Dear Fellow Stockholder:

You are cordially invited to attend the Annual Meeting of Stockholders of FS Investment Corporation (the "Company") to be held on Wednesday, June 14, 2017 at 10:00 a.m., Eastern Time, at 201 Rouse Boulevard, Philadelphia, Pennsylvania 19112 (the "Annual Meeting").

Your vote is very important! Your immediate response will help avoid potential delays and may save the Company significant additional expenses associated with soliciting stockholder votes.

The Notice of Annual Meeting of Stockholders and proxy statement accompanying this letter provide an outline of the business to be conducted at the meeting. At the meeting, you will be asked to:

(i) elect the four Class A directors of the Company named in the enclosed proxy statement, who will serve for a term of three years and until their successors are duly elected and qualified; and

(ii) consider and vote upon a proposal to authorize flexibility for the Company, with the approval of the Company's board of directors, to offer and sell shares of the Company's common stock, during the next 12 months following stockholder approval, at a price below the then-current net asset value per share, subject to certain limitations described in the proxy statement.

In addition to these proposals, you may be asked to consider any other matters that properly may be presented at the Annual Meeting or any adjournment or postponement of the Annual Meeting, including proposals to adjourn the Annual Meeting with respect to proposals for which insufficient votes to approve were cast, and, with respect to such proposals, to permit further solicitation of additional proxies by the Company. I will also report on the progress of the Company during the past year and respond to stockholders' questions.

The Company's board of directors unanimously recommends that you vote FOR each of the proposals to be considered and voted on at the Annual Meeting.

It is important that your shares be represented at the Annual Meeting. If you are unable to attend the meeting in person, I urge you to complete, date and sign the enclosed proxy card and promptly return it in the envelope provided. If you prefer, you can save time by voting through the Internet or by telephone as described in the proxy statement and on the enclosed proxy card.

Your vote and participation in the governance of the Company is very important.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Michael C. Forman". The signature is fluid and cursive, with a prominent peak at the end.

**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
To Be Held On June 14, 2017**

To the Stockholders of FS Investment Corporation:

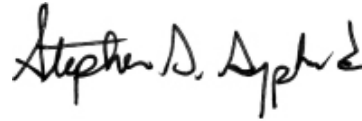

NOTICE IS HEREBY GIVEN THAT the Annual Meeting of Stockholders of FS Investment Corporation, a Maryland corporation (the "Company"), will be held at 201 Rouse Boulevard, Philadelphia, Pennsylvania 19112, on Wednesday, June 14, 2017 at 10:00 a.m., Eastern Time (the "Annual Meeting"), for the following purposes:

1. to elect the four Class A directors of the Company named in the enclosed proxy statement, who will serve for a term of three years and until their successors are duly elected and qualified;
2. to consider and vote upon a proposal to authorize flexibility for the Company, with the approval of the Company's board of directors, to offer and sell shares of the Company's common stock, during the next 12 months following stockholder approval, at a price below the then-current net asset value per share, subject to certain limitations described in the proxy statement; and
3. to consider and transact such other business as may properly come before the Annual Meeting, and any adjournments or postponements thereof.

The board of directors has fixed the close of business on April 20, 2017 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting and adjournments or postponements thereof.

The Company has enclosed a copy of the proxy statement, the proxy card and the Company's annual report to stockholders for the year ended December 31, 2016 (the "Annual Report"). The proxy statement and the Annual Report are also available on the Investor Relations portion of the Company's website at www.fsinvestmentcorp.com. If you plan on attending the Annual Meeting and voting your shares in person, you will need to bring photo identification in order to be admitted to the Annual Meeting. To obtain directions to the Annual Meeting, please call the Company at (877) 628-8575.

By Order of the Board of Directors,

Stephen S. Sypherd
Vice President, Treasurer and Secretary

April , 2017

Stockholders are requested to execute and return promptly the accompanying proxy card, which is being solicited by the board of directors of the Company. You may execute the proxy card using the methods described in the proxy card. Executing the proxy card is important to ensure a quorum at the Annual Meeting. Stockholders also have the option to authorize their proxies by telephone or through the Internet by following the instructions printed on the proxy card. Proxies may be revoked at any time before they are exercised by submitting a written notice of revocation or a subsequently executed proxy, or by attending the Annual Meeting and voting in person.

**ANNUAL MEETING OF STOCKHOLDERS
To Be Held On June 14, 2017**

PROXY STATEMENT

GENERAL

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors (the "Board") of FS Investment Corporation, a Maryland corporation (the "Company"), for use at the Annual Meeting of Stockholders of the Company to be held at 10:00 a.m., Eastern Time, on Wednesday, June 14, 2017, at 201 Rouse Boulevard, Philadelphia, Pennsylvania 19112, and any adjournments or postponements thereof (the "Annual Meeting"). This proxy statement and the accompanying materials are being mailed on or about April 10, 2017 to stockholders of record described below and are available on the Investor Relations portion of the Company's website at www.fsinvestmentcorp.com.

All properly executed proxies representing shares of common stock, par value \$0.001 per share, of the Company (the "Shares") received prior to the Annual Meeting will be voted in accordance with the instructions marked thereon. **If no specification is made, the Shares will be voted FOR:**

(i) the proposal to elect the four Class A directors of the Company named in this proxy statement, who will each serve for a term of three years and until their successors are duly elected and qualified (the "Director Proposal"); and

(ii) the proposal to authorize flexibility for the Company, with the approval of the Company's board of directors, to offer and sell Shares, during the next 12 months following stockholder approval, at a price below the then-current net asset value ("NAV") per Share, subject to certain limitations described in the proxy statement (the "Share Issuance Proposal").

Any stockholder who has given a proxy has the right to revoke it at any time prior to its exercise. Any stockholder who executes a proxy may revoke it with respect to any proposal by attending the Annual Meeting and voting his or her Shares in person, or by submitting a letter of revocation or a later-dated proxy to the Company at the above address prior to the date of the Annual Meeting.

Quorum

Stockholders of the Company are entitled to one vote for each Share held. Under the Second Articles of Amendment and Restatement of the Company (the "Charter"), one-third of the number of Shares entitled to cast votes, present in person or by proxy, constitutes a quorum for the transaction of business. Abstentions will be treated as Shares that are present for purposes of determining the presence of a quorum for transacting business at the Annual Meeting.

Adjournments

In the event that a quorum is not present at the Annual Meeting, the chairman of the Annual Meeting shall have the power to adjourn the Annual Meeting from time to time to a date not more than 120 days after the original record date without notice, other than the announcement at the Annual Meeting to permit further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless

marked to be voted against any proposal for which an adjournment is sought. Any business that might have been transacted at the Annual Meeting originally called may be transacted at any such adjourned session(s) at which a quorum is present.

If it appears that there are not enough votes to approve any proposal at the Annual Meeting, the chairman of the Annual Meeting may adjourn the Annual Meeting from time to time to a date not more than 120 days after the record date originally fixed for the Annual Meeting without notice, other than announcement at the Annual Meeting, to permit further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which adjournment is sought, to permit the further solicitation of proxies.

If sufficient votes in favor of one or more proposals have been received by the time of the Annual Meeting, the proposals will be acted upon and such actions will be final, regardless of any subsequent adjournment to consider other proposals.

Record Date

The Board has fixed the close of business on April 20, 2017 as the record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting and adjournments or postponements thereof. As of the Record Date, there were 245,153,010 Shares outstanding.

Required Vote

Director Proposal. Each director nominee shall be elected if such director nominee receives the affirmative vote of a majority of the total votes cast for and affirmatively withheld as to such director nominee at the Annual Meeting in person or by proxy, provided that a quorum is present. Abstentions will not be included in determining the number of votes cast and, as a result, will not have any effect on the result of the vote with respect to the Director Proposal. There will be no cumulative voting with respect to the Director Proposal.

Share Issuance Proposal. Approval of the Share Issuance Proposal requires the affirmative vote of the stockholders of the Company holding (1) a majority of the outstanding Shares entitled to vote at the Annual Meeting and (2) a majority of the outstanding Shares entitled to vote at the Annual Meeting that are not held by affiliated persons of the Company. For purposes of the Share Issuance Proposal, the Investment Company Act of 1940, as amended (the "1940 Act"), defines "a majority of outstanding voting securities" of a Company as the lesser of: (1) 67% or more of the voting securities present at the Annual Meeting if the holders of more than 50% of the outstanding voting securities of the Company are present or represented by proxy; or (2) more than 50% of the outstanding voting securities of the Company. Abstentions will not count as affirmative votes cast and will therefore have the same effect as votes against the Share Issuance Proposal.

Broker Non-Votes

Because both the Director Proposal and the Share Issuance Proposal are non-routine matters, Shares for which brokers have not received voting instructions from the beneficial owner of the Shares and do not have, or choose not to exercise, discretionary authority to vote the Shares (which are considered "broker non-votes"), will be treated as Shares that are not present for quorum purposes at the Annual Meeting and will not be entitled to vote at the Annual Meeting.

Householding

Mailings for multiple stockholders going to a single household are combined by delivering to that address, in a single envelope, a copy of the documents (annual reports, proxy statements, etc.) or other communications for all stockholders who have consented or are deemed to have consented to receiving such communications in

such manner in accordance with the rules promulgated by the U.S. Securities and Exchange Commission (the "SEC"). If you do not want to continue to receive combined mailings of Company communications and would prefer to receive separate mailings of Company communications, and you are a registered stockholder, please contact the Company's transfer agent, DST Systems, Inc. at (877) 628-8575 or by mail to FS Investment Corporation, c/o DST Systems, Inc., 430 W. 7th Street, Kansas City, Missouri 64105-1594. If you are a beneficial stockholder, you may contact the broker or bank where you hold the account to discontinue combined mailings of Company communications.

Voting

You may vote in person at the Annual Meeting or by proxy in accordance with the instructions provided below. You may also authorize a proxy by telephone or through the Internet using the toll-free telephone number or web address printed on your proxy card. Authorizing a proxy by telephone or through the Internet requires you to input the control number located on your proxy card. After inputting the control number, you will be prompted to direct your proxy to vote on each proposal. You will have an opportunity to review your directions and make any necessary changes before submitting your directions and terminating the telephone call or Internet link. Stockholders of the Company are entitled to one vote for each Share held.

When voting by proxy and mailing your proxy card, you are required to:

- indicate your instructions on the proxy card;
- date and sign the proxy card;
- mail the proxy card promptly in the envelope provided, which requires no postage if mailed in the United States; and
- allow sufficient time for the proxy card to be received on or before 10:00 a.m., Eastern Time, on June 14, 2017.

The Company has enclosed with this proxy statement the Notice of Annual Meeting of Stockholders, the proxy card and the Company's annual report to stockholders for the year ended December 31, 2016 (the "Annual Report"). The proxy statement and the Annual Report are also available on the Investor Relations portion of the Company's website at www.fsinvestmentcorp.com. If you plan on attending the Annual Meeting and voting your Shares in person, you will need to bring photo identification in order to be admitted to the Annual Meeting. To obtain directions to the Annual Meeting, please call the Company at (877) 628-8575.

Other Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing, printing and mailing this proxy statement, the accompanying Notice of Annual Meeting of Stockholders, proxy card and Annual Report. The Company has requested that brokers, nominees, fiduciaries and other persons holding Shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. The Company will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by mail, proxies may be solicited in person and by telephone or facsimile transmission by directors, officers or regular employees of the Company and its affiliates (without special compensation therefor). The Company has also retained Broadridge Investor Communication Solutions, Inc. to assist in the solicitation of proxies for an estimated fee of approximately \$15,000, plus out-of-pocket expenses. Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. Any such notice of revocation should be provided in writing and signed by the stockholder in the same manner as the proxy being revoked and delivered to the Company's proxy tabulator.

Security Ownership of Management and Certain Beneficial Owners

The following table sets forth, as of April 6, 2017, the beneficial ownership of each current director (including those that are current nominees), the Company's executive officers, each person known to the Company to beneficially own 5% or more of the outstanding Shares, and all of the Company's executive officers and directors as a group.

Beneficial ownership is determined in accordance with Rule 13d-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and includes voting or investment power with respect to the Shares. There are no Shares subject to options that are currently exercisable or exercisable within 60 days of April 6, 2017. Ownership information for those persons who beneficially own 5% or more of the Shares is based upon information furnished by the Company's transfer agent and other information provided by such persons, if available.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act, the Company's directors and executive officers, and any persons holding more than 10% of its Shares, are required to report their beneficial ownership and any changes therein to the SEC and the Company. Specific due dates for those reports have been established, and the Company is required to report herein any failure to file such reports by those due dates. Based on the Company's review of Forms 3, 4 and 5 filed by such persons and information provided by the Company's directors and officers, the Company believes that during the fiscal year ended December 31, 2016, all Section 16(a) filing requirements applicable to such persons were timely filed.

PROPOSAL 1: ELECTION OF DIRECTOR NOMINEES

Pursuant to the Company's Second Amended and Restated Bylaws, the number of directors on the Board may not be fewer than one, as required by the Maryland General Corporation Law, or greater than twelve. The Board is currently comprised of eleven directors, each of whom will hold office for the term to which he was elected and until his successor is duly elected and qualified.

The directors of the Company are divided into three classes, designated Class A, Class B and Class C. Each class of directors holds office for a three-year term. The current Class A directors hold office for a term expiring at the Annual Meeting of stockholders. The current Class B directors hold office for a term expiring at the 2018 annual meeting of stockholders. The current Class C directors hold office for a term expiring at the 2019 annual meeting.

At the Annual Meeting, stockholders of the Company are being asked to consider the election of the Class A directors: Michael J. Hagan, Jeffrey K. Harrow, Pedro Ramos and Joseph P. Ujobai, each of whom has been nominated for re-election for a three-year term expiring at the 2020 annual meeting of stockholders. Each director nominee has agreed to serve as a director if re-elected and has consented to being named as a nominee. No person being nominated as a director is being proposed for election pursuant to any agreement or understanding between such person and the Company.

A stockholder can vote for, or withhold his or her vote from, any or all of the director nominees. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of each of the director nominees named above. If any of the director nominees should decline or be unable to serve as a director, the persons named as proxies will vote for such other nominee as may be proposed by the Board's Nominating and Corporate Governance Committee.** The Board has no reason to believe that any of the persons named as director nominees will be unable or unwilling to serve.

Information about the Board and Director Nominees

The role of the Board is to provide general oversight of the Company's business affairs and to exercise all of the Company's powers except those reserved for the stockholders. The responsibilities of the Board also include, among other things, the oversight of the Company's investment activities, the quarterly valuation of the Company's assets, oversight of the Company's financing arrangements and corporate governance activities.

A majority of the members of the Board are not "interested persons," as defined in Section 2(a)(19) of the 1940 Act, of the Company or FB Income Advisor, LLC, the Company's investment adviser ("FB Advisor"), and are "independent" as required by the New York Stock Exchange ("NYSE") Listed Company Manual. These individuals are referred to as the Company's independent directors (the "Independent Directors"). Section 2(a)(19) of the 1940 Act defines an "interested person" to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company. The members of the Board who are not Independent Directors are referred to as interested directors (the "Interested Directors"). The Board is currently comprised of eleven directors, seven of whom are Independent Directors. The Board has determined that the following directors and director nominees are Independent Directors: Messrs. Chandler, Frank, Hagan, Harrow, Hughes, Ramos and Ujobai. Based upon information requested from each director and director nominee concerning his background, employment and affiliations, the Board has affirmatively determined that none of the Independent Directors has, or within the last two years had, a material business or professional relationship with the Company, other than in his capacity as a member of the Board or any Board committee or as a stockholder.

In considering each director and the composition of the Board as a whole, the Board seeks a diverse group of experiences, characteristics, attributes and skills, including diversity in gender, ethnicity and race that the

Board believes enables a director to make a significant contribution to the Board, the Company and its stockholders. These experiences, characteristics, attributes and skills, which are more fully described below, include, but are not limited to, management experience, independence, financial expertise and experience serving as directors or trustees of other entities. The Board may also consider such other experiences, characteristics, attributes and skills as it deems appropriate, given the then-current needs of the Board and the Company.

These experiences, characteristics, attributes and skills relate directly to the management and operations of the Company. Success in each of these categories is a key factor in the Company's overall operational success and creating stockholder value. The Board believes that directors and director nominees who possess these experiences, characteristics, attributes and skills are better able to provide oversight of the Company's management and the Company's long-term and strategic objectives. Below is a description of the experience, characteristics, attributes and skills of each director and director nominee that led the Board to conclude that each such person should serve as a director. The Board also considered the specific experience described in each director's and director nominee's biographical information, as disclosed below.

The following tables set forth certain information regarding the director nominees and the Company's other Independent Directors and Interested Directors.

Mr. Harrow created the strategy that allowed CMPEXpress.com to move from a Business-to- Consumer marketplace into the Business-to-Business sector. In 2000, Mr. Harrow successfully negotiated the sale of CMPEXpress.com to Cyberian Outpost (NASDAQ ticker: COOL). From 1982 through 1998, Mr. Harrow was the president, chief executive officer and a director of Travel One, a national travel management company. Mr. Harrow was responsible for growing the company from a single office location to more than 100 offices in over 40 cities and to its rank as the 6th largest travel management company in the United States. Under his sales strategy, annual revenues grew from \$8 million to just under \$1 billion. During this time, Mr. Harrow purchased nine travel companies in strategic cities to complement Travel One’s organic growth. In 1998, Mr. Harrow and his partners sold Travel One to American Express. In addition to serving as a board member of Sparks, Mr. Harrow serves on the board of directors of FS Investment Corporation III and as the chairman of its valuation committee. Mr. Harrow’s past directorships include service as a director of Cherry Hill National Bank, Hickory Travel Systems, Marlton Technologies and Ovation Travel Group and the Dean’s Board of Advisors of The George Washington University School of Business. Mr. Harrow is a graduate of The George Washington University School of Government and Business Administration, where he received his B.B.A. in 1979.</p> <p>Mr. Harrow has served in a senior executive capacity at various companies, as well as a member of various boards. (1) The address for each director is c/o FS Investment Corporation, 201 Rouse Boulevard, Philadelphia, Pennsylvania 19112.

(2) Directors serve until the expiration of their respective term and until his successor is duly elected and qualified.

(3) “Interested person” of the Company as defined in Section 2(a)(19) of the 1940 Act. Messrs. Forman and Adelman are each an “interested person” because of their affiliation with FB Advisor. Messrs. Heller and Gravina are “interested persons” because of material professional relationships they have with Mr. Forman.

Risk Oversight and Board Structure

Board’s Role in Risk Oversight

Through its direct oversight role, and indirectly through its committees, the Board performs a risk oversight function for the Company consisting of, among other things, the following activities: (1) at regular and special Board meetings, and on an ad hoc basis as needed, receiving and reviewing reports related to the performance and operations of the Company; (2) reviewing and approving, as applicable, the compliance policies and procedures of the Company; (3) reviewing investment strategies, techniques and the processes used to manage related risks; (4) overseeing the Company’s investment valuation process through the Board’s Valuation Committee that operates pursuant to authority assigned to it by the Board; (5) meeting with representatives of, or reviewing reports prepared by or with respect to, key service providers, including the investment adviser, investment sub-adviser, administrator, distributor, transfer agent, custodian and independent registered public accounting firm of the Company, to review and discuss the activities of the Company and to provide direction with respect thereto; (6) reviewing periodically, and at least annually, the Company’s fidelity bond, directors and officers, and errors and omissions insurance policies and such other insurance policies as may be appropriate; and (7) overseeing the Company’s accounting and financial reporting processes, including supervision of the Company’s independent registered public accounting firm to ensure that they provide timely analyses of significant financial reporting and internal control issues.

The Board also performs its risk oversight responsibilities with the assistance of the Company’s Chief Compliance Officer. The Board receives a quarterly report from the Chief Compliance Officer, who reports on, among other things, the Company’s compliance with applicable securities laws and its internal compliance policies and procedures. In addition, the Company’s Chief Compliance Officer prepares a written report annually evaluating, among other things, the adequacy and effectiveness of the compliance policies and procedures of the Company and certain of its service providers. The Chief Compliance Officer report, which is reviewed by the Board, addresses at a minimum: (1) the operation and effectiveness of the compliance policies and procedures of the Company and certain of its service providers since the last report; (2) any material changes to such policies and procedures since the last report; (3) any recommendations for changes to such policies and procedures as a result of the Chief Compliance Officer’s annual review; and (4) any material compliance matters that have occurred since the date of the last report about which the Board would reasonably need to know to oversee the Company’s compliance activities and risks. The Chief Compliance Officer also meets separately in executive session with the Independent Directors at least once each year. In addition to compliance reports from the Company’s Chief Compliance Officer, the Board also receives reports from legal counsel to the Company regarding regulatory compliance and governance matters.

Board Composition and Leadership Structure

Mr. Forman, who is an “interested person” of the Company as defined in Section 2(a)(19) of the 1940 Act, serves as both the Chief Executive Officer of the Company and Chairman of the Board. The Board believes that

Mr. Forman, as co-founder and Chief Executive Officer of the Company, is the director with the most knowledge of the Company's business strategy and is best situated to serve as Chairman of the Board. The Charter, as well as regulations governing business development companies ("BDCs") generally, requires that a majority of the Board be persons other than "interested persons" of the Company, as defined in Section 2(a)(19) of the 1940 Act.

While the Company currently does not have a policy mandating a lead Independent Director, the Board believes that having an Independent Director fill the lead director role is appropriate. On August 7, 2013, the Board appointed Mr. Hagan as lead Independent Director. The lead Independent Director, among other things, works with the Chairman of the Board in the preparation of the agenda for each Board meeting and in determining the need for special meetings of the Board, chairs any meeting of the Independent Directors in executive session, facilitates communications between other members of the Board and the Chairman of the Board and/or the Chief Executive Officer and otherwise consults with the Chairman of the Board and/or the Chief Executive Officer on matters relating to corporate governance and Board performance.

The Board has concluded that its structure is appropriate given the current size and complexity of the Company and the extensive regulation to which the Company is subject as a BDC and as a company listed on the NYSE.

Board Meetings and Attendance

The Board met 19 times during the fiscal year ended December 31, 2016, including four regular quarterly meetings. Each director attended at least 75% of all meetings of the Board held during 2016 with the exception of Messrs. Gravina and Heller. The Company does not have a formal policy regarding director attendance at an annual meeting of stockholders. Nine of the directors attended the 2016 annual meeting of stockholders.

Committees of the Board

The Board has established four standing committees of the Board: an Audit Committee, a Valuation Committee, a Nominating and Corporate Governance Committee and a Compensation Committee.

Audit Committee

The Board has established an Audit Committee that operates pursuant to a charter and consists of three members, including a Chairman of the Audit Committee. The Audit Committee members are Messrs. Chandler (Chairman), Frank and Hughes, each an Independent Director. The Board has determined that Messrs. Chandler and Hughes are "audit committee financial experts" as defined by Item 407(d)(5)(ii) of Regulation S-K promulgated under the Exchange Act. The primary function of the Audit Committee is to oversee the integrity of the Company's accounting policies, financial reporting process and system of internal controls regarding finance and accounting policies. The Audit Committee is responsible for selecting, engaging and discharging the Company's independent accountants, reviewing the plans, scope and results of the audit engagement with the Company's independent accountants, approving professional services provided by the Company's independent accountants (including compensation therefor), and reviewing the independence of the Company's independent accountants. The Audit Committee held six meetings during the fiscal year ended December 31, 2016. Each member of the Audit Committee attended all of the meetings held during 2016. The Audit Committee charter is available on the Investor Relations portion of the Company's website at www.fsinvestmentcorp.com.

Valuation Committee

The Board has established a Valuation Committee that operates pursuant to a charter and the authority assigned to it by the Board and consists of five members, including a Chairman of the Valuation Committee. The Valuation Committee members are Messrs. Chandler, Frank (Chairman), Heller, Ramos and Ujobai. The primary

function of the Valuation Committee is to establish guidelines and make recommendations to the Board on matters relating to the valuation of the Company's investments. The Valuation Committee held four meetings during the fiscal year ended December 31, 2016. Each member of the Valuation Committee attended all of the meetings held during 2016.

Nominating and Corporate Governance Committee

The Board has established a Nominating and Corporate Governance Committee that operates pursuant to a charter and consists of three members, including a Chairman of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee members are Messrs. Harrow (Chairman), Hagan and Ramos. The primary function of the Nominating and Corporate Governance Committee is to consider and make recommendations to the Board regarding certain governance matters, including selection of directors for election by stockholders, selection of nominees to fill vacancies on the Board or a committee thereof, development and revision, as appropriate, of applicable corporate governance documentation and practices and oversight of the evaluation of the Board. The Nominating and Corporate Governance Committee held three meetings during the fiscal year ended December 31, 2016. Each member of the Nominating and Corporate Governance Committee attended all of the meetings held during 2016.

When nominating director candidates, the Nominating and Corporate Governance Committee takes into consideration such factors as it deems appropriate in accordance with its charter. Among the qualifications considered in the selection of candidates, the Nominating and Corporate Governance Committee considers the following attributes and criteria of candidates: experience, including experience with investment companies and other organizations of comparable purpose, skills, expertise, diversity, including diversity of gender, race and national origin, personal and professional integrity, time availability in light of other commitments, conflicts of interest and such other relevant factors that the Nominating and Corporate Governance Committee considers appropriate in the context of the needs of the Board, including, when applicable, to enhance the ability of the Board or committees of the Board to fulfill their duties and/or to satisfy any independence or other applicable requirements imposed by law, rule, regulation or listing standard including, but not limited to, the 1940 Act, rules promulgated by the SEC and the NYSE Listed Company Manual. Each of the director nominees was approved by the members of the Nominating and Corporate Governance Committee and the entire Board.

The Nominating and Corporate Governance Committee considers candidates suggested by its members and other Board members, as well as the Company's management and stockholders. A stockholder who wishes to recommend a prospective nominee for the Board must provide notice to the Secretary of the Company in accordance with the requirements set forth in the Company's Second Amended and Restated Bylaws, which are described in greater detail under the heading "Submission of Stockholder Proposals." Nominees for director who are recommended by stockholders will be evaluated in the same manner as any other nominee for director. The Nominating and Corporate Governance Committee charter is available on the Investor Relations portion of the Company's website at www.fsinvestmentcorp.com.

Compensation Committee

The Board has established a Compensation Committee that operates pursuant to a charter and consists of three members, including a Chairman of the Compensation Committee. The Compensation Committee members are Messrs. Chandler (Chairman), Frank and Hughes, each of whom is an Independent Director. The Compensation Committee is responsible for determining, or recommending to the Board for determination, the compensation, if any, of the Company's chief executive officer and all other executive officers of the Company. Currently none of the Company's executive officers are compensated by the Company and, as a result, the Compensation Committee does not produce and/or review reports on executive compensation practices. The Compensation Committee is also responsible for reviewing on an annual basis the Company's reimbursement to FB Advisor of the allocable portion of the cost of the Company's executive officers and their respective staffs made pursuant to the administration agreement between the Company and FB Advisor, dated as of April 16, 2014 (the "Administration Agreement"). The Compensation

Committee has the authority to engage compensation consultants following consideration of certain factors related to such consultants' independence. The Compensation Committee held one meeting during the fiscal year ended December 31, 2016, which each member attended. The Compensation Committee charter is available on the Investor Relations portion of the Company's website at www.fsinvestmentcorp.com.

Communications Between Interested Parties and the Board

The Board welcomes communications from interested parties. Interested parties may send communications to the Board or to any particular director to the following address: c/o FS Investment Corporation, 201 Rouse Boulevard, Philadelphia, Pennsylvania 19112. Interested parties should indicate clearly the director or directors to whom the communication is being sent so that each communication may be forwarded directly to the appropriate director(s).

Code of Business Conduct and Ethics

The Company has adopted a code of business conduct and ethics (as amended and restated, the "Code of Business Conduct and Ethics") pursuant to Rule 17j-1 promulgated under the 1940 Act, which applies to, among others, its officers, including its Chief Executive Officer and its Chief Financial Officer, as well as the members of the Board. The Company's Code of Business Conduct and Ethics can be accessed via the Investor Relations portion of the Company's website at www.fsinvestmentcorp.com. In addition, the Code of Business Conduct and Ethics is available on the EDGAR Database on the SEC's Internet site at www.sec.gov. Stockholders may also obtain a copy of the Code of Business Conduct and Ethics, after paying a duplicating fee, by electronic request at the following e-mail address: publicinfo@sec.gov, or by writing the SEC's Public Reference Section at 100 F Street, N.E., Washington, D.C. 20549. The Company intends to disclose any amendments to or waivers of required provisions of the Code of Business Conduct and Ethics on Form 8-K, as required by the Exchange Act and the rules and regulations promulgated thereunder.

Corporate Governance Guidelines

The Company has adopted corporate governance guidelines pursuant to Section 303A.09 of the NYSE Listed Company Manual, which can be accessed via the Investor Relations portion of the Company's website at www.fsinvestmentcorp.com.

Compensation Discussion and Analysis

The Company's executive officers do not receive any direct compensation from the Company. The Company does not currently have any employees and does not expect to have any employees. As an externally managed BDC, services necessary for the Company's business are provided by individuals who are employees of FB Advisor or its affiliates or by individuals who were contracted by FB Advisor, the Company or their respective affiliates to work on behalf of the Company. Each of the Company's executive officers is an employee of FB Advisor or its affiliates and the day-to-day investment operations and administration of the Company's portfolio are managed by FB Advisor. In addition, pursuant to the Administration Agreement, the Company reimburses FB Advisor for expenses necessary to perform services related to the Company's administration and operations, including FB Advisor's allocable portion of the compensation and related expenses of certain personnel of FS Investments providing administrative services to the Company on behalf of FB Advisor.

Director Compensation

The Company does not pay compensation to its directors who also serve in an executive officer capacity for the Company or FB Advisor.

Directors who do not also serve in an executive officer capacity for the Company or FB Advisor are entitled to receive annual cash retainer fees, fees for participating in quarterly Board and Board committee meetings and certain other Board and Board committee meetings and annual fees for serving as a committee chairperson. These directors are Messrs. Chandler, Frank, Gravina, Hagan, Harrow, Heller, Hughes, Ramos and Ujobai. Mr. Hagan also receives an annual retainer for his service as Lead Independent Director.

Amounts payable under the director fees arrangement are determined and paid quarterly in arrears as follows:

	<u>Amount⁽¹⁾</u>
Annual Board Retainer	\$ 100,000
Annual Lead Independent Director Retainer	\$ 25,000
Board Meeting Fees	\$ 2,500
Annual Committee Chair Retainers	
Audit Committee	\$ 20,000
Valuation Committee	\$ 20,000
Nominating and Corporate Governance Committee	\$ 15,000
Committee Meeting Fees	\$ 1,000

(1) The Company does not pay compensation to directors for their service as compensation committee members.

The Company will also reimburse each of the above directors for all reasonable and authorized business expenses in accordance with its policies as in effect from time to time, including reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each in-person Board meeting and each in-person Board committee meeting not held concurrently with a Board meeting.

The table below sets forth the compensation received by each director from (i) the Company and (ii) all of the companies in the Fund Complex, including the Company, in the aggregate, in each case, for service during the fiscal year ended December 31, 2016:

Adelman, Forman, Gravina and Hughes serve on the boards of trustees of the FSGCO Funds. Messrs. Adelman, Forman and Ujobai serve on the board of trustees of FS Energy Total Return Fund.

Certain Relationships and Related Party Transactions (*dollar amounts in thousands*)

The Company has procedures in place for the review, approval and monitoring of transactions involving the Company and certain persons related to the Company. For example, the Company's Code of Business Conduct and Ethics generally prohibits any employee, officer or director from engaging in any transaction where there is a conflict between such individual's personal interest and the interests of the Company. Waivers to the Code of Business Conduct and Ethics for any executive officer or member of the Board must be approved by the Board and are publicly disclosed as required by applicable law and regulations. In addition, the Audit Committee is required to review and approve all transactions with related persons (as defined in Item 404 of Regulation S-K promulgated under the Exchange Act). All future transactions with affiliates of the Company will be on terms no less favorable than could be obtained from an unaffiliated third party and must be approved by a majority of the Board, including a majority of the Independent Directors.

Compensation of the Investment Adviser

On July 17, 2014, the Company entered into the amended and restated investment advisory agreement with FB Advisor (the "Advisory Agreement"). A description of the Advisory Agreement is set forth in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2016, filed with the SEC on March 1, 2017. Subject to the overall supervision of the Board, pursuant to the Advisory Agreement, FB Advisor provides the Company with investment advisory services.

Pursuant to the Advisory Agreement, FB Advisor is entitled to an annual base management fee based on the average value of the Company's gross assets (equal to the total assets set forth on the Company's consolidated financial statements) and an incentive fee based on the Company's performance.

The base management fee is payable quarterly in arrears, and is calculated at an annual rate of 1.75% of the average value of the Company's gross assets.

The incentive fee consists of two parts. The first part of the incentive fee, which is referred to as the subordinated incentive fee on income, is calculated and payable quarterly in arrears, and equals 20.0% of the Company's "pre-incentive fee net investment income" for the immediately preceding quarter. The subordinated incentive fee is subject to a hurdle rate, expressed as a rate of return on the Company's net assets, equal to 1.875% per quarter, or an annualized hurdle rate of 7.5%. As a result, FB Advisor will not earn this incentive fee for any quarter until the Company's pre-incentive fee net investment income for such quarter exceeds the hurdle rate of 1.875%. Once the Company's pre-incentive fee net investment income in any quarter exceeds the hurdle rate, FB Advisor will be entitled to a "catch-up" fee equal to the amount of the pre-incentive fee net investment income in excess of the hurdle rate, until the Company's pre-incentive fee net investment income for such quarter equals 2.34375%, or 9.375% annually, of the value of the Company's net assets. Thereafter, FB Advisor will be entitled to receive 20.0% of the Company's pre-incentive fee net investment income.

The subordinated incentive fee on income is subject to a total return requirement, which provides that no incentive fee in respect of the Company's pre-incentive fee net investment income will be payable except to the extent that 20.0% of the cumulative net increase in net assets resulting from operations over the then-current and eleven preceding calendar quarters exceeds the cumulative incentive fees accrued and/or paid for the eleven preceding calendar quarters. Accordingly, any subordinated incentive fee on income that is payable in a calendar quarter will be limited to the lesser of (i) 20.0% of the amount by which the Company's pre-incentive fee net

investment income for such calendar quarter exceeds the 1.875% quarterly hurdle rate, subject to the “catch-up” provision, and (ii) (x) 20.0% of the cumulative net increase in net assets resulting from operations for the then-current and eleven preceding calendar quarters minus (y) the cumulative incentive fees accrued and/or paid for the eleven preceding calendar quarters. For the foregoing purpose, the “cumulative net increase in net assets resulting from operations” is the sum of the Company’s pre-incentive fee net investment income, base management fees, realized gains and losses and unrealized appreciation and depreciation for the then-current and eleven preceding calendar quarters. There will be no accumulation of amounts on the hurdle rate from quarter to quarter and, accordingly, there will be no clawback of amounts previously paid if subsequent quarters are below the 1.875% quarterly hurdle rate and there will be no delay of payment if prior quarters are below the 1.875% quarterly hurdle rate.

The second part of the incentive fee, which is referred to as the incentive fee on capital gains, is determined and payable in arrears as of the end of each calendar year (or upon termination of the Advisory Agreement). This fee equals 20.0% of the Company’s incentive fee capital gains, which equals the Company’s realized capital gains on a cumulative basis from inception, calculated as of the end of the applicable period, computed net of all realized capital losses and unrealized capital depreciation on a cumulative basis, less the aggregate amount of any previously paid capital gain incentive fees. The Company accrues for the capital gains incentive fee, which, if earned, is paid annually. The Company accrues the incentive fee based on net realized and unrealized gains; however, the fee payable to FB Advisor is based on realized gains and no such fee is payable with respect to unrealized gains unless and until such gains are actually realized.

The Advisory Agreement provides that FB Advisor and its officers, managers, partners, members (and their members, including the owners of their members), agents, employees, controlling persons and any other person or entity affiliated with FB Advisor shall be entitled to indemnification (including reasonable attorneys’ fees and amounts reasonably paid in settlement) for any liability or loss suffered by FB Advisor, and FB Advisor shall be held harmless for any loss or liability suffered by the Company arising out of the performance of any of its duties or obligations under the Advisory Agreement or otherwise as the Company’s investment adviser; provided, however, that FB Advisor cannot be indemnified for any liability arising out of willful misfeasance, bad faith, or negligence in the performance of FB Advisor’s duties or by reason of the reckless disregard of FB Advisor’s duties and obligations under the Advisory Agreement.

Pursuant to an investment sub-advisory agreement, dated April 13, 2008, between FB Advisor and GDFM, GDFM will receive 50% of all management and incentive fees payable to FB Advisor under the Advisory Agreement with respect to each year.

On April 16, 2014, the Company entered into an administration agreement with FB Advisor (the “Administration Agreement”) pursuant to which FB Advisor provides administrative services to the Company. FB Advisor oversees the Company’s day-to-day operations, including the provision of general ledger accounting, fund accounting, legal services, investor relations and other administrative services. FB Advisor also performs, or oversees the performance of, the Company’s corporate operations and required administrative services, which includes being responsible for the financial records that the Company is required to maintain and preparing reports for the Company’s stockholders and reports filed with the SEC. In addition, FB Advisor assists the Company in calculating its net asset value, overseeing the preparation and filing of tax returns and the printing and dissemination of reports to the Company’s stockholders, and generally overseeing the payment of the Company’s expenses and the performance of administrative and professional services rendered to the Company by others.

Pursuant to the Administration Agreement, the Company reimburses FB Advisor for expenses necessary to perform services related to the Company’s administration and operations, including FB Advisor’s allocable portion of the compensation and related expenses of certain personnel of FS Investments providing administrative services to the Company on behalf of FB Advisor. The Company reimburses FB Advisor no less than quarterly for all costs and expenses incurred by FB Advisor in performing its obligations and providing

personnel and facilities under the Administration Agreement. FB Advisor allocates the cost of such services to the Company based on factors such as total assets, revenues, time allocations and/or other reasonable metrics. The Board reviews the methodology employed in determining how the expenses are allocated to the Company and the proposed allocation of administrative expenses among the Company and certain affiliates of FB Advisor. The Board then assesses the reasonableness of such reimbursements for expenses allocated to the Company based on the breadth, depth and quality of such services as compared to the estimated cost to us of obtaining similar services from third-party service providers known to be available. In addition, the Board considers whether any single third-party service provider would be capable of providing all such services at comparable cost and quality. Finally, the Board compares the total amount paid to FB Advisor for such services as a percentage of the Company's net assets to the same ratio as reported by other comparable BDCs.

The following table describes the fees and expenses accrued under the Advisory Agreement and the Administration Agreement, as applicable, during the year ended December 31, 2016:

<u>Related Party</u>	<u>Source Agreement</u>	<u>Description</u>	<u>Year Ended December 31, 2016</u>
FB Advisor	Advisory Agreement	Base Management Fee ⁽¹⁾	\$ 71,280
FB Advisor	Advisory Agreement	Capital Gains Incentive Fee ⁽²⁾	\$ —
FB Advisor	Advisory Agreement	Subordinated Incentive Fee on Income ⁽³⁾	\$ 51,830
FB Advisor	Administration Agreement	Administrative Services Expenses ⁽⁴⁾	\$ 3,475

- (1) FB Advisor agreed, effective April 1, 2014, to waive a portion of the base management fee to which it was entitled under the Advisory Agreement so that the fee received equaled 1.75% of the average value of our gross assets. During the year ended December 31, 2016, \$71,673 in base management fees were paid to FB Advisor. As of December 31, 2016, \$18,022 in base management fees were payable to FB Advisor.
- (2) The Company paid FB Advisor no capital gains incentive fees during the year ended December 31, 2016. As of December 31, 2016, no capital gains incentive fees were accrued.
- (3) During the year ended December 31, 2016, \$52,319 of subordinated incentive fees on income were paid to FB Advisor. As of December 31, 2016, a subordinated incentive fee on income of \$12,885 was payable to FB Advisor.
- (4) During the year ended December 31, 2016, \$3,194 of administrative services expenses related to the allocation of costs of administrative personnel for services rendered to the Company by FB Advisor and the remainder related to other reimbursable expenses. The Company paid \$3,905 in administrative services expenses to FB Advisor during the year ended December 31, 2016.

Trademark License Agreement

On April 16, 2014, the Company entered into a trademark license agreement (the "trademark license agreement") with FS Investments. Pursuant to the trademark license agreement, FS Investments granted the Company a non-exclusive, non-transferable, royalty-free right and license to use the name "FS Investment Corporation" and certain other trademarks (the "licensed marks") as a component of the Company's own name (and in connection with marketing the investment advisory and other services that FB Advisor may provide to the Company). Other than with respect to this limited license, the Company has no other rights to the licensed marks.

Exemptive Relief

As a BDC, the Company is subject to certain regulatory restrictions in making its investments. For example, BDCs generally are not permitted to co-invest with certain affiliated entities in transactions originated by the

BDC or its affiliates in the absence of an exemptive order from the U.S. Securities and Exchange Commission, or the SEC. However, BDCs are permitted to, and may, simultaneously co-invest in transactions where price is the only negotiated term. In an order dated June 4, 2013, the SEC granted exemptive relief permitting the Company, subject to the satisfaction of certain conditions, to co-invest in certain privately negotiated investment transactions with certain affiliates of FB Advisor, including FS Investment Corporation II, FS Investment Corporation III, FS Investment Corporation IV, FS Energy and Power Fund and any future BDCs that are advised by FB Advisor or its affiliated investment advisers (collectively, the “co-investment affiliates”). The Company believes this relief has and may continue to enhance its ability to further its investment objectives and strategy. The Company believes this relief may also increase favorable investment opportunities for the Company, in part, by allowing the Company to participate in larger investments, together with its co-investment affiliates, than would be available to the Company if such relief had not been obtained. Because the Company did not seek exemptive relief to engage in co-investment transactions with GDFM and its affiliates, the Company is permitted to co-invest with GDFM and its affiliates only in accordance with existing regulatory guidance (e.g., where price is the only negotiated term).

Potential Conflicts of Interest

FB Advisor’s senior management team is comprised of substantially the same personnel as the senior management teams of the investment advisers to certain other BDCs and closed-end management investment companies in the Fund Complex. As a result, such personnel provide investment advisory services to certain others funds in the Fund Complex and such personnel may serve in similar or other capacities for the investment advisers to future investment vehicles in the Fund Complex. While none of the investment advisers are currently making private corporate debt investments for clients other than the funds in the Fund Complex, any, or all, may do so in the future. In the event that FB Advisor undertakes to provide investment advisory services to other clients in the future, it intends to allocate investment opportunities in a fair and equitable manner consistent with the Company’s investment objectives and strategies, if necessary, so that the Company will not be disadvantaged in relation to any other client of FB Advisor or its management team. In addition, even in the absence of FB Advisor retaining additional clients, it is possible that some investment opportunities may be provided to the other funds in the Fund Complex.

Independent Registered Public Accounting Firm

RSM US LLP, 751 Arbor Way, Suite 200, Blue Bell, Pennsylvania 19422, has been appointed by the Board to serve as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2017. RSM US LLP (formerly McGladrey LLP) acted as the Company’s independent registered public accounting firm for each of the fiscal years ended December 31, 2008 through 2016. The Company knows of no direct financial or material indirect financial interest of RSM US LLP in the Company. A representative of RSM US LLP will be available by telephone to answer questions during the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so.

Fees

Set forth in the table below are audit fees and non-audit related fees, tax fees and all other fees billed to the Company by RSM US LLP (formerly McGladrey LLP through October 25, 2015) for professional services performed for the Company’s fiscal years ended December 31, 2016 and 2015:

<u>Fiscal Year</u>	<u>Audit Fees</u>	<u>Audit Related Fees⁽¹⁾</u>	<u>Tax Fees</u>	<u>All Other Fees⁽²⁾</u>
2016	\$392,500	\$ 70,530	\$ —	\$39,200
2015	\$392,500	\$ 63,795	\$ —	\$39,200

(1) “Audit-Related Fees” are those fees billed to the Company by RSM US LLP for services provided by RSM US LLP or fees billed for expenses relating to the review by RSM US LLP of the Company’s registration statements filed with the SEC pursuant to the Securities Act of 1933, as amended (the “Securities Act”).

(2) “All Other Fees” are those fees billed to the Company by RSM US LLP in connection with permitted non-audit services.

Pre-Approval Policies and Procedures

The Company’s Audit Committee reviews, negotiates and approves in advance the scope of work, any related engagement letter and the fees to be charged by the Company’s independent registered public accounting firm for audit services and permitted non-audit services for the Company and for permitted non-audit services for FB Advisor and any affiliates thereof that provide services to the Company if such non-audit services have a direct impact on the operations or financial reporting of the Company. Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval in accordance with its pre-approval policy, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is considered at regularly scheduled meetings of the Company’s Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by RSM US LLP to management. All of the audit and permitted non-audit services described above for which RSM US LLP billed the Company for the fiscal years ended December 31, 2016 and 2015 were pre-approved by the Audit Committee.

Audit Committee Report

As part of its oversight of the Company’s financial statements, the Audit Committee reviewed and discussed with both management and RSM US LLP, the Company’s independent registered public accounting firm, the Company’s consolidated financial statements filed with the SEC for the fiscal year ended December 31, 2016. Management advised the Audit Committee that all financial statements were prepared in accordance with U.S. generally accepted accounting principles, and reviewed significant accounting issues with the Audit Committee. The Audit Committee also discussed with RSM US LLP the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 16, *Communications with Audit Committees*, as amended, and by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax, and other services to be provided by RSM US LLP. Pursuant to the policy, the Audit Committee pre-approves the audit and non-audit services performed by RSM US LLP in order to assure that the provision of such service does not impair the firm’s independence.

Any requests for audit, audit-related, tax, and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval in accordance with its pre-approval policy, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by RSM US LLP to management.

The Audit Committee received and reviewed the written disclosures and the letter from RSM US LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding RSM US LLP’s communications with the Audit Committee concerning independence and has discussed with RSM US LLP its independence. The Audit Committee has reviewed the audit fees paid by the Company to RSM US LLP. It has also reviewed non-audit services and fees to assure compliance with the Company’s and the Audit Committee’s policies restricting RSM US LLP from performing services that might impair its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited consolidated financial statements of the Company as of and for the year ended December 31, 2016 be included in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2016 for filing with the SEC. The Audit Committee also recommended the appointment of RSM US LLP to serve as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2017.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" EACH OF THE DIRECTOR NOMINEES.

Background

The 1940 Act generally prohibits the Company, as a BDC, from offering and selling Shares at a price per Share, after deducting underwriting commissions and discounts, below the then-current NAV per Share unless the policy and practice of doing so is approved by the Company's stockholders within one year immediately prior to any such sales.

The Company is seeking stockholder approval of the Share Issuance Proposal, which would allow the Company to sell its Shares below NAV per Share in order to provide flexibility for future sales, which typically are undertaken quickly in response to market conditions. The Company believes that it is important to maintain consistent access to capital through the public and private equity markets to enable the Company to raise capital for the Company's operations, including to repay outstanding indebtedness of the Company, to continue to build the Company's investment portfolio or for other general corporate purposes, as and when the Board believes it is in the Company's best interests and that of stockholders. The final terms of any such sales will be determined by the Board at the time of sale. Also, because the Company does not have any immediate plans to sell any Shares at a price below NAV per Share, it is impracticable to describe the transaction or transactions in which such Shares would be sold. Instead, any transaction where the Company would sell Shares, including the nature and amount of consideration that would be received by the Company at the time of sale and the use of any such consideration, will be reviewed and approved by the Board at the time of sale. If the Share Issuance Proposal is approved, the Company will not solicit further authorization from its stockholders prior to any such sale, and the authorization would be effective for Shares sold during the next 12 months following stockholder approval. This proxy statement is not an offer to sell securities of the Company. Securities may not be offered or sold in the United States absent registration with the SEC or an applicable exemption from SEC registration requirements.

The Share Issuance Proposal limits the maximum number of Shares salable at a price below NAV per Share, on an aggregate basis, including any prior offerings made pursuant to this authority, to 25% of the Company's then outstanding Shares immediately prior to each such sale. Furthermore, pursuant to this authority, there would be no limit on the discount to NAV per Share at which Shares could be sold. See below for a discussion and an example of the dilutive effect of the sale of Shares at a price below NAV per Share.

The Board, including a majority of the Independent Directors and a majority of directors who have no financial interest in the Share Issuance Proposal, has approved the Share Issuance Proposal as in the best interests of the Company and its stockholders and recommends it to the stockholders for their approval.

The Company sought and received stockholder approval for a similar proposal at the 2016 annual meeting of stockholders. This authorization will expire on July 13, 2017, the twelve month anniversary of such stockholder approval.

1940 Act Conditions for Sales at a Price below NAV per Share

The Company's ability to issue Shares at a price below NAV per Share is governed by the 1940 Act. Specifically, Section 63(2) of the 1940 Act provides that the Company may offer and sell Shares at prices below the then-current NAV per Share with stockholder approval, if:

- it is determined that any such sales would be in the best interests of the Company and its stockholders by (1) a majority of the Company's Independent Directors and (2) a majority of the Company's directors who have no financial interest in the proposal (such approvals together, a "required majority of directors"); and

- a required majority of directors, in consultation with the underwriter or underwriters of the offering, if it is underwritten, have determined in good faith, and as of a time immediately prior to the first solicitation by or on behalf of the Company of a firm commitment to purchase Shares or immediately prior to the issuance of Shares, that the price at which Shares are to be sold is not less than a price which closely approximates the market value for Shares, less any distributing commission or discount.

Without the approval of stockholders to offer and sell Shares at prices below NAV per Share, the Company would be prohibited from selling Shares to raise capital when the market price for Shares is below the then-current NAV per Share.

Board Approval

The Board is recommending that stockholders vote in favor of the Share Issuance Proposal. The Board has concluded that the Share Issuance Proposal is in the best interests of the Company and its stockholders. In doing so, the Board, including the Independent Directors, considered and evaluated various factors, including the following, as discussed more fully below:

- possible long-term benefits to the Company's stockholders; and
- possible dilution to the Company's NAV per Share under various hypothetical scenarios.

In determining whether or not to offer and sell the Company's Shares at a price per Share below NAV per Share, the Board has a duty to act in the Company's best interests and that of stockholders and must comply with the other requirements of Section 63(2) of the 1940 Act. If stockholders of the Company do not approve the Share Issuance Proposal, the Board will consider and evaluate its options to determine what alternatives are in the Company's best interests and that of the Company's stockholders.

Reasons to Offer Shares at a Price Below NAV per Share

As a BDC and a regulated investment company ("RIC") for tax purposes, the Company may want to raise capital through the sale of Shares. RICs generally must distribute substantially all of their earnings from dividends, interest and short-term gains to stockholders in order to achieve pass-through tax treatment, which prevents the Company from using those earnings to support new investments. Further, for the same reason, BDCs, in order to borrow money or issue preferred stock, must maintain "asset coverage," as defined in the 1940 Act, of at least 200%, which generally requires the Company to finance its investments with at least as much common equity as debt and preferred stock in the aggregate. Therefore, the Company endeavors to maintain consistent access to capital through the public and private equity markets to enable the Company to raise capital for the Company's operations, including to repay outstanding indebtedness of the Company, to continue to build the Company's investment portfolio or for other general corporate purposes, as and when the Board believes it is in the Company's best interests and that of stockholders.

The Company believes that market conditions may from time to time provide attractive opportunities to deploy capital, including at times when the Shares may be trading at a price below NAV per Share. For example, during the global financial crisis of 2008 and for several years afterward, the global capital markets experienced a period of disruption as evidenced by a lack of liquidity in the debt capital markets, significant write-offs in the financial services sector, the repricing of credit risk in the broadly syndicated credit market and the failure of certain major domestic and international financial institutions. Despite actions of the United States federal government and foreign governments, these events contributed to worsening general economic conditions that materially and adversely impacted the broader financial and credit markets and reduced the availability of debt and equity capital for the market as a whole and financial services firms in particular. During that period of time, many investors sold assets in order to repay debt or meet equity redemption requirements or other obligations. This dynamic created forced selling (which could return should global markets experience future disruption similar to such disruption) that negatively impacted valuations of debt securities in most markets. This negative pressure on valuations

contributed to significant unrealized write-downs of debt investments of many finance companies. However, these changes in market conditions also had beneficial effects for capital providers, including more favorable pricing of risk and more creditor-friendly contractual terms. Further, although valuations had partially recovered during that period of time, additional opportunity continued to remain in the secondary market. Accordingly, for those firms that continued to have access to capital, such an environment had the potential to provide investment opportunities on more favorable terms than would otherwise have been available. The Company's ability to take advantage of these opportunities in the future is dependent upon its access to capital.

Even though the underlying performance of a particular portfolio company may not necessarily indicate impairment or its inability to repay all principal and interest in full, the volatility in the debt capital markets may negatively impact the valuations of debt investments and result in further unrealized write-downs of those debt investments. These unrealized write-downs, as well as unrealized write-downs based on the underlying performance of the Company's portfolio companies, if any, negatively impact stockholders' equity and the Company's asset coverage.

Failing to maintain asset coverage of at least 200% could have severe negative consequences for a BDC, including the inability to pay distributions to its stockholders, breaching debt covenants and failure to qualify for tax treatment as a RIC. Although the Company does not currently expect that it will fail to maintain asset coverage of at least 200%, the markets in which it operates and the general economy remain volatile and uncertain. Continued volatility in the capital markets and the resulting negative pressure on debt investment valuations could negatively impact the Company's asset valuations, stockholders' equity and the Company's debt to equity ratio.

As noted above, market disruption has, in the past, resulted in good opportunities to invest at attractive risk-adjusted returns. However, the extreme volatility and dislocation that the capital markets experienced also materially and adversely impacted the broader financial and credit markets and reduced the availability of debt and equity capital for the market as a whole and financial services firms in particular. If these adverse market conditions return and/or worsen in the future, the Company and other companies in the financial services sector may not have access to sufficient debt and equity capital in order to take advantage of these good investment opportunities. In addition, the debt capital that will be available, if at all, may be at a higher cost and on less favorable terms and conditions in the future.

At times Shares may trade at a discount to NAV per Share and at times Shares may trade at a market price in excess of NAV. The possibility that Shares will trade at a discount to NAV per Share or at premiums that are unsustainable over the long term is a risk separate and distinct from the risk that the Company's NAV will decrease. It is not possible to predict whether the Shares that may be offered pursuant to the Share Issuance Proposal, if approved, will trade at, above, or below the then-current NAV per Share.

Recent dislocations in the credit markets have led to significant stock market volatility, particularly with respect to the stock of financial services companies. During times of increased price volatility, Shares may trade below the Company's NAV per Share, which is not uncommon for BDCs. As noted above, however, these periods of market volatility and dislocation created, and may create again, favorable opportunities for the Company to make investments at attractive risk-adjusted returns, including opportunities that, all else being equal, may increase NAV over the longer-term, even if financed with the issuance of Shares at a price below NAV per Share. Stockholder approval of the Share Issuance Proposal, subject to the conditions set forth in the Share Issuance Proposal, would provide the Company with the flexibility to invest in such opportunities and would enable the Company to raise capital for the Company's operations, including to repay outstanding indebtedness of the Company and for other general corporate purposes.

The Board believes that having the flexibility to issue Shares at a price below NAV per Share in certain instances is in the best interests of the Company and its stockholders and would provide added financial flexibility to comply with BDC, RIC and credit facility requirements the Company and its subsidiaries may face

from time to time, including the requirement to maintain asset coverage of at least 200%, and would provide access to capital markets to pursue attractive investment opportunities and/or repay any outstanding indebtedness or for other corporate purposes. The flexibility to issue Shares at a price below the then-current NAV per Share could also minimize the likelihood that the Company would be required to sell assets to raise capital at prices it believed to be less than such assets' intrinsic values.

While the Company has no immediate plans to sell its Shares at a price below NAV per Share, it is seeking stockholder approval of the Share Issuance Proposal in order to maintain access to the markets if the Company determines it should sell Shares at a price below NAV per Share, which typically must be undertaken quickly. The final terms of any such sale will be determined by the Board at the time of issuance and the Shares will not include preemptive rights. Also, because the Company has no immediate plans to issue any Shares, it is impracticable to describe the transaction or transactions in which such Shares would be issued. Instead, any transaction where the Company issues such Shares, including the nature and amount of consideration that would be received by the Company at the time of issuance and the use of any such consideration, will be reviewed and approved by the Board at the time of issuance. If the Share Issuance Proposal is approved, no further authorization from the stockholders will be solicited prior to any such issuance in accordance with the terms of the Share Issuance Proposal. If approved, the authorization would be effective for securities issued during the next 12 months following stockholder approval.

Trading History

The Company's Shares have been listed on the NYSE under the ticker symbol "FSIC" since April 16, 2014. Prior to such date, there was no public market for the Company's Shares. The Company's Shares have historically traded at prices both above and below the Company's NAV per Share. It is not possible to predict whether the Company's Shares will trade at, above or below the Company's NAV in the future.

The following table sets forth: (i) the Company's NAV per Share as of the applicable period end, (ii) the range of high and low closing sales prices of the Company's Shares as reported on the NYSE during the applicable period, (iii) the closing high and low sales prices of the Company's Shares as a premium (discount) to the Company's NAV during the appropriate period and (iv) the distribution per share of our common stock during the applicable period.

(1) NAV per Share is determined as of the last day in the relevant period and therefore may not reflect the NAV per Share on the date of the high and low closing sales prices. The NAVs shown are based on outstanding Shares at the end of the relevant period.

(2) Calculated as the respective high or low closing sale price less net asset value, divided by net asset value (in each case, as of the applicable period).

On April 6, 2017, the last reported closing sales price of the Company's Shares on the NYSE was \$9.75 per share, which represented a premium of approximately 3.61% to the Company's most recently reported NAV (as of December 31, 2016).

Conditions to the Sale of Shares below NAV per Share

If stockholders approve the Share Issuance Proposal, the Company will sell Shares at a price below NAV per Share only if the following conditions are met:

- it is determined that any such sales would be in the best interests of the Company and its stockholders by a required majority of directors;
- a required majority of directors, in consultation with the underwriter or underwriters of the offering, if it is underwritten, have determined in good faith, and as of a time immediately prior to the first solicitation by or on behalf of the Company of a firm commitment to purchase Shares or immediately prior to the issuance of Shares, that the price at which Shares are to be sold is not less than a price which closely approximates the market value for Shares, less any distributing commission or discount; and
- the cumulative number of Shares sold pursuant to such authority does not exceed 25% of the Company's then outstanding Shares immediately prior to each such sale.

Dilution

Before voting on the Share Issuance Proposal or giving proxies with regard to this matter, stockholders should consider the potentially dilutive effect on the Company's NAV per Share as a result of the issuance of Shares at a price less than NAV per Share. Any sale of Shares by the Company at a price below NAV per Share would result in an immediate dilution to existing stockholders on a per Share basis. This dilution would include reduction in the NAV per Share as a result of the issuance of Shares at a price below NAV per Share and a proportionately greater decrease in a stockholder's per Share interest in the earnings and assets of the Company and per Share voting interest in the Company. The Board has considered the potential dilutive effect of the issuance of Shares at a price below NAV per Share under various hypothetical scenarios and will consider again such dilutive effect when considering whether to authorize any specific issuance of Shares below NAV per Share.

The 1940 Act establishes a connection between the price at which common stock is sold and NAV because, when common stock is sold at a price per share below NAV per share, the resulting increase in the number of outstanding shares of common stock is not accompanied by a proportionate increase in the net assets of the issuer. Stockholders of the Company should also consider that they will have no subscription, preferential or preemptive rights to Shares authorized for issuance, and thus any future issuance of Shares at a price below NAV per Share would dilute a stockholder's holdings of Shares as a percentage of Shares outstanding to the extent the stockholder does not purchase sufficient Shares in the offering or otherwise to maintain the stockholder's percentage interest. Further, if the stockholder does not purchase, or is unable to purchase, any Shares to maintain the stockholder's percentage interest, regardless of whether such offering is at a price above or below the then-current NAV per Share, the stockholder's voting power will be diluted.

The precise extent of any such dilution to the Company's common stock cannot be estimated before the terms of a common stock offering are set. As a general proposition, however, the amount of potential dilution will increase as the size of the offering increases. Another factor that will influence the amount of dilution resulting from an offering is the amount of net proceeds that the Company receives from such offering. The Board would expect that the net proceeds to the Company will be equal to the price that investors pay per Share, less the amount of any underwriting discounts and commissions—typically approximately 95% of the market price.

The following examples indicate how an offering would immediately affect the NAV per Share of the Company's common stock based on the assumptions set forth below. The examples do not include any effects or influence on the market price for Shares due to changes in investment performance over time, distribution policy, increased trading volume or other qualitative aspects of the Shares.

Examples of Dilutive Effect of the Issuance of Shares at a Price Below NAV per Share

Impact on Existing Stockholders who do not Participate in the Offering

Existing stockholders of the Company who do not participate, or who are not given the opportunity to participate, in an offering below NAV per Share by the Company or who do not buy additional Shares in the secondary market at the same or lower price obtained by the Company in the offering (after expenses and any underwriting discounts and commissions) face the greatest potential risks. All stockholders will experience an immediate decrease (often called dilution) in the NAV per Share of the Shares they hold. Stockholders who do not participate in the offering will also experience a disproportionately greater decrease in their participation in the Company's earnings and assets and their voting power than stockholders who do participate in the offering. All stockholders may also experience a decline in the market price of their Shares, which often reflects, to some degree, announced or potential increases and decreases in NAV per Share. A decrease could be more pronounced as the size of the offering and level of discounts increase.

The following examples illustrate the level of NAV per Share dilution that would be experienced by a nonparticipating stockholder in four different hypothetical common stock offerings of different sizes and levels of discount to NAV per share, although it is not possible to predict the level of market price decline that may also occur. Actual sales prices and discounts may differ from the presentation below.

The examples assume that Entity XYZ has 1,000,000 shares of common stock outstanding, \$15,000,000 in total assets and \$5,000,000 in total liabilities. The current NAV and NAV per share are thus \$10,000,000 and \$10.00, respectively. The table below illustrates the dilutive effect on nonparticipating stockholder A of (1) an offering of 50,000 shares (5% of the outstanding shares) at \$9.50 per share after offering expenses and any underwriting discounts and commissions (a 5% discount to NAV per share); (2) an offering of 100,000 shares (10% of the outstanding shares) at \$9.00 per share after offering expenses and any underwriting discounts and commissions (a 10% discount to NAV per share); (3) an offering of 200,000 shares (20% of the outstanding shares) at \$8.00 per share after offering expenses and any underwriting discounts and commissions (a 20% discount to NAV per share); and (4) an offering of 250,000 shares (25% of the outstanding shares) at \$0.01 per share after offering expenses and any underwriting discounts and commissions (a 100% discount to NAV per share).

Impact on Existing Stockholders who Participate in the Offering

An existing stockholder of the Company who participates in an offering by the Company of Shares at a price below NAV per Share or who buys additional Shares in the secondary market at the same or lower price as obtained by the Company in an offering (after expenses and any underwriting discounts and commissions) will experience the same types of NAV per Share dilution as the nonparticipating stockholders, albeit at a lower level, to the extent they purchase less than the same percentage of the discounted offering as their interest in the Shares immediately prior to the offering. The level of NAV per Share dilution on an aggregate basis will decrease as the number of Shares such stockholders purchase increases. Existing stockholders of the Company who buy more than such percentage will experience NAV per Share dilution, but will, in contrast to existing stockholders of the Company who purchase less than their proportionate share of the offering, experience an increase (often called accretion) in NAV per Share over their investment per Share and will also experience a disproportionately greater increase in their participation in the Company's earnings and assets and their voting power than the Company's increase in assets, potential earning power and voting interests due to the offering. The level of accretion will increase as the excess number of Shares such stockholder purchases increases. Even a stockholder who over-participates will, however, be subject to the risk that the Company may make additional discounted offerings in the future in which such stockholder does not participate, in which case such stockholder will experience NAV per Share dilution as described above in such subsequent offerings. These stockholders may also experience a decline in the market price of their Shares, which often reflects, to some degree, announced or potential increases and decreases in NAV per Share. Their decrease could be more pronounced as the size of the Company's offering and level of discount to NAV per Share increases.

The following examples assume that Entity XYZ has 1,000,000 shares of common stock outstanding, \$15,000,000 in total assets and \$5,000,000 in total liabilities. The current NAV and NAV per share are thus \$10,000,000 and \$10.00, respectively. The table below illustrates the dilutive and accretive effect in the hypothetical 20% discount offering from the prior chart for stockholder A that acquires shares equal to (1) 50% of their proportionate share of the offering (i.e., 1,000 shares, which is 0.50% of the offering of 200,000 shares rather than their 1.00% proportionate share) and (2) 150% of their proportionate share of the offering (i.e., 3,000 shares, which is 1.50% of the offering of 200,000 shares rather than their 1.00% proportionate share). The Company's prospectus pursuant to which any offering of Shares by the Company at a price less than the then-current NAV per Share is made will include a chart for its example based on the actual number of Shares in such offering and the actual discount to the most recently determined NAV per share.

Other Considerations

In reaching its recommendation to stockholders to approve the Share Issuance Proposal, the Board considered a possible source of conflict of interest due to the fact that the proceeds from the issuance of additional Shares may increase the management fees that the Company pays to FB Advisor as such fees are partially based on the value of the Company's gross assets. The Board, including the Independent Directors, concluded that, prior to approving any issuance of Shares below NAV per Share, it would determine that the benefits to the Company's stockholders from increasing the Company's capital base or from other uses would outweigh any detriment from increased management fees.

Potential Investors

The Company has not solicited any potential buyers of the Shares that it may elect to issue in any future offering of Shares to comply with the federal securities laws. No Shares are earmarked for management or other affiliated persons of the Company. However, members of the Company's management and other affiliated persons may participate in an offering of Shares by the Company on the same terms as others.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE SHARE ISSUANCE PROPOSAL.

SUBMISSION OF STOCKHOLDER PROPOSALS

The Company expects that the 2018 annual meeting of stockholders will be held in June 2018, but the exact date, time, and location of such meeting have yet to be determined. A stockholder who intends to present a proposal at the Company's 2018 annual meeting of stockholders, including nomination of a director, must submit the proposal in writing to the Secretary of the Company at FS Investment Corporation, 201 Rouse Boulevard, Philadelphia, Pennsylvania 19112, and the Company must receive the proposal no later than December 29, 2017, in order for the proposal to be considered for inclusion in the Company's proxy statement for that meeting.

Notices of intention to present proposals, including nomination of a director, at the Company's 2018 annual meeting of stockholders should be addressed to the Secretary of the Company and should be received by the Company between November 29, 2017 and 5:00 p.m., Eastern Time, on December 29, 2017. In the event that the date of the Company's 2018 annual meeting of stockholders is advanced or delayed by more than 30 days from the first anniversary of the Annual Meeting, a notice by the stockholder to be timely must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such annual meeting is first made. The submission of a proposal does not guarantee its inclusion in the Company's proxy statement or presentation at a meeting unless certain securities law requirements are met. The Company reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with the foregoing or other applicable requirements.

OTHER MATTERS TO COME BEFORE THE MEETING

The Board is not aware of any matters that will be presented for action at the Annual Meeting other than the matters set forth herein. Should any other matters requiring a vote of stockholders arise, it is intended that the proxies that do not contain specific instructions to the contrary will be voted in accordance with the judgment of the persons named in the enclosed form of proxy.

**FS INVESTMENT CORPORATION
Annual Meeting of Stockholders
June 14, 2017**

This proxy is solicited by the Board of Directors

The undersigned hereby appoints Michael C. Forman and Stephen S. Sypherd, and each of them, as proxies of the undersigned with full power of substitution in each of them, to attend the 2017 Annual Meeting of Stockholders of FS Investment Corporation, a Maryland corporation (the "Company"), to be held at 10:00 a.m., Eastern Time, on Wednesday, June 14, 2017, at 201 Rouse Boulevard, Philadelphia, Pennsylvania 19112, and any adjournments or postponements thereof (the "Annual Meeting"), and vote as designated on the reverse side of this proxy card all of the shares of common stock, par value \$0.001 per share, of the Company ("Shares") held of record by the undersigned as of any applicable record date. The proxy statement and the accompanying materials are being mailed on or about April , 2017 to stockholders of record as of April 20, 2017 and are available on the Investor Relations portion of the Company's website at www.fsinvestmentcorp.com or by going to www.fsinvestmentcorp.com/investor-relations/presentations-and-reports. All properly executed proxies representing Shares received prior to the Annual Meeting will be voted in accordance with the instructions marked thereon.

If no specification is made, the Shares will be voted (1) FOR the proposal to elect each of the director nominees listed in Proposal 1, and (2) FOR the proposal to authorize flexibility for the Company, with the approval of the Company's board of directors, to sell Shares during the next twelve months following stockholder approval at a price below the then-current net asset value per share, subject to certain limitations described in the proxy statement. If any other business is presented at the Annual Meeting, this proxy will be voted by the proxies in their best judgment, including a motion to adjourn or postpone the Annual Meeting to another time and/or place for the purpose of soliciting additional proxies. At the present time, the board of directors of the Company knows of no other business to be presented at the Annual Meeting. **Any stockholder who has given a proxy has the right to revoke it at any time prior to its exercise.** Any stockholder who executes a proxy may revoke it with respect to a proposal by attending the Annual Meeting and voting his or her Shares in person or by submitting a letter of revocation or a later-dated proxy to the Company at the above address prior to the date of the Annual Meeting.

Continued and to be signed on reverse side
