to monitor the performance of the Collateral Custodian.

(i) Without limiting the generality of any terms of this section, the Collateral Agent shall have no liability for any failure, inability or unwillingness on the part of the Investment Manager, the Facility Agent or the Borrower to provide accurate and complete information on a timely basis to the Collateral Agent, or otherwise on the part of any such party to comply with the terms of this Agreement, and shall have no liability for any inaccuracy or error in the performance or observance on the Collateral Agent's part of any of its duties hereunder that is caused by or results from any such inaccurate, incomplete or untimely information received by it, or other failure on the part of any such other party to comply with the terms hereof.

(j) The Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any certificate, report or other document; provided, however, that, if the form thereof is prescribed by this Agreement, the Collateral Agent shall examine the same to determine whether it conforms on its face to the requirements hereof. The Collateral Agent shall not be deemed to have knowledge or notice of any matter unless actually known to a Responsible Officer of the Collateral Agent. It is expressly acknowledged by the Borrower, the Investment Manager, the Facility Agent and each Agent that application and performance

by the Collateral Agent of its various duties hereunder (including, without limitation, recalculations to be performed in respect of the matters contemplated hereby) shall be based upon, and in reliance upon, data, information and notice provided to it by the Investment Manager, the Facility Agent, any Agent, the Borrower and/or any related bank agent, obligor or similar party with respect to the Collateral Obligation, and the Collateral Agent shall have no responsibility for the accuracy of any such information or data provided to it by such persons and shall be entitled to update its records (as it may deem necessary or appropriate). Nothing herein shall impose or imply any duty or obligation on the part of the Collateral Agent to verify, investigate or audit any such information or data, or to determine or monitor on an independent basis whether any issuer of the Collateral is in default or in compliance with the underlying documents governing or securing such securities, from time to time.

(k) The Collateral Agent may exercise any of its rights or powers hereunder or perform any of its duties hereunder either directly or, by or through agents or attorneys, and the Collateral Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed hereunder with due care by it. Neither the Collateral Agent nor any of its affiliates, directors, officers, shareholders, agents or employees will be liable to the Investment Manager, Borrower or any other Person, except by reason of acts or omissions by the Collateral Agent constituting bad faith, willful misfeasance, gross negligence or reckless disregard of the Collateral Agent's duties hereunder. The Collateral Agent shall in no event have any liability for the actions or omissions of the Borrower, the Investment Manager, the Facility Agent or any other Person, and shall have no liability for any inaccuracy or error in any duty performed by it that results from or is caused by inaccurate, untimely or incomplete information or data received by it from the Borrower, the Investment Manager, the Facility Agent or another Person except to the extent that such inaccuracies or errors are caused by the Collateral Agent's own bad faith, willful misfeasance, gross negligence or reckless disregard of its duties hereunder. The Collateral Agent shall not be liable for failing to perform or delay in performing its specified duties hereunder which results from or is caused by a failure or delay on the part of the Borrower or the Investment Manager, the Facility Agent or another Person in furnishing necessary, timely and accurate information to the Collateral Agent.

(l) The Collateral Agent shall be under no obligation to exercise or honor any of the rights or powers vested in it by this Agreement at the request or direction of the Facility Agent (or any other Person authorized or permitted to direct the Collateral Agent hereunder) pursuant to this Agreement, unless the Facility Agent (or such other Person) shall have offered the Collateral Agent security or indemnity reasonably acceptable to the Collateral Agent against costs, expenses and liabilities (including any legal fees) that might reasonably be incurred by it in compliance with such request or direction.

SECTION XI.9. Tax Reports. The Collateral Agent shall not be responsible for the preparation or filing of any reports or returns relating to federal, state or local income taxes with respect to this Agreement, other than in respect of the Collateral Agent's compensation or for reimbursement of expenses.

SECTION XI.10. Merger or Consolidation. Any Person (i) into which the Collateral Agent may be merged or consolidated, (ii) that may result from any merger or consolidation to which the Collateral Agent shall be a party, or (iii) that may succeed to the properties and assets of the Collateral Agent substantially as a whole, which Person in any of the foregoing cases executes an agreement of assumption to perform every obligation of the Collateral Agent hereunder, shall be the successor to the Collateral Agent under this Agreement without further act of any of the parties to this Agreement.

SECTION XI.11. Collateral Agent Compensation. As compensation for its activities hereunder, the Collateral Agent (in each of its capacities hereunder) shall be entitled to its fees from the Borrower as set forth in the Collateral Agent and Collateral Custodian Fee Letter and any other accrued and unpaid expenses (including reasonable attorneys' fees, costs and expenses) and indemnity amounts payable by the Borrower or the Investment Manager, or both but without duplication, to the Collateral Agent under the Transaction Documents (including, without limitation, Indemnified Amounts payable under Article XVI) (collectively, the "Collateral Agent Fees and Expenses"). The Borrower agrees to reimburse the Collateral Agent in accordance with the provisions of Section 8.3 for all reasonable, out-of-pocket, documented expenses, disbursements and advances incurred or made by the Collateral Agent in accordance with any provision of this Agreement or the other Transaction Documents or in the enforcement of any provision hereof or in the other Transaction Documents.

SECTION XI.12. Compliance with Applicable Anti-Bribery and Corruption, Anti-Terrorism and Anti-Money Laundering Regulations. In order to comply with Applicable Banking Law, the Collateral Agent and the Collateral Custodian are required to obtain, verify, record and update certain information relating to individuals and entities which maintain a business relationship with the Collateral Agent and the Collateral Custodian. Accordingly, each of the parties agrees to provide to the Collateral Agent and the Collateral Custodian, upon their reasonable request from time to time such identifying information and documentation as may be available for such party in order to enable the Collateral Agent and the Collateral Custodian to comply with Applicable Banking Law.

SECTION XII.2. Borrower Remains Liable. Notwithstanding anything in this Agreement, (a) except to the extent of the Investment Manager's duties under the Transaction Documents, the Borrower shall remain liable under the Collateral Obligations, Borrower Assigned Agreements and other agreements included in the Collateral to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by a Secured Party or the Collateral Agent of any of its rights under this Agreement shall not release the Borrower or the Investment Manager from any of their respective duties or obligations under the Collateral Obligations, Borrower Assigned Agreements or other agreements included in the Collateral, (c) the Secured Parties and the Collateral Agent shall not have any obligation or liability under the Collateral Obligations, Borrower Assigned Agreements or other agreements included in the Collateral by reason of this Agreement, and (d) neither the Collateral Agent nor any of the Secured Parties shall be obligated to perform any of the obligations or duties of the Borrower or the Investment Manager under the Collateral Obligations, Borrower Assigned Agreements or other agreements included in the Collateral or to take any action to collect or enforce any claim for payment assigned under this Agreement.

In connection with the release of a Lien on any Collateral permitted pursuant to this Section 12.3 and conducted in the ordinary course of business consistent with industry standards and practices (including the use of escrows), the Collateral Agent, on behalf of the Secured Parties, will, at the sole expense of the Borrower, execute and deliver to the Borrower any assignments, bills of sale, termination statements and any other releases and instruments as the Borrower may reasonably request in order to effect the release and transfer of such Collateral; provided, that the Collateral Agent, on behalf of the Secured Parties, will make no representation or warranty, express or implied, with respect to any such Collateral in connection with such sale or transfer and assignment.

SECTION XIII.3. Rights upon Facility Termination Event. If a Facility Termination Event shall have occurred and be continuing, the Facility Agent may, in its sole discretion, or shall at the direction of the Majority Lenders, direct the Collateral Agent to exercise any of the remedies specified herein in respect of the Collateral and the Collateral Agent shall promptly, at the written direction of the Facility Agent or the Majority Lenders, also do one or more of the following (subject to Section 13.9):

(a) institute proceedings in its own name and on behalf of the Secured Parties as Collateral Agent for the collection of all Obligations, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Borrower and any other obligor with respect thereto moneys adjudged due, for the specific enforcement of any covenant or agreement in any Transaction Document or in the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Collateral Agent by Applicable Law or any Transaction Document;

(b) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the right and remedies of the Collateral Agent and the Secured Parties which rights and remedies shall be cumulative; and

(c) require the Borrower and the Investment Manager, at the Investment Manager's expense, to (1) assemble all or any part of the Collateral as directed by the Collateral Agent (at the direction of the Facility Agent) and make the same available to the Collateral Agent at a place to be designated by the Collateral Agent (at the direction of the Facility Agent) that is reasonably convenient to such parties and (2) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at a public or private sale, at any of the Collateral Agent's or the Facility Agent's offices or elsewhere in accordance with Applicable Law. The Borrower agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to the Borrower of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable

notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent (at the direction of the Facility Agent) may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. All cash proceeds received by the Collateral Agent in respect of any sale of, collection from, or other realization upon, all or any part of the Collateral (after payment of any amounts incurred in connection with such sale) shall be deposited into the Collection Account and to be applied against all or any part of the outstanding Advances pursuant to Section 4.1 or otherwise in such order as the Collateral Agent shall be directed by the Facility Agent (in its sole discretion).

SECTION XIII.4. Collateral Agent May Enforce Claims Without Possession of Notes. All rights of action and of asserting claims under the Transaction Documents, may be enforced by the Collateral Agent without the possession of the Notes or the production thereof in any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Collateral Agent shall be brought in its own name as Collateral Agent and any recovery of judgment, subject to the payment of the reasonable, out-of-pocket and documented expenses, disbursements and compensation of the Collateral Agent each predecessor Collateral Agent and their respective agents and attorneys, shall be for the ratable benefit of the holders of the Notes and other Secured Parties.

SECTION XIII.5. Collective Proceedings. In any proceedings brought by the Collateral Agent to enforce the Liens under the Transaction Documents (and also any proceedings involving the interpretation of any provision of any Transaction Document), the Collateral Agent shall be held to represent all of the Secured Parties, and it shall not be necessary to make any Secured Party a party to any such proceedings.

SECTION XIII.6. Insolvency Proceedings. In case there shall be pending, relative to the Borrower or any other obligor upon the Notes or any Person having or claiming an ownership interest in the Collateral, proceedings under the Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Borrower, its property or such other obligor or Person, or in case of any other comparable judicial proceedings relative to the Borrower or other obligor upon the Notes, or to the creditors of property of the Borrower or such other obligor, the Collateral Agent irrespective of whether the principal of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Collateral Agent shall have made any demand pursuant to the provisions of this Section, shall be entitled and empowered but without any obligation, subject to Section 13.9(a), by intervention in such proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and Yield owing and unpaid in respect of the Notes, all other amounts owing to the Lenders and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Collateral Agent (including any claim for reimbursement of all expenses

(including the fees and expenses of counsel) and liabilities incurred, and all advances, if any, made, by the Collateral Agent and each predecessor Collateral Agent except as determined to have been caused by its own gross negligence or willful misconduct) and of each of the other Secured Parties allowed in such proceedings;

(b) unless prohibited by Applicable Law and regulations, to vote (with the consent of the Facility Agent) on behalf of the holders of the Notes in any election of a trustee, a standby trustee or person performing similar functions in any such proceedings;

(c) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute all amounts received with respect to the claims of the Secured Parties on their behalf; and

(d) to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Collateral Agent or the Secured Parties allowed in any judicial proceedings relative to the Borrower, its creditors and its property;

and any trustee, receiver, liquidator, collateral agent or trustee or other similar official in any such proceeding is hereby authorized by each of such Secured Parties to make payments to the Collateral Agent and, in the event that the Collateral Agent shall consent to the making of payments directly to such Secured Parties, to pay to the Collateral Agent such amounts as shall be sufficient to cover all reasonable expenses and liabilities incurred, and all advances made, by the Collateral Agent and each predecessor Collateral Agent except as determined to have been caused by its own negligence or willful misconduct.

SECTION XIII.7. Delay or Omission Not Waiver. No delay or omission of the Collateral Agent or of any other Secured Party to exercise any right or remedy accruing upon any Facility Termination Event shall impair any such right or remedy or constitute a waiver of any such Facility Termination Event or an acquiescence therein. Every right and remedy given by this [Section 13.7](#) or by law to the Collateral Agent or to the other Secured Parties may be exercised from time to time, and as often as may be deemed expedient, by the Collateral Agent or by the other Secured Parties, as the case may be.

SECTION XIII.8. Waiver of Stay or Extension Laws. The Borrower waives and covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force (including filing a voluntary petition under Chapter 11 of the Bankruptcy Code and by the voluntary commencement of a proceeding or the filing of a petition seeking winding up, liquidation, reorganization or other relief under any bankruptcy, insolvency, receivership or similar law now or hereafter in effect), which may affect the covenants, the performance of or any remedies under this Agreement; and the Borrower (to the extent that it may lawfully do so) hereby expressly waives all benefits or advantages of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Collateral Agent, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION XIII.9. Limitation on Duty of Collateral Agent in Respect of Collateral. (a) Beyond the safekeeping of the Collateral Obligation Files in accordance with Article XVIII, neither the Collateral Agent nor the Collateral Custodian shall have any duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and neither the Collateral Agent nor the Collateral Custodian shall be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. Neither the Collateral Agent nor the Collateral Custodian shall be liable or responsible for any misconduct, negligence or loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent, attorney or bailee selected by the Collateral Agent or the Collateral Custodian in good faith and with due care hereunder.

(a) Neither the Collateral Agent nor the Collateral Custodian shall be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, or for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral.

(b) Neither the Collateral Agent nor the Collateral Custodian shall have any duty to act outside of the United States in respect of any Collateral located in any jurisdiction other than the United States.

SECTION XIII.10. Power of Attorney. (a) The Borrower hereby irrevocably appoints the Collateral Agent as its true and lawful attorney (with full power of substitution) in its name, place and stead and at its expense, in connection with the enforcement of the rights and remedies provided for (and subject to the terms and conditions set forth) in this Agreement including without limitation the following powers: (i) to give any necessary receipts or acquittance for amounts collected or received hereunder, (ii) to make all necessary transfers of the Collateral in connection with any such sale or other disposition made pursuant hereto, (iii) to execute and deliver for value all necessary or appropriate bills of sale, assignments and other instruments in connection with any such sale or other disposition, the Borrower hereby ratifying and confirming all that such attorney (or any substitute) shall lawfully do hereunder and pursuant hereto, and (iv) to sign any agreements, orders or other documents in connection with or pursuant to any Transaction Document. Nevertheless, if so requested by the Collateral Agent (at the direction of the Facility Agent), the Borrower shall ratify and confirm any such sale or other disposition by executing and delivering to the Collateral Agent all proper bills of sale, assignments, releases and other instruments as may be designated in any such request.

(a) No person to whom this power of attorney is presented as authority for the Collateral Agent to take any action or actions contemplated by clause (a) shall inquire into or seek confirmation from the Borrower as to the authority of the Collateral Agent to take any action described below, or as to the existence of or fulfillment of any condition to the power

of attorney described in clause (a), which is intended to grant to the Collateral Agent unconditionally the authority to take and perform the actions contemplated herein, and the Borrower irrevocably waives any right to commence any suit or action, in law or equity, against any person or entity that acts in reliance upon or acknowledges the authority granted under this power of attorney. The power of attorney granted in clause (a) is coupled with an interest and may not be revoked or canceled by the Borrower until all obligations of the Borrower under the Transaction Documents have been paid in full and the Collateral Agent has provided its written consent thereto.

(b) Notwithstanding anything to the contrary herein, the power of attorney granted pursuant to this Section 13.10 shall only be effective after the occurrence of a Facility Termination Event.

ARTICLE XIV

THE FACILITY AGENT

SECTION XIV.1. Appointment. Each Lender and each Agent hereby irrevocably designates and appoints DBNY as Facility Agent hereunder and under the other Transaction Documents, and authorizes the Facility Agent to take such action on its behalf under the provisions of this Agreement and the other Transaction Documents and to exercise such powers and perform such duties as are expressly delegated to the Facility Agent by the terms of this Agreement and the other Transaction Documents, together with such other powers as are reasonably incidental thereto. Each Lender in each Lender Group hereby irrevocably designates and appoints the Agent for such Lender Group as the agent of such Lender under this Agreement, and each such Lender irrevocably authorizes such Agent, as the agent for such Lender, to take such action on its behalf under the provisions of this Agreement and the other Transaction Documents and to exercise such powers and perform such duties thereunder as are expressly delegated to such Agent by the terms of this Agreement and the other Transaction Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, neither the Facility Agent nor any Agent (the Facility Agent and each Agent being referred to in this Article as a "Note Agent") shall have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against any Note Agent.

SECTION XIV.2. Delegation of Duties. Each Note Agent may execute any of its duties under this Agreement and the other Transaction Documents by or through its subsidiaries, affiliates, agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Note Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

SECTION XIV.3. Exculpatory Provisions. No Note Agent (acting in such capacity) nor any of its directors, officers, agents or employees shall be (a) liable for any action lawfully

taken or omitted to be taken by it or them or any Person described in Section 14.2 under or in connection with this Agreement or the other Transaction Documents (except, solely with respect to liability to the Borrower, for its, their or such Person's own gross negligence or willful misconduct), or (b) responsible in any manner to any Person for any recitals, statements, representations or warranties of any Person (other than itself) contained in the Transaction Documents or in any certificate, report, statement or other document referred to or provided for in, or received under or in connection with, the Transaction Documents or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of the Transaction Documents or any other document furnished in connection therewith or herewith, or for any failure of any Person (other than itself or its directors, officers, agents or employees) to perform its obligations under any Transaction Document or for the satisfaction of any condition specified in a Transaction Document. Except as otherwise expressly provided in this Agreement, no Note Agent shall be under any obligation to any Person to ascertain or to inquire as to the observance or performance of any of the agreements or covenants contained in, or conditions of, the Transaction Documents, or to inspect the properties, books or records of the Borrower or the Investment Manager.

SECTION XIV.4. Reliance by Note Agents. Each Note Agent shall in all cases be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to each of the Lenders), Independent Accountants and other experts selected by such Note Agent. Each Note Agent shall in all cases be fully justified in failing or refusing to take any action under this Agreement, any other Transaction Document or any other document furnished in connection herewith or therewith unless it shall first receive such advice or concurrence of the Lenders, as it deems appropriate, or it shall first be indemnified to its satisfaction (i) in the case of the Facility Agent, by the Lenders or (ii) in the case of an Agent, by the Lenders in its Lender Group, against any and all liability, cost and expense which may be incurred by it by reason of taking or continuing to take any such action. The Facility Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement, the other Transaction Documents or any other document furnished in connection herewith or therewith in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders. The Facility Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement, the other Transaction Documents or any other document furnished in connection herewith or therewith in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement, the other Transaction Documents or any other document furnished in connection herewith or therewith in accordance with a request of the Lenders in its Lender Group holding greater than 50% of the outstanding Advances held by such Lender Group, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders in such Lender Group.

SECTION XIV.5. Notices. No Note Agent shall be deemed to have knowledge or notice of the occurrence of any breach of this Agreement or the occurrence of any Facility Termination Event unless it has received notice from the Investment Manager, the Borrower or any Lender, referring to this Agreement and describing such event. In the event that any Agent receives such a notice, it shall promptly give notice thereof to the Lenders in its Lender Group. The Facility Agent shall take such action with respect to such event as shall be reasonably directed in writing by the Required Lenders, and each Agent shall take such action with respect to such event as shall be reasonably directed by Lenders in its Lender Group holding greater than 50% of the outstanding Advances held by such Lender Group; provided, that unless and until such Note Agent shall have received such directions, such Note Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such event as it shall deem advisable in the best interests of the Lenders or of the Lenders in its Lender Group, as applicable.

SECTION XIV.6. Non-Reliance on Note Agents. The Lenders expressly acknowledge that no Note Agent, nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representations or warranties to it and that no act by any Note Agent hereafter taken, including any review of the affairs of the Borrower or the Investment Manager, shall be deemed to constitute any representation or warranty by such Note Agent to any Lender. Each Lender represents to each Note Agent that it has, independently and without reliance upon any Note Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower, the Investment Manager, and the Collateral Obligations and made its own decision to purchase its interest in the Notes hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Note Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own analysis, appraisals and decisions in taking or not taking action under any of the Transaction Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower, the Investment Manager, and the Collateral Obligations. Except as expressly provided herein, no Note Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the Collateral or the business, operations, property, prospects, financial and other condition or creditworthiness of the Borrower, the Investment Manager or the Lenders which may come into the possession of such Note Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

In no event shall any Note Agent be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if such Note Agent has been advised of the likelihood of such loss or damage and regardless of the form of action. In no event shall such Note Agent be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, government action, including any laws, ordinances, regulations, governmental action

or the like which delay, restrict or prohibit the providing of the services contemplated by this Agreement.

SECTION XIV.7. Indemnification. The Lenders agree to indemnify the Facility Agent and its officers, directors, employees, representatives and agents (to the extent not reimbursed by the Borrower or the Investment Manager under the Transaction Documents, and without limiting the obligation of such Persons to do so in accordance with the terms of the Transaction Documents), ratably according to the outstanding amounts of their Advances from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever (including the reasonable fees and disbursements of counsel for the Facility Agent or the affected Person in connection with any investigative, or judicial proceeding commenced or threatened, whether or not the Facility Agent or such affected Person shall be designated a party thereto) that may at any time be imposed on, incurred by or asserted against the Facility Agent or such affected Person as a result of, or arising out of, or in any way related to or by reason of, any of the transactions contemplated hereunder or under the Transaction Documents or any other document furnished in connection herewith or therewith.

SECTION XIV.8. Successor Note Agent. If the Facility Agent shall resign as Facility Agent under this Agreement, then the Majority Lenders shall appoint a successor agent, whereupon such successor agent shall succeed to the rights, powers and duties of the Facility Agent, and the term "Facility Agent" shall mean such successor agent, effective upon its acceptance of such appointment, and the former Facility Agent's rights, powers and duties as Facility Agent shall be terminated, without any other or further act or deed on the part of such former Facility Agent or any of the parties to this Agreement. In addition, prior to any assignment or participation by DBNY of any interest in its Commitment which, in either case, after giving effect to such assignment or participation would result in DBNY holding (unparticipated) less than 25% of the Facility Amount, the Required Lenders shall be permitted to appoint a new Facility Agent with the consent of the Investment Manager (such consent not to be unreasonably withheld, delayed or conditioned). Any Agent may resign as Agent upon ten days' notice to the Lenders in its Lender Group and the Facility Agent (with a copy to the Borrower) with such resignation becoming effective upon a successor agent succeeding to the rights, powers and duties of the Agent pursuant to this Section 14.8. If an Agent shall resign as Agent under this Agreement, then Lenders in its Lender Group holding greater than 50% of the outstanding Advances held by such Lender Group shall appoint a successor agent for such Lender Group. After any Note Agent's resignation hereunder, the provisions of this Article XIV shall inure to its benefit as to any actions taken or omitted to be taken by it while it was a Note Agent under this Agreement. No resignation of any Note Agent shall become effective until a successor Note Agent shall have assumed the responsibilities and obligations of such Note Agent hereunder; provided, that in the event a successor Note Agent is not appointed within 60 days after such notice of its resignation is given as permitted by this Section 14.8, the applicable Note Agent may petition a court for its removal.

SECTION XIV.9. Note Agents in their Individual Capacity. Each Note Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business

with the Borrower or the Investment Manager as though such Note Agent were not an agent hereunder. Any Person which is a Note Agent may act as a Note Agent without regard to and without additional duties or liabilities arising from its role as such administrator or agent or arising from its acting in any such other capacity.

SECTION XIV.10. Borrower Procedural Review. The Facility Agent shall, at the Borrower's expense, retain Protiviti, Inc. (or another nationally recognized audit firm acceptable to the Facility Agent in its sole discretion) to conduct and complete a procedural review of the Collateral Obligations in compliance with the standards set forth on Exhibit B hereto (as such Exhibit B may be amended from time to time as the Facility Agent and Borrower (in the sole discretion of each) may agree) once every twelve-month period at the request of the Facility Agent. The Facility Agent shall promptly forward the results of such audit to the Investment Manager.

SECTION XIV.11. Compliance with Applicable Anti-Bribery and Corruption, Anti-Terrorism and Anti-Money Laundering Regulations. In order to comply with the Applicable Banking Law, the Facility Agent is required to obtain, verify, record and update certain information relating to individuals and entities which maintain a business relationship with the Facility Agent. Accordingly, each of the parties hereto agree to provide to the Facility Agent, upon its request from time to time, such identifying information and documentation as may be available for such party in order to enable the Facility Agent to comply with Applicable Banking Law.

ARTICLE XV

ASSIGNMENTS

SECTION XV.1. Restrictions on Assignments. Except as specifically provided herein, the Borrower may not assign any of its rights or obligations hereunder or any interest herein without the prior written consent of the Facility Agent and the Majority Lenders in their respective sole discretion and any attempted assignment in violation of this Section 15.1 shall be null and void.

SECTION XV.2. Documentation. In connection with any permitted assignment, each Lender shall deliver to each assignee an assignment, in such form as such Lender and the related assignee may agree, duly executed by such Lender assigning any such rights, obligations, Advance or Note to the assignee; and such Lender shall promptly execute and deliver all further instruments and documents, and take all further action, that the assignee may reasonably request, in order to perfect, protect or more fully evidence the assignee's right, title and interest in and to the items assigned, and to enable the assignee to exercise or enforce any rights hereunder or under the Notes evidencing such Advance.

SECTION XV.3. Rights of Assignee. Upon the foreclosure of any assignment of any Advances made for security purposes, or upon any other assignment of any Advance from any Lender pursuant to this Article XV, the respective assignee receiving such assignment shall

have all of the rights of such Lender hereunder with respect to such Advances and all references to the Lender or Lenders in Sections 4.3 or 5.1 shall be deemed to apply to such assignee.

SECTION XV.4. Assignment by Lenders. So long as no Facility Termination Event or Investment Manager Event of Default has occurred and is continuing, no Lender may make any assignment, and no such assignment shall be permitted, other than any proposed assignment (i) to an Affiliate of such Lender, (ii) to another Lender hereunder or (iii) if (x) such Lender makes a reasonable determination that its ownership of any of its rights or obligations hereunder (and under other similar facilities (if any) held by such Lender) is prohibited by the Volcker Rule and (y) to the extent such Lender is permitted by the applicable documentation, such Lender is making commercially reasonable efforts to assign its interest in other similar facilities in a manner similar to such proposed assignment, to any Person other than a Competitor, without the prior written consent of the Borrower (which consent, if such assignment is to a Person other than a Competitor, shall not to be unreasonably withheld, delayed or conditioned). Each Lender shall endorse the Notes to reflect any assignments made pursuant to this Article XV or otherwise.

SECTION XV.5. Registration; Registration of Transfer and Exchange. (a) The Collateral Agent, acting solely for this purpose as agent for the Borrower (and, in such capacity, the "Note Registrar"), shall maintain a register for the recordation of the name and address of each Lender (including any assignees), and the principal amounts (and stated interest) owing to such Lender pursuant to the terms hereof from time to time (the "Note Register"). The entries in the Note Register shall be conclusive absent manifest error, and the Borrower, the Collateral Agent, the Facility Agent, each Agent and each Lender shall treat each Person whose name is recorded in the Note Register pursuant to the terms hereof as a Lender hereunder. The Note Register shall be available for inspection by the Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(a) Each Person who has or who acquired an interest in a Note shall be deemed by such acquisition to have agreed to be bound by the provisions of this Section 15.5. A Note may be exchanged (in accordance with Section 15.5(c)) and transferred to the holders (or their agents or nominees) of the Advances and to any assignee (in accordance with Section 15.1) (or its agent or nominee) of all or a portion of the Advances. The Note Registrar shall not register (or cause to be registered) the transfer of such Note, unless the proposed transferee shall have delivered to the Note Registrar either (i) an Opinion of Counsel that the transfer of such Note is exempt from registration or qualification under the Securities Act of 1933, as amended, and all applicable state securities laws and that the transfer does not constitute a non-exempt "prohibited transaction" under ERISA or (ii) an express agreement by the proposed transferee to be bound by and to abide by the provisions of this Section 15.5 and the restrictions noted on the face of such Note.

(b) At the option of the holder thereof, a Note may be exchanged for one or more new Notes of any authorized denominations and of a like class and aggregate principal amount at an office or agency of the Borrower. Whenever any Note is so surrendered for exchange, the Borrower shall execute and deliver (through the Note Registrar) the new Note which the holder making the exchange is entitled to receive at the Note Registrar's office,

located at DB Services Americas Inc., 5022 Gate Parkway, Suite 200, Jacksonville, Florida, 32256, Attention: Transfer Unit.

(c) Upon surrender for registration of transfer of any Note at an office or agency of the Borrower, the Borrower shall execute and deliver (through the Note Registrar), in the name of the designated transferee or transferees, one or more new Notes of any authorized denominations and of a like class and aggregate principal amount.

(d) All Notes issued upon any registration of transfer or exchange of any Note in accordance with the provisions of this Agreement shall be the valid obligations of the Borrower, evidencing the same debt, and entitled to the same benefits under this Agreement, as the Note(s) surrendered upon such registration of transfer or exchange.

(e) Every Note presented or surrendered for registration of transfer or for exchange shall (if so required by the Borrower or the Note Registrar) be fully endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Note Registrar, duly executed by the holder thereof or his attorney duly authorized in writing.

(f) No service charge shall be made for any registration of transfer or exchange of a Note, but the Borrower may require payment from the transferee holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of a Note.

(g) The holders of the Notes shall be bound by the terms and conditions of this Agreement.

SECTION XV.6. Mutilated, Destroyed, Lost and Stolen Notes. (a) If any mutilated Note is surrendered to the Note Registrar, the Borrower shall execute and deliver (through the Note Registrar) in exchange therefor a new Note of like class and tenor and principal amount and bearing a number not contemporaneously outstanding.

(i) If there shall be delivered to the Borrower and the Note Registrar prior to the payment of the Notes (i) evidence to their satisfaction of the destruction, loss or theft of any Note and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Borrower or the Note Registrar that such Note has been acquired by a *bona fide* Lender, the Borrower shall execute and deliver (through the Note Registrar), in lieu of any such destroyed, lost or stolen Note, a new Note of like class, tenor and principal amount and bearing a number not contemporaneously outstanding.

(b) Upon the issuance of any new Note under this Section 15.6, the Borrower may require the payment from the transferor holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith.

(c) Every new Note issued pursuant to this Section 15.6 and in accordance with the provisions of this Agreement, in lieu of any destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Borrower, whether or not the destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Agreement equally and proportionately with any and all other Notes duly issued hereunder.

(d) The provisions of this Section 15.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of a mutilated, destroyed, lost or stolen Note.

SECTION XV.7. Persons Deemed Owners. The Borrower, the Investment Manager, the Facility Agent, the Collateral Agent and any agent for any of the foregoing may treat the holder of any Note as the owner of such Note for all purposes whatsoever, whether or not such Note may be overdue, and none of Borrower, the Investment Manager, the Facility Agent, the Collateral Agent and any such agent shall be affected by notice to the contrary.

SECTION XV.8. Cancellation. All Notes surrendered for payment or registration of transfer or exchange shall be promptly canceled. The Borrower shall promptly cancel and deliver to the Note Registrar any Notes previously authenticated and delivered hereunder which the Borrower may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly canceled by the Borrower. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 15.8, except as expressly permitted by this Agreement.

SECTION XV.9. Participations; Pledge. (a) At any time and from time to time, each Lender may, in accordance with Applicable Law, at any time grant participations in all or a portion of its Note and/or its interest in the Advances and other payments due to it under this Agreement to any Person (each, a "Participant"). Each Lender hereby acknowledges and agrees that (A) any such participation will not alter or affect such Lender's direct obligations hereunder, and (B) none of the Borrower, the Investment Manager, the Facility Agent, any Agent, any Lender, the Collateral Agent nor the Investment Manager shall have any obligation to have any communication or relationship with any Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Section 4.3 and Section 5.1 (subject to the requirements and limitations therein, including the requirements under Section 4.3(f) (it being understood that the documentation required under Section 4.3(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to this Article XV; provided that such Participant (A) agrees to be subject to the provisions of Section 17.16 as if it were an assignee under this Article XV; and (B) shall not be entitled to receive any greater payment under Section 4.3 or Section 5.1, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent that such entitlement to receive a greater payment results from a change in any Applicable Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 17.16(b) with respect to any Participant. To the

extent permitted by law, each Participant also shall be entitled to the benefits of Section 17.1 as though it were a Lender.

(a) Notwithstanding anything in Section 15.9(a) to the contrary, each Lender may pledge its interest in the Advances and the Notes to any Federal Reserve Bank as collateral in accordance with Applicable Law without the prior written consent of any Person.

(b) Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the obligations under the Transaction Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any obligations under any Transaction Document) except to the extent that such disclosure is necessary to establish that such obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Facility Agent (in its capacity as Facility Agent) shall have no responsibility for maintaining a Participant Register.

SECTION XV.10. Reallocation of Advances. Any reallocation of Advances among Committed Lenders pursuant to an assignment executed by such Committed Lender and its assignee(s) and delivered pursuant to Article XV shall be wired by the applicable purchasing Lender(s) to the Collateral Agent pursuant to the wiring instructions for the Principal Collection Account provided by the Collateral Agent and the Collateral Agent shall only release such funds at the direction of the Facility Agent and upon receipt of an executed assignment, as applicable.

ARTICLE XVI

INDEMNIFICATION

SECTION XVI.1. Borrower Indemnity. Without limiting any other rights which any such Person may have hereunder or under Applicable Law, the Borrower agrees to indemnify the Facility Agent, the Agents, the Lenders, the Note Registrar, the Collateral Custodian and the Collateral Agent and each of their Affiliates, and each of their respective successors, transferees, participants and assigns and all officers, directors, shareholders, controlling persons, employees and agents of any of the foregoing (each of the foregoing Persons being individually called an "Indemnified Party"), forthwith on demand, from and against any and all damages (including punitive damages), losses, claims, liabilities and related costs and expenses, including reasonable and documented attorneys' and accountants' fees and disbursements (all of the foregoing being collectively called "Indemnified Amounts") awarded against or incurred by any of them arising out of or relating to any Transaction Document or the transactions contemplated hereby or thereby or the use of proceeds therefrom by the Borrower, including in respect of the funding of

any Advance or any breach of any representation, warranty or covenant of the Borrower, the Equityholder or the Investment Manager in any Transaction Document or in any certificate or other written material delivered by any of them pursuant to any Transaction Document, excluding, however, Indemnified Amounts payable to an Indemnified Party (a) to the extent determined by a court of competent jurisdiction to have resulted from gross negligence, bad faith or willful misconduct on the part of any Indemnified Party and (b) resulting from the performance of the Collateral Obligations. This Section 16.1 shall not apply to Taxes, but shall be subject to Section 16.4.

Indemnification under this Section 16.1 shall survive the termination of this Agreement and the resignation or removal of any Indemnified Party and shall include reasonable fees and expenses of counsel and expenses of litigation.

SECTION XVI.2. [Reserved].

SECTION XVI.3. Contribution. If for any reason (other than the exclusions set forth in the first paragraph of Section 16.1) the indemnification provided above in Section 16.1 is unavailable to an Indemnified Party or is insufficient to hold an Indemnified Party harmless, then the Borrower agrees to contribute to the amount paid or payable by such Indemnified Party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect not only the relative benefits received by such Indemnified Party, on the one hand, and the Borrower and its Affiliates, on the other hand, but also the relative fault of such Indemnified Party, on the one hand, and the Borrower and its Affiliates, on the other hand, as well as any other relevant equitable considerations.

SECTION XVI.4. Net After-Tax Basis. Indemnification under Section 16.1 shall be in an amount necessary to make the Indemnified Party whole after taking into account any Tax consequences, on a net after-Tax basis (including, for example, taking into account the deductibility of an applicable underlying damage, cost or expense) to the Indemnified Party of the receipt of the indemnity provided hereunder (or of the incurrence of such applicable underlying damage, cost or expense), including the effect of such Tax or refund on the amount of Tax measured by net income or profits that is or was payable by the Indemnified Party.

ARTICLE XVII

MISCELLANEOUS

SECTION XVII.1. No Waiver; Remedies. No failure on the part of any Lender, the Facility Agent, the Collateral Agent, any Agent, any Indemnified Party or any Affected Person to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise by any of them of any right, power or remedy hereunder preclude any other or further exercise thereof, or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. Without limiting the foregoing, each Lender is hereby authorized by the Borrower during the existence of a Facility Termination Event, to the fullest extent permitted

by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by it to or for the credit or the account of the Borrower to the amounts owed by the Borrower under this Agreement, to the Facility Agent, the Collateral Agent, any Agent, any Affected Person, any Indemnified Party or any Lender or their respective successors and assigns.

SECTION XVII.2. Amendments, Waivers. (a) This Agreement may not be amended, supplemented or modified nor may any provision hereof be waived except in accordance with the provisions of this Section 17.2. The Borrower, the Required Lenders and the Facility Agent may, upon written notice to the Investment Manager and each Agent, from time to time enter into written amendments, supplements, waivers or modifications hereto for the purpose of adding any provisions to this Agreement or changing in any manner the rights of any party hereto or waiving, on such terms and conditions as may be specified in such instrument, any of the requirements of this Agreement; provided, that no such amendment, supplement, waiver or modification shall (i) reduce the amount of or extend the maturity of any payment with respect to an Advance or reduce the rate or extend the time of payment of Yield thereon, or reduce or alter the timing of any other amount payable to any Lender hereunder, in each case without the consent of each Lender affected thereby, (ii) amend, modify or waive any provision of this Section 17.2 or Section 17.11, or reduce the percentage specified in the definition of Required Lenders, in each case without the written consent of all Lenders, (iii) amend, modify or waive any provision adversely affecting the obligations or duties of the Collateral Agent, in each case without the prior written consent of the Collateral Agent, (iv) amend, modify or waive any provision adversely affecting the obligations or duties of the Facility Agent, in each case without the prior written consent of the Facility Agent, (v) amend, modify or waive any provision adversely affecting the obligations or duties of the Collateral Custodian, in each case without the prior written consent of the Collateral Custodian, (vi) constitute a Fundamental Amendment without the prior written consent of each Lender, (vii) waive any Facility Termination Event or Investment Manager Event of Default without the prior written consent of the Majority Lenders or (viii) materially affect the rights or duties of the Investment Manager unless the Investment Manager has consented thereto. Any waiver of any provision of this Agreement shall be limited to the provisions specifically set forth therein for the period of time set forth therein and shall not be construed to be a waiver of any other provision of this Agreement; provided, that the consent of the Required Lenders shall not be required for any amendment that, in the reasonable determination of the Facility Agent, only effects a credit risk reduction by lowering any Excess Concentration Amount, increasing the Applicable Margin, increasing the threshold for any of the Collateral Quality Tests or any similar modification.

(a) Notwithstanding the foregoing, if the Facility Agent determines in its sole discretion that it can no longer support any Applicable Interest Rate, or if such Applicable Interest Rate ceases to exist or is reasonably expected to cease to exist within the succeeding three (3) months, the Borrower, the Investment Manager and the Facility Agent may (and such parties will reasonably cooperate with each other in good faith in order to) amend this Agreement to replace references herein to such Applicable Interest Rate (and any associated terms and provisions) with any alternative floating reference rate (and any associated terms

and provisions) that is then being generally used in the applicable interbank market for similar types of facilities.

(b) The Facility Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or performance related to Alternate Base Rate, any Applicable Interest Rate or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Facility Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Facility Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service so long as the rate (or component thereof) used by the Facility Agent in connection therewith is consistent with the such rate (or component thereof) provided by any such information source or service.

SECTION XVII.3. Notices, Etc. All notices and other communications provided for hereunder shall, unless otherwise stated herein, be in writing (including facsimile communication) and shall be personally delivered or sent by certified mail, electronic mail, postage prepaid, or by facsimile, to the intended party at the address or facsimile number of such party set forth under its name on Annex A or at such other address or facsimile number as shall be designated by such party in a written notice to the other parties hereto. All such notices and communications shall be effective, (a) if personally delivered, when received, (b) if sent by certified mail, three Business Days after having been deposited in the mail, postage prepaid, (c) if sent by overnight courier, one Business Day after having been given to such courier, and (d) if transmitted by facsimile, when sent, receipt confirmed by telephone or electronic means, except that notices and communications pursuant to Section 2.2, shall not be effective until received.

SECTION XVII.4. Costs and Expenses. In addition to the rights of indemnification granted under Section 16.1, the Borrower agrees to pay on demand all reasonable and documented out-of-pocket costs and expenses of the Facility Agent, the Collateral Agent, the Collateral Custodian, the Agents and the Lenders in connection with the preparation, execution, delivery, syndication and administration of this Agreement, any liquidity support facility and the other documents and agreements to be delivered hereunder or with respect hereto, in each case, subject to any cap on such costs and expenses agreed upon in a separate letter agreement among the Borrower, the Investment Manager and the Facility Agent or the Collateral Agent and

Collateral Custodian Fee Letter, as applicable, and the Borrower further agrees to pay all reasonable and documented out-of-pocket costs and expenses of the Facility Agent in connection with any amendments, waivers or consents executed in connection with this Agreement, including the reasonable fees and out-of-pocket, documented expenses of counsel for the Facility Agent, the Collateral Agent, the Collateral Custodian, the Agents and the Lenders with respect thereto and with respect to advising the Facility Agent and the Lenders as to its rights and remedies under this Agreement, and to pay all reasonable, documented and out-of-pocket costs and expenses, if any (including reasonable counsel fees and expenses), of the Facility Agent, the Collateral Agent, the Collateral Custodian, the Agents and the Lenders, in connection with the enforcement against the Investment Manager or the Borrower of this Agreement or any of the other Transaction Documents and the other documents and agreements to be delivered hereunder or with respect hereto; provided, that in the case of reimbursement of (A) counsel for the Lenders other than the Facility Agent, such reimbursement shall be limited to one counsel for all the Facility Agent, the Agents and Lenders and (B) counsel for the Collateral Agent and Collateral Custodian shall be limited to one counsel for such Persons. For the avoidance of doubt, the costs and expenses described in this Section 17.4 shall not include Taxes.

SECTION XVII.5. Binding Effect; Survival. This Agreement shall be binding upon and inure to the benefit of Borrower, the Lenders, the Facility Agent, the Agents, the Collateral Agent, the Collateral Custodian and their respective successors and assigns, and the provisions of Section 4.3, Article V, and Article XVI shall inure to the benefit of the Affected Persons and the Indemnified Parties, respectively, and their respective successors and assigns; provided, nothing in the foregoing shall be deemed to authorize any assignment not permitted by Article XV. This Agreement shall create and constitute the continuing obligations of the parties hereto in accordance with its terms, and shall remain in full force and effect until (subject to the immediately following sentence) such time when all Obligations have been finally and fully paid in cash and performed. The rights and remedies with respect to any breach of any representation and warranty made by the Borrower pursuant to Article IX and the indemnification and payment provisions of Article V, Article XVI and the provisions of Section 17.10, Section 17.11 and Section 17.12 shall be continuing and shall survive any termination of this Agreement and any termination of the Investment Manager under the Investment Management Agreement.

SECTION XVII.6. Captions and Cross References. The various captions (including the table of contents) in this Agreement are provided solely for convenience of reference and shall not affect the meaning or interpretation of any provision of this Agreement. Unless otherwise indicated, references in this Agreement to any Section, Schedule or Exhibit are to such Section of or Schedule or Exhibit to this Agreement, as the case may be, and references in any Section, subsection, or clause to any subsection, clause or subclause are to such subsection, clause or subclause of such Section, subsection or clause.

SECTION XVII.7. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

SECTION XVII.8. GOVERNING LAW. THIS AGREEMENT, THE NOTES AND ANY DISPUTE, SUIT, ACTION OR PROCEEDING, WHETHER IN CONTRACT, TORT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY, RELATING TO OR ARISING OUT OF THIS AGREEMENT, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE GOVERNED BY AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK.

SECTION XVII.9. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original but all of which shall constitute together but one and the same agreement. Delivery of this Agreement by facsimile or electronic mail shall be equally as effective as delivery of an original executed counterpart of this Agreement.

SECTION XVII.10. WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHTS IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION, PROCEEDING, LITIGATION, CLAIM OR COUNTERCLAIM, WHETHER IN CONTRACT, TORT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH, THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF THE BORROWER, THE INVESTMENT MANAGER, THE FACILITY AGENT, THE AGENTS, THE LENDERS OR ANY OTHER AFFECTED PERSON. EACH PARTY HERETO ACKNOWLEDGES AND AGREES THAT IT HAS RECEIVED FULL AND SUFFICIENT CONSIDERATION FOR THIS PROVISION (AND EACH OTHER PROVISION OF EACH OTHER TRANSACTION DOCUMENT TO WHICH IT IS A PARTY) AND THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR ITS ENTERING INTO THIS AGREEMENT AND EACH SUCH OTHER TRANSACTION DOCUMENT.

SECTION XVII.11. No Proceedings.

(a) Notwithstanding any other provision of this Agreement, each of the Collateral Agent, the Collateral Custodian, each Agent, each Lender and the Facility Agent hereby agrees that it will not institute against the Borrower, or join any other Person in instituting against the Borrower, any insolvency proceeding (namely, any proceeding of the type referred to in the definition of Insolvency Event) so long as any Advances or other amounts due from the Borrower hereunder shall be outstanding or there shall not have elapsed one year plus one day since the last day on which any such Advances or other amounts shall be outstanding. The foregoing shall not limit such Person's right to file any claim in or otherwise take any action with respect to any insolvency proceeding that was instituted by any Person other than such Person.

(b) The provisions of this Section 17.11 are a material inducement for the Secured Parties to enter into this Agreement and the transactions contemplated hereby and are an essential term hereof. The parties hereby agree that monetary damages are not adequate for a breach of the provisions of this Section 17.11 and the Facility Agent may seek and obtain

specific performance of such provisions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, winding up, insolvency, moratorium, winding up or liquidation proceedings, or other proceedings under United States federal or state bankruptcy laws or any similar laws. The provisions of this paragraph shall survive the termination of this Agreement.

SECTION XVII.12. Limited Recourse. No recourse under any obligation, covenant or agreement of a Lender contained in this Agreement shall be had against any incorporator, stockholder, officer, director, member, manager, employee or agent of any Lender or any of their respective Affiliates (solely by virtue of such capacity) by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that this Agreement is solely a corporate obligation of each Lender, and that no personal liability whatever shall attach to or be incurred by any incorporator, stockholder, officer, director, member, manager, employee or agent of any Lender or any of their respective Affiliates (solely by virtue of such capacity) or any of them under or by reason of any of the obligations, covenants or agreements of a Lender contained in this Agreement, or implied therefrom, and that any and all personal liability for breaches by a Lender of any of such obligations, covenants or agreements, either at common law or at equity, or by statute, rule or regulation, of every such incorporator, stockholder, officer, director, member, manager, employee or agent is hereby expressly waived as a condition of and in consideration for the execution of this Agreement.

SECTION XVII.13. ENTIRE AGREEMENT. THIS AGREEMENT AND THE OTHER TRANSACTION DOCUMENTS EXECUTED AND DELIVERED HERewith REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES HERETO AND THERETO AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS AMONG THE PARTIES.

SECTION XVII.14. Confidentiality. (a) The Borrower, the Investment Manager, the Collateral Custodian and the Collateral Agent shall hold in confidence, and not disclose to any Person, the identity of any Lender or the terms of any fees payable in connection with this Agreement except they may disclose such information (i) to their officers, directors, employees, agents, counsel, accountants, auditors, advisors, prospective lenders, equity investors or representatives, (ii) with the consent of such Lender, (iii) to the extent such information has become available to the public other than as a result of a disclosure by or through such Person, or (iv) to the extent the Borrower, the Investment Manager, the Collateral Custodian or the Collateral Agent or any Affiliate of any of them should be required by any law or regulation applicable to it (including securities laws) or requested by any Official Body to disclose such information.

(a) The Facility Agent, the Collateral Agent, the Collateral Custodian, each Agent and each Lender, severally and with respect to itself only, covenants and agrees that any information about the Borrower or its Affiliates or the Obligors, the Collateral Obligations, the Related Security or otherwise obtained by the Facility Agent, the Collateral

Agent, such Agent or such Lender pursuant to this Agreement (“**Information**”) shall be held in confidence (it being understood that documents provided to the Facility Agent hereunder may in all cases be distributed by the Facility Agent to the Lenders and Agents) except that the Facility Agent, the Collateral Agent, the Collateral Custodian, such Agent or such Lender may disclose such information (i) to its affiliates, officers, directors, employees, agents, counsel, accountants, auditors, advisors or representatives, (ii) to the extent such information has become available to the public other than as a result of a disclosure by or through the Facility Agent, the Collateral Agent, the Collateral Custodian, such Agent or such Lender, (iii) to the extent such information was available to the Facility Agent, such Agent or such Lender on a non-confidential basis prior to its disclosure to the Facility Agent, such Agent or such Lender hereunder, (iv) with the consent of the Investment Manager, (v) to the extent permitted by Article XV, or (vi) to the extent the Facility Agent, such Agent or such Lender should be (A) required in connection with any legal or regulatory proceeding or (B) requested by any Official Body to disclose such information; provided, that in the case of clause (vi) above, the Facility Agent, such Agent or such Lender, as applicable, will use reasonable efforts to maintain confidentiality and will (unless otherwise prohibited by law) notify the Investment Manager of its intention to make any such disclosure prior to making any such disclosure.

(b) For the avoidance of doubt, nothing in this Section 17.14 shall prohibit any Person from voluntarily disclosing or providing any Information within the scope of this confidentiality provision to any governmental, regulatory or self-regulatory organization (any such entity, a “Regulatory Authority”) to the extent that any such prohibition on disclosure set forth in this Section 17.14 shall be prohibited by the laws or regulations applicable to such Regulatory Authority.

SECTION XVII.15. Non-Confidentiality of Tax Treatment. All parties hereto agree that each of them and each of their employees, representatives, and other agents may disclose to any and all Persons, without limitation of any kind, the tax treatment and tax structure of the transaction and all materials of any kind (including, without limitation, opinions or other tax analyses) that are provided to any of them relating to such tax treatment and tax structure. “Tax treatment” and “tax structure” shall have the same meaning as such terms have for purposes of Treasury Regulation Section 1.6011-4; provided that with respect to any document or similar item that in either case contains information concerning the tax treatment or tax structure of the transaction as well as other information, the provisions of this Section 17.15 shall only apply to such portions of the document or similar item that relate to the tax treatment or tax structure of the transactions contemplated hereby.

SECTION XVII.16. Replacement of Lenders.

(a) If any Lender requests compensation under Section 5.1, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or Official Body for the account of any Lender pursuant to Section 4.3, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking the Obligations or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or

assignment (i) would eliminate or reduce amounts payable pursuant to Section 4.3 or Section 5.1, as the case may be, in the future, and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) At any time there is more than one Lender, the Borrower shall be permitted, at its sole expense and effort, to replace any Lender, except (i) the Facility Agent or (ii) any Lender which is administered by the Facility Agent or an Affiliate of the Facility Agent, that (a) requests reimbursement, payment or compensation for any amounts owing pursuant to Section 4.3 or Section 5.1 or (b) has received a written notice from the Borrower of an impending change in law that would entitle such Lender to payment of additional amounts pursuant to Section 4.3 or Section 5.1, unless such Lender designates a different lending office before such change in law becomes effective pursuant to Section 17.16(a) and such alternate lending office obviates the need for the Borrower to make payments of additional amounts pursuant to Section 4.3 or Section 5.1 or (c) has not consented to any proposed amendment, supplement, modification, consent or waiver, each pursuant to Section 17.2 or (d) defaults in its obligation to make Advances hereunder; provided, that (i) nothing herein shall relieve a Lender from any liability it might have to the Borrower or to the other Lenders for its failure to make any Advance, (ii) the replacement regulated bank or insurance company shall purchase, at par, all Advances and other amounts owing to such replaced Lender on or prior to the date of replacement, (iii) during the Revolving Period, the replacement regulated bank or insurance company, if not already a Lender, shall be reasonably satisfactory to the Facility Agent, (iv) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 15.4, (v) until such time as such replacement shall be consummated, the Borrower shall pay all additional amounts (if any) for Increased Costs or Indemnified Taxes, as the case may be, (vi) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Facility Agent or any other Lender shall have against the replaced Lender, and (vii) if such replacement is being effected as a result of a Lender requesting compensation pursuant to Section 4.3 or Section 5.1, such replacement, if effected, will result in a reduction in such compensation or payment thereafter. Notwithstanding anything to the contrary contained herein or in the Fee Letter, in the event that the Facility Agent or an Affiliate of the Facility Agent takes any action described in the foregoing clauses (a), (b) or (d), the Borrower may elect to prepay all outstanding Advances and terminate the remaining Commitments hereunder. Notwithstanding anything contained to the contrary in this Agreement, no Lender removed or replaced under the provisions hereof shall have any right to receive any amounts set forth in Section 2.5(b) in connection with such removal or replacement. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION XVII.17. Consent to Jurisdiction. Each party hereto hereby irrevocably submits to the non-exclusive jurisdiction of any New York State or Federal court sitting in New York City in any action or proceeding (whether in contract, tort or otherwise and whether at law

or in equity) arising out of or relating to the Transaction Documents, and each party hereto hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New York State court or, to the extent permitted by law, in such Federal court. The parties hereto hereby irrevocably waive, to the fullest extent they may effectively do so, the defense of an inconvenient forum to the maintenance of such action or proceeding (whether in contract, tort or otherwise and whether at law or in equity). The parties hereto agree that a final judgment in any such action or proceeding (whether in contract, tort or otherwise and whether at law or in equity) shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

SECTION XVII.18. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Transaction Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Transaction Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Transaction Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION XVII.19. Acknowledgement Regarding Any Supported QFCs. To the extent that this Agreement provides support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that this Agreement and any Supported QFC may in fact be stated to be

governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and this Agreement were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

SECTION XVII.20. Option to Acquire Rating. Each party hereto hereby acknowledges and agrees that the Facility Agent (on behalf and at the expense of the requesting Lender) may, at any time and in its sole discretion, obtain a private rating for this loan facility (it being understood that such rating shall be disclosed to any Lender, any prospective eligible Lender and the Securities Valuation Office of the National Association of Insurance Commissioners (or equivalent governing body). The Borrower and the Investment Manager hereby agree to use commercially reasonable efforts, at the request of the Facility Agent, to cooperate with the acquisition and maintenance of any such rating.

ARTICLE XVIII

COLLATERAL CUSTODIAN

SECTION XVIII.1. Designation of Collateral Custodian. The role of Collateral Custodian with respect to the Collateral Obligation Files shall be conducted by the Person designated as Collateral Custodian hereunder from time to time in accordance with this Section 18.1. Wells Fargo Bank, National Association is hereby appointed as, and hereby accepts such appointment and agrees to perform the duties and obligations of, Collateral Custodian pursuant to the terms hereof.

SECTION XVIII.2. Duties of the Collateral Custodian.

(a) Duties. The Collateral Custodian shall perform, on behalf of the Secured Parties, the following duties and obligations:

(i) The Collateral Custodian, as the duly appointed agent of the Secured Parties, for these purposes, acknowledges that the Borrower shall cause the Investment Manager to deliver, on or prior to the applicable Funding Date (but no more than five (5) Business Days after such Funding Date, except as set forth in Section 10.21), the Collateral Obligation Files delivered to it for each Collateral Obligation listed on the Schedule of Collateral Obligations attached to the related Asset Approval Request. The Collateral Custodian acknowledges that in connection with any Asset Approval Request, additional Collateral Obligation Files (specified on an accompanying Schedule of Collateral Obligations supplement) may be delivered to the Collateral Custodian from time to time, and that the Collateral Custodian will credit each Collateral Obligation File to the Collection Account in accordance with the terms hereof. Promptly upon the receipt of any such delivery of Collateral Obligation Files and without any review, the Collateral Custodian shall send notice of such receipt to the Investment Manager, the Facility Agent and each Agent.

(ii) With respect to each Collateral Obligation File which has been or will be delivered to the Collateral Custodian, the Collateral Custodian is acting exclusively as the custodian of the Secured Parties, and has no instructions to hold any Collateral Obligation File for the benefit of any Person other than the Secured Parties and undertakes to perform such duties and only such duties as are specifically set forth in this Agreement. In so taking and retaining custody of the Collateral Obligation Files, the Collateral Custodian shall be deemed to be acting for the purpose of perfecting the Collateral Agent's security interest therein under the UCC. Except upon compliance with the provisions of Section 18.5, no Collateral Obligation File or other document constituting a part of a Collateral Obligation File shall be released from the possession of the Collateral Custodian.

(iii) The Collateral Custodian shall maintain continuous custody of all items in its possession in secure facilities in accordance with customary standards for such custody and shall reflect in its records the interest of the Secured Parties therein. Each Collateral Obligation File which comes into the possession of the Collateral Agent (other than documents delivered electronically) shall be maintained in fire-resistant vaults or cabinets at the office of the Collateral Custodian. Each Collateral Obligation File shall be marked with an appropriate identifying label and maintained in such manner so as to permit retrieval and access by the Collateral Custodian and the Facility Agent. The Collateral Custodian shall keep the Collateral Obligation Files clearly segregated from any other documents or instruments in its files.

(iv) With respect to the documents comprising each Collateral Obligation File, the Collateral Custodian shall (i) act exclusively as Collateral Custodian for the Secured Parties, (ii) hold all documents constituting such Collateral Obligation File received by it for the exclusive use and benefit of the Secured Parties and (iii) make disposition thereof only in accordance with the terms of this Agreement or with written instructions furnished by the Facility Agent; provided, that in the event of a conflict between the terms of this Agreement and

the written instructions of the Facility Agent, the Facility Agent's written instructions shall control.

(v) The Collateral Custodian shall accept only written instructions of an Executive Officer, in the case of the Borrower or the Investment Manager, or a Responsible Officer, in the case of the Facility Agent, concerning the use, handling and disposition of the Collateral Obligation Files.

(vi) In the event that (i) the Borrower, the Facility Agent, any Agent, the Investment Manager, the Collateral Custodian or the Collateral Agent shall be served by a third party with any type of levy, attachment, writ or court order with respect to any Collateral Obligation File or a document included within a Collateral Obligation File or (ii) a third party shall institute any court proceeding by which any Collateral Obligation File or a document included within a Collateral Obligation File shall be required to be delivered other than in accordance with the provisions of this Agreement, the party receiving such service shall promptly deliver or cause to be delivered to the other parties to this Agreement (to the extent not prohibited by Applicable Law) copies of all court papers, orders, documents and other materials concerning such proceedings. The Collateral Custodian shall, to the extent permitted by law, continue to hold and maintain all the Collateral Obligation Files that are the subject of such proceedings pending a final, nonappealable order of a court of competent jurisdiction permitting or directing disposition thereof. Upon final determination of such court, the Collateral Custodian shall dispose of such Collateral Obligation File or a document included within such Collateral Obligation File as directed by the Facility Agent, which shall give a direction consistent with such determination. Expenses of the Collateral Custodian incurred as a result of such proceedings shall be borne by the Borrower.

(vii) The Facility Agent may direct the Collateral Custodian to take any such incidental action hereunder. With respect to other actions which are incidental to the actions specifically delegated to the Collateral Custodian hereunder, the Collateral Custodian shall not be required to take any such incidental action hereunder, but shall be required to act or to refrain from acting (and shall be fully protected in acting or refraining from acting) upon the direction of the Facility Agent; provided that the Collateral Custodian shall not be required to take any action hereunder at the request of the Facility Agent, any Secured Parties or otherwise if the taking of such action, in the reasonable determination of the Collateral Custodian, (x) shall be in violation of any Applicable Law or contrary to any provisions of this Agreement or (y) shall expose the Collateral Custodian to liability hereunder or otherwise (unless it has received indemnity which it reasonably deems to be satisfactory with respect thereto). In the event the Collateral Custodian requests the consent of the Facility Agent and the Collateral Custodian does not receive a consent (either positive or negative) from the Facility Agent within ten (10) Business Days of its receipt of such request, then the Facility Agent shall be deemed to have declined to consent to the relevant action.

(viii) The Collateral Custodian shall not be liable for any action taken, suffered or omitted by it in accordance with the request or direction of any Secured Party, to the extent that this Agreement provides such Secured Party the right to so direct the Collateral

Custodian, or the Facility Agent. The Collateral Custodian shall not be deemed to have notice or knowledge of any matter hereunder, including a Facility Termination Event, unless a Responsible Officer of the Collateral Custodian has knowledge of such matter or written notice thereof is received by the Collateral Custodian.

SECTION XVIII.3. Delivery of Collateral Obligation Files. (a) In connection with each delivery of a Collateral Obligation File to the Collateral Custodian, the Borrower shall represent, warrant and agree that the Collateral Obligation Files delivered to the Collateral Custodian shall include all of the documents listed in the related Document Checklist and all of such documents and the information contained in the Schedule of Collateral Obligations are complete in all material respects and correct pursuant to a certification in the form of Exhibit H executed by or on behalf of the Borrower.

(a) [Reserved].

(b) With respect to any documents comprising the Collateral Obligation File that have been delivered or are being delivered to recording offices for recording and have not been returned to the Borrower or the Investment Manager in time to permit their delivery hereunder at the time required, in lieu of delivering such original documents, the Borrower or the Investment Manager shall indicate such on a Schedule of Collateral Obligations supplement and deliver to the Collateral Custodian a true copy thereof. The Borrower or the Investment Manager shall deliver such original documents to the Collateral Custodian promptly when they are received.

SECTION XVIII.4. Collateral Obligation File Certification. (a) On or prior to each Funding Date, the Borrower shall cause the Investment Manager to provide a Schedule of Collateral Obligations and related Document Checklist dated as of such Funding Date to the Collateral Custodian, the Facility Agent and each Agent (such information contained on the Schedule of Collateral Obligations shall also be delivered to the Collateral Custodian, the Facility Agent and each Agent simultaneously in Microsoft Excel format) with respect to the Collateral Obligations to be delivered to the Collateral Agent on such Funding Date.

(a) In connection with (and as a part of) each Monthly Report, with respect to the Collateral Obligation Files delivered at least three (3) Business Days' prior to the related Reporting Date, the Collateral Custodian shall prepare a report (to be included as a part of each Monthly Report) in respect of each of the Collateral Obligations, to the effect that, as to each Collateral Obligation listed on the Schedule of Collateral Obligations attached to the related Advance Request or Reinvestment Request, based on the Collateral Custodian's examination of the Collateral Obligation File for each Collateral Obligation and the related Document Checklist, except for variances from the documents identified in the Document Checklist with respect to the related Collateral Obligation Files, (i) all documents required to be delivered in respect of such Collateral Obligations pursuant to the Document Checklist have been delivered and are in the possession of the Collateral Custodian as part of the Collateral Obligation File for such Collateral Obligation (other than those released pursuant to Section 18.5), and (ii) all such documents have been reviewed by the Collateral Custodian and appear on their face to be regular and to relate to such Collateral Obligation. The Collateral

Custodian shall also maintain records of the total number of Collateral Obligation Files that do not have the documents provided on the Document Checklist and will include such total in each Monthly Report.

(b) Notwithstanding any language to the contrary herein, the Collateral Custodian shall make no representations as to, and shall not be responsible to verify, (i) the validity, legality, ownership, title, perfection, priority, enforceability, due authorization, recordability, sufficiency for any purpose, or genuineness of any of the documents contained in each Collateral Obligation File or (ii) the collectability, insurability, effectiveness or suitability of any such Collateral Obligation.

SECTION XVIII.5. Release of Collateral Obligation Files. (a) Upon satisfaction of any of the conditions set forth in Section 12.3, the Borrower shall cause the Investment Manager to provide an Officer's Certificate to such effect to the Collateral Custodian (with a copy to the Collateral Agent) and shall request in writing delivery to it of the Collateral Obligation File and a copy thereof shall be sent concurrently by the Investment Manager to the Facility Agent and each Agent. Upon receipt of such certification and request, unless it receives notice to the contrary from the Facility Agent, the Collateral Custodian shall within three Business Days release the related Collateral Obligation File to the Investment Manager and the Investment Manager will not be required to return the related Collateral Obligation File to the Collateral Custodian.

(a) From time to time and as appropriate for the management or foreclosure of any of the Collateral Obligations, including, for this purpose, collection under any insurance policy relating to the Collateral Obligations, the Collateral Custodian shall, upon receipt of a Request for Release and Receipt substantially in the form of Exhibit F-2 from an authorized representative of the Investment Manager (as listed on Exhibit F-1, as such exhibit may be amended from time to time by the Investment Manager with notice to the Collateral Custodian, the Facility Agent and each Agent), release the related Collateral Obligation File or the documents set forth in such Request for Release and Receipt to the Investment Manager. In the event an Unmatured Facility Termination Event, a Facility Termination Event, an Unmatured Investment Manager Event of Default or an Investment Manager Event of Default has occurred and is continuing, the Borrower shall not permit the Investment Manager to make any such request with respect to any original documents unless the Facility Agent shall have consented in writing thereto (which consent may be evidenced by an executed counterpart to such request). The Borrower shall cause the Investment Manager to return each and every original document previously requested from the Collateral Obligation File to the Collateral Custodian when the need therefor by the Investment Manager no longer exists unless (x) the Collateral Obligation File or such document has been delivered to an attorney, or to a public trustee or other public official as required by law, for purposes of initiating or pursuing legal action or other proceedings for the foreclosure of the Related Security either judicially or non-judicially, and (y) the Investment Manager has delivered to the Collateral Custodian a certificate executed by an Executive Officer certifying as to the name and address of the Person to which such Collateral Obligation File or such document was delivered and the purpose or purposes of such delivery, in which case the Investment Manager shall complete such return as soon as possible. Upon receipt of a certificate of the

Investment Manager substantially in the form of Exhibit F-3, with a copy to the Facility Agent and each Agent, stating that such Collateral Obligation was either (x) liquidated and that all amounts received or to be received in connection with such liquidation that are required to be deposited have been so deposited, or (y) sold pursuant to an Optional Sale in accordance with Section 7.10, the Collateral Custodian shall within three (3) Business Days of receipt of the Request for Release and Receipt, release to the Investment Manager, or, in connection with an Optional Sale, the requested Collateral Obligation File, and the Investment Manager will not be required to return the related Collateral Obligation File to the Collateral Custodian.

(b) Notwithstanding anything to the contrary set forth herein, the Borrower shall not permit the Investment Manager to, without the prior written consent of the Facility Agent, request any documents (other than copies thereof) held by the Collateral Custodian if the sum of the unpaid Principal Balances of all Collateral Obligations for which the Investment Manager is then in possession of the related Collateral Obligation File or any document comprising such Collateral Obligation File (other than for Collateral Obligations then held by the Investment Manager which have been sold, repurchased, paid off or liquidated in accordance with this Agreement) (including the documents to be requested) exceeds 5% of the Adjusted Aggregate Eligible Collateral Obligation Balance. The Investment Manager may hold, and hereby acknowledges that it shall hold, any documents and all other property included in the Collateral that it may from time to time receive hereunder as Collateral Custodian for the Secured Parties solely at the will of the Collateral Custodian and the Secured Parties for the sole purpose of facilitating the management of the Collateral Obligations and such retention and possession shall be in a custodial capacity only. To the extent the Investment Manager, as agent of the Collateral Custodian and the Borrower, holds any Collateral, the Borrower shall cause the Investment Manager to do so in accordance with the Investment Management Standard as such standard applies to investment managers acting as custodial agent. The Borrower shall cause the Investment Manager to promptly report to the Collateral Custodian and the Facility Agent the loss by it of all or part of any Collateral Obligation File previously provided to it by the Collateral Custodian and shall promptly take appropriate action to remedy any such loss. In such custodial capacity, the Borrower shall cause the Investment Manager to perform the following powers and duties:

(i) hold the Collateral Obligation Files and any document comprising a Collateral Obligation File that it may from time to time receive hereunder from the Collateral Custodian for the benefit of the Collateral Custodian, on behalf of the Secured Parties, maintain accurate records pertaining to each Collateral Obligation to enable it to comply with the terms and conditions of this Agreement, and maintain a current inventory thereof;

(ii) implement policies and procedures consistent with the Investment Management Standard and requirements of this Agreement so that the integrity and physical possession of such Collateral Obligation Files will be maintained; and

(iii) take all other actions, in accordance with the Investment Management Standard, in connection with maintaining custody of such Collateral Obligation Files on behalf of the Collateral Agent.

Acting as custodian of the Collateral Obligation Files pursuant to this Section 18.5, the Borrower shall cause the Investment Manager to agree that it does not and will not have or assert any beneficial ownership interest in the Collateral Obligations or the Collateral Obligation Files.

SECTION XVIII.6. Examination of Collateral Obligation Files. Upon reasonable prior notice to the Collateral Custodian, the Borrower, the Investment Manager and their agents, accountants, attorneys and auditors will be permitted during normal business hours to examine and make copies of the Collateral Obligation Files, documents, records and other papers in the possession of or under the control of the Collateral Custodian relating to any or all of the Collateral Obligations. Prior to the occurrence of an Unmatured Facility Termination Event, a Facility Termination Event, an Unmatured Investment Manager Event of Default or an Investment Manager Event of Default, upon the request of the Facility Agent and at the cost and expense of the Borrower, the Collateral Custodian shall promptly provide the Facility Agent with the Collateral Obligation Files or copies, as designated by the Facility Agent, subject to any applicable cap on costs and expenses, the Collateral Custodian shall promptly provide the Facility Agent with the Collateral Obligation Files or copies, as designated by the Facility Agent; provided, the Collateral Custodian shall not be required to provide such copies if it does not receive adequate assurance of payment.

SECTION XVIII.7. Lost Note Affidavit. In the event that the Collateral Custodian fails to produce any original promissory note delivered to it related to a Collateral Obligation that was in its possession pursuant to Section 10.21 within five (5) Business Days after required or requested by the Facility Agent and provided that (a) the Collateral Custodian previously certified in writing to the Facility Agent that it had received such original promissory note and (b) such original promissory note is not outstanding pursuant to a Request for Release and Receipt, then the Collateral Custodian shall with respect to any missing original promissory note, promptly deliver to the Facility Agent upon request a lost note affidavit.

SECTION XVIII.8. Transmission of Collateral Obligation Files. Written instructions as to the method of shipment and shipper(s) the Collateral Custodian is directed to utilize in connection with the transmission of Collateral Obligation Files in the performance of the Collateral Custodian's duties hereunder shall be delivered by the Borrower or the Investment Manager to the Collateral Custodian prior to any shipment of any Collateral Obligation Files hereunder. In the event the Collateral Custodian does not receive such written instruction from the Borrower or the Investment Manager, the Collateral Custodian shall be authorized and indemnified as provided herein to utilize a nationally recognized courier service. The Borrower shall cause the Investment Manager to arrange for the provision of such services at its sole cost and expense (or, at the Collateral Custodian's option, reimburse the Collateral Custodian for all costs and expenses incurred by the Collateral Custodian consistent with such instructions) and shall maintain such insurance against loss or damage to the Collateral Obligation Files as the Investment Manager deems appropriate.

SECTION XVIII.9. Merger or Consolidation. Any Person (i) into which the Collateral Custodian may be merged or consolidated, (ii) that may result from any merger or consolidation to which the Collateral Custodian shall be a party, or (iii) that may succeed to the properties and

assets of the Collateral Custodian substantially as a whole, which Person in any of the foregoing cases executes an agreement of assumption to perform every obligation of the Collateral Custodian hereunder, shall be the successor to the Collateral Custodian under this Agreement without further act of any of the parties to this Agreement.

SECTION XVIII.10. Collateral Custodian Compensation. As compensation for its Collateral Custodian activities hereunder and in its capacity as Securities Intermediary under the Account Control Agreement, the Collateral Custodian shall be entitled to its fees and expenses from the Borrower as set forth in the Collateral Agent and Collateral Custodian Fee Letter and any other accrued and unpaid fees, expenses (including reasonable attorneys' fees, costs and expenses) and indemnity amounts payable by the Borrower or the Investment Manager, or both but without duplication, to the Collateral Custodian (including Indemnified Amounts under Article XVI) under the Transaction Documents (which includes amounts payable to the Securities Intermediary under the Account Control Agreement) (collectively, the "Collateral Custodian Fees and Expenses"). The Borrower agrees to reimburse the Collateral Custodian in accordance with the provisions of Section 8.3 for all reasonable expenses, disbursements and advances incurred or made by the Collateral Custodian in accordance with any provision of this Agreement or the other Transaction Documents or in the enforcement of any provision hereof or in the other Transaction Documents.

SECTION XVIII.11. Removal or Resignation of Collateral Custodian. (a) The Collateral Custodian may at any time resign and terminate its obligations under this Agreement upon at least 60 days' prior written notice to the Investment Manager, the Borrower and the Facility Agent and each Agent; provided, that no resignation or removal of the Collateral Custodian will be permitted unless a successor Collateral Custodian has been appointed which successor Collateral Custodian, so long as no Unmatured Investment Manager Event of Default, Investment Manager Event of Default, Unmatured Facility Termination Event or Facility Termination Event has occurred and is continuing, is reasonably acceptable to the Investment Manager. Promptly after receipt of notice of the Collateral Custodian's resignation, the Facility Agent shall promptly appoint a successor Collateral Custodian by written instrument, in duplicate, copies of which instrument shall be delivered to the Borrower, the Investment Manager, each Agent, the resigning Collateral Custodian and to the successor Collateral Custodian.

(a) The Facility Agent upon at least 60 days' prior written notice to the Collateral Custodian and each Agent, may (or shall upon the request of the Majority Lenders) remove and discharge the Collateral Custodian or any successor Collateral Custodian thereafter appointed from the performance of its duties under this Agreement for cause. Promptly after giving notice of removal of the Collateral Custodian, the Facility Agent shall appoint, or petition a court of competent jurisdiction to appoint, a successor Collateral Custodian (which successor Collateral Custodian shall be reasonably acceptable to the Majority Lenders and the Borrower). Any such appointment shall be accomplished by written instrument and one original counterpart of such instrument of appointment shall be delivered to the Collateral Custodian and the successor Collateral Custodian, with a copy delivered to the Borrower and the Investment Manager.

(b) In the event of any such resignation or removal, the Collateral Custodian shall, no later than five (5) Business Days after receipt of notice of the successor Collateral Custodian, transfer to the successor Collateral Custodian, as directed in writing by the Facility Agent, all the Collateral Obligation Files being administered under this Agreement. The cost of the shipment of Collateral Obligation Files arising out of the resignation of the Collateral Custodian pursuant to Section 18.11(a), or the termination for cause of the Collateral Custodian pursuant to Section 18.11(b), shall be at the expense of the Collateral Custodian. Any cost of shipment arising out of the removal or discharge of the Collateral Custodian without cause pursuant to Section 18.11(b) shall be at the expense of the Borrower.

SECTION XVIII.12. Limitations on Liability. (a) The Collateral Custodian may conclusively rely on and shall be fully protected in acting upon any certificate, instrument, opinion, notice, letter, telegram or other document delivered to it and that in good faith it reasonably believes to be genuine and that has been signed by the proper party or parties. The Collateral Custodian may rely conclusively on and shall be fully protected in acting upon (a) the written instructions of any designated officer of the Facility Agent or (b) the verbal instructions of the Facility Agent.

(a) The Collateral Custodian may consult counsel satisfactory to it and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(b) The Collateral Custodian shall not be liable for any error of judgment, or for any act done or step taken or omitted by it, in good faith, or for any mistakes of fact or law, or for anything that it may do or refrain from doing in connection herewith except in the case of its willful misconduct or grossly negligent performance or omission of its duties and in the case of the grossly negligent performance of its duties in taking and retaining custody of the Collateral Obligation Files; provided that, the Collateral Custodian hereby agrees that any failure of the Collateral Custodian to produce an original promissory note satisfying the conditions described in clauses (a) and (b) of Section 18.7 shall constitute negligence.

(c) The Collateral Custodian makes no warranty or representation and shall have no responsibility (except as expressly set forth in this Agreement) as to the content, enforceability, completeness, validity, sufficiency, value, genuineness, ownership or transferability of the Collateral, and will not be required to and will not make any representations as to the validity or value (except as expressly set forth in this Agreement) of any of the Collateral. The Collateral Custodian shall not be obligated to take any action hereunder that might in its judgment involve any expense or liability unless it has been furnished with an indemnity reasonably satisfactory to it.

(d) The Collateral Custodian shall have no duties or responsibilities except such duties and responsibilities as are specifically set forth in this Agreement and no covenants or obligations shall be implied in this Agreement against the Collateral Custodian.

(e) The Collateral Custodian shall not be required to expend or risk its own funds in the performance of its duties hereunder. In no event shall the Collateral Custodian be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, government action (including any laws, ordinances, regulations) or the like that delay, restrict or prohibit the providing of services by the Collateral Custodian as contemplated by this Agreement.

(f) It is expressly agreed and acknowledged that the Collateral Custodian is not guaranteeing performance of or assuming any liability for the obligations of the other parties hereto or any parties to the Collateral.

(g) In case any reasonable question arises as to its duties hereunder, the Collateral Custodian may, prior to the occurrence of a Facility Termination Event or the Facility Termination Date, request instructions from the Investment Manager and may, after the occurrence of a Facility Termination Event or the Facility Termination Date, request instructions from the Facility Agent, and shall be entitled at all times to refrain from taking any action unless it has received instructions from the Investment Manager or the Facility Agent, as applicable. The Collateral Custodian shall in all events have no liability, risk or cost for any action taken pursuant to and in compliance with the instruction of the Facility Agent. In no event shall the Collateral Custodian be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Collateral Custodian has been advised of the likelihood of such loss or damage and regardless of the form of action.

(h) Each of the protections, reliances, indemnities and immunities offered to the Collateral Agent in Section 11.7 and Section 11.8 shall be afforded to the Collateral Custodian.

SECTION XVIII.13. Collateral Custodian as Agent of Collateral Agent. The Collateral Custodian agrees that, with respect to any Collateral Obligation File at any time or times in its possession or held in its name, the Collateral Custodian shall be the agent and custodian of the Collateral Agent, for the benefit of the Secured Parties, for purposes of perfecting (to the extent not otherwise perfected) the Collateral Agent's security interest in the Collateral and for the purpose of ensuring that such security interest is entitled to first priority status under the UCC. For so long as the Collateral Custodian is the same entity as the Collateral Agent, the Collateral Custodian shall be entitled to the same rights and protections afforded to the Collateral Agent hereunder.
