

FS KKR Capital Corp. Announces June 30, 2021 Financial Results and Declares Third Quarter 2021 Dividend of \$0.65 Per Share

PHILADELPHIA, PA AND NEW YORK, NY – August 9, 2021 – FS KKR Capital Corp. (NYSE: FSK), today reported net investment income of \$116 million, or \$0.77 per share for the second quarter ended June 30, 2021. The Company’s net asset value (“NAV”) was \$26.84 per share as of June 30, 2021, compared to \$26.03 per share as of March 31, 2021. On June 16, 2021, FSK completed its previously announced merger (the “Merger”) with FS KKR Capital Corp. II (“FSKR”). Pursuant to the Merger, FSKR merged with and into FSK, with FSK continuing as the surviving company.

Financial and Operating Highlights for the Quarter Ended June 30, 2021⁽¹⁾

- Net investment income of \$0.77 per share, compared to \$0.63 per share for the quarter ended March 31, 2021
 - Adjusted net investment income⁽²⁾ of \$0.74 per share, compared to \$0.63 per share for the quarter ended March 31, 2021
- Net asset value of \$26.84 per share, compared to \$26.03 per share as of March 31, 2021, an increase of 3.1%
- Total net realized and unrealized gain of \$4.98 per share, compared to a total net realized and unrealized gain of \$0.98 per share for the quarter ended March 31, 2021

“The second quarter was an extremely active quarter for FSK,” commented Michael C. Forman, CEO and Chairman. “From a strategic perspective, we consummated our merger with FS KKR Capital Corp. II, creating a premier BDC franchise with approximately \$15.7 billion in assets. From an operational perspective, we reported strong financial results, including Adjusted Net Investment Income of \$0.74 per share and a 3.1% increase in our net asset value per share. In addition, we originated \$2.3 billion in new portfolio company investments across our combined company, and we issued \$400 million of unsecured notes. Based on this positive activity, and pursuant to our policy of distributing excess earnings to shareholders, we are pleased to announce a \$0.65 per share dividend for the third quarter of 2021.”

Declaration of Distribution for Third Quarter 2021

FSK's board of directors has declared a cash distribution for the third quarter of \$0.65 per share, which will be paid on or about October 4, 2021 to stockholders of record as of the close of business on September 15, 2021.

Forward-Looking Statements and Important Disclosure Notice

This announcement may contain certain forward-looking statements, including statements with regard to future events or future performance or operations of FSK. Words such as “believes,” “expects,” “projects,” and “future” or similar expressions are intended to identify forward-looking statements. These forward-looking statements are subject to the inherent uncertainties in predicting future results and conditions. Certain factors could cause actual results to differ materially from those projected in these forward-looking statements. Factors that could cause actual results to differ materially include changes in the economy, risks associated with possible disruption in FSK’s operations or the economy generally due to terrorism, natural disasters or pandemics such as COVID-19, future changes in laws or regulations and conditions in FSK’s operating area, the price at which shares of FSK’s common stock trade on the New York Stock Exchange, costs, charges or expenses resulting from the business combination transaction involving FSK and FS KKR Capital Corp. II and failure to realize the anticipated benefits of the business combination transaction involving FSK and FS KKR Capital Corp. II. Some of these factors are enumerated in the filings FSK makes with the SEC. FSK undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

The press release above contains summaries of certain financial and statistical information about FSK. The information contained in this press release is summary information that is intended to be considered in the context of FSK’s SEC filings and other public announcements that FSK may make, by press release or otherwise, from time to time. FSK undertakes no duty or obligation to update or revise the information contained in this press release. In addition, information related to past performance, while helpful as an evaluative tool, is not necessarily indicative of future results, the achievement of which cannot be assured. Investors should not view the past performance of FSK, or information about the market, as indicative of FSK’s future results.

Other Information

The information in this press release is summary information only and should be read in conjunction with FSK’s quarterly report on Form 10-Q for the quarter ended June 30, 2021, which FSK filed with the U.S. Securities and Exchange Commission (the SEC) on August 9, 2021, as well as FSK’s other reports filed with the SEC. A copy of FSK’s quarterly report on Form 10-Q for the quarter ended June 30, 2021 and FSK’s other reports filed with the SEC can be found on FSK’s website at www.fskkradvisor.com and the SEC’s website at www.sec.gov.

Certain Information About Distributions

The determination of the tax attributes of FSK’s distributions is made annually as of the end of its fiscal year based upon its taxable income and distributions paid, in each case, for the full year. Therefore, a determination as to the tax attributes of the distributions made on a quarterly basis may not be representative of the actual tax attributes for a full year. FSK intends to update stockholders quarterly with an estimated percentage of its distributions that resulted from taxable ordinary income. The actual tax characteristics of distributions to stockholders will be reported to stockholders annually on Form 1099-DIV.

The timing and amount of any future distributions on FSK’s shares of common stock are subject to applicable legal restrictions and the sole discretion of its board of directors. There can be no assurance as to the amount or timing of any such future distributions.

FSK may fund its cash distributions to stockholders from any sources of funds legally available to it, including net investment income from operations, capital gains proceeds from the sale of assets, non-capital gains proceeds from the sale of assets, dividends or other distributions paid to it on account of preferred and common equity investments in portfolio companies, proceeds from the sale of shares of FSK’s common stock and borrowings. FSK has not established limits on the amount of funds it may use from available sources to make distributions. There can be no assurance that FSK will be able to pay distributions at a specific rate or at all.

Non-GAAP Financial Measures

This press release contains certain financial measures that have not been prepared in accordance with generally accepted accounting principles in the United States (GAAP). FSK uses these non-GAAP financial measures internally in analyzing financial results and believes that the use of these non-GAAP financial measures is useful to investors as an additional tool to evaluate ongoing results and trends and in comparing FSK's financial results with other BDCs.

Non-GAAP financial measures are not meant to be considered in isolation or as a substitute for comparable GAAP financial measures, and should be read only in conjunction with FSK's consolidated financial statements prepared in accordance with GAAP. A reconciliation of non-GAAP financial measures to the most directly comparable GAAP measures has been provided in this press release, and investors are encouraged to review the reconciliation.

- 1) Per share data was derived by using the weighted average shares of FSK's common stock outstanding during the applicable period. Per share numbers may not sum due to rounding.
- 2) Adjusted net investment income is a non-GAAP financial measure. Adjusted net investment income is presented for all periods as GAAP net investment income excluding (i) the accrual for the capital gains incentive fee for realized and unrealized gains; (ii) excise taxes (iii) the impact of accretion resulting from merger accounting; and (iv) certain non-recurring operating expenses that are one-time in nature and are not representative of ongoing operating expenses incurred during FSK's normal course of business (referred to herein as one-time expenses). FSK uses this non-GAAP financial measure internally in analyzing financial results and believes that the use of this non-GAAP financial measure is useful to investors as an additional tool to evaluate ongoing results and trends and in comparing its financial results with other business development companies. The presentation of this additional information is not meant to be considered in isolation or as a substitute for financial results prepared in accordance with GAAP. A reconciliation of GAAP net investment income to adjusted net investment income can be found above.

- 3) Net debt to equity ratio is debt outstanding, net of cash and foreign currency and net payable/receivable for investments purchased/sold and repaid, divided by net assets.
- 4) The per share data for distributions reflects the amount of distributions paid per share of our common stock to stockholders of record during each applicable period.
- 5) See FSK's quarterly report on Form 10-Q for the three months ended June 30, 2021 for important information, including information related to the calculation and definition of weighted average annual yield on accruing debt investments, weighted average annual yield on all debt investments, variable rate debt investments, fixed rate debt investments, other income producing investments and non-income producing investments.
- 6) Interest income is recorded on an accrual basis. See FSK's quarterly report on Form 10-Q for the three months ended June 30, 2021 for a description of FSK's revenue recognition policy.
- 7) Does not include investments on non-accrual status.
