Item 2.02. Results of Operations and Financial Condition.

On May 5, 2014, the board of directors (the “Board”) of FS Investment Corporation (the “Company”) declared a regular monthly cash distribution of \$0.07425 per share. The regular monthly cash distribution will be paid on or about May 30, 2014 to stockholders of record on May 29, 2014.

Certain Information About Distributions

The determination of the tax attributes of the Company’s distributions is made annually as of the end of the Company’s fiscal year based upon its taxable income and distributions paid, in each case, for the full year. Therefore, a determination as to the tax attributes of the distributions made on a quarterly basis may not be representative of the actual tax attributes for a full year. The Company intends to update stockholders quarterly with an estimated percentage of its distributions that resulted from taxable ordinary income. The actual tax characteristics of distributions to stockholders will be reported to stockholders annually on Form 1099-DIV.

The payment of future distributions on shares of the Company’s common stock is subject to the discretion of the Board and applicable legal restrictions and, therefore, there can be no assurance as to the amount or timing of any such future distributions.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
