# Your vote is needed!

Dear Fellow Stockholder:

We are pleased to inform you that we are preparing FS Investment Corporation (FSIC) for a liquidity event, which will likely be a listing of shares of our common stock on a national exchange. We believe a listing is the best avenue to maximize value for you, our stockholder. Market and other conditions permitting, we are currently planning to effect the FSIC listing by the end of the first quarter of 2014.

Before we can list, we must successfully complete this year's annual stockholder meeting proxy process in advance of the meeting date, adjourned until August 26, 2013. FSIC is seeking approval from its stockholders to amend certain provisions of its charter in preparation for a potential public listing. You have previously received the proxy materials, which describe the proposed amendments in detail. Please review them carefully.

**Please respond to the proxy solicitation by voting in favor of each of the proposals described in the proxy materials by calling 1-877-807-6385.** Failure to obtain the required votes for all of the proposals will prevent FSIC from effecting all changes it is seeking to its charter in connection with the potential listing.

While our listing is likely several months away, we will continue to communicate with you on a regular basis. If you have any questions, please feel free to contact your financial advisor or visit our website at [www.fsinvestmentcorp.com](http://www.fsinvestmentcorp.com).

Thank you for your partnership as together we prepare FSIC for a potential public listing.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael C. Forman".

Michael C. Forman  
Chairman and Chief Executive Officer FS Investment Corporation
