**FOR IMMEDIATE RELEASE****FS Investment Corporation Announces Distribution, Pricing; Converts to Semi-Monthly Closings**

PHILADELPHIA, April 1, 2010 – On March 25, 2010, the Board of Directors of FS Investment Corporation (“FSIC”) declared a monthly cash distribution of \$0.0625 per share. The distribution was paid on March 31, 2010, to shareholders of record as of March 30, 2010.

The determination of the tax attributes of FSIC’s distributions is made annually as of the end of FSIC’s fiscal year based upon its taxable income for the full year and distributions paid for the full year. Therefore, a determination made on a quarterly basis may not be representative of the actual tax attributes of its distributions for a full year. FSIC intends to update shareholders quarterly with an estimated percentage of its distributions that resulted from taxable ordinary income. The actual tax characteristics of distributions to shareholders will be reported to shareholders annually on a Form 1099-DIV.

FSIC’s affiliate, Franklin Square Holdings, L.P., has agreed to reimburse FSIC for expenses in an amount that is sufficient to ensure that FSIC’s net investment income and net capital gains are equal to or greater than the cumulative distributions paid to its stockholders in each quarter. Under this arrangement, no portion of FSIC’s cash distributions is expected to represent a return of capital for its stockholders. Franklin Square Holdings has no obligation to reimburse any portion of FSIC’s expenses but has indicated that it expects to continue such reimbursements until it deems that FSIC has achieved economies of scale sufficient to ensure that it bears a reasonable level of expenses in relation to its income. The specific amount of expenses reimbursed by FSIC’s sponsor, if any, will be calculated at the end of each quarter. FSIC does not expect that conditions will require Franklin Square Holdings to provide reimbursements in the future. To the extent reimbursements may be needed in the future, there can be no assurance that Franklin Square Holdings will provide any such reimbursements. Franklin Square Holdings is controlled by FSIC’s president and chief executive officer, Michael Forman, and its director, David Adelman.

Semi-Monthly Closings

FSIC announced that beginning on April 15, 2010, it will conduct semi-monthly closings on sales of its shares. FSIC had previously indicated its intention to hold semi-monthly closings in its recently filed Annual Report on Form 10-K for the fiscal year ended December 31, 2009 and in its Prospectus Supplement dated March 26, 2010.

April 1 Public Offering Price and Guidance

FSIC also announced that on April 1, 2010, it closed on shares subscribed for during the month of March 2010 at a gross offering price of \$10.40 per share. Further, based on current market conditions, FSIC expects that it will maintain the \$10.40 per share offering price for its April 15, 2010 closing, which will apply to shares subscribed for between April 1, 2010 and April 14, 2010. The specific offering price on April 15, 2010 will be determined by FSIC’s Board of Directors based upon market conditions and the terms set forth in its prospectus at the time of closing. FSIC will update this guidance should its anticipated public offering price materially deviate from \$10.40 per share.
