FOR IMMEDIATE RELEASE

FS Investment Corporation Provides Operational Update and Announces Details of Quarterly Stockholder Conference Call

PHILADELPHIA, PA, August 15, 2011 – FS Investment Corporation (“FSIC”), a business development company focused on investing primarily in the debt securities of private U.S. companies, provides an overview of its operating results for the quarter ended June 30, 2011. As previously announced, FSIC will hold its second quarter investor update conference call at 3:00 p.m. EDT on Monday, August 15, 2011 to discuss these results.

Financial Highlights

- FSIC raised gross proceeds of approximately \$319.1 million during the second quarter of 2011, and total gross proceeds since commencing its continuous public offering of approximately \$1,115 million through August 12, 2011.
- During the quarter ended June 30, 2011, FSIC’s portfolio generated:
 - Total GAAP basis net investment income of approximately \$14.3 million, or \$0.19 per share; and
 - Total net gains and appreciation of approximately \$3.5 million, or \$0.05 per share.
- A year-to-date GAAP total return of 7.32%.
- During the second quarter of 2011, FSIC paid out cash distributions to investors totaling approximately \$0.28 per share, including \$0.08 per share in special, one-time cash distributions.
- In April 2011, FSIC announced an increase in the amount of regular semi-monthly cash distributions payable to stockholders of record from \$0.032156 per share to \$0.033594 per share, beginning with FSIC’s regular semi-monthly distributions paid in May 2011, resulting in an increase in its annual distribution yield from 7.18% to 7.5% based on FSIC’s current public offering price of \$10.75 per share.
- During the second quarter of 2011, FSIC repurchased 79,250 shares of its common stock pursuant to its share repurchase program. FSIC repurchased these shares at a price of \$9.675 per share for aggregate consideration of approximately \$767,000. Due to the fact that the tender offer was undersubscribed, FSIC repurchased 100% of the shares validly tendered in the tender offer.

Recent Notable Announcements

- On July 21, 2011, FSIC, through two wholly-owned subsidiaries, entered into a conventional debt financing arrangement with JPMorgan Chase Bank, N.A., London Branch, pursuant to which up to \$300 million will be made available to FSIC to fund investments in new securities and for other general corporate purposes.

FSIC’s Chairman and Chief Executive Officer, Michael C. Forman, commented, “FSIC’s strong second quarter performance confirms our view that despite challenging market conditions, a well-managed, senior secured loan fund can continue to generate current income for its investors. In addition to our regular cash distributions, in the second quarter, we distributed \$0.08 of special cash distributions to our investors. We are pleased and honored that an increasing number of investors are choosing to invest in FSIC and, as a result, we’ve had the most successful fundraising quarter in our fund’s history. We would like to thank our stockholders and their financial advisors for investing with us. You should know that your continued trust and support is deeply appreciated.”

“Please join me and our team on Monday, August 15th at 3:00 p.m. EDT as we discuss our second quarter performance, as well as our outlook for the months ahead.”
