About FS Investment Corporation

FSIC is a publicly traded business development company (BDC) focused on providing customized credit solutions to private middle market U.S. companies. FSIC seeks to invest primarily in the senior secured debt and, to a lesser extent, the subordinated debt of private middle market companies to achieve the best risk-adjusted returns for its investors. In connection with its debt investments, FSIC may receive equity interests such as warrants or options.

FSIC is advised by FB Income Advisor, LLC, an affiliate of Franklin Square Capital Partners (Franklin Square), and is sub-advised by GSO / Blackstone Debt Funds Management LLC, an affiliate of GSO Capital Partners LP (GSO). GSO, with approximately \$66 billion in assets under management as of March 31, 2014, is the credit platform of Blackstone, one of the world's leading managers of alternative investments.

About Franklin Square

Franklin Square is a leading manager of alternative investment funds designed to enhance investors' portfolios by providing access to asset classes, strategies and asset managers that typically have been available to only the largest institutional investors. The firm's funds offer "endowment-style" investment strategies that help construct diversified portfolios and manage risk. Franklin Square strives not only to maximize investment returns but also to set the industry standard for best practices by focusing on transparency, investor protection and education for investment professionals and their clients.

Founded in Philadelphia in 2007, Franklin Square quickly established itself as a leader in the world of alternative investments by introducing innovative credit-based income funds, including the industry's first non-traded BDC. The firm managed approximately \$11.0 billion in assets as of March 31, 2014.

About Blackstone and GSO Capital Partners

Blackstone is one of the world's leading investment and advisory firms. Blackstone seeks to create positive economic impact and long-term value for its investors, the companies it invests in, the companies it advises and the broader global economy. The firm does this through the commitment of its extraordinary people and flexible capital. GSO is the global credit platform of Blackstone. GSO, together with its affiliates, has approximately \$66 billion of assets currently under management and is one of the largest credit-focused alternative managers in the world and a major participant in the leveraged finance marketplace. GSO seeks to generate superior risk-adjusted returns in its credit business by investing in a broad array of strategies including mezzanine, distressed investing leveraged loans and other special situation strategies. Blackstone's alternative asset management businesses include investment vehicles focused on private equity, hedge fund solutions, secondary funds, and multi asset class exposures falling outside of other funds' mandates. Blackstone also provides various financial advisory services, including mergers and acquisitions advisory, restructuring and reorganization advisory and fund placement services.
